Village of Tupper Lake
Board of Trustees
Agenda

Date: Wednesday, July 22, 2015
Start: 5:00 pm Executive & 6:00 pm Regular Session
Location: Board Room
Meeting: Regular Monthly

1. Executive Session from 5:00 pm to 6:00 pm to discuss information relating to the employment history of several individuals currently in our employ or who may be considered for future employment. Also to discuss collective negotiations pursuant to Article 14 of the Civil Service Law (the Taylor Law).
2. Call Regular Monthly Meeting to order at 6:00 pm and establish the agenda.
3. Pledge of allegiance and moment of silence for the safe return of Collin Gillis.
4. Mr. Chris Alcocer will be present to give the board a brief update on our Emergency Services Building project and the construction progress.
   - Formally approve Change Order #17 & 18 totaling $20,050.00 for Bette & Cring Construction Group.
   - Tower Permit approved and will be filed with Franklin County this week.
5. Public Comment Period.
6. Formally authorize Mayor Maroun to execute a Memorandum of Understanding with The Wild Center for Phase II Displays and Interactive Project for the DOS LWRP Grants for the park.
7. Formally approve a resolution of support for the 2015 Waterfront Revitalization Program Grant Funding Application.
8. Formally approve a resolution of support for the 2015 CFA to Empire State Development
9. Formally approve a resolution of support for the 2015 Engineering and Planning Program Grant Funding Application.
10. Review appraisal received on the Mill & Park Street lot and discuss letter of expression from Ms. Betsy Lowe for the purchase of the lot since she has purchased the two adjoining properties and would like the property for future development.
11. Authorize the use of the Volleyball Courts to be used for the "Samantha Pickering Memorial Scholarship Volleyball Tournament on August 8, 2015 from 10:00 am to 5:00 pm.
12. Authorize the use of the Washington Street Parking Lot and Bathroom for a 5K/10K Race/Walk for "Relay for Life Tupper Lake" from 9"00 am to 1:00 pm.
13. Authorization for the Clarence Bell Memorial Softball League to host a Softball Tournament August 29 & 30, 2015 from 8:00 am to 11:00 pm at the Demars Blvd. Ball Field.
14. Reappoint Mr. Gerald Savage to the Tupper Lake Housing Authority Board for a five (5) year term.
15. Approve the Board Minutes from June 22, 2015 and July 6, 2015 respectively.

Department Reports

Code Enforcement:

1. Approve the June Monthly Code Report.
2. 187 Park Street update.

Fire:

1. Approve the June Monthly Fire Report.

Police:

1. Approve the June Monthly Police Report.
2. Mark Picerno would like permission to participate in "Touch a Truck" program for Tupper Lake on September 9, 2015.

DPW:

1. Misc. projects and updates.

Water/Wastewater:

1. Formally acknowledge that we received notice on June 24, 2015 that our drinking water project is eligible for a Drinking Water Supply Revolving Fund (DWSRF) Grant in the amount of $2,000,000 and $4,221,808 in interest-free financing for a term of 30 years for our Ground Water Supply Project. We applied last December for the funding.
2. Formally accept the resignation of Mr. Jessie Kavanagh from the position of Water/Wastewater Helper effective August 1, 2015.
3. Discuss Thomas Walsh's and soon to be Jessie Kavanagh's vacancy.

Electric:

1. There will be no reduction in firm hydro energy sales for the month of August 1-31, 2015.
2. Authorize Mayor Maroun to execute a utility easement with Mr. & Mrs. Michael Keniston for the placement of a pole on their property on Little Wolf.
3. Write off an electric account balance for a deceased customer in the amount of $89.38.

Treasurer:

1. Approve the July 22, 2015 warrant in the amount of $658,723.43 for payment of the bills and to also approve the abstracts for the month of June, 2015.
2. Review the monthly cash position for June 30, 2015.

Executive Session: Executive Session to discuss information relating to the employment history of several individuals currently in our employ or who may be considered for future employment. Also to discuss collective negotiations pursuant to Article 14 of the Civil Service Law (the Taylor Law).

Matt,

Attached is the sketch I received form Andy for the splitface column. As far as attaching the masonry ties to the column, I would think they could be welded or shot to the column.

Let me know if the comments I added provide enough information for pricing.

APA Project Permit
2015-45

Date Issued

RECEIVED
JUL -6 2015

In the Matter of the Application of

VILLAGE OF TUPPER LAKE

for a permit pursuant to §809
of the Adirondack Park Agency Act

To the County Clerk: This permit must be recorded on or before _____. Please index this permit in the grantor index under the following names:
1. Village of Tupper Lake

SUMMARY AND AUTHORIZATION

This permit authorizes the construction of a tower 80.5 feet in height and the installation of five antennas on the tower, in an area classified Hamlet on the Adirondack Park Land Use and Development Plan Map in the Village of Tupper Lake, Franklin County.

This permit shall expire unless recorded in the Franklin County Clerk's Office on or _____, in the names of all permittees listed above and in the names of all owners of record of any portion of the project site on the recordation date.

The project shall not be undertaken or continued unless the project authorized herein is in existence within four years from the date the permit is recorded. The Agency will consider the project in existence when the tower has been constructed.

The project shall be undertaken in compliance with all conditions stated herein. Failure to comply with this permit is a violation and may subject the permittee, successors, and assigns to civil penalties and other legal proceedings.

Nothing contained in this permit shall be construed to satisfy any legal obligations of the permittee to obtain any governmental approval or permit from any entity other than the Agency, whether federal, State, regional or local.

AGENCY JURISDICTION

The project requires an Agency permit pursuant to Sections 809(2)(a) and 810(1)(a)(4) of the Adirondack Park Agency Act [Executive Law, Article 27], because it is a structure in excess of 40 feet in height on Hamlet lands.

PROJECT SITE

The project site is a 1.826±-acre parcel of land located on the north side of Santa Clara Avenue, in the Village of Tupper Lake, Franklin County, in an area classified Hamlet on the Adirondack Park Land Use and Development Plan Map. It is identified on Franklin County Tax Map Section 490.35, Block 2 as Parcel 2.200. The project site is described in a deed from Tupper Lake Associates LLC to Village of Tupper Lake dated January 16, 2015 and recorded March 23, 2015 in the Franklin County Clerk's Office as Instrument No. 2015-1190.

PROJECT DESCRIPTION AS PROPOSED

The project as conditionally approved herein involves the construction of a self-supporting lattice tower 80.5 feet tall above ground level. The base of the tower is 2 feet 6 inches wide. The top of the tower is 1 foot 2 inches wide. Five antennas for emergency communications will be mounted to the tower at various heights. Four of the five antennas will be relocated from other towers in the village to this new tower. Two of the five antennas, a low band co-axial antenna and an omni antenna, will extend above the tower to an overall height of 92.5 feet above ground level. The tower will be constructed on the same property and immediately north of the Village of Tupper Lake Emergency Services building (under construction), which will house the Village Police and Fire departments. The tower will receive power and backup power from the Emergency Services building. Related ground equipment will be within the building.

The project is shown on the following maps and plans titled "Tupper Lake Emergency Services Building," prepared by Architectural and Engineering Design Associates, P.C. (AEDA), dated August 2, 2013 ("Site Plan Map"):

- C1.2, "Site Plan," last revised June 11, 2015; and
- C2.1, "Detail Sheets," no revision dates.

The tower and antennas are shown on the following plan titled "Tupper Lake Emergency Services Building – 2015 APA Tower Permitting," prepared by Architectural and Engineering Design Associates, P.C. (AEDA), dated May 1, 2015 ("Elevation Drawing"):

- A1.1, "Tower and Antenna Elevations," no revision dates.

A reduced-scale copy of Drawing A1.1 ("Tower and Antenna Elevations") is attached as a part of this permit for easy reference. The original, full-scale maps and plans described in this paragraph are the official plans for the project, with copies available upon request from Adirondack Park Agency headquarters in Ray Brook, New York.

CONDITIONS

BASED UPON THE FINDINGS BELOW, THE PROJECT IS APPROVED WITH THE FOLLOWING CONDITIONS:

1. The project may not be undertaken until this permit has been recorded in the Franklin County Clerk's Office.

2. This permit is binding on the permittee, all present and future owners, lessees, sublessees, and successors in interest of the project site, and all persons undertaking all or a portion of the project or assuming operational control of all or any portion of the project, for as long as the tower remains on the site. Copies of this permit, the Site Plan Map, and Elevation Drawing shall be furnished by the permittee to all subsequent owners, lessees, sublessees, and successors in interest of the project site prior to sale or lease, and by the permittee and/or any subsequent owner, lessee, sublessee, or successor in interest to all persons undertaking any development activities authorized herein.

3. In addition to complying with all terms and conditions of this permit, all future activities on the project site shall be undertaken in compliance with the requirements of New York State's Adirondack Park Agency Act, Freshwater Wetlands Act [Article 24 of the Environmental Conservation Law], and the Adirondack Park Agency's implementation regulations [9 NYCRR Sections 570-588].

4. All deeds conveying all or a portion of the lands subject to this permit shall contain references to this permit as follows: "The lands conveyed are subject to Adirondack Park Agency Permit 2015-45, issued _____, the conditions of which are binding upon the heirs, successors and assigns of the grantors and all subsequent grantees."

Development

Construction Location and Size

5. Subject to the conditions stated herein, this permit authorizes the construction of the 80.5-foot-tall self-supporting lattice tower and the installation of five antennas on the tower in the location shown and as depicted on the Site Plan Map and Elevation Drawings. Any change to the location, dimensions, or other aspect of the tower, including the addition of any new antennas, parabolic dishes, or other equipment, shall require a new or amended permit. Maintenance and/or replacement of the tower, antennas, and other supporting structures and equipment, as authorized by this permit, may occur pursuant to the conditions herein without a new or amended permit.

Tower and Antenna Height

6. The tower shall not exceed 80.5 feet in height above ground level. The antennas shall be located as depicted on the Elevation Drawing; the top of the antennas shall not exceed 92.5 feet in height above ground level.

Structure Color

7. The lattice tower and any cable ladder shall be hot-dipped galvanized steel (resulting in a neutral matte gray color) or painted dark charcoal grey or black with a non-reflective flat or matte finish.

Outdoor Lighting

8. There shall be no lights mounted on the tower or directed so as to illuminate the tower.

Silt Fence

9. Prior to undertaking any earthwork related to installation of the tower foundation, silt fence shall be properly installed between the tower location and the permanent stream and wetlands. The silt fence shall be embedded into the earth a minimum of six inches. The silt fence shall be maintained throughout construction and shall not be removed until after all disturbed soils are stabilized to prevent siltation of the water resources. The applicants or their successors in interest shall inspect the fabric at least once a week and after every major storm event to ensure the fabric and supports are intact and to remove accumulated sediments so as to maintain the fence in a functional manner.

Project Operations

Documentation of Construction

10. The Agency shall be provided with color photographs (both in print and digital form) showing the completed tower, antennas, and equipment compound within 30 days of project completion. Photographs shall be taken at the project site and from Photo Station A (Raquette Pond, 0.7± miles southwest of tower) and Photo Station B (NY State Route 3, 0.2± miles northwest of tower). At the project site, photographs showing the entire completed project shall be provided. From all Photo Stations, digital equivalent 55 mm and 85 mm lenses shall be employed. All photographs must clearly identify the date the picture was taken, the location of the photograph, and the lens size employed. Compliance photographs shall be taken on a clear day with little cloud cover.

Within 30 days of receipt of the photos, the Agency shall provide written confirmation of permit compliance or, if the Agency finds the project is not in compliance, it shall specifically state the reason(s) for non-compliance. In the event of non-compliance, the permittee shall within 45 days submit a plan and schedule to modify the structure and achieve compliance for Agency review and approval.

Reports

11. At the request of the Agency, the permittee or the permittee's successor shall report in writing the status of the project, including details of compliance with any terms and conditions of this permit.

Discontinuance of Use

12. The tower authorized herein shall be removed within one year following any discontinuance of its use for a full year. Any authorized antenna listed on the Elevation Drawing shall be removed within six months following any discontinuance of its use for six months. Replacement of the tower or any antennas removed as required by this condition shall require a new or amended Agency permit.

FINDINGS OF FACT

Background

Site History

1. The project site was created by a two-lot subdivision authorized by Agency Permit 2013-208, issued December 10, 2013 and recorded February 4, 2014 in the Franklin County Clerk's Office as Instrument No. 2014-596. The location of the project site's northern subdivision line was adjusted as authorized by Agency Permit 2013-208A, issued February 24, 2015 and recorded March 23, 2015 in the Franklin County Clerk's Office as Instrument No. 2015-1187.

Project Sponsor

2. This tower is proposed by the Village of Tupper Lake to consolidate its emergency communications antennas and equipment on a single tower at the site of a new (under construction) Emergency Services building.

Towers Policy

3. On February 15, 2002, the Agency adopted a policy titled "Policy on Agency Review of Proposals for New Telecommunications Towers and Other Tall Structures in the Adirondack Park" (Towers Policy). This Agency's Towers Policy is intended to protect aesthetic, open space and other resources, while providing for telecommunications systems consistent with federal law. The 2002 Towers Policy updated a 1978 policy and recognized that "governmental emergency communications are being converted to digital technology, which will require new facilities to provide services to meet the needs for public health, safety, and welfare." Section III-D of the 2002 Towers Policy "recognizes that such factors should be taken into consideration along with other policy guidelines." The Towers Policy directs the consideration of the land use area; it states, "substantial invisibility is considerably different in developed areas with the less restrictive Hamlet land use area classification when compared to areas classified Rural Use and Resource Management in light of the differing statutory purposes and policies for these areas set forth in the Land Use and Development Plan."

Existing Development

4. The Tupper Lake Emergency Services building, under construction on the project site, will provide space for the Village of Tupper Lake Fire Department and Police Department, as well as community space. The Fire Department wing of the building will be 22 feet 10 inches tall and the Police Department wing of the building will be 16 feet 0 inches tall. The existing Fire Department building (on High Street) and its ground-mounted tower will be decommissioned. The three antennas currently on the Fire Department tower will be moved to the new tower authorized herein, and one of them will be decommissioned and replaced with a new antenna. The existing Police Department building (on Park Street) and its roof-mounted tower will remain in use for the Village Offices, although two antennas will be removed from the tower and placed on the tower authorized herein.

Proposed and Authorized Development

5. All five of the antennas are linear, including one low band co-axial antenna, one omni antenna, one omni exposed dipole antenna, and two broadband antennas. They will all be mounted vertically and parallel to the tower.

Project Site

Water Resources and Wetlands

6. The project site's northern property line follows a permanent stream. Much of the stream is separated from the tower and building area by a row of boulders. The stream flows into wetlands along the shoreline of Raquette Pond, a navigable water body, 750± feet to the west.

7. There are wetlands on the project site in small areas along the stream. The wetlands are an emergent marsh with a value rating of "2" pursuant to 9 NYCRR Part 578. Wetland boundaries were delineated by Agency staff on April 29, 2013 (W2013-16) and are shown on the Site Plan Map. The wetlands shown are 133± feet from the tower at their closest point. Wetlands shown on the plans and/or described herein are intended to alert landowners and others that wetlands are present on the project site. However, this may not identify all wetlands on or adjacent to the project site.

Slopes

8. Existing slopes on the project site are less than 1 percent.

Soils

9. Soils on the project site in the location of the tower consist of structural fill brought in to support the Emergency Services building.

Visual

10. A visual analysis of the tower and antennas was submitted with the application for this permit, titled "Visual Analysis Report for Tower & Antenna at Tupper Lake Emergency Services Building," prepared by Architectural & Engineering Design Associates, P.C., dated May 19, 2015 and revised June 12, 2015. This analysis included a site visit to identify the tower location, height, and actual areas of visibility and photo-simulations of the proposed tower. An Agency staff member was present during the site visit on May 5, 2015.

11. Within one mile of the tower site, the visual analysis, described in the Finding of Fact above, indicates that the tower and/or antennas will be visible from the following locations: 0.5± square mile of Raquette Pond, 0.7± miles of NY State Route 3 (Demars Boulevard), the entire length of Santa Clara Avenue (0.2± miles), 0.4± miles of McLaughlin Avenue, at the end of Mill Street at Raquette Pond, at the end of Cliff Avenue at Raquette Pond, and portions of the Tupper Lake Municipal Park and Flanders Park. Within three miles of the tower site, the visual analysis indicates that the tower and/or antennas will be visible from 1.3± square miles of Raquette Pond. Within three miles of the tower site, the same analysis indicates that the tower and antennas will <u>not</u> be visible from the following locations: Wolf Pond, Little Wolf Pond, Simon Pond, the Raquette River, or any streets greater than 0.6± mile of the tower site.

12. Views of the tower and antennas are often in context of other vertical structures and development. Views of the tower site from NY State Route 3 (Demars Boulevard) include many other vertical structures, in addition to buildings and parking areas, such as utility poles, transmission lines, street lights, commercial signs, an industrial use smokestack, silos, and a water tower. Views from Raquette Pond of the tower site and nearby shoreline include many other vertical structures, such as the industrial use smokestack and water tower, and the light posts and fixtures for the Tupper Lake Municipal Park ball field.

13. The top of the tower will be narrow, 1 foot 2 inches wide, and the antennas are linear antennas as opposed to panel antennas or parabolic (dish) antennas and oriented vertically on the tower. From many of the locations from which the tower will be visible, the lower portion of the tower will be blocked by the foreground. When the top portion of the tower and antennas are visible, they will sometimes be backdropped by trees and topography and sometimes seen against the sky.

Historic Sites and Structures

14. The project site is not within an archeologically sensitive or historic area as mapped by the NYS Office of Parks, Recreation and Historic Preservation.

Co-Location

15. The permittee affirms that the tower authorized herein is solely for use by the Village of Tupper Lake; the village has no policy for co-location of the site or use by others.

Nearby Land Uses

16. The project site is in the Village of Tupper Lake. The properties immediately adjacent to the project site are developed as follows: an abandoned rail corridor and community recreation building to the east, self-storage units to the south, a gas station to the west, and a shopping plaza to the north. Nearby, within approximately one-quarter mile, the character of the area is developed, including an industrial use building and complex, utility substation, commercial buildings, residential buildings, and village parks.

17. A 140±-foot-tall water tower with cellular antennas is located 990± feet northwest of the tower authorized herein. Agency Permit 95-310 authorized the installation of two 10-foot-tall omni antennas to be attached to two 30-foot-tall masts to be mounted to the existing water tower constructed in 1929. Agency Permit 95-310A authorized the installation of a 2-foot-diameter parabolic antenna to the south face of the water tower and the replacement of the two previously authorized omni antennas with three omni antennas.

18. The 260±-foot-tall smokestack for the nearby industrial use building is a highly visible landmark located 1,000± feet northwest of the tower authorized herein.

Access

19. The tower site is 190± feet from the centerline of Santa Clara Avenue. Access to the tower site is via the Emergency Services building driveway and parking lot.

Alternatives

20. The permittee evaluated the possibility of locating some antennas off site, such as where they are currently located or co-locating them on other tall structures, to allow for a reduction in tower height. The permittee rejected any alternative of locating any antennas off site for several reasons. The Village of Tupper Lake plans to sell the existing Fire Department property; retention of the existing Fire Department tower would complicate the sale of the property. Radio transmitters and receivers work more efficiently and reliably in close proximity to their associated antennas by reducing power lost through the length of transmission lines and by avoiding the effects of off-site power outages or damage to transmission lines. There will be a generator on site to operate the Emergency Services building and the tower's antennas. Both Fire and Police base stations use multiple frequencies that would be difficult to operate via remote control. The permittee's objective is to maintain all components necessary to provide emergency services, including communication, on one site in order to maintain control and access over those components. The proposed location is the only site that meets these objectives.

21. The permittee evaluated the possibility of a lower tower height. The ground elevation of the Emergency Services building is 35± feet lower than the ground level of the existing Village tower on Park Street. Part of the village, including the High School and Natural History Museum of the Adirondacks, is on the back side of a hill from the Emergency Services building location. The tower height authorized herein is necessary for the antenna signals to clear the topography, trees, and manmade objects in the surrounding area and will help radio waves radiate further and stronger to penetrate buildings for pager activations and portable use during fire calls.

Public Notice and Comment

22. The Agency notified all adjoining landowners and other parties and published a Notice of Complete Permit Application in the Environmental Notice Bulletin, as required by the Adirondack Park Agency Act. No comments have been received.

Other Regulatory Requirements

23. A Local Government Notice Form signed March 23, 2015 by the Village Code Enforcement Officer reports that this use is allowed in the local zoning district (Commercial), the project is not prohibited by any local law or ordinance, and the project will not require any municipal permit.

24. By letter dated May 12, 2015, the New York Air National Guard determined that the project as proposed would not cause any negative impact on military training airspace.

25. The NYS Department of Environmental Conservation issued a SPDES General Permit for Stormwater Discharges from Construction Activity (for construction of the Emergency Services building), Permit No. GP-0-15-002. The permit is effective January 29, 2015 through January 28, 2020.

26. The antennas authorized herein require licensing from the Federal Communications Commission. The Village of Tupper Lake has current licenses for all of the antennas that will be on the tower.

27. No formal notice to the Federal Aviation Administration (FAA) is required for a tower of the proposed height in this location.

Impairment of Rights

28. This permit does not convey any right to trespass upon the lands or interfere with the riparian rights of others in order to undertake the authorized project, nor does it authorize the impairment of any easement, right, title or interest in real or personal property.

PROJECT IMPACTS

Water Resources and Wetlands

29. All excavation and site work associated with the tower foundation will be completed prior to removing the existing silt fence and in compliance with the current DEC SPDES permit issued for construction of the Emergency Services building. The tower will be bolted together and swung into place by a truck crane or a bucket truck. Therefore, there will no adverse impacts to the nearby permanent stream or wetlands, or downstream waterbodies.

Visual

30. The authorized tower and antennas will be visible but consistent with the Agency's Towers Policy due to the public safety purpose of the tower and its antennas for emergency communications as part of a governmental emergency communications facility; the tower's location, design, height, width, and color; the location, size, and shape of the antennas; and the context of the tower among other vertical structures, some with other antennas (i.e., smokestack, water tower, and utility poles).

31. The authorized tower and antennas will fit with the character of a public safety building in the Hamlet land use area in which it is located.

32. Prohibiting lights on or directed toward the tower will reduce nighttime light pollution (glare, light trespass and sky glow) and will reduce the nighttime visibility of the tower.

Historic Sites or Structures

33. The project will not cause any change in the quality of "registered," "eligible," or "inventoried" property as those terms are defined in 9 NYCRR § 426.2 for the purposes of implementing Section 14.09 of the New York State Historic Preservation Act of 1980.

CONCLUSIONS OF LAW

The Agency has considered all statutory and regulatory criteria for project approval set forth in the Adirondack Park Agency Act and 9 NYCRR Part 574. The Agency hereby finds that the project authorized as conditioned herein:

a. will be consistent with the land use and development plan;
b. will be compatible with the character description and purposes, policies, and objectives of the Hamlet land use area;
c. will be consistent with the overall intensity guidelines for the Hamlet land use area;
d. will comply with the shoreline restrictions of § 806 of the Adirondack Park Agency Act; and
e. will not have an undue adverse impact upon the natural, scenic, aesthetic, ecological, wildlife, historic, recreational or open space resources of the Park or upon the ability of the public to provide supporting facilities and services made necessary by the project, taking into account the economic and social benefits that might be derived therefrom.

The Wild Center and the Village of Tupper Lake
Phase II - Displays and Interactives Project
Memorandum of Understanding

July 2015

WHEREAS, **The Wild Center** and **Village of Tupper Lake** have come together to collaborate on the development and installation of interpretive displays and interactives in the Municipal Waterfront Park, utilizing Local Waterfront Program funding from the Department of State; and

WHEREAS, the partners executed a Memorandum of Understanding in in November 2012 to complete planning and design for the interpretive displays and interactives as Phase I of the project; and

WHEREAS, the partners now intend to complete Phase II "Fabrication and Installation" of the displays in 2015, using the Village of Tupper Lake's 2012 Local Waterfront Revitalization Program grant funding from the Department of State;

NOW, THEREFORE, it is hereby agreed by and between the partners that The Wild Center will complete the following work plan to fabricate and install the displays and interactives by November 1, 2015 for a lump sum fee of $49,040.00. The Wild Center will invoice on September 1st and November 1st.

Phase II – Fabrication and Installation

Tasks and Deliverables:

Informational Signage:

1) Review Signage and Interactives Plan, delivered December 2012, with town/village officials. Make adjustments to design and final placement of signage and interactives as necessary
2) Send any revised design and placement recommendations to DOS for review, incorporate any comments and finalize documents
3) Fabricate the seven signs, as well as their supports
4) Support town/village staff in installing signs by November 1st

Displays and Interactives:

5) Finalize list and concepts for interactives
6) Send revised list and concepts to DOS for review, incorporate any comments and finalize document
7) Source and fabricate interactives and accompanying signage
8) Support town/village staff in installing interactives by November 1
9) Advise town/village officials and consultants on final implementation, mapping, and outreach (including press releases, joint promotion) related to this shared project

DOS Grant Funding Requirements:

The Wild Center shall comply with all applicable terms and conditions contained in the Agreement between the Village of Tupper Lake and Department of State (#C001000265).

We, the undersigned have read and agree with this MOU and the proposed project.

RESOLUTION IN SUPPORT OF
2015 LOCAL WATERFRONT REVITALIZATION PROGRAM GRANT
FUNDING APPLICATION

WHEREAS a notice of funding availability for Local Waterfront Revitalization Program grant funds has been made by the Department of State in the 2015 CFA Round; and

WHEREAS the Village of Tupper Lake seeks to advance goals and priority projects of its 2013 Revitalization Strategy and draft Marketing Plan, developed with funding from the Local Waterfront Revitalization Program, as well as the goals of the Raquette River Blueway Strategy and 90 Miler Blueway Plan; and

WHEREAS the Village of Tupper Lake also seeks to advance complementary goals of its Tourism Destination Master Plan Workbook and its 2007 Economic Development Strategy; and

WHEREAS Adirondack municipalities in Essex, Hamilton, St. Lawrence and Franklin Counties are joining in partnership with Tupper Lake to advance tourism through destination development and promotion and by building community resiliency, advancing key strategies of the North Country Regional Economic Development Council Strategic Plan and NY Rising; and

WHEREAS, the proposed funding will leverage ongoing public and private efforts to enhance the curb appeal along the Adirondack and Olympic Scenic Byways, and

WHEREAS, the Village of Tupper Lake Board of Trustees fully supports the proposed projects included in the funding application;

NOW HERE BE IT RESOLVED:

That Mayor Paul Maroun, as Mayor of the Village of Tupper Lake, is hereby authorized and directed to file an application for funds to the New York State Department of State Local Waterfront Revitalization.

Be it further resolved that the Mayor is hereby authorized to act on behalf of the Village of Tupper Lake Board in all matters related to this financial assistance, and upon approval of said request, to enter into and execute a state assistance contract for such financial assistance. The attached Resolution shall take effect immediately.

CERTIFICATE OF RECORDING OFFICER

I, Mary Casagrain, the duly qualified and acting Clerk of the Village of Tupper Lake, New York, do hereby certify that the attached resolution was adopted at a regular

meeting of the Tupper Lake Village Board held on July ____, 2015 and is incorporated in the original minutes of said meeting, and that said resolution has not been altered, amended or revoked and is in full force and effect.

RESOLUTION IN SUPPORT OF
2015 CFA to Empire State Development

WHEREAS a Notice of Funding Availability for Empire State Development Corporation Capital Program funds has been issued in the 2015 CFA Round; and

WHEREAS the Adirondack Club and Resort is included as a Vital Action in the North Country Economic Development Council's Strategic Plan and an Ongoing Priority in strategic plan update documents, due to its ability to advance the region's vision of activating tourism as a driver for the North Country economy; and

WHEREAS the Adirondack Club and Resort advances key strategies of the North Country Regional Economic Development Council Strategic Plan by developing tourism infrastructure to transform the region, by leveraging private investment and by increasing jobs in industries that import dollars; and

WHEREAS the Adirondack Club and Resort is essential to advancing Tupper Lake's economic goals as identified in the NCREDC Tourism Destination Workbook and 2007 Economic Development Strategy; and

WHEREAS the Village of Tupper Lake seeks to construct water system infrastructure improvements essential to construction of the Adirondack Club and Resort project; and

WHEREAS, the Village of Tupper Lake Board of Trustees fully supports the proposed funding application;

NOW, THEREFORE, BE IT:

RESOLVED that Mayor Paul A. Maroun, as Mayor of the Village of Tupper Lake, is hereby authorized and directed to file an application for funds to the Empire State Development Corporation.

CERTIFICATE OF RECORDING OFFICER

I, Mary Casagrain, the duly qualified and acting Clerk of the Village of Tupper Lake, New York, do hereby certify that the attached resolution was adopted at a regular meeting of the Tupper Lake Village Board held on July ____, 2015 and is incorporated in the original minutes of said

meeting, and that said resolution has not been altered, amended or revoked and is in full force and effect.

(Signature of Clerk)
Seal of Municipality

RESOLUTION IN SUPPORT OF
2015 ENGINEERING AND PLANNING PROGRAM GRANT
FUNDING APPLICATION

WHEREAS a notice of funding availability for Engineering Planning Grant Program funds has been issued by the Environmental Facilities Corporation in the 2015 CFA Round; and

WHEREAS Tupper Lake seeks to join in partnership with the North Country Regional Economic Development Council to advance key tourism strategies of the North Country Regional Economic Development Council Strategic Plan by developing tourism infrastructure to transform the region, by leveraging private investment in tourism and by increasing jobs in industries that import dollars; and

WHEREAS adequate wastewater infrastructure is essential to the advancing Tupper Lake's tourism goals as identified in the community's Tourism Destination Master Plan Workbook and 2007 Economic Development Strategy; and

WHEREAS the Village of Tupper Lake seeks to assess and plan for improvements needed to its wastewater system to serve the needs of its residents and future economic development opportunities offered by the Adirondack Club and Resort project; and

WHEREAS, the Village of Tupper Lake Board of Trustees fully supports the proposed funding application;

NOW, THEREFORE, BE IT:

RESOLVED that Mayor Paul A. Maroun, as Mayor of the Village of Tupper Lake, is hereby authorized and directed to file an application for funds to the Environmental Facilities Corporation Engineering Planning Grant Program; and

BE IT FURTHER RESOLVED that the Village Board of Trustees of Tupper Lake authorizes and appropriates the $7,500 local match as required by the Engineering Planning Grant Program; and

BE IT FURTHER RESOLVED that the Mayor of Tupper Lake is authorized to execute a Grant Agreement with the NYS Environmental Facilities Corporation and any and all other contracts, documents and instruments necessary to bring about the Project and to fulfill the Village of Tupper Lake's obligations under the Engineering Planning Grant Agreement.

CERTIFICATE OF RECORDING OFFICER

I, Mary Casagrain, the duly qualified and acting Clerk of the Village of Tupper Lake, New York, do hereby certify that the attached resolution was adopted at a regular meeting of the Tupper Lake Village Board held on July ____, 2015 and is incorporated in the original minutes of said meeting, and that said resolution has not been altered, amended or revoked and is in full force and effect.

Hi Mary,

Attached are our three remaining grant resolutions for next week's Board meeting.

Would you please take a look and let me know if any questions?

Talk to you a little later this morning.

Thank you,
Melissa

RE: Market Value for Vacant Lot at 129 Park Street, Tupper Lake, New York, 12986.

Dear Mary,

After inspecting the vacant lot owned by the Village of Tupper Lake located at 129 Park Street, Tupper Lake, New York, I believe the current fair market value to be $2,000.00.

I arrived at this figure based on two facts:

1.) The 2015 tax assessment of this property is $4,000.00, and
2.) The current DOT highway reconstruction of NYS Routes 3 & 30 will effectively take approximately 50% of this lot through eminent domain proceedings.

I am a New York State Real Estate Broker, a member of the Northern Adirondack Board of Realtors, and New York State and National Association of Realtors.

Sincerely,

Rob

Mary/Pete,

Below is the update I just received from KAS. Unfortunately, you do have asbestos that will require a controlled demolition.

I will keep you posted on the variance timeline.

Thank you.
Jim

Jim –

We received laboratory results for the samples submitted (roofing and joint compound). Unfortunately, there was roofing materials that contained 8.9% Chrysotile Asbestos (ACM). The roofing materials had been shoveled into the building and had fallen into the second floor. Given this fact, the building is going to require demolition with asbestos in place. Peter will prepare the variance next week and we'll get it submitted to NYSDOL. I'll give you an update next week with the variance is submitted.

Thanks

Aaron Roth

To: "'Mary Casagrain'" <villtupplake@centralny.twcbc.com>
CC: "'Peter Edwards'" <tupperlakecodes@gmail.com>, "'Andy Abdallah'" <aabdallah@aedapc.com>

Mary,

Below is a tentative schedule (as I reviewed with Pete yesterday):

7/13/15 - Receive asbestos testing results
7/17/15 - Submit variance application to the State
Mid August 2015 -Receive variance response (KAS indicates a 4-6 week review period by the State)
Late August 2015 - Receive bids for demolition
September 2015 - Demolition of building

AEDA and KAS will push things along with the State as quickly as possible. Testing results will play a big factor in the type of variance request to the State.

If you have any questions, feel free to contact me.

Thank you.

Please find signed Professional Services Agreement Amendment #1 as requested.

Hope this moves things along, any mention when we might see the testing results?

Thanks,
Mary C.

Hi Jim,

When it's convenient, can you have the Village of Tupper Lake sign the Service Agreement attached for the site specific Variance on the Tupper Lake 187 Park Street job.

Sincerely,

Joel Steele

Tupper Lake, NY 12986

Re: Drinking Water State Revolving Fund
Project No.: 18061
Village of Tupper Lake
Franklin County

Dear Mayor Maroun:

Thank you for your recent hardship application to the New York State Department of Health (DOH) and the New York State Environmental Facilities Corporation (EFC) seeking financial assistance from the Drinking Water State Revolving Fund (DWSRF). I am pleased to inform you that your proposed drinking water project is eligible for a DWSRF Grant of $2,000,000 and $4,221,808 in interest-free financing for a term of 30 years.

This determination is based on the information provided in your hardship application, including the following:

- 2,071 equivalent dwelling units (EDUs) within the service area;
- A Median Household Income of $38,463 based on the 2010 census;
- Projected annual operation and maintenance costs of $791,529;
- Offsetting revenues of $201,942 and,
- A total project cost of $6,221,808.

This proposed funding package results in a projected service charge (PSC) of $394 per equivalent dwelling unit and is available for **two years** from the date of this letter, which expires June 22, 2017.

In order to maintain eligibility for this DWSRF financial assistance, we request that the Village submit a completed DWSRF application to EFC as soon as practicable, or at the latest, by December 22, 2016, which is six months prior to the expiration date of this letter. Please note that this letter does not constitute a commitment by EFC to lend or otherwise provide funding. Such a commitment will be reflected in a Project Financing Agreement executed by both parties.

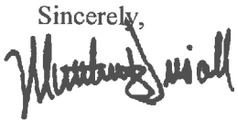
Please note that upon review of your completed application, EFC may deny or otherwise adjust the financial assistance described in this letter due to any material changes that may occur in the factors presented in your original hardship application, including for example, the availability of grants from sources other than the DWSRF. In addition, EFC may only provide financial assistance for your project after receiving formal approvals from the Corporation's Board of Directors and the New York State Public Authorities Control Board.

Finally, submission of a completed application is necessary to determine whether your project is compliant with the State Smart Growth Public Infrastructure Policy Act.

Should you have any questions or require any assistance in completing your DWSRF application packet, please do not hesitate to contact EFC's Assistant Financial Development Manager Christopher Rienzo at (518) 402-7085, or christopher.rienzo@efc.ny.gov.

Thank you again for your interest in the DWSRF program and congratulations to you and the community you represent on receiving hardship assistance from this invaluable program. We look forward to working with you to ensure that your community has a safe, affordable and sustainable water supply for generations to come.

Sincerely,



Matthew J. Driscoll
President and CEO

RECEIVED
JUN 25 2015

To: Mark Robillard and The Village of Tupper Lake Board members

I am writing this letter to inform you that I am resigning from the Water/ Sewer Department. I appreciate the opportunity I was given. In the past 2 years I have learned a lot about the infrastructure of Tupper Lake, the day to day assignments of the departments and their responsibilities. July 31, 2015 will be my last day. I hope this letter gives you enough time to find a suitable replacement for my position.

Thank you again,

Jessie Kavanagh 6/8/2015

July 13, 2015

Mr. John Bouck
Electric Superintendent
Village of Tupper Lake
53 Park Street

Tupper Lake, NY 12986-0290

Re: Firm Hydro Energy for **August 1 – 31, 2015**

Dear :

We are pleased to advise you that we anticipate there will be **no reduction in firm hydro energy sales to our hydropower customers for the period of August 1 through 31, 2015.** The forecasted August 2015 generation is projected to be sufficient to meet our firm hydropower customers' needs. However, if that generation is not sufficient, Substitute Energy will be purchased on your behalf for those customers with signed Substitute Energy agreements.

Since hydro shortfalls may still be anticipated in future months, we remain prepared to provide Substitute Energy to assure continuous flow of the lowest cost power to you. For those customers who have executed a Substitute Energy agreement, the Power Authority will automatically purchase the Substitute Energy on your behalf in months that a shortage occurs, pursuant to those agreements, unless otherwise notified. The monthly price for Substitute Energy is an average of all Substitute Energy provided to firm hydropower customers each month.

Current estimates are no shortage for September 2015 through February 2016. We will continue to analyze more current data monthly and provide this type of rolling 6-month forecast each month.

If you have any questions, please contact Brandon Cole at (914) 287-3585 or by e-mail at

Brandon.Cole@nypa.gov.

Sincerely,

Keith T. Hayes
Vice President- Marketing

Re: Mike and Kathy Keniston Easement

Dear Mary:

Pursuant to conversations between Mike Keniston and John Bouck, please find a utility easement which will allow for the installation of utilities from the Payment lot on North Little Wolf over to the Keniston lot on Little Wolf.

Would you please execute the easement and also the transfer tax return and insert the Federal ID number for the Village and return the documents to us.

Should you have any questions, please feel free to contact me.

Sincerely,

Kirk Gagnier

GRANT OF EASEMENT

THIS INDENTURE made this 6 day of July Two Thousand Fifteen

BETWEEN

MICHAEL KENISTON and KATHY KENISTON, Husband and Wife of 199 Washington Street, Tupper Lake, New York 12986, Grantors

and

VILLAGE OF TUPPER, a municipal corporation with offices at 53 Park Street, P.O. Box 1290, Tupper Lake, New York 12986 and **TOWN OF TUPPER LAKE, a municipal corporation** with offices at 120 Demars Blvd., Tupper Lake, New York 12986, Grantees

WITNESSETH

WHEREAS Grantors are the owners of property located on North Little Wolf Road in the Town of Tupper Lake, Franklin County, New York acquired by deed recorded in the Franklin County Clerk's Office on March 23, 2012 as Instrument No. 2012-1425; and

WHEREAS Grantees require an easement across Grantors' Property for the purpose of installing and maintaining utilities for Grantors' Property; and

WHEREAS Grantors have obtained an easement across, under and through adjoining property of Payment by Easement to be recorded simultaneously herewith, which said easement authorizes Grantors to grant the same rights therein to Grantees for purposes of utility installation, repair and maintenance

NOW THEREFORE for valuable consideration, the parties hereby agree as follows:

1. Grantors hereby grant to Grantees a permanent non exclusive easement across the property of Payment commencing at the southeast corner of Lot 44 of the Little Wolf Lake Allotment (marked N. B, Sprague, Trustee) as said lot is shown on the map by D. C. and L. G. Wood, Engineers, Herkimer, N.Y. October 1915 (amended March 8, 1920 and filed in the Franklin County Clerk's Office) and from said point running in a generally westerly direction along the south boundary line of said Lot 44 to a point in the lands of Lot 44 located west of Little Wolf Road (Town Road) a sufficient distance to allow for connection to the municipal sewer system; and from said point; thence North 40 deg. 9 min. 25 sec. West a distance of 25 feet to a point; thence turning at an angle and running in a general easterly direction parallel to the southern line of said Lot 44 to a point in the eastern boundary line of said Lot 44; thence from said point in a general southerly direction along the eastern boundary line of Lot 44 to the point and place of beginning.

Grantors also grant to Grantees a permanent non exclusive easement for the purpose of installing and maintaining utilities over, under and across Grantors' property commencing at the southwest corner of Grantors' property (2012-1425) and running thence North 57 deg. 28 min. 40 sec. East along the south boundary of Grantors approximately 196.33 feet to a point which is on the division line between two one acre parcels owned by Grantors, and thence North 32 deg. 31 min. 15 sec. East 25 feet to a point; thence turning at an angle to the west and running South 57 deg. 28 min. 40 sec. West in a generally westerly direction parallel to the southern boundary of Grantors to a point in the western line of Grantors; thence turning in a generally southerly direction and running South 40 deg. 09 min. 25 sec. West to the point and place of beginning.

2. This easement may be used for connection to municipal water, sewer, electric and all available utilities for the benefit of lands of the Grantors, their heirs, successors and assigns and any lots subdivided therefrom.

3. Grantee shall have access to said easement area for purposes of installation and maintenance of said utilities.

4. Grantee shall replace any disturbed area into the graded condition it existed prior to disturbance and soil and seed such area.

5. Grantors may execute any subsequent easement required by any municipality, power company or utility provider unilaterally in order to convey said easement rights to the said providers.

6. This agreement shall inure to the benefit of the parties and shall be binding upon the heirs, successors and assigns of the parties.

IN WITNESS WHEREOF, the parties have duly executed this instrument on the date set forth above.

MICHAEL KENISTON

KATHY KENISTON

Schedule B — Real estate transfer tax return (Tax Law, Article 31)

Part I – Computation of tax due

1	Enter amount of consideration for the conveyance *(if you are claiming a total exemption from tax, check the exemption claimed box, enter consideration and proceed to Part III)* ☐ **Exemption claimed**	1.	0 00
2	Continuing lien deduction *(see instructions if property is taken subject to mortgage or lien)*	2.	
3	Taxable consideration *(subtract line 2 from line 1)*	3.	
4	Tax: $2 for each $500, or fractional part thereof, of consideration on line 3	4.	
5	Amount of credit claimed for tax previously paid *(see instructions and attach Form TP-584.1,* Schedule G)	5.	
6	Total tax due* *(subtract line 5 from line 4)*	6.	0 00

Part II – Computation of additional tax due on the conveyance of residential real property for $1 million or more

1	Enter amount of consideration for conveyance *(from* Part I, *line 1)*	1.	
2	Taxable consideration *(multiply line 1 by the percentage of the premises which is residential real property, as shown in* Schedule A)	2.	
3	Total additional transfer tax due* *(multiply line 2 by 1% (.01))*	3.	

Part III – Explanation of exemption claimed on Part I, line 1 *(check any boxes that apply)*

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

a. Conveyance is to the United Nations, the United States of America, the state of New York, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) ..... a ☐

b. Conveyance is to secure a debt or other obligation ..... b ☐

c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance ..... c ☐

d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts ..... d ☒

e. Conveyance is given in connection with a tax sale ..... e ☐

f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F ..... f ☐

g. Conveyance consists of deed of partition ..... g ☐

h. Conveyance is given pursuant to the federal Bankruptcy Act ..... h ☐

i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property ..... i ☐

j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than $200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment ..... j ☐

k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, section 1401(e) *(attach documents supporting such claim)* ..... k ☐

*The total tax (from Part I, line 6 and Part II, line 3 above) is due within 15 days from the date conveyance. Please make check(s) payable to the county clerk where the recording is to take place. If the recording is to take place in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, make check(s) payable to the ***NYC Department of Finance.*** If a recording is not required, send this return and your check(s) made payable to the ***NYS Department of Taxation and Finance,*** directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

Schedule C — Credit Line Mortgage Certificate (Tax Law, Article 11)

Complete the following only if the interest being transferred is a fee simple interest.
I (we) certify that: *(check the appropriate box)*

1. ☒ The real property being sold or transferred is not subject to an outstanding credit line mortgage.

2. ☐ The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
   - ☐ The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
   - ☐ The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
   - ☐ The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
   - ☐ The maximum principal amount secured by the credit line mortgage is $3,000,000 or more, and the real property being sold or transferred is **not** principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

     Please note: for purposes of determining whether the maximum principal amount secured is $3,000,000 or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.
   - ☐ Other *(attach detailed explanation)*.

3. ☐ The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
   - ☐ A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
   - ☐ A check has been drawn payable for transmission to the credit line mortgagee or his agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.

4. ☐ The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. *(Make check payable to county clerk where deed will be recorded or, if the recording is to take place in New York City but not in Richmond County, make check payable to the **NYC Department of Finance.**)*

Signature (both the grantor(s) and grantee(s) must sign)

The undersigned certify that the above information contained in schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of his/her knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Grantor signature	Title	Grantee signature	Title
MICHAEL KENISTON		by VILLAGE OF TUPPER LAKE	
KATHY KENISTON		TOWN OF TUPPER LAKE	

Reminder: Did you complete all of the required information in Schedules A, B, and C? Are you required to complete Schedule D? If you checked *e*, *f*, or *g* in Schedule A, did you complete Form TP-584.1? Have you attached your check(s) made payable to the county clerk where recording will take place or, if the recording is in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, to the ***NYC Department of Finance***? If no recording is required, send your check(s), made payable to the ***Department of Taxation and Finance,*** directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

Schedule D - Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, section 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part II, and check the second box under *Exemptions for nonresident transferor(s)/seller(s)* and sign at bottom.

Part I - New York State residents

If you are a New York State resident transferor(s)/seller(s) listed in Schedule A of Form TP-584 (or an attachment to Form TP-584), you must sign the certification below. If one or more transferors/sellers of the real property or cooperative unit is a resident of New York State, **each** resident transferor/seller must sign in the space provided. If more space is needed, please photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferor(s)/seller(s)

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor(s)/seller(s) as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law, section 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law, section 685(c), but not as a condition of recording a deed.

Part II - Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Schedule A of Form TP-584 (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law, section 663(c), check the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor(s)/seller(s), that transferor(s)/seller(s) is not required to pay estimated personal income tax to New York State under Tax Law, section 663. **Each** nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, please photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form.* For more information, see *Payment of estimated personal income tax,* on page 1 of Form TP-584-I.

Exemption for nonresident transferor(s)/seller(s)

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor(s)/seller(s) (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law, section 663 due to one of the following exemptions:

☐ The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ (Date) to _____ (Date) *(see instructions).*

☐ The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.

☐ The transferor or transferee is an agency or authority of the United States of America, an agency or authority of the state of New York, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.
