Village of Tupper Lake
Board of Trustees
Agenda

Date: Monday, December 16, 2013
Start: 6:00 pm
Location: Board Room
Meeting: Regular Monthly

1. Call Regular Monthly Meeting to order at 6:00 pm and establish the agenda.
2. Pledge of allegiance and moment of silence for the safe return of Collin Gillis.
3. Public Comment Period.
4. Michelle Clement with the Chamber of Commerce would like to give us brief update of upcoming events.
5. Mayor's Announcement(s) and Miscellaneous:
   a. Acknowledge that we received our APA Project Permit 2013-208 for our Emergency Services Building project as well as a Jurisdictional Determination J2013-0698 from the APA that our proposed beach feasibility improvements do not require a permit or variance from the agency.
   b. Approve the Board Minutes from the November 18, 2013 and December 2, 2013 meetings.

Department Reports

Code Enforcement:
1. Approve November's Monthly Report.
2. Authorize attendance at the March 3-6, 2014 Annual Northern Adirondack Code Enforcement Officials Education Conference in Lake Placid.

DPW:
1. Review and discuss NYS DOT Rte 3 & 30 Reconstruction proposed schedule for 2014. Establish committees as needed.
2. Playground project update.
3. Discuss outdoor skating rink planning.

Water/Wastewater:
1. Misc. Updates.
2. We received confirmation from Timothy Burley with C2AE that the Water/Sewer improvements for Lake Street and Wawbeek Avenue can be included in our NYS EFC Funding and we will be proceeding to design for early spring bidding.

Fire:
1. Approve November's Monthly Report.
2. Discuss and approve fire contract with the Town of Santa Clara.
3. Vehicles update.

Police:
1. Approve November's Monthly Reports.

Electric:
1. Their will be no reduction in firm hydro energy sales for the month of January 2014.
2. NYPA Holiday moratorium 12/17/2013 through 1/2/2014.
3. Update on relay replacement for the electric substation.
4. Authorization to register two linemen for the MEUA Lineworker Safety and Training Program for 2014.

Treasurer:

1. Approve the December 16, 2013 warrant in the amount of $206,720.03 for payment of the bills and abstracts for month of November, 2013.
2. Review the monthly cash position as of November 30, 2013.
3. Authorization for Mayor Maroun to execute our 2014 Drug and Alcohol Testing agreement with Partners in Safety Inc. for our CDL licensed drivers.
4. Authorization to approve an insurance buy-out option for 2014.
5. Reminder that we are closed at Noon on Christmas Eve and New Years Eve.

10-Minute Call-in Period:

Executive:

1. Discuss personnel issues for the electric, fire, police, water/wastewater and dpw departments. Discuss ongoing negotiations for a contract for services.

Village Clerk

From: "Michelle Clement" <events@tupper-lake.com>
To: ""Mary Casagrain"" <villtupplake@centralny.twcbc.com>
Sent: Monday, December 16, 2013 9:01 AM

Hi Mary,

Per our conversation on Friday, attached please find my update for the village board. Hopefully, I can make it back in time. If not, please send along my apology.

Let them know if they have any questions, they are free to contact me at anytime. For the next couple of weeks my cell phone is the best as the office is in the process of moving.

Best.

Michelle Clement

TUPPER LAKE CHAMBER OF COMMERCE
LIVE WORK PLAY

EVENTS COORDINATOR UPDATE:

Date: December 16, 2013

Presented To: Mayor Paul Maroun and The Tupper Lake Village Board of Trustees

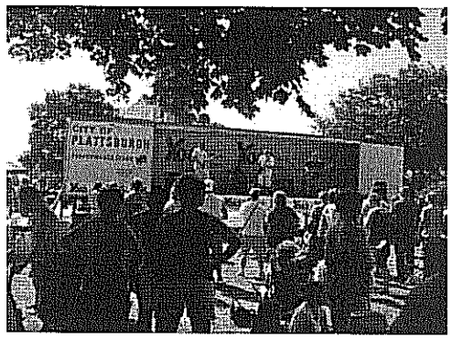
First off, I would like to apologize for not being able to be present for the December village board meeting. I still want to give you a quick update as to some of the current projects that we are working on at the Tupper Lake Chamber of Commerce. The following is a quick run down of events and items I am currently working on:

WINTER CHAMBER EVENT

Tupper Lake Brew-Ski Trail – *Presented in conjunction with the Town of Tupper Lake Recreation Department*

On Saturday, March 1, 2014 the Tupper Lake Cross Country Ski Center's golf course will transform into the "Tupper Lake Brew-Ski Trial."

Distributors and brewers are invited to set up sampling stations along the golf course loop. Event attendees (age 21+) will ski or snowshoe the "Brew-Ski Trail" stopping at the different vendor locations. At each location they will receive a 2oz beer sample and talk with beer experts about the particular brew they are sampling. At the end of the trail, skiers will warm up next to the fire pit as they enjoy a hot bowl of chili at the Chili Chow Down.



100% of the proceeds would go to the creation of a mobile performance stage for Tupper Lake. The photo to the right is an example of the unit we are working to build. I truly believe that this unit will prove to be a great asset for Tupper Lake.

WINTER EVENT SUPPORT & PROMOTION

In addition to the Brew-Ski Trail, I have also been working with in conjunction with a variety of different organizations to support their winter events. These events include, but are not limited to:

- Empire State Winter Games – (February 6-9)
  - Women's Ice Hockey – (February 7-9)
  - Torch Run (February 5) Working to get the school and other community groups involved in the torch run. A good turnout will give great exposure for this event.

TUPPER LAKE CHAMBER OF COMMERCE
LIVE WORK PLAY

- Working with the ESWG committee to create an event on Friday, February 7th in Tupper Lake as part of the ESWG calendar
- Working with ARISE to tie Big Tupper into the ESWG. We are currently looking at offering a free ski day and meet and greet at the Big Tupper lodge on Thursday, February 6th.
- Teams have already been provided with a Tupper Lake welcome package which includes maps, lodging & dining info, and more.

- The Northern Challenge Ice Fishing Derby (February 1)
- Stock Car Ice Races (January 25)
- NY State Pro-Am Ice Fishing Tournament (February 15-16)
- Fire & Ice (February 22 – PM)
- Lumberjack Challenge (February 22 – AM)
- Possible Antique Snowmobile Event (March 1)
- Plus a wide variety of smaller events

NOTE: Trustee Rick Donah had approached me following the November board meeting to request that I put together a recommendation for a village advertising campaign to promote the NY State Pro-Am Ice Fishing Tournament. I will be happy to help with this process if this is still the direction the village is looking to move.

Tournament director Tim Thomas will be here next week (December 23rd). Before I finalize any advertising recommendations, I would first like to see what media outlets he is currently using to advertise the tournament so that they the campaign by the village and the tournament build off one another rather than overlap.

In addition, I have reached out the Franklin County Tourism for help promoting the Pro-Am Tournament as well as many other events happening in Tupper Lake this winter. One of the free options we have for marketing the Pro-Am Tournament is through an e-mail blast using their ARTC mailing list. This e-mail will be targeted to individuals who have requested regional information on fishing and hunting. I plan on using this resource to not only promote the Pro-Am but the Northern Challenge as well.

In addition to talking with Tim Thomas, I would also like to speak with you briefly about budget and concerns that I have.

WINTER RECREATION PROMOTION / SUPPORT

In the past couple of months, the chamber has made the effort to focus on recreation tourism in addition to event promotion. The most immediate action has been with regard to the following topics:

- Snowmobiling
- Cross Country Skiing and Snowshoeing
- Big Tupper

TUPPER LAKE CHAMBER OF COMMERCE
LIVE WORK PLAY

- Ice Fishing Derbies

NEW RECREATION GUIDE

The Tupper Lake Chamber of Commerce is excited to announce that we are currently working on the development of an all season recreation guide for the Tupper Lake area.

The guide's main focus will be to provide detailed information about the assortment of recreation trails and waterways available in and around Tupper Lake. It will include, but not be limited to: hiking, paddling, skiing, snowshoeing, snowmobiling, swimming, mountain biking and fishing. The publication will include detailed maps, photographs and information that will be valuable to both potential visitors and area residents. The recreation guide will also feature some first hand accounts from "locals" as well as interactive elements.

The first run - 15,000 full-color, glossy recreation guides - will be out in May 2014!

The Tupper Lake Recreation Guide will be distributed throughout the region to visitor centers, public attractions, commercial outlets that serve travelers, lodging properties and more. In addition and equally important, an electronic version will be easily accessed by individuals and groups planning their travel arrangements.

This all season recreation guide is being created as a "timeless" piece. Content will be location driven rather than date, keeping the material relevant for a longer time period.

ADDITIONAL PROJECTS

In addition to the recreation guide, I am currently working with the Chamber and other individuals on a variety of projects that will be release in late spring. Some of these include a website overhaul and an interactive recreation piece. More details will be released on both of these projects in mid January.

APA Project Permit
2013-208

Date Issued: December 10, 2013

In the Matter of the Application of

TUPPER LAKE ASSOCIATES, LLC and VILLAGE OF TUPPER LAKE

for a permit pursuant to § 809 of the Adirondack Park Agency Act and 9 NYCRR Part 578

To the County Clerk: This permit must be recorded on or before **February 10, 2014.** Please index this permit in the grantor index under the following names:
1. Tupper Lake Associates, LLC
2. Village of Tupper Lake

SUMMARY AND AUTHORIZATION

Tupper Lake Associates, LLC (landowner) and the Village of Tupper Lake (applicant) are granted a permit, on conditions, authorizing a two-lot subdivision involving wetlands in an area classified Hamlet by the Official Adirondack Park Land Use and Development Plan Map in the Town and Village of Tupper Lake, Franklin County.

This project may not be undertaken, and no transfer deed shall be recorded, until this permit is recorded in the Franklin County Clerk's Office. This permit shall expire unless so recorded on or before February 10, 2014 in the names of all persons listed on the first page hereof and in the names of all owners of record of any portion of the project site on the recordation date.

This project shall not be undertaken or continued unless the project authorized herein is in existence within four years from the date the permit is recorded. The Agency will consider the project in existence when one of the lots authorized herein is separately conveyed.

Nothing contained in this permit shall be construed to satisfy any legal obligations of the applicant to obtain any governmental approval or permit from any entity other than the Agency, whether federal, State, regional or local.

Proposed development on Lot 1 is shown on 5 sheets of plans titled "Tupper Lake Emergency Services Building," prepared by AEDA Architectural & Engineering Design Associates P.C. of Plattsburgh, NY and dated as follows:

- C1.0, Existing Conditions Plan, August 27, 2013;
- C1.2, Site Plan, August 2, 2013, revised October 9, 2013;
- C1.3, Erosion & Sediment Control Plan, August 2, 2013, revised October 9, 2013;
- C2.1, Detail Sheets, July 26, 2013; and
- C2.2, Detail Sheets, July 26, 2013.

A reduced-scale copy of the "Site Plan" is attached as a part of this permit for easy reference. The original, full-scale maps and plans referenced in this permit are the official plans for the project.

CONDITIONS

BASED UPON THE FINDINGS BELOW, THE PROJECT IS APPROVED WITH THE FOLLOWING CONDITIONS:

1. The project shall be undertaken as described in the completed application, the Project Description as Proposed and Conditions herein. In the case of conflict, the Conditions control. Failure to comply with the permit is a violation and may subject the applicant, successors and assigns to civil penalties and other legal proceedings, including modification, suspension or revocation of the permit.

2. This permit is binding on the permittees, all present and future owners of the project site and all contractors undertaking all or a portion of the project. Copies of this permit and the project maps and plans referred to herein shall be furnished by the permittees to all subsequent owners or lessees of the project site prior to sale or lease, and by the applicant and/or any subsequent owner or lessee to all contractor(s) undertaking any construction activities pursuant to the permitted project.

   All deeds conveying all or a portion of the lands subject to this permit shall contain references to this permit as follows: "The lands conveyed are subject to Adirondack Park Agency Permit 2013-208 issued December 10, 2013, the terms and conditions of which are binding upon the heirs, successors and assigns of the grantors and all subsequent grantees."

FINDINGS OF FACT

Existing Environmental Setting

1. There is a permanent stream (labeled "ditch" on the project maps and plans) in the northern portion of Lot 1 and the southern portion of Lot 2. Much of the stream is separated from the building area on Lot 1 by a row of boulders. The stream outlets into wetlands along the shoreline of Raquette Pond, 750± feet to the west.

2. Wetlands on Lot 1 exist in small areas along the stream. The wetlands are an emergent marsh with a value rating of "2" pursuant to 9 NYCRR Part 578. Wetland boundaries were delineated by Agency staff on April 29, 2013 (W2013-16) and are shown on the project maps and plans. Wetlands shown on the plans and/or described herein are intended to alert landowners and others that wetlands are present on the project site. However, this may not identify all wetlands on or adjacent to the project site.

3. The water feature immediately east of the eastern property line is a drainage ditch.

4. Existing slopes on Lot 1 are less than 1 percent.

5. Soils on Lot 1 in the location of the proposed emergency services building consist mostly of old fill material and will be excavated, removed to a depth of 7 feet, and replaced with structural fill prior to construction of the building. Unsuitable material, an estimated 5,100± cubic yards, will be relocated off site to the Village of Tupper Lake's sand pit and reused on the sand pit site.

6. The properties immediately adjacent to Lot 1, where development is proposed, are developed as follows: a community recreation building to the east, self-storage units to the south, a gas station to the west, and the shopping plaza (Lot 2) to the north.

Other Regulatory Permits and Approvals

7. The proposed emergency services building was granted an area and setback variance on August 22, 2013 by the Village of Tupper Lake Zoning Board of Appeals.

PERMIT issued this 10 day of December, 2013.

RECEIVED
DEC - 6 2013

December 4, 2013

Honorable Paul A. Maroun, Mayor
Village of Tupper Lake
53 Park Street
PO Box 1290
Tupper Lake, NY 12986

Dear Mayor Maroun:

RE: Jurisdictional Determination J2013-0698

The proposed construction of two beaches, the relocation of a portion of the walking trail, and the renovations to the existing restrooms as described in the materials submitted on behalf of the Village of Tupper Lake, on November 4, 2013 does not require a permit or variance from this Agency, provided the facts submitted are accurate and complete, and provided there is compliance with the restrictions below.

Description

It is our understanding that the project consists of the following:

1. The property is a 20.05±-acre parcel having shoreline on Raquette Pond and is located in the Village and Town of Tupper Lake, Franklin County, on New York State Route 3 (Demars Blvd.), tax map designations 490.51-1-1 and 490.59-1-1.

2. Tax parcel 490.51-1-1 is owned by the Village of Tupper Lake as described in a deed recorded on December 21, 1932 in Liber 209 of Deeds, page 130, and tax parcel 490.59-1-1 is owned by the Village of Tupper Lake as described in a deed recorded in Liber 473 of Deeds, page 430, both in the Franklin County Clerk's Office.

3. A review of the history of your property since the May 22, 1973 enactment date of the Adirondack Park Land Use and Development Plan is not necessary for the Agency to make a determination on your current proposal. As such, this determination makes no reference as to the deed history of this property.

4. Currently the property is improved by a baseball stadium constructed in the 1930's (including the announcer's booth), a pavilion and restrooms constructed in the 1980's, a gazebo constructed in the 1990's, and a playground and pavilion constructed in 2013.

which is navigable by boat, including canoe. Building setbacks are measured horizontally from the closest part of the structure to the mean high water mark. Porches, decks and other physically attached components are considered part of the structure when applying the setback requirements.

Vegetative cutting restrictions apply to the shoreline of any navigable water body. The removal of any vegetation is limited within 6 feet of the high water mark. The cutting of trees is limited within 35 feet of the high water mark. Enclosed is a flyer which further describes shoreline restrictions.

2. Projects must be undertaken in accord with Agency regulations implementing the State Freshwater Wetlands Act. Enclosed is a flyer describing some of the activities which require a wetlands permit.

3. No structure other than residential radio and television antennas and certain agricultural structures may exceed 40 feet in height without an Agency permit. For Agency purposes, height is measured from the highest point of the structure to the lowest point of finished or natural grade (height flyer enclosed).

The proposal may require approvals from other government entities. We recommend that you check with Town authorities to obtain all necessary approvals prior to beginning your project.

If you have any questions, please do not hesitate to contact the Agency.

Sincerely,

Nancy M. Heath

This is a supplement to the Citizen's Guide, which provides basic information about Adirondack Park Agency regulations.

SHORELINE RESTRICTIONS

Pursuant to §806 of the Adirondack Park Agency Act, the following restrictions apply regardless of whether an Agency permit is required for a new land use or development or subdivision.[1] Additional restrictions may also apply to the shoreline of rivers included in the New York State Wild, Scenic, and Recreational River System.

STRUCTURE SETBACKS

(these setbacks do not apply to docks and boathouses; see below)

Any new structure[2] exceeding 100 square feet in size must comply with the following minimum setback distances from the mean high water mark (the average annual high water level) of any lake or pond or any river or stream navigable by boat, including canoe:

Hamlet	***50 feet***	***Rural Use***	***75 feet***
Moderate Intensity Use	***50 feet***	***Resource Management***	***100 feet***
Low Intensity Use	***75 feet***		

The setback is measured horizontally along the shortest line between any point of the structure and any point on the shoreline at the mean high water mark. Individual structures that are attached to each other are considered a single structure for the purpose of implementing these restrictions.[3] The Agency will locate the mean high water mark upon request of any landowner contemplating development.

Structures that lawfully exist within a shoreline setback area may be replaced or rebuilt in the same location or immediate vicinity. Effective December 31, 2008, the following changes to the dimensions of a lawfully existing structure within the setback area require a variance, whether the changes occur through expansion or replacement: (i) location of the structure any closer to the mean high water mark; (ii) any increase in height; (iii) any increase in footprint; or (iv) any increase in width. However, an increase of up to two feet in height of a single family dwelling or mobile home[4], an increase of up to 250 square feet of footprint to the rear (non-shoreline side) of a single family dwelling or mobile home, and/or the addition of

---

1 The shoreline restrictions of APA Act §806 are incorporated in the Agency-approved local zoning program for the Towns of Arietta, Bolton, Caroga, Chester, Chesterfield, Colton, Day, Edinburg, Hague, Horicon, Indian Lake, Johnsburg, Newcomb, Queensbury, Westport, and Willsboro, and the Town and Village of Lake George. Advice on requirements and variance procedures may be obtained from the local code enforcement officer.

2 Including decks, stairways, porches, sheds, fences, picnic shelters, cabins, lean-tos, etc. See APA Act §802(62).

3 Structures may be considered attached for Agency purposes if they are less than ten feet apart or structurally integrated. However, stairways, patios and walkways are considered individual structures for expansion and replacement purposes, regardless of their attachment to other structures. Please contact the Agency for more information.

4 For the purpose of implementing 9 NYCRR ' 575.5, the height of buildings with roof ridgeline(s) is measured at the highest point of the highest roof ridgeline. The height of buildings without roof ridgeline(s) is measured at the highest point of the structure.

Alteration or replacement of a lawfully existing leaching facility located within 100 feet of a water body must occur in conformance with the setback requirements to the greatest extent possible, with the leaching facility located no closer to the mean high water mark, and must provide enhanced treatment.

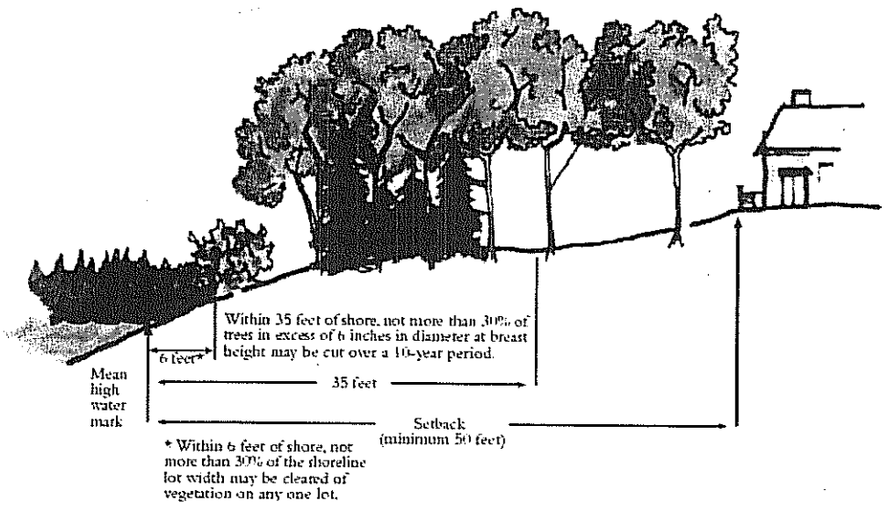
Upon the expansion of any structure to allow for an actual or potential increase in occupancy, the leaching facility serving the structure must be located at least 100 feet from all water bodies.

SHORELINE CUTTING RESTRICTIONS

Except to allow for the removal of diseased vegetation and rotten or damaged trees, all vegetative cutting on a parcel with shoreline on a lake, pond, or navigable river or stream must comply with the following restrictions:

(a) Within 35 feet of the mean high-water mark, no more than 30 percent of the trees in excess of six inches diameter at breast height (42 feet above ground) may be cut over any 10-year period.

(b) Within 6 feet of the mean high-water mark, no more than 30 percent of any vegetation may be removed.



This flyer is intended to provide general information regarding Agency jurisdiction. Other provisions or restrictions may apply if an Agency permit or variance is required or if the property has previously been subject to Agency review.

Please contact the Agency with any questions at 518-891-4050. For a binding written response as to whether a specific proposal requires Agency review, please submit a Jurisdictional Inquiry Form (JIF). The JIF form is available on the Agency website at www.apa.ny.gov/Forms/jiform.pdf.

This is a supplement to the Citizen's Guide, which provides basic information about Adirondack Park Agency regulations.

FRESHWATER WETLANDS

Regulated Wetlands

Defined in §802 of the Adirondack Park Agency Act, wetlands are "any land which is annually subject to periodic or continual inundation by water and commonly referred to as a bog, swamp or marsh which are either (a) one acre or more in size or (b) located adjacent to a body of water, including a permanent stream, with which there is free interchange of water at the surface, in which case there is no size limitation[1]." Section 578.3 of the Agency's regulations provides additional wetland information, and the criteria for identifying wetland areas are provided in the New York State Wetland Delineation Manual (http://apa.state.ny.us/Documents/Guidelines/WetlandDelineationNYS.pdf).

Wetland Permitting

Under the Adirondack Park Agency Act and the Freshwater Wetlands Act, an Agency permit must be obtained for the following activities involving wetlands in the Adirondack Park:

1. Draining, dredging, or excavating[2] a wetland;

2. Placing fill, including soil, stone, sand, gravel, mud, trash, structures, pilings, roads, or any other obstruction or substance[3], into a wetland;

3. Clearcutting[4] more than three acres;

---

1 Areas that are less than one acre in size and meet the New York State Wetland Delineation Manual criteria are considered wetlands for Agency purposes if: 1) the adjacent waterbody is at least 6.6 feet deep; 2) the adjacent waterbody is at least one acre in surface area; 3) the adjacent waterbody and the wetland together are at least one acre in surface area; or 4) the adjacent waterbody has a permanent surface water inlet or outlet.

2 With certain exceptions; see section 578.3(n)(4) of Agency regulations and the Agency's flyer titled "Hand Harvesting of Aquatic Plants" for additional information.

3 With certain exceptions; see section 578.3(n)(4) of Agency regulations for additional information.

4 For Agency purposes, a clearcut is generally defined as any cutting of trees over six inches in diameter at breast height over any 10-year cutting cycle, where the average residual basal area remaining is less than 30 square feet per acre within the area harvested. See sections 570.3(f) and 573.7 of Agency regulations for additional information.

Please contact the Agency with any questions at 518-891-4050. For a binding written response as to whether a specific proposal requires Agency review, please submit a Jurisdictional Inquiry Form (JIF). The JIF form is available on the Agency website at www.apa.ny.gov/Forms/jiform.pdf.

WETLAND IDENTIFICATION AND IMPORTANCE

Deep Water Marsh

Areas of open water filled with plants that float freely or are rooted are called deep water marshes. The leaves of the rooted plants are either submerged or floating. Such plants as pondweeds, duckweeds, and wild celery are important food for waterfowl. The shallow waters of a deep water marsh and the protecting vegetation make them important areas for fish spawning and nurseries.

Deciduous Swamp

These are wetlands where the covertype contains mostly live deciduous trees, twenty feet or more in height. The trees grow on hummocks or in seasonally or permanently flooded areas. Swamp maples and willows are evident in lowland deciduous swamps. These swamps are spotted with dead trees which are used by flying squirrels and chickadees. The swamps provide a habitat for nesting waterfowl and a great variety of birds and wildlife. Their soils are usually very fertile, promoting rapid plant growth and a wide diversity of plants and animals. Because these swamps filter great quantities of water, they play a very important role in purifying water and maintaining high water quality.

Wet Meadows

Wet meadows are wetlands where most of the cover is composed of sedges, rushes, and coarse grasses, most of which tend to grow in clumps. Groundwater is at or near the surface for much of the year, including significant parts of the growing season, creating saturated soils. These meadows are often found in the flood plains of lakes and rivers and in the areas once flooded by beaver dams or other impoundments. Their soils are mostly mineral in structure.

Bog

A bog is a closed wetland from which drainage is either extremely slow or absent and where the vegetation grows on a saturated mat of peat. The mat sometimes covers all of the surface of a shallow pond, sometimes it covers only a portion leaving open water. The peat is formed by species of sphagnum moss which die, but do not decay because of the acidity and low oxygen levels of the bog. All processes in a bog including nutrient recycling are slowed down by the stagnant acid water. This is why bogs are so sensitive. It takes centuries to recover from disturbance.

Emergent Marsh

Emergent marshes are shallow wetlands that are flooded with standing or running water much of the year. Their cover consists of such plants as cattails, bulrushes, pickerel weed, loosestrifes, and arrowheads. Emergent marshes have the most valuable covertype and one of the highest levels of productivity and habitat diversity. Not only does the vegetation in these wetlands provide nesting habitat, food, and cover for many waterfowl and other wildlife, but it adds large quantities of nutrients to food chains. These marshes are attractive to muskrat, ducks and geese, herons, and egrets, mink and deer.

Shrub Swamp

A shrub swamp is a wetland where woody shrubs, less than twenty feet in height, make up most of the covertype. Shrub swamps are often found in floodplains, in frost pockets and other depressions, on the edges of ponds, lakes and bogs, along meandering streams, and in hillside drainages. These areas have two things in common: fresh water flowing through them and a high level of productivity. Alders, hollies and viburnums typify these swamps and have berries which are eaten by a wide variety of birds. The shrubs are the nesting habitat of such diverse species as the rose-breasted grosbeak and kingbirds, and game birds, including woodcock, pheasant and grouse. It is also the habitat of beaver and otter, and waters adjacent to shrub swamps are essential to spawning northern pike.

Coniferous Swamp

A coniferous swamp is a wetland where most of the plant cover consists of live coniferous trees over twenty feet in height. The trees often grow on hummocks in deep organic deposits with pockets of water or sphagnum moss between them. Coniferous swamps are most important because they give off large quantities of water over much of the year. In summer, this process helps keep surrounding soil temperatures low. This, combined with the cooling effects of the swamps= dense shade, helps maintain low water temperatures critical to the survival of cold water fish in streams running through these swamps. The shelter offered by coniferous swamps creates clear wintering fields so important to the survival of deer and other animals and birds.

NEW YORK STATE
Adirondack
parkagency

P.O. Box 99 • Ray Brook, New York 12977
(518) 891-4050
www.apa.ny.gov

This is a supplement to the Citizen's Guide, which provides basic information about Adirondack Park Agency regulations.

STRUCTURE HEIGHT

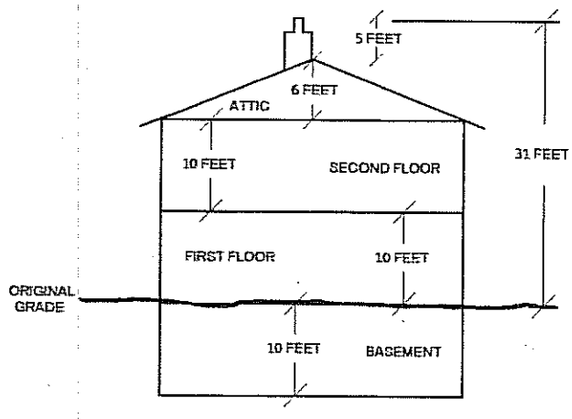
Pursuant to Sections 809 and 810 of the Adirondack Park Agency Act, any new structure in excess of forty feet in height[1] requires an Agency permit as a Class A regional project.[2]

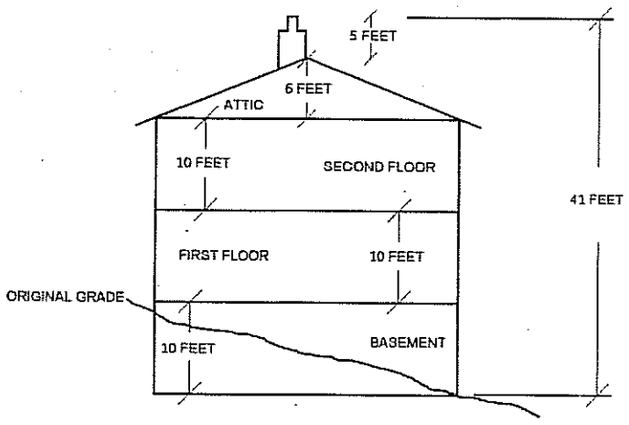
Measuring Height

The Agency measures height from the highest point of a structure to the lowest point of original or finished grade or the base of any supporting fill, whichever is lower.[3] A structure is comprised of all attached components, including decks, porches, garages, roofs, and chimneys.[4]

Please note that the Agency's height measurement methodology may differ from the method used by towns, villages, and other entities.

Examples





---

1 Agricultural use structures and residential radio and telephone antennas are excepted from this permitting requirement.

2 This requirement does not apply in Industrial Use land use areas.

3 Upon request, Agency engineering staff can help to determine the base of any supporting fill.

4 The measurement of buildings within shoreline setback areas for replacement or expansion purposes is taken from the highest point of the highest roof ridgeline.

He will provide....

Happy Holidays

November 8, 2013

Dear Folks at Village offices,

Well, here we are—another year almost gone – Thanksgiving will soon be here and Christmas is right around the corner.

This year, as in the past, we are asking for donations to help us through the Christmas season and beyond. Would you be interested in helping us with a monetary donation at this time?

It's been a rough year for many of the charities and the TLC Food Pantry is no exception. Our goal has always been to support the children and their families in any way we can. We hope yours is too!

As always ----- We are revising our lists and checking them twice.....
Hope your gifts in the mail – thanks for being so nice!!!!

We do so much appreciate your support and generosity – especially over this past year – and we want to thank each of you for your continued devotion to your community and its citizens, young and old, big and small!!!!!

Hope all is well with you.
Can you help us
with a monitary
donation this year?
It would be greatly
appreciated.

Sincerely,

Betty Mann

Director, TLC Food Pantry

Village of Tupper Lake
Board of Trustees
Minutes

Date: Monday, December 2, 2013
Location: Board Room
Meeting: Organizational Meeting 4:00-4:09 PM

(Carried 5-0)

Motion by Trustee Snyder, seconded by Trustee Donah to make the following Special Meetings resolution:

Resolutions to Adopt at Organizational Meeting:

- **WHEREAS** the Board of Trustees has determined **special meetings** can be called and held, and

  WHEREAS the Mayor alone or at least two Trustees acting together can call the meeting, and

  WHEREAS the news media and public will be given notice as soon as practicable after the calling of the special meeting

  NOW THEREFORE BE IT RESOLVED the Board of Trustees of the Village of Tupper Lake authorize special meetings, and

  THIS RESOLUTION shall take effect immediately.

  (Carried 5-0)

Motion by Trustee Snyder, seconded by Trustee Maroun to make the following Municipal Attendance resolution:

Municipal Attendance:

- ***WHEREAS*** there is to be during the coming year official meetings, conferences, workshops, and training sessions, and

  WHEREAS it is determined by the Board of Trustees that attendance by certain municipal officials and employees at one or more of these meetings, conferences, workshops, or training sessions benefits the municipality, and

  NOW THEREFORE BE IT RESOLVED the Board of Trustees of the Village of Tupper Lake shall hereby authorizes officers and employees to attend official meetings, conferences, workshops, and training sessions.

  THIS RESOLUTION shall take effect immediately.

(Carried 5-0)

Motion by Trustee Snyder, seconded by Trustee LeBlanc to make the following Advance Payments resolution:

Advance Payments:

- ***WHEREAS*** the Board of Trustees has determined to authorize payment(s) in advance of audit of claims for public utility services; postage; freight and express charges; and claims with discounts which would be lost, and

  WHEREAS all such claims shall be presented at the next regular Board of Trustees Meeting for audit, and

  WHEREAS the Village Clerk and Mayor who oversees the Village Office will review and sign all such claims at time of payment, and

  WHEREAS the claimant and officer(s) incurring or approving the same shall be jointly and severally liable for any amount disallowed by the Board of Trustees, and

  NOW THEREFORE BE IT RESOLVED the Board of Trustees of the Village of Tupper Lake authorizes payment(s) in advance of audit of claims for public utility services; postage; freight and express charges; and claims with discounts which would be lost; and all such claims shall be presented at the next regular Board of Trustees Meeting for audit; and the Village Clerk and Mayor who oversees the Village Office will review and sign all such claims at time of payment; and the Claimant and officer(s) incurring or approving the same shall be jointly and severally liable for any amount disallowed by the Board of Trustees.

  THIS RESOLUTION shall take effect immediately.

(Carried 5-0)

Adjournment Motion by Trustee Snyder, seconded by Trustee LeBlanc to adjourn at 4:09 pm. (Carried 5-0)

Mayor Maroun called the Regular Meeting to order and established the agenda at 6:00 pm.

Pledge

Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Collin Gillis.

Open Public Period

There were no public comments

Mr. Timothy Burley With C2AE Update Ground Water Supply Project

Mr. Timothy Burley with C2AE was present to give the board a brief update on our Ground Water Supply Project. Mr. Burley gave a background of our project and updated the board on the progress thus far in moving our NYS EFC Hardship Application and M/WBE requirements forward. He also reviewed our short term timeline for early of 2014 and needed agreements with our new engineers C2AE, Local Counsel Hughes, Stewart & Race and Bond Counsel Harris Beach, LLP. Other items discussed were regulatory reviews, force account tracing of in-kind services, HydroSource search for water, and to get us to short-term financing under $25,000. He advised that the next scope of services would be finalized in the coming week, for example, updating our SEQR, further define areas in hamlet that can be enhanced and what additional work needs to be done.

Authorize Contract C2AE Professional Services	Motion by Trustee Snyder, seconded by Trustee Maroun to authorize Mayor Maroun to execute a Standard Contract for Professional Services with C2AE for the preliminary services for our Community Water Supply Comprehensive Improvements Project. (Carried 5-0)
Personal Achievements Acknowledged for Robert Tebo & Amy Farrell	Mayor Maroun took a moment to recognize two of Tupper Lake's finest, Mr. Robert Tebo and Ms. Amy Farrell who recently traveled to Hawaii to participate in the Iron Man recently.
Tree Lighting Ceremony December 7, 2013	The Official Tree Lighting Ceremony will be held on Saturday, December 7, 2013 at 6:00 pm in memory of Chad Martin.
Rock the Arc August 9, 2014	Motion by Trustee Snyder, seconded by Trustee LeBlanc to authorize The Adirondack Arc to host "Rock the Arc" August 9, 2014 in the Municipal Park and to approve an Alcohol Permit for the event. (Carried 4-1, Trustee Donah "Abstained")
TL Rotary & Lions Fire & Ice Tournament February 22, 2014	Motion by Trustee Snyder, seconded by Trustee Maroun to authorize the Tupper Lake Rotary & Lions clubs to host the 4th Annual Fire & Ice Tournament February 22, 2014 in the Municipal Park and to approve an Alcohol Permit for the event. (Carried 4-1, Trustee Donah "Abstained")
NYMIR Interest Check Received	Motion by Trustee Snyder, seconded by Trustee LeBlanc to formally accept an interest distribution check from our insurance provider NYMIR in the amount of $5,371.00. (Carried 5-0)
Grants Update	Trustee Donah gave a brief update on the status of each of our ongoing grants for the month November.
Approve Minutes	Motion by Trustee Snyder, seconded by Trustee Maroun to approve the Board Minutes from October 22, 2013 and November 4, 2013. (Carried 5-0)
Code Enforcement: Accept October Report	Motion by Trustee Snyder, seconded by Trustee Maroun to approve the October 2013 Monthly Code Report. (Carried 5-0)
Review Sample Animal Ordinances	Code Enforcement Officer Peter Edwards presented the Village Board with the same examples from last months meeting of neighboring communities that have modified their local codes via local law to prohibit farm animals. It was suggested that we create a sample local law for the board's consideration next month, and if wanted, a public hearing would be set to adopt it.
Fire: Accept October Report	Motion by Trustee Snyder, seconded by Trustee Donah to approve the October 2013 Monthly Report. (Carried 5-0)
Vehicle Update	Fire Chief Carl Steffen gave the board an update on the recent chassis and pump maintenance inspections completed and he discussed the vehicle deficiencies that were reported from Century Fire Apparatus, Inc. for vehicle #165 the 1990 Pierce and #166 the 2006 International Tanker.

Discussions Budget Transfers	The board briefly discussed moving funds around in the Fire Department Budget to pay for the necessary repairs to the trucks. Fire Chief Carl Steffen advised the board that he would take ownership of the deficiencies and ensure they necessary repairs are completed in a timely manner.
Police: Accept October Report	Motion by Trustee Snyder, seconded by Trustee Maroun to approve the October 2013 Monthly Police Report. (Carried 5-0)
Winter Parking Ban	Chief of Police Eric Proulx advised that the winter parking ban started at 12:01 pm on November 15, 2013, and parking restrictions are from 2:00 to 6:00 am daily
Thomas Arsenault Appointed PT Dispatcher	Motion by Trustee LeBlanc, seconded by Trustee Maroun to appoint Mr. Thomas Arsenault to the position of part-time Dispatcher at a rate of $10.00 per hour. (Carried 5-0)
Thomas Amell & Christopher Delair Fire Arms Instructors	Motion by Trustee LeBlanc, seconded by Trustee Snyder to sponsor Mr. Thomas Amell and Mr. Christopher Delair to be volunteer Fire Arms Instructors for the Village of Tupper Lake. (Carried 5-0)
Loud Mufflers Discussed	At the Mayor's request the Police Department are continuing to review sample laws to prohibit the installation of after market mufflers to vehicles to enhance the noise that is emitted as they accelerate. Acceptable decibel reading devices will be researched and follow-up with our Village Attorney Nathan Race.
DPW: B&L Modification Agreement No. 6 Multi-Use Connector Trail	Motion by Trustee Snyder, seconded by Trustee LeBlanc to formally authorize approval of Modification Agreement No. 6 with Barton & Logudice, PC to extend our agreement with them until December 31, 2014. (Carried 5-0)
ESB Site Secured	Department of Public Works Superintendent Michael Sparks advised that he has placed a snow fence along the Santa Clara site to secure the ESB Project site for spring construction and to prevent snow from being dumped there. The property will be posted "No Private Dumping." He advised that general contractors will be limited this season on where they can put snow; the site we investigated behind the OWD was too soft. We will us Santa Clara first and Washington Street and Wolf Avenue if needed.
Pleasant Avenue	Trustee LeBlanc and Mayor Maroun gave their compliments on the finished product of Pleasant Avenue.
Water/Wastewater: Ground Water Supply Project Update	Water/Wastewater Superintendent Mark Robillard advised that that our drillers found good quality water on the Lyme Adirondack Timberlands I, LLC but may want to consider other sites before drilling additional well sites. Superintendent Robillard took a moment to thank the DPW for helping to rough in a road for the drillers.

Pine Street Manhole Update	Water/Wastewater Superintendent Mark Robillard advised that the Pine Street Manhole project site need to be reviewed by the APA due to the wetlands and a full SEQR will be completed in the coming weeks by Malcolm Pirnie for submission.
Lift Station #3 Demars Blvd. Generator Building Almost Complete	Water/Wastewater Superintendent Mark Robillard advised that the generator building for Lift Station #3 Demars Blvd is almost completed and he took a moment to thank the DPW and Electric Departments for helping.
Electric: Electric Curtailment	There will be no reduction in firm hydro energy sales for the month of December 1-31, 2013.
Substation Relay Project	Electric Superintendent John Bouck advised that the relay replacement project is underway and he expects delivery of the new relays soon while the panels are being made.
Trustee Maroun Exited	Trustee Maroun exited the Regular Meeting at 8:00 pm.
Treasurer: Approve Warrant	Motion by Trustee Snyder, seconded by Trustee Donah to approve the November 18, 2013 in the amount of $207,480.33 for payment of the bills and abstracts for the month October 2013. (Carried 4-0)
Review Cash Position	Review the monthly cash position for October 31, 2013.
Organization Meeting	It was noted that the Annual Organization Meeting is scheduled for Monday, December 2, 2013 at 4:00 pm.
Call In:	There were no calls received.
Enter Executive Session	Motion by Trustee Donah, seconded by Trustee Snyder to enter Executive Session at 8:07 pm to discuss personnel issues for the Police, Fire, Electric and to discuss negotiations for fire protection, and the proposed acquisition of real property for our ground water supply project.. (Carried 4-0)
Exit Executive Session	Motion by Trustee Snyder, seconded by Trustee LeBlanc to Exit Executive Session at 8:20 pm. (Carried 4-0)
Adjournment	Motion by Trustee Snyder, seconded by Trustee LeBlanc to adjourn at 8:27 PM. (Carried 4-0)

Joint Planning Board Meeting for December 18, 2013 at 7pm

Open the regularly scheduled meeting with Pledge of Allegiance followed by roll call

Roll Call:

Jim Larkin	Jim Ellis
boB Collier	Shawn Stuart
Ben Peets	Jim Merrihew
Ralph Russell	

1. **Permit Renewal** – ACR applicants request a 90-day extension on Phase I of the project (construction of great camp lots and related infrastructure).

2. **Preliminary Review** - Co-applicants Thomas and Shirley Lake and The nature Conservancy are seeking a permit for a 2-lot Minor Subdivision.

3. **Anything Else**
   Paul O'Leary – Town Code Enforcement Officer
   Pete Edwards – Village Code Enforcement Officer

4. **Meeting Reminder -** The next scheduled monthly meeting will be Wednesday, January 22, 2013 at 7pm in the downstairs courtroom of the town hall.

5. **Approve minutes from November, 2013 meeting**

6. **Motion to Adjourn**

Disclaimer: I did not do a detailed review of the Dollar amount entries of the forms. I looked for required support documentation that would allow me to do a review prior to certification and further processing. All of what I have indicated here is repeat comments and is time consuming to say the least.

1. I cannot certify sponsor Payment Request #19R for the following reasons:

- **Barton & Loguidice Payment Request # 20** (I am required to review Primary Consultant payment request(s)):
    1. Insufficient support documentation to support Direct Technical Salary expenses. ie time sheets etcetera
    2. Lacking support documentation to support Detail of Direct Non-Salary Costs. ie shipping invoice etcetera.
    3. Insufficient support documentation to support LaFave White & McGivern Payment Request #2
- **LaFave White and McGivern payment requests:**

  1. Est. No. 2.
    - My records indicate that LaFave White and McGivern Est. No 1 is included in B&L Payment Request #2 which is included in Sponsor Payment Request #2. My records indicate that LaFave White and McGivern Est. No 2 is included in B&L Payment Request #12 which is included in Sponsor Payment Request #12. This would mean that LaFave White and McGivern Est. **No 2** is technically LaFave White and McGivern **Est. No 3.** The issue here is sequence.
    - There is insufficient support documentation for a review of this Est. No. 2 (3). ie a form, probably similar to a FIN 422LL, that would show various expense, time sheets et cetera.

  2. Est. No. #3.
    - My records indicate that LaFave White and McGivern Est. No. 3 would technically be Est No. 4 (see 1. Above).
    - This estimate violates every rule there is regarding accountability for funding.
        - ✓ No "To Date" values carried forward
        - ✓ There is an entire 9 digit phase missing
        - ✓ I do not see where the amount of this estimate is included in the sponsors Payment request #19R (19).

  3. Two choices here:
    - NOT RECOMMENDEDE:
      Supply me with complete LaFave White and McGivern Payments Requests with all required support documentation. I can then proceed to review Sponsor Payment Request #19.
    - RECOMMENDED:
      I say this again, I do not need to see **SUB-CONSULTANT** payment requests, only their **invoice** to B&L. If you submit sub-consultant payment requests to me I am obligated to review. In this case and as is normal, the sub-consultant submission prevents processing of the Sponsor Payment request.
- **Sponsor Payment Request #19R:** Sponsor Payment Requests are sequential from Payment Request #1 thru Payment Request ##**F**.
  "**F**" Is the only letter necessary to add to a payment request number and carries a useful meaning to all of us NYSDOT folks.

Since we have major failures with this payment request submission and numerical sequence is a recurring fault, let's resubmit payment request #19R as Request No. **"19".**

2. I cannot certify sponsor Payment Request #20R for the following reasons:

- **Barton & Loguidice Payment Request # 21** (I am required to review Primary Consultant payment request(s)):
    1. Insufficient support documentation to support Direct Technical Salary expenses. ie time sheets etcetera
    2. Includes Sub-Consultant R.K. Hite Est. No. 8.
- **R. K. Hite payment requests:**
    1. R.K Hite Est. No. 8 appears t be complete. However, the last complete R.K. Hite payment request that I have on hand is Payment Request #2. I do not have on hand R.K. Hite Payment Requests #3, #4, #5, #6, or #7. Therefore I cannot verify R.K. Hite Payment Request #8.
    2. Two choices here:
        - NOT RECOMMENDEDE:
          Supply me with R.K. Hite Payments Requests #3, #4, #5 #6 and #7 with all required support documentation and I can then proceed to review R. K. Hite Payment Request #8.
        - RECOMMENDED:
          I say this again, I do not need to see **SUB-CONSULTANT** payment requests, only their **invoice** to B&L. If you submit sub-consultant payment requests to me I am obligated to review. In this case and as is normal, the sub-consultant submission prevents processing of the Sponsor Payment request.
- **Sponsor Payment Request #20R**: Sponsor Payment Requests are sequential from Payment Request #1 thru Payment Request ##**F**.
  "**F**" Is the only letter necessary to add to a payment request number and carries a useful meaning to all of us NYSDOT folks.
  Since we have major failures with this payment request submission and numerical sequence is a recurring fault, let's resubmit this payment request #20R as Request No. **"20".**

Planning Board Public Hearing and Meeting Minutes for October 23, 2013

In Attendance:

Jim Larkin	Ralph Russell
Jim Ellis	boB Collier
Shawn Stuart	Jim Merrihew

Absent:
Ben Peets

Others in Attendance: Matt Harris, Dan McClelland; Tupper Lake Free Press, Patricia Littlefield, Eric Shaheen, Paul O'Leary, Mike Fritts

At 7pm Chairman Jim Larkin opened the meeting. First on the agenda was discussion/action on a request from Matt Harris for a special use permit to open a new store at 195 Park Street. Mr. Harris briefly described his business saying he'd be focusing on new media design and some cell phone repair.

Town Planner Paul O'Leary reminded the board members that a public hearing was held last month. Chairman Larkin asked the board members if they had any questions or comments on the proposed new business.

Mr. Jim Merrihew said he had no problem with the project and thought it would be a good business. Chairman Larkin echoed those remarks saying it was something the community needed. Mr. Shawn Stuart also thought it would be a good project.

Mr. boB Collier asked about signage. Mr. Harris said a sign would be placed on the front of the building. Mr. Collier said he just wanted to make sure he wasn't constructing anything that would obstruct traffic views along the street.

Mr. Collier made a motion to approve the special use permit which was seconded by Mr. Jim Ellis and carried 5-0.

Next up, Mr. O'Leary told board members that is was likely that representative of the Adirondack Club and Resort would be in attendance at December's meeting to request a 90-day extension on the permit previously granted for the "Great Camp" lots portion of the project. Mr. O'Leary asked that all planning board members plan on attending.

TDD 711

Mr. Ellis then started a discussion on public hearings and ways the planning board could expedite the permitting process for certain projects. He cited the project before the planning board that evening. He reasoned that with any project that simply switching from one retail business to another type of retail business should be exempt from having to go through the public hearing process.

Chairman Larkin agreed adding that to be able to do this would require the tweaking of the Town and Village Land Use Code.

Mr. Ellis said he thought the Code Enforcement Officer should be able to make the decision whether or not any given project is in need of a hearing.

Mr. Collier said the board should do something to change this, then asking what has to be done to get things started.

Mr. Merrihew, responding to Mr. Ellis, was not entirely keen in allowing the Code Enforcement Officer decide what and what does not go to public hearing.

Mr. Ellis suggested that with any new project the CEO would present it to the planning board then from there a determination could be made as to whether it needed further scrutiny.

Mr. Collier said that in addition to getting someone to make these changes to the land use code there would need to be other changes as well. Some remapping of zoning should also be examined as well he contended.

Chairman Larkin suggested having the town and planning board attorney, Kirk Gagnier, take a look though the land use code.

Mr. Collier suggested employing the services of the staff at the Adirondack Park Agency in the review of the code. Town Planner Paul O'Leary said that was fine but told board members that the APA staff would only review the town and villages code in relation to their code. The staff at the APA wouldn't be making any suggestions in streamlining projects seeking a permit for change in use for example. He added the planning board would want someone with legal expertise to look at that.

Mr. Ellis suggested getting an idea of cost to have someone revise the land use code. He wondered if they would need to send out RFP's.

Councilwoman Patti Littlefield, who was in the audience, said she would review the town's procurement policy to see what was required. She added however that it wouldn't be a bad idea to put out RFP's anyway.

TDD 711

Mr. Ellis suggested forming a committee that would sit down and comb over the land use code with whomever is chosen to execute and revise the code. Councilwoman Littlefield suggested planning board members independently compile a list of changes and revisions they would like to see to the code.

Mr. Ellis said he'd contact former APA staff person Jim Hotaling to solicit his expertise in the matter.

Mr. Russell made a motion to have Mr. Ellis act as an agent to the planning board to discuss with Mr. Jim Hotaling to review the land use code with the purpose of making necessary and expedient revisions. The motion was seconded by Mr. Collier and carried 5-0.

After the vote Mr. Collier reiterated that this process was "worth doing right," adding that these changes would also need the support of both the village and town board.

Mr. Russell made a motion to approve the minutes from the September 2013 meeting which was seconded by Mr. Ellis and carried 5-0.

The next meeting was scheduled for Wednesday, December 18, 2013 at 7pm.

Mr. Collier made a motion to adjourn which was seconded by Mr. Stuart and carried 5-0. The meeting concluded at 7:24pm.

MARK E. FRECHETTE, P.E.
ACTING REGIONAL DIRECTOR

JOAN MCDONALD
COMMISSIONER

December 6, 2013

The Honorable Paul Maroun
Mayor of Tupper Lake Village
53 Park Street
Tupper Lake, NY 12986

Re: Rte 3 & 30 Tupper Lake Village Reconstruction
Municipal Lighting

Dear Mayor Maroun,

As you are aware, the Village of Tupper Lake has a series of street lights on Park Street (between Wawbeek Avenue and Hill Street). This lighting system will be impacted by the proposed highway project, and is eligible to be replaced "in-kind" during the project at the expense of the State since it is a municipal facility.

The village has the option to upgrade that system, in which case, the difference in cost (above the cost to replace in-kind) will be borne by the Village of Tupper Lake. In order to provide adequate time to incorporate the street lighting plan into the project The DOT and the village's electrical engineer will need some decisions from the village regarding this lighting. You have previously indicated that you plan to form a committee of local residents to assist in the streetscape decision making process. The DOT welcomes this approach and we look forward to working with you and the committee.

The following is a list of milestone dates I would like to follow in order to keep the project progressing smoothly:

- January 1, 2014 — Village forms a Lighting Committee, notify DOT of members and we will schedule a "get start" meeting with the members shortly after.
- March 1, 2014 — Lighting Committee provides a decision on the type, size, height, bulb type, etc. Information transmitted to DOT and Village electrical engineer.
- May 1, 2014 — DOT will incorporate lighting design into the highway plans and prepare a betterment cost estimate if it is considered an improvement. Cost estimate will be transmitted to the village for approval.
- June 1, 2014 — Final acceptance from the village on any cost betterment. DOT will incorporate finalized lighting plans.
- August 1, 2014 — Final Highway Plans are completed and released to Albany in preparation for bidding.
- November 2014 — Bid Results

If you have any questions, please don't hesitate to contact me at (315) 785-2336.

Sincerely,

Robert H. Curtis, P.E.

PROJECT: Village of Tupper Lake Waterfront Revitalization

ENGINEER'S PROJECT #: 12094

TO: MJ Raymond Construction, LLC

ISSUED: 12/4/13

SWPPP – winter conditions

With winter construction conditions now underway or about to be, we offer the following recommendations and project coordination items.

- Ensure winter stabilization measures are in place in accordance with the Winter Construction Notes on the project plans and as summarized below.
  - Any disturbed areas which are to be revegetated in Spring shall be stabilized by installation 3-4 tons of mulch per acre, and by installation of erosion control blankets where slopes are greater than 3:1 or receive concentrated runoff.
  - Any disturbed ditches or concentrated runoff pathways shall be stabilized with temporary stone cover or erosion control blankets.
  - Any disturbed areas which are to be become impervious surfaces shall be stabilized with a minimum of 3 inches of NYSDOT item #4 type gravel.
  - Ensure erosion & sediment controls are repaired and cleaned out with adequate capacity to handle snowmelt runoff and sedimentation during spring thaw conditions.
- AEDA, P.C. will continue to perform weekly SWPPP inspections as long as active site work continues into the winter months.
- Please notify AEDA, P.C. of the winter site work schedule. At such a time when site work will cease and all exposed soils temporarily stabilized as described above, the weekly SWPPP inspections will be suspended for the winter.
- Please notify AEDA, P.C. in advance of resuming active site work in the spring, at which time weekly SWPPP inspections will resume.

Subject: Firm Hydro Energy for January 1 – 31, 2014

December 6, 2013

Mr. John Bouck
Electric Superintendent
Village of Tupper Lake
53 Park Street
P.O. Box 1290
Tupper Lake, NY 12986-0290

Re: Firm Hydro Energy for **January 1 – 31, 2014**

Dear Mr. Bouck:

We are pleased to advise you that we anticipate there will be **no reduction in firm hydro energy sales to our hydropower customers for the period of January 1 through 31, 2014.** The forecasted January 2014 generation is projected to be sufficient to meet our firm hydropower customers' needs. However, if that generation is not sufficient, Substitute Energy will be purchased on your behalf for those customers with signed Substitute Energy agreements.

Since hydro shortfalls may still be anticipated in future months, we remain prepared to provide Substitute Energy to assure continuous flow of the lowest cost power to you. For those customers who have executed a Substitute Energy agreement, the Power Authority will automatically purchase the Substitute Energy on your behalf in months that a shortage occurs, pursuant to those agreements, unless otherwise notified. The monthly price for Substitute Energy is an average of all Substitute Energy provided to firm hydropower customers each month.

The Power Authority continues to be concerned about the river flows projected for 2014. Current estimates are no shortage for February 2014 through July 2014. We will continue to analyze more current data monthly and provide this type of rolling 6-month forecast each month.

If you have any questions, please contact me at (914) 287-3131, keith.hayes@nypa.gov or your account executives Vanessa Perez at (914) 390-8147, vanessa.perez@nypa.gov or Jerry McLoughlin (914) 390-8222, Gerard.McLoughlin@nypa.gov.

Happy Holidays to you and your loved ones!

Sincerely,
Keith T. Hayes
Director, Marketing
Business & Muni Marketing

Re: Holiday Disconnect Moratorium Notice

This letter is to notify you of the additional Holiday moratorium dates during which electric system's customers are protected from termination of electric service.

In addition to rules and procedures governing discontinuance of electric service as stated in Part 459 Chapter X of NYCRR Title 21 "Procedures of Notice of Discontinuance of Electric Service" no utility shall terminate or disconnect service to any residential customer for nonpayment of bills during the period from 12/17/2013 through 1/2/2014.

Sincerely,

Michael Lupo
Director
Marketing Analysis and Administration

RE: **2013 LINEWORKER SAFETY AND TRAINING PROGRAM REGISTRATION**

Below is the 2014 registration form for your employee(s) for the *Lineworker Safety and Training Program*. Please complete the form and return it to the MEUA offices as soon as possible or by January 2, 2014 at the latest. Billing for the program will go out in January, 2014 for $1,860.00 per student for the year for MEUA members and $2,710.00 per student for the year for non-members.

As in the past, each topic will be presented at each of the class sites: Bath, Endicott, Fairport, Little Valley, Mayville, Lake Placid and Plattsburgh. The 2014 schedule with dates and locations is also attached and on the website for your convenience.

Please contact the MEUA offices if there are any questions.

PARTNERS IN SAFETY

November, 25, 2013

Mary A. Casagrain
Village of Tupper Lake
PO Box 1290
Tupper Lake, NY 12986

Dear Mary A. Casagrain,

Enclosed is an executed copy of a Service Agreement, an updated employee list and invoice for your review. Additionally, there is a Registration and Billing Information sheet that we ask you to complete in order to ensure that your account information is up to date. To continue services going into next year, please sign and date the bottom section of the Service Agreement and return it with your payment to our corporate address: 800 Route 17M, Middletown, New York, 10940 no later than February 1, 2014.

New Regulations for DOT medical exams become mandatory in 2014. We are working to make compliance easy for our customers. The law states that only FMCSA certified medical examiners will be able to perform DOT physicals. In order to become certified, the medical examiner will have to attend a comprehensive training course and pass an exam sanctioned by the Federal Motor Carrier Safety Administration. The law also requires that medical examiners report the results of every exam, pass or fail, to the DOT. Currently, Partners In Safety has more certified medical examiners than other organizations in New York State.

Everything remains the same in terms of services and fees for employees in the random testing program with one exception. As a result of the administrative burden of the new rules, we are increasing the price for DOT physicals by five dollars. Should you have any questions or concerns, please do not hesitate to call us.

Partners In Safety is celebrating our 20th Anniversary this year and we want to thank you again for your continued loyalty and business.

Sincerely,

Ursula Clancy

FORM DEADLINE

Friday, December 13, 2013 – 3:00 PM

Deliver to Kyle Fuller

IMPORTANT: To eliminate any misunderstanding, ALL employees must complete this form in order to receive the Medical Insurance Buy-Out.

BUY-OUT
ENROLLMENT FORM

The Village Board of Trustees has given the employees the opportunity to enroll in the Village of Tupper Lake Buy-Out Medical Insurance Cancellation Option.

Buy-Out Medical Insurance Cancellation Option

Buy-Out Medical Insurance Cancellation Option: This option allows the Village to cancel your Medical Insurance Plan with the Village since you have coverage from another source outside the Village.

- The Village of Tupper Lake's Annual Buy-Out Medical Insurance Cancellation Option payable to an employee is $2,500.00 annually for individual coverage, $3,000.00 for a 2-person plan and $3,500.00 for a family plan; in order to qualify for the 2-person or family Buy-Out Option you would have had to of been enrolled in our Medical Insurance Plan from June 1 to December 31 of the preceding year;

- I understand if I choose this Option, the payment from the Village is considered taxable income and will be paid by separate check and will reflect applicable withholding taxes on your W-2;

- The Village Medical Insurance will be cancelled for the enrollment plan year beginning January 1, 2014 and ending December 31, 2014;

- If you do not currently have Medical Insurance Coverage through the Village of Tupper Lake, the $2,500.00 Buy-Out payment will be paid to that employee for not taking the Insurance.

- I cannot re-enroll in the Village Medical Plan during the plan year unless I have a family status change, or loose coverage with my outside source;

- I understand if I do re-enroll, I will be required to pay back the Buy-Out amount pro-rated via a payroll deduction or direct payment to the Village.

- I understand that if I separate from employment with the Village, a prorated calculation will be made to determine if any amount of the buy-out must be repaid to the Village, and will be withheld from my final paycheck. I agree to repay the Village any amount that exceeds my final paycheck.

I **ACCEPT** the Village of Tupper Lake's $2,500.00, $3,000.00 or $3,500.00 Annual Buy-Out of one Annual Installment of $2,500.00, $3,000.00 or $3,500.00 respectively for Medical Insurance Cancellation Option.

- I, further understand if I chose this Option, for the Payroll Period ending January 17, 2014 I will be paid the $2,500.00, $3,000.00 or $3,500.00 respectively via payroll.

I **HAVE** my medical insurance with Carrier Name _____
