Re: Tupper Lake Emergency Services Building

Dear Matt,

Raulli and Sons is requesting a change order for revisions to the structural steel as outlined in RFI's # 30, 31 and 34. Add new columns and beams at main entrance per sketches from AEDA as modified by BC&A.
Scope to include: Furnish anchor bolts and leveling plates for new columns, furnish and install 4 new columns and 8 new beams. This price excludes all light gauge framing and or any attachment to the structural steel.

Total cost would be additions of $8,900.00 with an add of 1,762bs.

Materials		3,467.00
Detailing of new steel		1,500.00
Labor		1,824.00
Equipment		1,300.00
		8,091.00
Mark up 10%		809.10
	Total	$ 8,900.10

I trust this meet with your approval, should you have any questions or comments feel free to contact me.

Thank you,

Raulli & Sons, Inc.

Chris,

It appears that AEDA is proposing a steel frame at F+6' line with CFMF infill. Please note this frame is not considered part of the overall building lateral load resisting system thus does not need to resist the same loads as members along 'F' line.

Based on the proposed framing, the connection between the W10x12 roof beams and HSS columns need to resist a minimum of 6 kips. Assuming Raulli's standard connection would be a single plate shear tab with a (2) bolt connection to the beams, the capacity would be around 11kips which is fine.

The connection of the lower W10x12 supporting the masonry can be the same.

Thanks
Mark

Chris,

I've forwarded the sketch(s) to Raulli and also the metal stud framer.
I'm assigning this work to PCO GC-016.

My plan is as follows:
Get a sketch and price from Raulli, submit and get that approved.

Once approved, B&C will add the new concrete on T&M.

Please confirm this is acceptable.

Thanks,

Matt

The attached SK's are what AEDA is proposing for the new piers and steel frame at the entry. The SK

also addresses the 4" lintel, 6" lintel and framing above the aluminum entrance. I have shared this with Roy and Tim so they can comment to you.

Wayne,

As discussed. I need a breakdown.

Show Credit for the called out 16 ga. Roof framing (labor and material).

Then an Add for the 12 ga. And bent track (labor and material).

Then send to me. I need it tomorrow.

Thanks,

Matt

PROJECT *(Name and address)*: Tupper Lake Emergency Services Building Santa Clara Ave. Tupper Lake, NY 12986	**CHANGE ORDER NUMBER:** 003 **DATE:** 8/12/15	OWNER: ☒ ARCHITECT: ☒ CONTRACTOR: ☒
TO CONTRACTOR *(Name and address)*: Empire Northeast, Inc. 39 S. Gordon Street Gouverneur, NY 13642	**ARCHITECT'S PROJECT NUMBER:** #13007 **CONTRACT DATE:** May 21, 2014 **CONTRACT FOR:** Electrical Construction	FIELD: ☒ OTHER: ☐

THE CONTRACT IS CHANGED AS FOLLOWS:
(Include, where applicable, any undisputed amount attributable to previously executed Construction Change Directives)

See attached breakdowns.

Credit for 3kw heater, add a 5kw heater, add a 10 kw heater, new lights for under the entrance canopies (the fixture specified and purchased won't fit), and longer conductors running from LP-1 to LP-2. When diagonal steel column bracing was added at that location (after foundation was poured, holes cored and conduit run) there was a conflict with the panel location. We had to move a panel over to miss diagonal brace. The electrician brought the conductors up into a trough below the bracing and then over to the top of the panel by conduit. The conductors were already purchased last fall before the steel redesign.

Both the conductors and two can lights are being turned over to the Village.

GH2A-MC Mini Power Unit
Part Number: 701205516201

GH2A-MC

Features:

- Gasoline powered 3 horsepower, 4 cycle Honda® engine
- Uses lead free gasoline (Officer Side Rear Compartment)
- Includes spark arresting muffler
- Two tools can be connected simultaneously, BUT ONLY ONE CAN BE USED AT A TIME!
- Alternate tool operation
- Easy to fill with large fill port on reservoir
- Easy access drain port to drain hydraulic fluid from pump
- Non-toxic mineral based hydraulic fluid
- High pressure, two-stage pumping system
- Roll cage for protection

Specifications:

Weight: 60.0 lbs. (27 kg)
Length: 19.0 in. (482 mm)
Width: 15.6 in. (396 mm)
Height: 17.8 in. (452 mm)
Maximum operating pressure: 10,500 psi. (724 bar)
Capacity of oil reservoir: 0.68 gals. U.S. (2.57 liters)

Model 28 Spreader

Features:

- A 28" (711 mm) spreader.
- Linkage/arm drive provides superior forces.
- Anodized for corrosion protection.

Model 28 Spreader

Specifications:

Max spreading distance....28.0 in. (711 mm)
Max spreading force....53,300 lbs. (237 kN)
(measured at 26.4 in. (671 mm) spreader tip opening)
Length.....26.3 in. (668 mm)
Width.....12.0 in. (305 mm)
Depth.....9.0 in. (229 mm)
Weight.....52.0 lbs.(23.6 kg)
(including oil and hose connections)
Max operating pressure....10,500 psi. (724 bar)

Model 25E Speedway Cutter

Features:

- Long blade wide opening cutter covers the need for continuous cutting such as: "B" & "C" posts, third doors and roofs.
- Designed for racing but lends itself to everyday vehicle rescue.
- Powerful, versatile, quality design.
- ***DO NOT USE ON NADER BOLTS, HINGES, OR OTHER HEAVY / STRUCTUAL METAL***

25E Speedway Cutter

Specifications:

Max cutting force....60,000 lbs. (266.9 kN)
Maximum cutter opening....7.0 in. (178 mm) at tips and 8.0 in. (203 mm) at center
Weight....34 lbs. (15.4 kg)
Length....23.5 in. (597 mm)
Width.....9.0 in. (229 mm)
Depth.....7.6 in. (191 mm)
Max operating pressure....10,500 psi. (724 bar)

Model 25 Heavy Duty Cutter

Features:

- Extremely compact, powerful and versatile.
- Proven design - thousands in use worldwide.
- Capable of all automotive cutting requirements.
- Anodized for corrosion protection.

25 Heavy Duty Cutter

Specifications:

Max cutting force....60,000 lbs. (266.9 kN)

Maximum cutter opening....4.1 in. (104 mm) at tips and 5.0 in. (127 mm) at center
Weight....30.1 lbs.(13.7 kg)
Length....20.5 in. (521 mm)
Width.....9.0 in. (229 mm)

Department of Veterans Affairs is a self-insurer so VA does not procure insurance or provide evidence of adequate insurance.

The Watertown Mobile Vet Center, as part of the Department of Veterans Affairs, an entity of the United States of America, does not have liability coverage per se. Rather, as an instrumentality of the United States, the Department of Veterans Affairs, and in particular the Watertown Mobile Vet Center, is self-insured, backed by the fiscal reserves and full faith and credit of the United States.

Claims for damage, injury or death brought against the Department of Veterans Affairs must be filed pursuant to the provisions of the Federal Tort Claims Act (FTCA). The United States is the sole responsible party for personal injury, property damage or loss, or wrongful death caused by the negligent act(s) or omission(s) of a Federal employee, acting within the scope of his or her employment, if a private person would also be liable under the law of the place where the act or omission occurred. In claims or lawsuits brought against a specific employee acting within the scope of his or her employment, appropriate legal action is taken to substitute the United States as the sole party defendant.

Direct all questions and concerns to the undersigned or directly to the Syracuse Office of Regional Council at (315) 425-4838 or 4839.

RE: Market Value for Vacant Lot at 129 Park Street, Tupper Lake, New York, 12986.

Dear Mary,

After inspecting the vacant lot owned by the Village of Tupper Lake located at 129 Park Street, Tupper Lake, New York, I believe the current fair market value to be $2,000.00.

I arrived at this figure based on two facts:

1.) The 2015 tax assessment of this property is $4,000.00, and
2.) The current DOT highway reconstruction of NYS Routes 3 & 30 will effectively take approximately 50% of this lot through eminent domain proceedings.

I am a New York State Real Estate Broker, a member of the Northern Adirondack Board of Realtors, and New York State and National Association of Realtors.

Sincerely,

Rob

To: Rob Gillis <rob@gillisrealty.com>

Dear Rob,

Just wanted to check with you to see how you were coming along with our request for an appraisal of the vacant lot on the corner of Mill and Park Street for Betsy Lowe?

We have our monthly meeting next week and I'd like the board to move on the matter if possible.

I look forward to hearing from you.

Take care,
Mary C.

Adam LaMere Hired for DPW as Laborer

Motion by Trustee Maroun, seconded by Trustee Snyder to appoint Mr. Adam LaMere for the Department of Public Works as a full-time Laborer effective July 6, 2015 and will be promoted to DPW Heavy Equipment Operator once CLD License is attained. (Carried 3-0)

Dylan Lohr PT Laborer for DPW

Motion by Trustee Maroun, seconded by Trustee Snyder to appoint Mr. Dylan Lohr for the Department of Public Works as a part-time laborer effective June 30, 2015 at a rate of pay of $10.00/hr. (Carried 3-0)

Exit Executive Session

Motion by Trustee Snyder, seconded by Trustee Maroun to exit Executive Session at 5:55 pm. (Carried 5-0)

Also present were Electric Superintendent John Bouck, Water/Wastewater Superintendent Mark Robillard, Police Chief Eric Proulx, DPW Superintendent Robert Degrace, Code Enforcement Officer Peter Edwards, ESB Project Manager Christopher Alcocer, Fire Chief Carl Steffen, Residents Ronald LaScala, Timothy Robillard, Wanda Robillard and News Reporters Mary Peryea and Thomas Salitsky.

Call Regular Meeting To Order

Mayor Maroun called the Regular Meeting to order and established the agenda at 6:00 pm.

Pledge

Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Collin Gillis.

ESB Project Update

ESB Project Manager Mr. Christopher Alcocer gave a brief update to the Village Board on Budget, Change Orders, Project Schedule, FFE, Contingency Balance, Other Misc. Bids etc.+

Trustee Richard Donah Entered Regular Meeting At 6:15 pm

Trustee Richard Donah entered the Regular Meeting at 6:15 pm.

Change Order #5	Motion by Trustee Maroun, seconded by Trustee Donah to approve ESB Project Change Order No. 5 in the amount of $5,167.00 for additional door hardware. (Carried 4-0)
APA Permit for Communications Tower Open Comment Period	Mr. Chris Alcocer advised the board that the Communications Tower permit is complete and the APA is accepting comments for a two week period until July 2, 2015 at which time our permit application will be issued.
Water Separator Installed	Mr. Chris Alcocer advised that the water separator has been installed by the DPW and W/WW Departments.
Concrete Pour, Sprinklers, Metal Framing	Mr. Chris Alcocer advised that he expects concrete to be poured tomorrow, June 23, 2015 for the Police portion of the ESB Project and the sprinklers were installed right on schedule on June 19, 2015. The Metal framing is almost complete and the outlets are all identified and being installed. The Masons were here today and will be staring the block work this week.

13 Baker Avenue Illegal Junkyard	Code Enforcement Officer Peter Edwards advised that he is working on an illegal junkyard at 13 Baker Avenue and will consult legal council as to what actions we can enforce to encourage compliance. In 2003 we expended $14,000 in clean-up grant funds to remedy the same property issue at 13 Baker Avenue.

Tri-Lakes Student Leadership in Climate Change

Motion by Trustee Snyder, seconded by Trustee Donah to approve the following resolution acknowledging the Lake Placid High School, Saranac Lake High School and Tupper Lake High School participation in the Adirondack Youth Climate Summit and Program as follows:

Resolution #062215-A

Support of the Lake Placid High School, Saranac Lake High School and Tupper Lake High School student's participation in the Adirondack Youth Climate Summit and Program

WHEREAS, the students of the Tri-Lakes continue to provide leadership in the planning of the annual Adirondack Youth Climate Summit and continue to bring inspiration and ideas back to their schools and communities to impact climate change,

WHEREAS, The Adirondack Youth Climate Summit and Program has been recognized by the White House Climate Education and Literacy Initiative as an innovative way to provide students with the science based information about climate change,

WHEREAS, the leadership developed by the Tri-Lakes students has led to one student leader being selected to attend the United Nations Climate Summit in September, 2014 and one student leader being selected to be a White House Champion of Change in climate education,

NOW, THEREFORE, be it resolved that the Village Board of Trustees of the Village of Tupper Lake does commend and support the past and future actions of the students of the Tri-Lakes and their participation in the Adirondack Youth Climate Summit and Program. Further, we acknowledge their accomplishments, locally and globally, and encourage student participation in this program in the future.

This resolution shall take effect immediately.

(Carried 4-0)

SEQRA Multi-Use Trail Connector Project

Motion by Trustee Snyder, seconded by Trustee Maroun to formally approve a resolution under SEQRA for the Village of Tupper lake Multi-use Trail Connector Project as follows:

The following resolution was offered by Trustee Thomas Snyder, who moved its adoption, seconded by Trustee David Maroun, to-wit:

RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF TUPPER LAKE, FRANKLIN COUNTY, NEW YORK (THE "VILLAGE"), PURSUANT TO THE NEW YORK STATE ENVIRONMENTAL QUALITY REVIEW ACT CONCERNING THE VILLAGE OF TUPPER LAKE MULTI-USE TRAIL CONNECTOR PROJECT.

WHEREAS, the Board of Trustees (the "Board") of the Village of Tupper Lake, Franklin County, New York (the "Village") is considering undertaking the funding of certain aspects of a project that includes the implementation of a portion of the "Junction Pass" segment of the Village of Tupper Lake's Multi-Use Recreation Trail and Transportation Network. The action contemplated by this resolution will encompass the conversion of approximately 1.4 miles of an abandoned railroad bed for pedestrian and bicycle use that will entail among other actions, the construction of an 8 foot wide stone dust trail, two segments of boardwalk to span existing wetland areas, and appropriate trail signage and site amenities; in addition, segments of five local streets will be used to provide improved pedestrian and bicycle facilities to connect the off-road portion of the referenced trail to various destinations throughout the Village (referred to hereafter as "the Project" or "the Village of Tupper Lake Multi-Use Trail Connector"). The Village of Tupper Lake Multi-Use Trail Connector routing follows the rail bed of the former New York and Ottawa Railroad, linking the Junction and the Adirondack Scenic Railroad to the Raquette Pond Municipal Parks and the Village's Central Business District. The Project's western terminus is at the site of the train depot serving the Adirondack Scenic Railroad in the Junction (Faust). The Depot is a public use facility, and an informal trail connection to New York State Route 3 (Main St.) presently runs through the Depot site — this connection is planned to be formalized by others. The Project will link to the Waterfront Municipal Park through an existing plaza to access DeMars Boulevard and a new crossing and access point to the Park. The Project will provide connections to the Village business district, High School, L.P. Quinn Elementary and the Wild Center using existing on street sections including Park Street (NYS Route 3/30), McLaughlin Avenue, Pleasant Avenue, Boyer Avenue, and Hosley Avenue; and

WHEREAS, the Board, is considering the impact of the Project on the environment in accordance with the New York State Environmental Quality Review Act, Article 8 of the New York State Environmental Conservation Law and associated regulations, including implementing regulations 6 N.Y.C.R.R. 617.1 et seq. ("SEQRA") the scope of which is summarized above and is set forth in more detail below and in various documents associated with the Project which are incorporated herein by reference, and which are identified with more specificity below, and the Board is required to undertake such review under SEQRA and consider such impacts prior to resolving to provide funding for the Project; and

WHEREAS, the location of the Project is within the Village and Town of Tupper Lake, Franklin County New York as more fully described herein (the "Project Site"); and

WHEREAS, pursuant to SEQRA, the Board is required to complete its environmental review of the Project prior to consideration of any resolution to provide funding for the Project which is proposed to include the Village funding for work to be completed to convert the abandoned railroad bed and provide amenities as referenced. The Board has determined the Project constitutes an Unlisted Action under SEQRA, and it has determined that the Board shall act as lead agency for the Project, and in accordance with such designation of the Project, the Board has conducted an uncoordinated review of the Project in accordance with applicable SEQRA regulations; and

WHEREAS, pursuant to the required SEQRA review undertaken for the Project, the Board has completed a Short Environmental Assessment Form ("EAF") dated April 30, 2015 including parts 1 and 2 of the EAF and it has reviewed the responses thereto, and it has also reviewed the following documents associated with the Project including: the Adirondack Park Agency ("APA") Determination under APA Project Order and Permit No. 2015-12 dated June 15, 2015 (hereinafter "the June 2015 APA Determination"); New York State Department of Transportation documentation reviewing the impact of Project including under SEQRA and under federal law pursuant to the National Environmental Policy Act (NEPA) under which the Project was reviewed as an Automatic Categorical Exclusion pursuant to 23 CFR 771.117 (c); the New York State Department of Environmental Conservation's Jurisdictional Determination (pursuant to DEC No. 5-1620-00417/00001) dated May 29, 2015 regarding the Project's application to disturb wetlands, Correspondence dated May 12, 2015 from the United States Army Corps of Engineers stating that the impact on wetlands associated with the Project will be authorized under Army Corps of Engineers nationwide general permit No. 42, wetland delineations completed by Barton and Loguidice DPC concerning the Project as well as the Stormwater Pollution Prevention Plan dated January 2015 prepared by Barton and Loguidice and submitted to the New York State Department of Environmental Conservation and any previous resolutions concerning the Project; and

WHEREAS, the Board has considered each of the public outreach activities undertaken by the New York State Department of Transportation and other agencies, if any associated with the Project; and

WHEREAS, the Board has considered the impact on the environment of the Project, including as detailed in the documents referenced above and as set forth in more detail below, by undertaking a thorough review of the conditions and issues associated with the construction, development and operation of the Project; and

WHEREAS, the Board resolves based upon the information contained in the referenced documentation as well as based on the other information as detailed herein and based upon the Notice of Negative Declaration made pursuant to this resolution that for purposes of making this determination under SEQRA, the Project will not result in any significant adverse impact to the environment for the reasons which are set forth herein as follows:

Name of Action: The Village of Tupper Lake Multi-Use Trail Connector Project.

Involved Agency: The Board of the Village of Tupper Lake, Franklin County, New York is making this determination and issuing this finding as lead agency for the Project after undertaking an uncoordinated review of it.

Type of Action: Unlisted.

Description of Action:

The Project includes the construction and implementation of a portion of the "Junction Pass" segment of the Village of Tupper Lake's Multi-Use Recreation Trail and Transportation Network and is proposed to include the conversion of approximately 1.4 miles of an abandoned railroad bed for pedestrian and bicycle use that will entail the construction of an 8 foot wide stone dust trail, construction of two segments of boardwalk to span existing wetland areas, and the placement of appropriate trail signage and site amenities. In addition, the Project is proposed to encompass segments of five local streets that are proposed to be used to provide improved pedestrian and bicycle facilities to

connect the off-road trail to various destinations throughout the Village.

Location of Project (Location where Project Work Is Proposed):

The location where the Project work will be undertaken is partially within the Village of Tupper Lake, Franklin County, New York as well as partially within the Town of Tupper Lake, Franklin County and encompasses approximately 1.4 miles of an abandoned railroad bed for as well as portions of five local streets located in the Village. The Project's western terminus is at the site of the train depot serving the Adirondack Scenic Railroad in the Junction (Faust), portions of New York State Route 3 (Main St.) and link to the Waterfront Municipal Park through an existing plaza to access DeMars Boulevard and a new crossing and access point to the Park. The Project will provide connections to the Village business district, High School, L.P. Quinn Elementary and the Wild Center using existing on street sections including Park Street (NYS Route 3/30), McLaughlin Avenue, Pleasant Avenue, Boyer Avenue, and Hosley Avenue (previously referred to as "the Project Site").

NOW THEREFORE BE IT RESOLVED:

Upon a thorough review and due consideration by the Board of the various documents identified in the above Whereas clauses, including, but not limited to the completed Short Environmental Assessment Form ("EAF") dated April 30, 2015 including parts 1 and 2 of the EAF, the June 2015 APA Determination; NYSDOT documentation concerning the Project, the New York State Department of Environmental Conservation's jurisdictional determination dated May 29, 2015 on wetlands issues, and the United States Army Corps of Engineers' correspondence dated May 12, 2015 indicating that the wetland disturbance associated with the Project is permissible under an applicable Army Corps permit, review of the wetland delineation associated with the Project as well as the Stormwater Pollution Protection Plan for it prepared by the Village's consultants and the review of other information referenced in the Wherefore clauses which are incorporated herein by reference and reiterated as though fully set forth herein.

NOW, THEREFORE the Board makes the following findings:

1. The Board has considered the Project pursuant to the parameters and criteria set forth in applicable provisions found under 6 N.Y.C.R.R. §§ 617.2 and 617.3.

2. The Board has classified its review and approval of the Project as an Unlisted Action pursuant to applicable regulations and criteria, including under SEQRA.

3. The Board has reviewed the documents referenced herein, as well as reviewing the various plans, regulations and criteria associated with the Project, including the plans for same on file with the Village and has considered the criteria set forth in 6 N.Y.C.R.R. § 617.7(c). Based upon its

review of the foregoing information and documentation, including on the referenced documents including the plans for the Project on file for construction of same, the completed EAF, and the Adirondack Park Agency's June 2015 Determination, the NYSDOT SEQRA documentation and the approvals issued by the New York State Department of Environmental Conservation and the United States Army Corps of Engineers regarding Project wetlands issues, the wetland delineation completed for the Project and the Stormwater Pollution Protection Plan completed and any comments available pursuant to public outreach concerning the Project and after analyzing the potential relevant areas of environmental concern finds that the Project will not result in a significant adverse impact on the environment for the following reasons:

Impacts from Drainage/Stormwater:

a) The Project will not have a potentially significant adverse impact from drainage or storm water because sediment and erosion controls shall be properly installed and maintained in accordance with Adirondack Park Agency approved plans and in accordance with the applicable requirements under the New York State Pollutant Discharge Elimination System program, including the general permit regulating stormwater discharges during construction. Further such features, including erosion control measures will be installed to be operational following construction as appropriate. Further, the requirements of the Stormwater Pollution Prevention Plan filed for the Project on behalf of the Village shall be implemented including being incorporated into construction and following construction as appropriate. In addition, enhancements to drainage structures (including extension or enhancement of ditches) along the proposed trail will be implemented as appropriate/

Impacts to Wetlands:

b) The Project will not have a potentially significant adverse impact on wetlands, as any activities that may impact wetlands will be relatively insignificant, as a minor amount of fill will be added to a wetland during construction as proposed in the Project plans, and any such activity and impact will be mitigated in accordance with approvals issued for the Project by the Army Corps of Engineers and by the New York State Department of Environmental Conservation. In sum, any minor impacts to wetlands from the use of a an insignificant amount of fill proposed will be mitigated during construction of the Project by among other measures, removing approximately 700 square feet of fill (associated with logs) currently located in the existing wetlands. Further any potential impacts will be avoided where possible and pursuant to the Adirondack Park Agency Determination dated June 2015 other wetlands located on or near the Project Site will not be impacted.

Impacts to Vegetation, Soils and Slopes:

c) The Project will not result in any potentially significant adverse impacts to vegetation or soils. Further, due to the topography in the vicinity of the proposed Project (trail) being relatively flat, no impacts to steep slopes or similar features is anticipated. Vegetation will not be disturbed to any significant degree because the majority of the trail is located on an abandoned railroad bed as well as several streets which are largely free of vegetation so no clearing on the public portions of the trail, including the railroad bed associated with the Project is anticipated. Further, any activities to remove vegetation on private property will be minimized as much as practicable.

Impacts to Land and Community Character:

d) There will be no potentially significant adverse impacts to land or to community character because the prominent features associated with the Project are consistent with local and/or regional plans for the area, and such use associated with the Project will not conflict with current uses nearby the Project.

Impacts to sensitive or protected areas:

e) The Project will not result in any potentially significant adverse impacts as the result of impacts to critical environmental areas, as none were identified as part of the Village's completion of the EAF submitted and reviewed in this matter.

Impacts to Air Quality:

f) The Project will not result in any potentially significant adverse impacts to air quality because no significant increase to traffic from development and operation of the Project is anticipated.

Impacts on Historic or Archaeologic Resources:

g) The Project will not have any potentially significant adverse impact on properties listed or eligible for listing on applicable registers of historic places as applicable documentation reviewed has not revealed the presence of such structures in proximity to the Project site and/or no such structures would be impacted by the Project.

Impacts from Traffic and Noise:

h) The Project will not result in any potentially significant adverse impact from increases or changes in traffic or noise levels. As construction of the walking and biking trail associated with the Project is not anticipated to increase to any material degree the number of motor vehicle trips in the vicinity of the Project Site. Further, there is no anticipated significant impact from noise associated with construction or operation of the Project.

Impacts to Threatened or Endangered Species:

i) The Project will not create a potentially significant adverse impact on threatened or endangered species, as the construction of the walking and biking trail associated with the Project in not anticipated to have any material effect on such species under applicable law, including any species identified as located or potentially located in proximity to the Project Site.

NOW THEREFORE BE IT FURTHER RESOLVED:

Based on the foregoing, the Board finds that the Project will not have a significant adverse environmental impact in accordance with the New York State Environmental Quality Review Act, Article 8 of the New York Environmental Conservation Law and, in particular, pursuant to the criteria set forth at 6 N.Y.C.R.R. § 617.7(b) and (c) of such regulations and law. The Board thus issues a Negative Declaration pursuant to SEQRA and directs the following be undertaken and/or makes the following additional findings.

1. A Notice of Negative Declaration shall be filed and/or published to the extent required by the SEQRA regulations, and/or as the Board may deem advisable, including by providing or posting a copy of this resolution as appropriate. The findings and conclusions relating to the determination of significance contained within the Notice of Negative Declaration the Resolution of Negative Declaration herein as hereby adopted and incorporated by reference. This Resolution has been prepared in accordance with Article 8 of the New York Environmental Conservation Law and associated regulations including 6 N.Y.C.R.R. 617.1 et seq. by the Village Board of the Village of Tupper Lake.

2. This resolution and any notice hereof that may be appropriate will be filed and published in accordance with applicable law and as may otherwise be deemed appropriate by the Board.

3. The requirements of SEQRA have been satisfied.

$400,000 Bond Resolution Multi-Use Trail Connector Project

Motion by Trustee Maroun, seconded by Trustee LeBlanc to approve a bond resolution for the issuance of $400,000 in serial bonds for the construction of the Village of Tupper Lake Multi-Use Trail Connector Project as follows:

The following resolution was offered by Trustee Thomas Snyder, who moved its adoption, seconded by Trustee LeBlanc, to-wit:

BOND RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF TUPPER LAKE, FRANKLIN COUNTY, NEW YORK (THE "VILLAGE"), AUTHORIZING THE ISSUANCE OF UP TO $400,000 IN SERIAL BONDS OF THE VILLAGE TO UNDERTAKE THE CONSTRUCTION OF THE VILLAGE OF TUPPER LAKE MULTI-USE TRAIL CONNECTOR; STATING THE MAXIMUM ESTIMATED COST THEREOF IS $1,074,000; APPROPRIATING SAID AMOUNT THEREFOR; AND AUTHORIZING THE ISSUANCE OF UP TO $400,000 IN SERIAL BONDS OF THE VILLAGE TO FINANCE SAID APPROPRIATION

WHEREAS, the Board of Trustees (the "Board") of the Village of Tupper Lake, Franklin County (the "Village") proposes to undertake the construction of the Village of Tupper Lake Multi-Use Trail Connector within the Village along the railbed of the former New York and Ottawa Railroad, linking the "Junction" hamlet of the Village and the Adirondack Scenic Railroad to the Raquette Pond Municipal Parks and the Central Business District, with a western terminus at the site of the train depot serving the Adirondack Scenic Railroad, and with said trail linking to the Waterfront Municipal Park through an existing plaza to access DeMars Boulevard and a new crossing and access point to such park, including connections at various points (collectively, the "Project") and to authorize the issuance of $400,000 in serial bonds of the Village to finance the cost of the Project; and

WHEREAS, by resolution dated on July 6, 2015, adopted immediately prior to the consideration of this resolution, the Board determined that the Project (i) constitutes an Unlisted Action within the meaning of the State Environmental Quality Review Act and the regulations of the Department of Environmental Conservation promulgated thereunder (6 NYCRR Part 617) (collectively, "SEQRA") and (ii) that such Project will not have a significant adverse environmental impact and issued a negative declaration pursuant to SEQRA with respect to such Project; and

WHEREAS, the Board now wishes to appropriate funds for the Project and to authorize the issuance of the Village's serial bonds and bond anticipation notes to be issued to finance said appropriation.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees (the "Board of Trustees") of the Village of Tupper Lake, Franklin County, New York (the "Issuer" or the "Village") (by the favorable vote of not less than two-thirds of all the members of such body), as follows:

SECTION 1. The Village is hereby authorized to undertake the Project, consisting of the construction of the Village of Tupper Lake Multi-Use Trail Connector within the Village along the railbed of the former New York and Ottawa Railroad, linking the "Junction" hamlet of the Village and the Adirondack Scenic Railroad to the Raquette Pond Municipal Parks and the Central Business District, with a western terminus at the site of the train depot serving the Adirondack Scenic Railroad, and with said trail linking to the Waterfront Municipal Park through an existing plaza to access DeMars Boulevard and a new crossing and access point to such park, including connections at various points. The estimated maximum cost of the aforementioned specific object or purpose, including all costs incidental thereto or in connection with the financing thereof, is $1,074,000 and said amount, to the extent not previously appropriated, is hereby appropriated therefor. The plan for the financing thereof shall consist of (i) the expenditure of $608,000 in grant funds received and to be received with respect to to Project, (ii) the expenditure of $66,000 in available funds of the Village, (iii) the issuance of up to $400,000 in serial bonds of the Village (including, without limitation, statutory installment bonds) pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), or bond anticipation notes issued in anticipation thereof, to finance said appropriation, and (iv) the levy and collection of taxes on all the taxable real property in the Village to pay the principal of said bonds or notes and the interest thereon as the same shall become due and payable.

SECTION 2. Serial bonds of the Village in the principal amount of $400,000 are hereby authorized to be issued pursuant to provisions of Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law") to finance said appropriation.

SECTION 3. It is hereby determined that the period of probable usefulness of the aforementioned specific object or purpose is fifteen (15) years, pursuant to subdivision 19(c). of paragraph a. of Section 11.00 of the Law.

SECTION 4. The temporary use of available funds of the Village, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to Section 165.10 of the Law, for the capital purposes described in this resolution. The Village shall reimburse such expenditures with the proceeds of the bonds or bond anticipation notes authorized by this resolution. This resolution shall constitute a declaration of "official intent" to reimburse the expenditures authorized herein with the proceeds of the bonds and bond anticipation notes authorized herein, as required by United States Treasury Regulations Section 1.150-2.

SECTION 5. The final maturity of the bonds herein authorized to be issued shall be in excess of five (5) years measured from the date of issuance of the first serial bond or bond anticipation note issued pursuant to this resolution.

SECTION 6. Each of the serial bonds authorized by this resolution and any bond anticipation notes issued in anticipation of said bonds shall contain the recital of validity prescribed by Section 52.00 of the Law and said serial bonds and any bond anticipation notes issued in anticipation of said bonds shall be general obligations of the Village, payable as to both principal and interest by a general tax upon all the real property within the Village subject to applicable statutory limits, if any. The faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal and interest on said serial bonds and bond anticipation notes and provisions shall be made annually in the budget of the Village by appropriation for (a) the amortization and redemption of the bonds and bond anticipation notes to mature in such year and (b) the payment of interest to be due and payable in such year.

SECTION 7. Subject to the provisions of this resolution and of the Law, pursuant to the provisions of Section 30.00 relative to the authorization of the issuance of serial bonds and bond anticipation notes or the renewals of said obligations and of Sections 21.00, 50.00, 54.90, 56.00 through 60.00, 62.10 and 63.00 of the Law, the powers and duties of the Village Board relative to authorizing serial bonds and bond anticipation notes and prescribing terms, form and contents as to the sale and issuance of bonds herein authorized, including without limitation the determination of whether to issue bonds having substantially level or declining debt service and all matters related thereto, and of any bond anticipation notes issued in anticipation of said bonds, and the renewals of said bond anticipation notes, are hereby delegated to the Treasurer, as the chief fiscal officer of the Village (the "Treasurer"). Such notes shall be of such terms, form and contents as may be prescribed by said Treasurer consistent with the provisions of Local Finance Law. Further, pursuant to paragraph b. of Section 11.00 of the Law, in the event that bonds to be issued for the object or purpose authorized by this resolution are combined for sale, pursuant to paragraph c. of Section 57.00 of the Law, with bonds to be issued for any of the other objects or purposes authorized by this resolution and/or with bonds to be issued for one or more objects or purposes authorized by other resolutions of the Board, then the power of the Board to determine the "weighted average period of probable usefulness" (within the meaning of paragraph a. of Section 11.00 of the Law) for such combined objects or purposes is hereby delegated to the Treasurer, as the chief fiscal officer of the Village.

SECTION 8. The Treasurer is hereby further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the bonds authorized by this resolution and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and to designate the bonds authorized by this resolution and any notes issued in anticipation thereof, if applicable, as "qualified tax-exempt bonds" in accordance with Section 265(b)(3)(B)(i) of the Code.

SECTION 9. The Treasurer is further authorized to enter into a continuing disclosure undertaking with or for the benefit of the initial purchasers of the bonds or notes in compliance with the provisions of Rule 15c2-12, promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

SECTION 10. The intent of this resolution is to give the Treasurer sufficient authority to execute those applications, agreements and instruments, or to do any similar acts necessary to effect the issuance of the aforesaid serial bonds or bond anticipation notes without resorting to further action of the Board.

SECTION 11. In accordance with Section 36.00 of the Law, this resolution is subject to a permissive referendum in the manner prescribed by Article Nine of the Village Law of the State of New York (the "Village Law"). The Village Clerk is authorized and directed, within ten (10) days after the date of adoption of this resolution by the Board of Trustees, to post and publish a notice with respect to this resolution satisfying the requirements of Section 9-900 of the Village Law, which shall set forth the date of adoption of this resolution, shall contain an abstract hereof, and shall specify that this resolution was adopted subject to a permissive referendum. Such notice shall be published in the official newspaper of the Village for such purposes.

SECTION 12. In accordance with the Village Law, this resolution will take effect thirty (30) days after the date of its adoption, unless prior to the close of such thirty-day period there is filed with the Village Clerk a petition, subscribed and acknowledged by at least twenty percent (20%) of the qualified electors of the Village, as shown on the Village's register of electors for the last general Village election, protesting against this resolution and requesting that it be submitted for approval or disapproval by the qualified electors of the Village. If such a qualifying petition is filed, a proposition for approval of this resolution shall be submitted at a regular election held not less than ten (10) and not more than sixty (60) days after the filing of such petition.

SECTION 13. The validity of the bonds authorized by this resolution and of any bond anticipation notes issued in anticipation of said bonds may be contested only if:

(a) such obligations are authorized for an object or purpose for which the Village is not authorized to expend money; or

(b) the provisions of law which should be complied with at the date of the publication of such resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication; or

(c) such obligations are authorized in violation of the provisions of the constitution.

SECTION 14. As soon as reasonably possible after the date that this resolution takes effect, the Village Clerk is hereby authorized and directed to cause a copy of this resolution, or a summary thereof, to be published in full in the official newspaper of the Village for such purposes, together with a notice of the Village Clerk in substantially the form provided in Section 81.00 of the Law.

$80,000 Bond
Resolution Ornamental
Street Lighting

Motion by Trustee Snyder, seconded by Trustee Maroun to approve a bond resolution for the issuance of $80,000 in serial bonds for the construction and installation of Ornamental Street Lighting along State Routes 3 & 30 within the Village as follows:

The following resolution was offered by Trustee Thomas Snyder, who moved its adoption, seconded by Trustee David Maroun, to-wit:

BOND RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF TUPPER LAKE, FRANKLIN COUNTY, NEW YORK (THE "VILLAGE"), AUTHORIZING THE ISSUANCE OF UP TO $80,000 IN SERIAL BONDS OF THE VILLAGE TO FINANCE THE COST OF THE CONSTRUCTION AND INSTALLATION OF ORNAMENTAL STREET LIGHTING ALONG STATE ROUTES 3 AND 30 WITHIN THE VILLAGE

WHEREAS, the Board of Trustees of the Village of Tupper Lake (the "Board of Trustees") is considering the construction and installation of ornamental street lighting along State Routes 3 and 30 within the Village (the "Project"); and

WHEREAS, by resolution dated on January 15, 2015, the Board determined that the Project (i) constitutes an Unlisted Action within the meaning of the State Environmental Quality Review Act and the regulations of the Department of Environmental Conservation promulgated thereunder (6 NYCRR Part 617) (collectively, "SEQRA") and (ii) that such project will not have a significant adverse environmental impact and issued a negative declaration pursuant to SEQRA with respect to such project; and

WHEREAS, the Board of Trustees now wishes to appropriate funds for the Project and to authorize the issuance of the Village's serial bonds or bond anticipation notes to finance said appropriation.

THE BOARD OF TRUSTEES OF THE VILLAGE OF TUPPER LAKE, FRANKLIN COUNTY, NEW YORK (the "Village") HEREBY RESOLVES (by the affirmative vote of not less than two-thirds of all the members of such body), AS FOLLOWS:

SECTION 1. The Village is hereby authorized to issue $80,000 principal amount of serial bonds (including, without limitation, statutory installment bonds) pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law") to finance the estimated cost of the construction and installation of ornamental street lighting along State Routes 3 and 30 within the Village .

SECTION 2. It is hereby determined that the maximum estimated cost of the aforementioned specific object or purpose is $80,000, said amount is hereby appropriated therefore and the plan for the financing thereof shall consist of (i) the issuance of the $80,000 in serial bonds of the Village authorized to be issued pursuant to Section 1 of this resolution, or bond anticipation notes issued in anticipation of such serial bonds, and (ii) the levy and collection of taxes on all the taxable real property in the Village to pay the principal of said bonds and the interest thereon as the same shall become due and payable.

SECTION 3. It is hereby determined that the period of probable usefulness of the aforementioned specific objects or purposes is five (5) years, pursuant to subdivision 35. of paragraph a. of Section 11.00 of the Law.

SECTION 4. The final maturity of the bonds herein authorized to be issued shall <u>not</u> be in excess of five (5) years measured from the date of issuance of the first serial bond or bond anticipation note issued pursuant to Section 1 of this resolution.

SECTION 5. The temporary use of available funds of the Village, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to Section 165.10 of the Law, for the capital purposes described in Section 1 of this resolution. The Village shall reimburse such expenditures with the proceeds of the bonds or bond anticipation notes authorized by Section 1 of this resolution. This resolution shall constitute a declaration of "official intent" to reimburse the expenditures authorized by Section 1 hereof with the

proceeds of the bonds and bond anticipation notes authorized herein, as required by United States Treasury Regulations Section 1.150-2.

SECTION 6. Each of the serial bonds authorized by this resolution and any bond anticipation notes issued in anticipation of said bonds shall contain the recital of validity prescribed by Section 52.00 of the Law and said serial bonds and any bond anticipation notes issued in anticipation of said bonds shall be general obligations of the Village, payable as to both principal and interest by a general tax upon all the real property within the Village without legal or constitutional limitation as to rate or amount. The faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal and interest on said serial bonds and bond anticipation notes and provisions shall be made annually in the budget of the Village by appropriation for (a) the amortization and redemption of the bonds and bond anticipation notes to mature in such year and (b) the payment of interest to be due and payable in such year.

SECTION 7. Subject to the provisions of this resolution and of the Law, pursuant to the provisions of Section 30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals of said obligations and of Section 21.00, Section 50.00, Section 54.90, Sections 56.00 through 60.00 and Sections 62.10 and 63.00 of the Law, the powers and duties of the Board of Trustees relative to authorizing serial bonds and bond anticipation notes and prescribing terms, form and contents as to the sale and issuance of bonds herein authorized, including without limitation the determination of whether to issue bonds having substantially level or declining debt service and all matters relating thereto, and of any bond anticipation notes issued in anticipation of said bonds, and the renewals of said bond anticipation notes, are hereby delegated to the Treasurer of the Village, the chief fiscal officer of the Village (the "Treasurer"). Further, pursuant to subdivision b. of Section 11.00 of the Law, in the event that bonds to be issued for the object or purpose authorized by this resolution are combined for sale, pursuant to subdivision c. of Section 57.00 of the Law, with bonds to be issued for one or more objects or purposes authorized by other resolutions of the Village, then the power of the Board of Trustees to determine the "weighted average period of probable usefulness" (within the meaning of subdivision a. of Section 11.00 of the Law) for such combined objects or purposes is hereby delegated to the Treasurer of the Village, as the chief fiscal officer of the Village.

SECTION 8. The Treasurer of the Village is hereby further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the bonds authorized by this resolution and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and to designate the bonds authorized by this resolution and any notes issued in anticipating thereof, if applicable, as "qualified tax-exempt obligations" in accordance with Section 265(b)(3)(B)(i) of the Code.

SECTION 9. The intent of this resolution is to give the Treasurer of the Village sufficient authority to execute those applications, agreements and instruments, or to do any similar acts necessary to effect the issuance of the aforesaid serial bonds or bond anticipation notes without resorting to further action of this Board of Trustees.

SECTION 10. This resolution shall take effect immediately and the Village Clerk is hereby authorized and directed to cause a copy of this resolution, or a summary thereof, to be published in full, together with a notice attached in substantially the form as prescribed in Section 81.00 of the Law, in the official newspaper(s) of the Village for such purpose.

SECTION 11. The validity of the bonds authorized by this resolution and of any bond anticipation notes issued in anticipation of said bonds may be contested only if:

(a) such obligations are authorized for an object or purpose for which the Village is not authorized to expend money; or

(b) the provisions of law which should be complied with at the date of the publication of such resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication; or

(c) such obligations are authorized in violation of the provisions of the Constitution.

$1,000,000 Bond Resolution Electric Improvements to Utility Facilities

Motion by Trustee Snyder, seconded by Trustee Maroun to approve a bond resolution for the issuance of $1,000,000 in serial bonds for the improvements to the Village's Municipal Electric Utility Facilities as follows:

The following resolution was offered by Trustee Thomas Snyder, who moved its adoption, seconded by Trustee David Maroun, to-wit:

BOND RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF TUPPER LAKE, FRANKLIN COUNTY, NEW YORK (THE "VILLAGE"), AUTHORIZING THE VILLAGE TO UNDERTAKE THE IMPROVEMENTS TO THE VILLAGE'S MUNICIPAL ELECTRIC UTILITY FACILITIES; STATING THE MAXIMUM ESTIMATED COST THEREOF IS $1,000,000; APPROPRIATING SAID AMOUNT THEREFOR; AND AUTHORIZING THE ISSUANCE OF UP TO $1,000,000 IN SERIAL BONDS OF THE VILLAGE TO FINANCE SAID APPROPRIATION

WHEREAS, the Board of Trustees (the "Board") of the Village of Tupper Lake, Franklin County (the "Village") proposes to undertake the modification, reconfiguration or new construction of municipal electric utility facilities for the Village, including the reconfiguration, modification of existing, and construction of new 13.20Y/7.62kV electric utility overhead and underground distribution facilities, including all related ancillary and appurtenant facilities, improvements, equipment, machinery and apparatus, the purchase of land or rights in land in connection therewith, and all other incidental costs and expenses in connection with the financing thereof (collectively, the "Project") and to authorize the issuance of $1,000,000 in serial bonds of the Village to finance the cost of the Project; and

WHEREAS, by resolution dated on January 15, 2015, the Board determined that the Project (i) constitutes an Unlisted Action within the meaning of the State Environmental Quality Review Act and the regulations of the Department of Environmental Conservation promulgated thereunder (6 NYCRR Part 617) (collectively, "SEQRA") and (ii) that such project will not have a significant adverse environmental impact and issued a negative declaration pursuant to SEQRA with respect to such project; and

WHEREAS, the Board now wishes to appropriate funds for the Project and to authorize the issuance of the Village's serial bonds and bond anticipation notes to be issued to finance said appropriation.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees (the "Board of Trustees") of the Village of Tupper Lake, Franklin County, New York (the "Issuer" or the "Village") (by the favorable vote of not less than two-thirds of all the members of such body), as follows:

SECTION 1. The Village is hereby authorized to undertake the Project, consisting of the modification, reconfiguration or new construction of municipal electric utility facilities for the Village, including the reconfiguration, modification of existing, and construction of new 13.20Y/7.62kV electric utility overhead and underground distribution facilities, including all related ancillary and appurtenant facilities, improvements, equipment, machinery and apparatus, the purchase of land or rights in land in connection therewith, and all other incidental costs and expenses in connection with the financing thereof. The estimated maximum cost of the aforementioned specific object or purpose, including all costs incidental thereto or in connection with the financing thereof, is $1,000,000 and said amount, to the extent not previously appropriated, is hereby appropriated therefor. The plan for the financing thereof shall consist of (i) the issuance of up to $1,000,000 in serial bonds of the Village (including, without limitation, statutory installment bonds) pursuant to the provisions of the Local

Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), or bond anticipation notes issued in anticipation thereof, to finance said appropriation, (ii) the partial repayment of such bonds or bond anticipation notes with $500,000 in grant monies expected to be received by the Village from the State of New York Department of Transportation, and (iii) to the extent necessary, the levy and collection of taxes on all the taxable real property in the Village to pay the principal of said bonds or notes and the interest thereon as the same shall become due and payable.

SECTION 2. Serial bonds of the Village in the principal amount of $1,000,000 are hereby authorized to be issued pursuant to provisions of Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law") to finance said appropriation.

SECTION 3. It is hereby determined that the period of probable usefulness of the aforementioned specific object or purpose is thirty (30) years, pursuant to subdivision 5. of paragraph a. of Section 11.00 of the Law.

SECTION 4. The temporary use of available funds of the Village, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to Section 165.10 of the Law, for the capital purposes described in this resolution. The Village shall reimburse such expenditures with the proceeds of the bonds or bond anticipation notes authorized by this resolution. This resolution shall constitute a declaration of "official intent" to reimburse the expenditures authorized herein with the proceeds of the bonds and bond anticipation notes authorized herein, as required by United States Treasury Regulations Section 1.150-2.

SECTION 5. The final maturity of the bonds herein authorized to be issued shall be in excess of five (5) years measured from the date of issuance of the first serial bond or bond anticipation note issued pursuant to this resolution.

SECTION 6. Each of the serial bonds authorized by this resolution and any bond anticipation notes issued in anticipation of said bonds shall contain the recital of validity prescribed by Section 52.00 of the Law and said serial bonds and any bond anticipation notes issued in anticipation of said bonds shall be general obligations of the Village, payable as to both principal and interest by a general tax upon all the real property within the Village subject to applicable statutory limits, if any. The faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal and interest on said serial bonds and bond anticipation notes and provisions shall be made annually in the budget of the Village by appropriation for (a) the amortization and redemption of the bonds and bond anticipation notes to mature in such year and (b) the payment of interest to be due and payable in such year.

SECTION 7. Subject to the provisions of this resolution and of the Law, pursuant to the provisions of Section 30.00 relative to the authorization of the issuance of serial bonds and bond anticipation notes or the renewals of said obligations and of Sections 21.00, 50.00, 54.90, 56.00 through 60.00, 62.10 and 63.00 of the Law, the powers and duties of the Village Board relative to authorizing serial bonds and bond anticipation notes and prescribing terms, form and contents as to the sale and issuance of bonds herein authorized, including without limitation the determination of whether to issue bonds having substantially level or declining debt service and all matters related thereto, and of any bond anticipation notes issued in anticipation of said bonds, and the renewals of said bond anticipation notes, are hereby delegated to the Treasurer, as the chief fiscal officer of the Village (the "Treasurer"). Such notes shall be of such terms, form and contents as may be prescribed by said Treasurer consistent with the provisions of Local Finance Law. Further, pursuant to paragraph b. of Section 11.00 of the Law, in the event that bonds to be issued for the object or purpose authorized by this resolution are combined for sale, pursuant to paragraph c. of Section 57.00 of the Law, with bonds to be issued for any of the other objects or purposes authorized by this resolution and/or with bonds to be issued for one or more objects or purposes authorized by other resolutions of the Board, then the power of the Board to determine the "weighted average period of probable usefulness" (within the meaning of paragraph a. of Section 11.00 of the Law) for such combined objects or purposes is hereby delegated to the Treasurer, as the chief fiscal officer of the Village.

SECTION 8. The Treasurer is hereby further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the bonds authorized by this resolution and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and to designate the bonds authorized by this resolution and any notes issued in anticipation thereof, if applicable, as "qualified tax-exempt bonds" in accordance with Section 265(b)(3)(B)(i) of the Code.

SECTION 9. The Treasurer is further authorized to enter into a continuing disclosure undertaking with or for the benefit of the initial purchasers of the bonds or notes in compliance with the provisions of Rule 15c2-12, promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

SECTION 10. The intent of this resolution is to give the Treasurer sufficient authority to execute those applications, agreements and instruments, or to do any similar acts necessary to effect the issuance of the aforesaid serial bonds or bond anticipation notes without resorting to further action of the Board.

SECTION 11. In accordance with Section 36.00 of the Law, this resolution is subject to a permissive referendum in the manner prescribed by Article Nine of the Village Law of the State of New York (the "Village Law"). The Village Clerk is authorized and directed, within ten (10) days after the date of adoption of this resolution by the Board of Trustees, to post and publish a notice with respect to this resolution satisfying the requirements of Section 9-900 of the Village Law, which shall set forth the date of adoption of this resolution, shall contain an abstract hereof, and shall specify that this resolution was adopted subject to a permissive referendum. Such notice shall be published in the official newspaper of the Village for such purposes.

SECTION 12. In accordance with the Village Law, this resolution will take effect thirty (30) days after the date of its adoption, unless prior to the close of such thirty-day period there is filed with the Village Clerk a petition, subscribed and acknowledged by at least twenty percent (20%) of the qualified electors of the Village, as shown on the Village's register of electors for the last general Village election, protesting against this resolution and requesting that it be submitted for approval or disapproval by the qualified electors of the Village. If such a qualifying petition is filed, a proposition for approval of this resolution shall be submitted at a regular election held not less than ten (10) and not more than sixty (60) days after the filing of such petition.

SECTION 13. The validity of the bonds authorized by this resolution and of any bond anticipation notes issued in anticipation of said bonds may be contested only if:

(a) such obligations are authorized for an object or purpose for which the Village is not authorized to expend money; or

(b) the provisions of law which should be complied with at the date of the publication of such resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication; or

(c) such obligations are authorized in violation of the provisions of the constitution.

SECTION 14. As soon as reasonably possible after the date that this resolution takes effect, the Village Clerk is hereby authorized and directed to cause a copy of this resolution, or a summary thereof, to be published in full in the official newspaper of the Village for such purposes, together with a notice of the Village Clerk in substantially the form provided in Section 81.00 of the Law.

Public Comment Period: Joan Beaudette Snow Storage Area Concerns	Ms. Joan Beaudette a Washington Street resident was present to plead with the Village Board to make other arrangements for snow dumping and storage other than across from her home on Washington Street. She advised the board that she purchased a decibel reader and the truck dumping measured 96.8 on her reader this winter from inside her home. She advised that the noise from the two or three trucks dumping all day is like that of a freight train. Just image those trucks dumping 6 times an hour each or 96 times or 144 times a day depending how many trucks are used. She pleaded that we find another location to dump snow because it is now affecting her health and well being. Mayor Paul Maroun advised he would personally look into other locations and get back to her.
Ronald LaScala ESB Concerns	Mr. Ronald LaScala addressed to the board several concerns he had for example, comments made during executive session that he overheard, information he requested via FOIL request and wasn't happy with to comments made to him personally by several board members. During Mr. LaScala's comments he became disorderly and was asked by Mayor Maroun to leave the meeting or be removed by police personnel. After several exchanges of comments Mr. LaScala left at his own will.

(Signature of Clerk)

Seal of Municipality

120 Park Street Purchase Offer	Mayor Maroun asked that the discussion concerning the purchase offer made by Ms. Betsy Lowe be tabled until each member of the board has had the time to review the appraisal.
Samantha Pickering Memorial Volleyball Tournament	Motion by Trustee Donah, seconded by Trustee Snyder to formally approve use of the municipal volleyball courts by Patricia Imlach to host the 2nd "Samantha Pickering Memorial Scholarship Volleyball Tournament" on August 8, 2015 from 10:00 am to 5:00 pm. (Carried 4-0)
Relay for Life Race/Walk	Motion by Trustee Snyder, seconded by Trustee Donah to formally approve use of the Washington Street Parking Lot and Bathrooms for a 5K/10K Race/Walk for "Relay for Life Tupper Lake" from 8:00 am to 1:00 pm on October 24, 2015. (Carried 4-0)
Clarence Bell Memorial Softball Tournament	Motion by Trustee Donah, seconded by Trustee Snyder to formally approve use of the Municipal Ball Field on August 29th and 30th to host the Clarence Bell Memorial Softball Tournament from 8:00 am to 11:00 pm. (Carried 4-0)
Re-appoint Mr. Gerald Savage to Tupper Lake Housing Authority Board	Motion by Trustee Snyder, seconded by Trustee Donah to reappoint Mr. Gerald Savage to the Village of Tupper Lake Housing Authority Board for a five (5) year term. (Carried 4-0)
Code: Accept June Report	Motion by Trustee Snyder, seconded by Trustee Donah to approve the June 2015 Monthly Code Report. (Carried 4-0)
187 Park Street Demolition Update	Code Enforcement Officer Peter Edwards advised the board that the testing completed shows that the burned out structure contains asbestos; we have applied for a NYS Highway Permit for the removal.
Swimming Pool & Dome Tent Reminders	Code Enforcement Officer Peter Edwards reminded residents that pools over 24" require a no-cost permit. In addition, dome tents also require a no-cost permit to ensure they meet fire code.
Fire: Accept June Report	Motion by Trustee LeBlanc, seconded by Trustee Snyder to approve the June 2015 Monthly Fire Report. (Carried 4-0)
Police: Accept June Report	Motion by Trustee Snyder, seconded by Trustee Donah to approve the June 2015 Monthly Police Report. (Carried 4-0)

Touch a Truck 9/6/15	Motion by Trustee Snyder, seconded by Trustee LeBlanc to participate in a "Touch a Truck" event September 6, 2015 from 11:00 am to 2:00 pm in the Municipal Park. There will be no charge and it will be held rain or shine. (Carried 4-0)
Recycle Glock Handguns	Motion by Trustee Snyder, seconded by Trustee Donah to recycle our old Glock Handguns with AmChar for $200.00 each with the fund to be used to purchase a gun safe for the new police station. (Carried 4-0)
Little Logger's Restrooms	Department of Public Works Superintendent Robert Degrace advised that the Little Logger's restrooms are finished with a few items on the exterior still to be done in our down time. He basketball courts are being repainted in time for this weekend's basketball tournament. Trustee Donah asked why there were changes made to the front entrance to the restrooms without his knowledge. He was advised by DPW Superintendent Degrace that the entrance required the additional work because it needed a footer, frost wall, and floor on top. These are all requirements of the NYS Building Code.
LeBoeuf Street Failed Drainage & Other Misc.	Department of Public Works Superintendent Robert Degrace advised that the drainage system on LeBoeuf Street he has replaced over 350' of drainage pipe. The "S" curve also needs attention. The street sweeper has been out to help with the dust from the NYS DOT Reconstruction project and will continue to be out throughout the summer. Next they will be heading to Lafayette Street to improve drainage and then to Hosley Avenue to complete our required match for the Multi-use Connector Trail Project to Museum Drive. It was noted that there are some logs near the boat launch at the Municipal Park and they will schedule their removal sometime tomorrow.
Water/Wastewater: NYS EFC DWSRF Grant Award	Mayor Maroun acknowledged that we received notice on June 24, 2015 that our drinking water project is eligible for a Drinking Water Supply Revolving Fund (DWSRF) Grant in the amount of $2,000,000 and $4,221,808 in interest-free financing for a term of 30 years for our Ground Water Supply Project. We applied last December for the funding.
Jessie Kavanagh Resignation W/WW Worker	Motion by Trustee LeBlanc, seconded by Trustee Snyder to formally accept the resignation of Mr. Jessie Kavanagh effective August 1, 2015 from the Water/Wastewater Department. (Carried 4-0)
Fill Vacancy & Interviews	Mayor Maroun advised that we conducted five (5) interviews earlier today and we expect to fill the vacancy by the end of the month.
Electric: Electric Curtailment	There will be no reduction in firm hydro energy sales for the period August 1-31, 2015.

Utility Easement with Mr. & Mrs. Michael Keniston

Motion by Trustee Snyder, seconded by Trustee Donah to authorize Mayor Maroun to execute a utility easement with Mr. & Mrs. Michael Keniston for the placement of a utility pole on their property on Little Wolf. (Carried 4-0)

Write-Off Deceased Customer

Motion by Trustee Snyder, seconded by Trustee Donah to write off an electric account balance for a deceased electric customer in the amount of $89.38. (Carried 4-0)

DEVELOPMENT AUTHORITY OF THE NORTH COUNTRY
TECHNICAL SERVICES AGREEMENT FOR
CDBG GRANT APPLICATION
WITH THE

VILLAGE OF TUPPER LAKE

This Agreement entered into this _____ day of _____ 2015, by and between:

VILLAGE OF TUPPER LAKE, a municipal corporation of the State of New York having an office building and principal place of business located at 53 Park Street, P.O. Box 1290, Tupper Lake, New York 12986, herein after referred to as "Village",

And

DEVELOPMENT AUTHORITY OF THE NORTH COUNTRY, a public benefit corporation organized and existing under the laws of the State of New York, having an office and principal place of business located at 317 Washington Street, Watertown, New York 13601, hereinafter referred to as "Authority".

Recitals

A. The Village is interested in applying for Community Development Block Grant ("CDBG") funding from the New York State Office of Community Renewal ("OCR") to target eligible owner-occupied households located in the Faust Neighborhood located in the Village of Tupper Lake, Franklin County.

B. The Authority has expertise in successfully writing CDBG grants and administering the CDBG program on behalf of the City of Ogdensburg and has thirty years of experience in administering affordable housing programs.

C. The Village has asked the Authority to apply as the subrecipient of the CDBG grant funds on behalf of the Village in order to administer and deliver the CDBG program if the application is funded.

D. The Village has agreed to engage the Authority to write its 2015 CDBG grant application due in September 2015 per the adopted resolution _____. The Authority has agreed to write the grant application on behalf of the Village per the adopted resolution _____.

E. This Agreement is authorized under Section 2704(17) of the Public Authorities Law.

Agreement

In consideration of the mutual covenants herein contained, the parties agree as follows:

1. The scope of services that may be performed by the Authority for purposes of this Agreement consists of as follow:

1.1 **Grant Writing:** The Authority will provide technical expertise to write the OCR CDBG application on behalf of the Village targeting eligible owner-occupied households within the Faust Neighborhood. To complete this effort, the

Authority will complete the following tasks:

1) Document Review:

The Authority will review historical documentation including past CDBG and HOME applications that were not funded in prior years to determine weaknesses within the applications.

2) Case Studies:

The Authority will identify potential properties that are income eligible that may participate in case studies for the application. Authority staff will confirm income eligibility and then schedule a site inspection with the homeowner, and code enforcement, if applicable, to determine the need for CDBG funds within the home. Authority staff will complete a cost estimate for each case study to include in the application. Approximately 3-4 case studies will be completed.

3) CDBG Budget:

The Authority will determine the cost estimates for the Authority, as subrecipeint, to implement and deliver the Village of Tupper Lake 2015 CDBG award if funded. Budget components include grant administration, program delivery, and construction costs.

4) Grant Proposal:

The Authority will complete all components of the grant application on behalf of the Village and will submit on behalf of the Village upon their satisfactory review of the application.

Any and all materials, documents, and work product of any kind or nature created as a result of this Agreement and the services provided hereunder shall be the property of the Village.

2. The Authority will invoice the Village and the Village shall pay the Authority for services at the labor hour burdened rate for the specific job classification performing the services (see Table 1) and for mileage to attend meetings, perform site visits etc. at the federal reimbursement rate; provided, however, that the total cost of such services *shall not exceed $4,200 for services related to this Agreement*. The scope of services may be adjusted as the work progresses, by mutual consent of the parties, through amendment. This agreement will terminate when the scope of services is completed. The Authority shall bill upon completion of the Agreement. Payment thereof shall be made by the Village within 30 days of receipt of the invoice.

VILLAGE OF TUPPER LAKE

July, 28th 2015

To Village Board:

The burned out structure located at 187 Park St is still unsafe & dangerous even though we boarded up the grade floor openings. People have complained small children have been hanging out in this structure & I've noticed that the severely damaged roof system is sagging more & I am concerned that if this roof system lets go it would end up in the state highway & possibly injure an innocent person/s.

After sitting for 7-8 months with all the fire & water damage this structure is inevitably going to collapse & I do not want this community to wait till that happens.

The building has been tested for the presence of asbestos & it tested positive, however due to the severely dangerous condition of the building an abatement cannot be performed.

Re: NYS DOT Sidewalk Enhancement Request from Municipal Waterfront Park to NAPA Auto Parts

Dear Mr. Maroun:

Please accept this letter as the Village of Tupper Lake's formal request to have additional sidewalks installed as part of the Route 3 & 30 Reconstruction Project along the westerly side of Route 3 from the Municipal Park entrance to NAPA Auto Parts. Currently there are no sidewalks proposed for this side of the state highway.

The additional sidewalks would provide a much needed linkage between our Municipal Waterfront Park and the soon to be reconstructed Park Street Business District.

In recent years the Village of Tupper Lake has committed a significant amount of investment making our community more accessible and enhancing the quality and use of the Municipal Park through NYS Local Waterfront Revitalization Project initiatives. The Village is currently working on a Multi-Use Connector Trail Project which provides the connectivity from the Junction (Main Street) Business District to the Municipal Waterfront Park which is the nucleus of the community. The additional sidewalk enhancement would provide a safe means for youth and tourist to access the Park Street Business District.

If approved, the sidewalk improvements will be on Village property and will be maintained by our work forces. We respectfully request your consideration for the additional sidewalks and welcome the opportunity to discuss the issue with you personally.

Very truly yours,

Paul A. Maroun
Mayor

To the village of Tupper Lake,

I Andrew LaMere resign my position at the Department of Public Works in affect as of 8/21/15. Thank you for allowing me the opportunity for the position I held. Unfortunately this did not work for me at this time.

Sincerely,

Andrew LaMere

Subject: Concerns over the Multi-modal trail
From: Rick Donah <radonah@hotmail.com>

To: Paul Maroun <wawbeek@aol.com>
CC: Village Clerk <villtupplake@centralny.twcbc.com>, Pete Edwards <tupperlakecodes@gmail.com>

Paul - I have received several phone calls from members of the TL Snowmobile Club in regards to the newly constructed Multi-modal trail from the Junction Business District to the Park Street Business District and the Wild Center.

The trail has obstacles that will not allow proper grooming along the trail during the winter snowmobiling months. Also, bridges were not constructed with the snowmobiling public in mind, as their surfaces are wood and not a more durable material that would allow tracked vehicles to properly use them.

If these conditions are intentional to void the use of snowmobiling traffic, I think the DOT and B&L have made a serious error and the business community will be extremely disappointed in the outcome of this decade long project. As you well know, winter economic activity is critical to all our of small businesses, and this trail is supposed to support both summer and winter activities.

I would like this issue added to our next monthly meeting agenda so we can discuss the desired outcome of this vital community trail connector.

Thank you for your continued efforts on this project.

Best Regards,

Rick Donah

Hi Rick,

Here is a copy of the letter to the Mayor from the APA re: the wetlands on the trails system.

I was at the Feb, meeting here in the office & the APA rep said that bridges are not required & if a stone dust trail is what we want then they will need a design showing that & yes if that is the way we are going to go then maybe there will need to be some wet land mitigation.

A bridge costs more than a stone dust trail.

Bridges will always be a huge maintenance expense to the taxpayer. (look at any PT deck after 3yrs with frost heave & weathering)

The snowmobiles will destroy the decking with their studded tracks.

The bridge will not allow a groomer to pass over or get around.

I read the final design report dated Dec, 2009 & I could not find a single mention or plan showing any boardwalks / bridges.

I believe this was something proposed by the design team within the last several months.

This is supposed to a year round multi - modal trail & if we want to be another Old Forge then we should not be installing road blocks on the business connector trial.

whoever approved these bridges was not thinking of the future of this outdoor winter tourist economy.

You are the elected official that can do something about this & if you need me to help I will gladly do so.

Thanks, Pete

Hi Rick,

Here is another issue that will hamper grooming on the trail - these proposed ballasts at road crossings.

Now if they were made so they could be removed for the snow season that would be ok.

Thanks, Pete

Re: Firm Hydro Energy for **September 1 – 30, 2015**

Dear :

We are pleased to advise you that we anticipate there will be **no reduction in firm hydro energy sales to our hydropower customers for the period of September 1 through 30, 2015.** The forecasted September 2015 generation is projected to be sufficient to meet our firm hydropower customers' needs. However, if that generation is not sufficient, Substitute Energy will be purchased on your behalf for those customers with signed Substitute Energy agreements.

Since hydro shortfalls may still be anticipated in future months, we remain prepared to provide Substitute Energy to assure continuous flow of the lowest cost power to you. For those customers who have executed a Substitute Energy agreement, the Power Authority will automatically purchase the Substitute Energy on your behalf in months that a shortage occurs, pursuant to those agreements, unless otherwise notified. The monthly price for Substitute Energy is an average of all Substitute Energy provided to firm hydropower customers each month.

Current estimates are no shortage for October 2015 through March 2016. We will continue to analyze more current data monthly and provide this type of rolling 6-month forecast each month.

If you have any questions, please contact Brandon Cole at (914) 287-3585 or by e-mail at

Re: ***US$1,035,000 Tupper Lake Village, New York, Public Improvement (Serial) Bonds, Series 2015, dated: August 13, 2015, due: August 1, 2040***

Dear Ms. Casagrain:

Pursuant to your request for a Standard & Poor's Ratings Services ("Ratings Services") rating on the above-referenced obligations, Ratings Services has assigned a rating of "A". Standard & Poor's views the outlook for this rating as stable. A copy of the rationale supporting the rating is enclosed.

This letter constitutes Ratings Services' permission for you to disseminate the above-assigned ratings to interested parties in accordance with applicable laws and regulations. However, permission for such dissemination (other than to professional advisors bound by appropriate confidentiality arrangements) will become effective only after we have released the rating on standardandpoors.com. Any dissemination on any Website by you or your agents shall include the full analysis for the rating, including any updates, where applicable.

To maintain the rating, Standard & Poor's must receive all relevant financial and other information, including notice of material changes to financial and other information provided to us and in relevant documents, as soon as such information is available. Relevant financial and other information includes, but is not limited to, information about direct bank loans and debt and debt-like instruments issued to, or entered into with, financial institutions, insurance companies and/or other entities, whether or not disclosure of such information would be required under S.E.C. Rule 15c2-12. You understand that Ratings Services relies on you and your agents and advisors for the accuracy, timeliness and completeness of the information submitted in connection with the rating and the continued flow of material information as part of the surveillance process. Please send all information via electronic delivery to: pubfin_statelocalgovt@standardandpoors.com. If SEC rule 17g-5 is applicable, you may post such information on the appropriate website. For any information not available in electronic format or posted on the applicable website,

Please send hard copies to:

Standard & Poor's Ratings Services
Public Finance Department
55 Water Street

New York, NY 10041-0003

The rating is subject to the Terms and Conditions, if any, attached to the Engagement Letter applicable to the rating. Standard & Poor's Ratings Services
Terms and Conditions Applicable To Public Finance Credit Ratings

General. The credit ratings and other views of Standard & Poor's Ratings Services ("Ratings Services") are statements of opinion and not statements of fact. Credit ratings and other views of Ratings Services are not recommendations to purchase, hold, or sell any securities and do not comment on market price, marketability, investor preference or suitability of any security. While Ratings Services bases its credit ratings and other views on information provided by issuers and their agents and advisors, and other information from sources it believes to be reliable, Ratings Services does not perform an audit, and undertakes no duty of due diligence or independent verification, of any information it receives. Such information and Ratings Services' opinions should not be relied upon in making any investment decision. Ratings Services does not act as a "fiduciary" or an investment advisor. Ratings Services neither recommends nor will recommend how an issuer can or should achieve a particular credit rating outcome nor provides or will provide consulting, advisory, financial or structuring advice. Unless otherwise indicated, the term "issuer" means both the issuer and the obligor if the obligor is not the issuer.

All Credit Rating Actions in Ratings Services' Sole Discretion. Ratings Services may assign, raise, lower, suspend, place on CreditWatch, or withdraw a credit rating, and assign or revise an Outlook, at any time, in Ratings Services' sole discretion. Ratings Services may take any of the foregoing actions notwithstanding any request for a confidential or private credit rating or a withdrawal of a credit rating, or termination of a credit rating engagement. Ratings Services will not convert a public credit rating to a confidential or private credit rating, or a private credit rating to a confidential credit rating.

Publication. Ratings Services reserves the right to use, publish, disseminate, or license others to use, publish or disseminate a credit rating and any related analytical reports, including the rationale for the credit rating, unless the issuer specifically requests in connection with the initial credit rating that the credit rating be assigned and maintained on a confidential or private basis. If, however, a confidential or private credit rating or the existence of a confidential or private credit rating subsequently becomes public through disclosure other than by an act of Ratings Services or its affiliates, Ratings Services reserves the right to treat the credit rating as a public credit rating, including, without limitation, publishing the credit rating and any related analytical reports. Any analytical reports published by Ratings Services are not issued by or on behalf of the issuer or at the issuer's request. Ratings Services reserves the right to use, publish, disseminate or license others to use, publish or disseminate analytical reports with respect to public credit ratings that have been withdrawn, regardless of the reason for such withdrawal. Ratings Services may publish explanations of Ratings Services' credit ratings criteria from time to time and Ratings Services may modify or refine its credit ratings criteria at any time as Ratings Services deems appropriate.

Reliance on Information. Ratings Services relies on issuers and their agents and advisors for the accuracy and completeness of the information submitted in connection with credit ratings and the surveillance of credit ratings including, without limitation, information on material changes to information previously provided by issuers, their agents or advisors. Credit ratings, and the maintenance of credit ratings, may be affected by Ratings Services' opinion of the information received from issuers, their agents or advisors.

Confidential Information. Ratings Services has established policies and procedures to maintain the confidentiality of certain non-public information received from issuers, their agents or advisors. For these purposes, "Confidential Information" shall mean verbal or written information that the issuer or its agents or advisors have provided to Ratings Services and, in a specific and particularized manner, have marked or otherwise indicated in writing (either prior to or promptly following such disclosure) that such information is "Confidential."

Ratings Services Not an Expert, Underwriter or Seller under Securities Laws. Ratings Services has not consented to and will not consent to being named an "expert" or any similar designation under any applicable securities laws or other regulatory guidance, rules or recommendations, including without limitation, Section 7 of the U.S. Securities Act of 1933. Rating Services has not performed and will not perform the role or tasks associated with an "underwriter" or "seller" under the United States federal securities laws or other regulatory guidance, rules or recommendations in connection with a credit rating engagement.

Disclaimer of Liability. Ratings Services does not and cannot guarantee the accuracy, completeness, or timeliness of the information relied on in connection with a credit rating or the results obtained from the use of such information. RATINGS SERVICES GIVES NO EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. Ratings Services, its affiliates or third party providers, or any of their officers, directors, shareholders, employees or agents shall not be liable to any person for any inaccuracies, errors, or omissions, in each case regardless of cause, actions, damages (consequential, special, indirect, incidental, punitive, compensatory, exemplary or otherwise), claims, liabilities, costs, expenses, legal fees or losses (including, without limitation, lost income or lost profits and opportunity costs) in any way arising out of or relating to a credit rating or the related analytic services even if advised of the possibility of such damages or other amounts.

No Third Party Beneficiaries. Nothing in any credit rating engagement, or a credit rating when issued, is intended or should be construed as creating any rights on behalf of any third parties, including, without limitation, any recipient of a credit rating. No person is intended as a third party beneficiary of any credit rating engagement or of a credit rating when issued.

Summary:

Tupper Lake Village, New York; General Obligation

Credit Profile		
US$1.035 mil pub imp (serial) bnds ser 2015		
Long Term Rating	A/Stable	New

Rationale

Standard & Poor's Ratings Services assigned its 'A' rating to Tupper Lake Village, N.Y.'s series 2015 public improvement (serial) general obligation (GO) bonds. The outlook is stable.

The bonds are secured by the village's faith-and-credit pledge. Officials plan to use the bond proceeds to permanently finance a portion of the village's outstanding bond anticipation notes (BANs).

The rating reflects our view of the village's:

- Weak economy, with projected per capita effective buying income at 87.3% of the national level, and market value per capita of $37,076;
- Adequate management, with "standard" financial policies and practices under our Financial Management Assessment (FMA) methodology;
- Strong budgetary performance, with a slight operating surplus in the general fund and an operating surplus at the total governmental fund level;
- Strong budgetary flexibility, with a low nominal available fund balance ($160,000) that we expect will improve as a percentage of expenditures in the near term, from its fiscal 2014 level of 5.4%;
- Very strong liquidity, with total government available cash of 29.6% of total governmental fund expenditures and 13.3x governmental debt service;
- Weak debt and contingent liability position, with debt service carrying charges of 2.2% of expenditures, net direct debt that is 109.8% of total governmental fund revenue, and significant medium-term debt plans; and
- Strong institutional framework score.

Weak economy

We consider Tupper Lake's economy weak. The village, with an estimated population of 3,691, is located in Franklin County, New York. The village has a projected per capita effective buying income of 87.3% of the national level, and a per capita market value of $37,076. Overall, the village's market value has been stable over the past year, at $136.8 million in 2015. The county's unemployment rate was 7.3% in 2014.

Tupper Lake Village is in the Adirondack region of upstate New York. The primarily residential village is situated in the town of Tupper Lake (in southwestern Franklin County) in the heart of Adirondack Park, about 21 miles southwest of Saranac Lake. The village forms the center of several small hamlets in the nearby vicinity. While the economy is limited in nature, tourism provides employment, especially during the winter and summer months, as do various

logging companies year-round. The village is also working on a redevelopment plan to attract public and private investment to the region, especially around the Demars Boulevard area. The area's largest employers include Sunmount DDSO (a state-operated facility that provides direct care for disabled individuals), Tupper Lake Central School District, and Adirondack Health/Medical Center. The property tax base is very diverse, with the 10 leading taxpayers accounting for 7.3% of assessed value.

Adequate management

We view the village's management as adequate, with "standard" financial policies and practices under our FMA methodology, indicating the finance department maintains adequate policies in some but not all key areas.

Highlights include what we regard as conservative assumptions, coupled with a three-year historical trend analysis and monthly budget-to-actual reports to the village board. The village also maintains a formal investment policy, with monthly reporting of holdings and returns to the board. The village does not have formal long-term capital improvement or financial plans, nor does it employ formal debt management or reserve policies.

Strong budgetary performance

Tupper Lake's budgetary performance is strong, in our opinion. For fiscal 2014, the village had a slight general fund operating surplus of 1.0% of expenditures, and a 3.9% surplus across all governmental funds.

According to management, the 2014 surplus is mainly attributable to grant reimbursements, which helped offset labor costs associated with the municipal park for that year. Management is projecting another year-end surplus for fiscal 2015, due to higher-than-expected revenue increases and grant reimbursements, tight control of expenditures across all village departments, and the retirement of several employees that management did not replace. The village adopted a $2.6 million budget for fiscal 2016 that includes a $75,000 fund balance appropriation, in-line with its historical practice, but does not expect the appropriation to be fully realized by year-end. Property taxes comprise 62% of general fund revenues, followed by state aid at 18%.

Strong budgetary flexibility

Tupper Lake's budgetary flexibility is strong, in our view, with an available fund balance that we expect will improve in the near term from its fiscal 2014 level of 5.4%. The village's reserves are nominally low at $160,000, which we view as vulnerably low and a negative credit factor.

Management estimates available fund balance will increase to approximately $350,000-$400,000 for fiscal year-end 2015, due to better-than-expected general fund results and state grant reimbursements. As such, we expect the village to maintain its strong budgetary flexibility, albeit with nominally low reserves.

Very strong liquidity

In our opinion, Tupper Lake's liquidity is very strong, with total government available cash of 29.6% of total governmental fund expenditures and 13.3x governmental debt service in 2014. In our view, the village has satisfactory access to external liquidity if necessary.

Tupper Lake has issued GO bonds and BANs on several occasions for about 15 years, reflecting its strong access to external liquidity. The village currently has no contingent liquidity risks from financial instruments with payment provisions that can change upon the occurrence of certain events.

Weak debt and contingent liability profile

In our view, Tupper Lake's debt and contingent liability profile is weak. Total governmental fund debt service is 2.2% of total governmental fund expenditures, and net direct debt is 109.8% of total governmental fund revenue. Negatively affecting our view of the village's debt profile is its significant medium-term debt plans.

The village has about $5 million in outstanding debt. Management is planning to add another $5 million in debt over the next two to three years for various capital improvements.

Tupper Lake's fiscal 2014 pension contributions totaled 9.3% of total governmental fund expenditures, with the village making its full annual required pension contribution for the year.

The village contributes to the New York State Employees' Retirement System and Local Police and Fire Retirement System. The village makes 100% of its required contribution, and it is not amortizing any portions of its retirement obligation. Tupper Lake does not offer other postemployment retirement benefits for its employees.

Strong institutional framework

The institutional framework score for New York villages is strong.

Outlook

The stable outlook reflects our opinion of Tupper Lake's strong budgetary performance and very strong liquidity. The village's weak economy, what we consider nominally low fund balance, and weak debt and contingent liability profile somewhat offset the above-mentioned strengths and limit the rating. As such, we do not expect to change the rating within the two-year outlook horizon. However, should financial performance deteriorate, leading to lower reserves and a decrease in the village's liquidity, the rating could be lowered. Conversely, should local economic indicators improve, coupled with management establishing more well-defined financial policies while reducing the debt burden and increasing reserves to stronger levels (on a nominal basis), we could raise the rating.
