Department Reports

Code Enforcement:

1. Approve the July 2016 Monthly Code Report.
2. 21 High Street fuel tank has been removed and soil boring samples completed; no contamination outside the building and DEC closure report received. Discuss re-advertising sale.

NYS HOME Grant:

1. Authorize Mayor Maroun to execute an agreement with S. Curtis Hayes Incorporated for appraisal services for our NYS HOME Grant Recipients.
2. Authorize Mayor Maroun to execute an agreement with GYMO Architecture, Engineering & Land Surveying, PC for professional services relating to needed Environmental Site Visits, Lead Risk Assessments and Lead Clearance for our NYS HOME Grant Recipients.

Fire:

1. Approve the July 2016 Monthly Fire Report.
2. Acknowledge that Richard Sabin will be celebrating his 60th Anniversary with the Tupper Lake Fire Department on September 10, 2016 and a dinner in his honor has been planned for the K of C Hall.
3. September 18, 2016 the Tupper Lake Fire Department will host the Northern New York Fire Fighters Fall Meeting.

Police:

1. Approve the July 2016 Monthly Police Report.
2. Approve Local Law # 2-2016 authorizing amendments to Chapter 48 entitled Vehicles and Traffic as proposed.
3. The Annual "Touch a Truck" is planned in conjunction with the Chamber of Commerce's "Community Fun Day" for Saturday, September 3, 2016.

Water/Wastewater:

1. Formally acknowledge receipt of an additional $1 million in grant funding from NYS EFC as part of Governor Cuomo's water infrastructure projects in the North Country for our new wells and distribution upgrades. Authorize Mayor Maroun to sign the acknowledgment and acceptance form for the grant award.
2. Formally acknowledge receipt of an additional $250,000 Northern Border Regional Commission grant for our Tupper Lake Water System Improvements.
3. Update on planned improvements for the Reed Dam.

Electric:

1. Update on our amended and restated repayment agreement with NYPA, the savings to our rate payers over the term of the loan will be $269,343.92.
2. Authorization to go to bid for the purchase of 35, 40 and 50 foot poles for our inventory.

DPW:

1. "Rock the Arc" has been rescheduled for September 10th.
2. Authorization to award the sell our 2001 Harriman Trailer on Auctions International, Inc. to the high bidder of $5,100.00.
3. Misc. updates.

Treasurer:

1. Approve the August 17, 2016 warrant in the amount of $ 157,701.39 for payment of the bills and to also approve the abstracts for the month of July 2016.
2. Review the monthly cash position for July 31, 2016.
3. Auditors will be here September 6-8, 2016 to complete our AUD and NYPA Reports.
4. Authorization to proceed with concessions to replace the generator for the 53 Park Street location and for the installation of an automated transfer switch.

Executive:

1. To discuss the medical, financial, credit or employment history of a particular person in our employment.

Subject: Will you join us at our next event?
From: Tupper Lake Chamber of Commerce <events@tupperlake.com>
Date: 8/8/2016 6:09 AM
To: villtupplake@centralny.twcbc.com

The Tupper Lake Chamber of Commerce invites you to join us at Community Fun Day!

You're invited to

Community Fun day in the Park

We would like to invite everyone to join us Saturday September 3rd in the park for Community Fun Day!! There will be live entertainment by Brock Gonyea, Spring Street Band, Third Shift, Fade to Blues and The Blind Owl Band! Food, Drink and lots of FUN!! Come on down, bring the family, spend the day, celebrate the wonderful town in which we live!

TUPPER LAKE CHAMBER OF COMMERCE

As valued chamber members we want to give you any opportunity to get your business or products out to the people. We encourage you to get involved. If you would like to be a part of the day by either donating to the raffle, bringing down your products to show off, or setting up a booth to get information about your services out we welcome you to do that.

Any donations will go to fund the new band shell for the park

If you would like to be a part of the fun please email events@tupperlake.com for more information.

Hope to see everyone there!!

Tupper Lake Chamber of Commerce, 121 Parks Street, Tupper Lake, NY 12986

Healthy You Wellness Center Now Offers Weekend Care

SARANAC LAKE – Residents of the Tupper Lake region will now have 7-day-a-week access to the convenient care provided at the Healthy You Wellness Center at Kinney Drugs.

In addition to the current weekday hours of 4 to 8 p.m., the Healthy You Wellness Center is open from 10 a.m. to 4 p.m. on Saturday and Sunday. No appointment is necessary.

Staffed by Nurse Practitioners and Physician Assistants from Adirondack Health Regional Medical P.C., Healthy You Wellness Center is a walk-in medical clinic offering convenient access to after-hours care to treat minor illnesses and provide preventive healthcare services. The medical clinic staff specialize in providing high quality family healthcare and can diagnose, treat and write prescriptions for common illnesses such as strep throat and ear, eye, sinus, bladder and bronchial infections. Minor wounds, abrasions, skin conditions and joint sprains can also be treated.

The cost for an office visit is $40. Cash, credit card or personal checks are acceptable forms of payment. On-site staff can provide documentation to submit to your insurance provider.

ABOUT ADIRONDACK HEALTH

Adirondack Health is the family of facilities and individuals who have provided sophisticated care to the Adirondack region of northern New York and beyond for the past 100 years. They include: Adirondack Medical Center/Saranac Lake, Adirondack Medical Center/Lake Placid, Mountain Health Center (Keene), Lake Placid Health Center, Saranac Lake Health Center, Tupper Lake Health Center, Mercy Living Center (Tupper Lake), Uihlein Living Center (Lake Placid) and Adirondack Dental Service (Lake Placid). The highly trained and compassionate individuals who work at these facilities provide a full range of medical, surgical and long-term care services. Adirondack Health is the only full service health system in the Adirondack Park.

Adirondack Health is not only the leading provider of healthcare for the residents and visitors of the Adirondack region, it is also the largest private employer in the Adirondack Park. In addition to the physical and social health of the community, Adirondack Health plays a significant role in the economic health of the community. With over 850 full-time employees, Adirondack Health has a $148 million annual impact on the local economy. As a result of these factors, and more, Adirondack Health is a key community institution and an advocate for improving the health and economic well-being of the patients, residents, businesses and visitors it serves.

Adirondack Health is leading care for a healthy community.

Village of Tupper Lake
Board of Trustees
Minutes

Date: Wednesday, June 15, 2016
Location: Board Room
Meeting: Regular 6:00-6:31 PM

At the Regular Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Ronald LaScala, Leon LeBlanc and Village Clerk/Treasurer Mary A. Casagrain.

Absent from the Regular Meeting were Trustee Thomas Snyder and Trustee David Maroun.

Also present were Code Enforcement Officer Peter Edwards, Water/Wastewater Superintendent Mark Robillard, Police Chief Eric Proulx, residents David McMahon, Margaret Paiement, Kristine Brietmeyer and News Reporters Dan McClelland and Adam St. Louis.

Call Regular Meeting To Order

Mayor Maroun called the Regular Meeting to order at 6:00 pm.

Pledge

Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Collin Gillis.

Public Comment:
David McMahon
Bike Rodeo Praise

Mr. David MaMahon was present to give his congrats to the Tupper Lake Police Department for a wonderful Bike Rodeo this year and to all those volunteers and businesses that support community projects of this nature, it was just great.

Kristine Brietmeyer
Trees & Water Concerns

Ms. Kristine Brietmeyer was present to discuss a few concerns of hers concerning the NYS DOT Reconstruction Project. Her first complaint was the location of a tree smack in front of her building. She is worried the Elm Tree will block her store's entrance and serve only as a snow dam for her customers.

Trustee LeScala advised we needed to let the project proceed and down the road once it is turned over to us we can address the removal of the tree then.

Her second concern was the parking lot next to her building. She has had tourist block her access to her back of her property and entrance. The other issue with the parking lot is the drainage problem that exists now that NYS DOT has changed the slop and landscape behind the K of C. The water is now pooling in front of her building.

Mayor Maroun advised once we take ownership of the property we will work with NYS DOT to make concession for additional drainage to alleviate the water issue. He stated he would talk with Mr. Thomas Maroun personally about the issue in the coming days.

Appoint Stuart Diehl VTL Housing Authority Board	Motion by Trustee LaScala, seconded by Trustee LeBlanc to appoint Mr. Stuart Diehl as a Village of Tupper Lake Housing Authority Board of Commissioner with a term to expire 8/8/2019. (Carried 3-0)

Front Entrance Reconstruction	It was noted that we should have a schematic design available for review in the coming days for the front entrance redesign from C2AE. It is our hope that NYS DOT will allow us to utilize our retainage for the cement construction costs.
Enter Executive Session	Motion by Trustee LeBlanc, seconded by Trustee LaScala to enter Executive Session at 6:25 pm for the purpose of discussing matters regarding proposed, pending, or current litigation. Also to discuss proposed acquisition, sale or lease of real property. (Carried 3-0)
Exit Executive Session	Motion by Trustee LeBlanc, seconded by Trustee LaScala to exit Executive Session at 6:30 pm. (Carried 3-0)
Adjournment	Motion by Trustee LeBlanc, seconded by Trustee LaScala to adjourn at 6:31 PM. (Carried 3-0)

_____

Mary A. Casagrain, Village Clerk/Treasurer

Village of Tupper Lake
Board of Trustees
Minutes

Date: Wednesday, July 20, 2016
Location: Board Room
Meeting: Regular 6:00-7:30 PM

At the Regular Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Ronald LaScala, Thomas Snyder, David Maroun, Leon LeBlanc and Village Clerk/Treasurer Mary A. Casagrain.

Also present were Code Enforcement Officer Peter Edwards, Water/Wastewater Superintendent Mark Robillard, Department of Public Works Superintendent Robert Degrace, Police Chief Eric Proulx, Fire Chief Carl Steffen, Volunteer Fire Department Member Nick Rolley, Electric Superintendent Marc Staves, DPW Employee Will Howard, residents Randall Rolley, Jan Yaworski, Ursula, Trinity, Mason, Cheryl, Meagan and Donald Vaillancourt, Woodsmen Association Members Denise North, Neilson Snye, Police Officers Michael Vaillancourt and Heather Kennedy, David McMahon and News Reporters Dan McClelland and Adam St. Louis.

Call Regular Meeting To Order — Mayor Maroun called the Regular Meeting to order at 6:00 pm.

Pledge — Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Collin Gillis.

Public Comment: David McMahon Tinman & Zombie Properties — Mr. David MaMahon was present to share with the board his unhappiness that the Village Board authorizes the support of events like the Tinman. He stated events like that require a lot of resources before and after and feels they bring no benefit to our community. He advised he spoke with several businesses and most of their traffic were from visitors for graduation instead of the Tinman.

Secondly, he shared his unhappiness that a board member told him if he didn't like the Village Board supporting an event like the Tinman to move it he didn't like it! He was upset at the comment and felt we should allow comments like this.

Thirdly, he wanted the board to know that the New York State passed legislation that would require mortgage companies to upkeep and maintain Zombie Properties like the one next to his home on Water Street.

Planning Board Appointment Held — Mayor Maroun advised he isn't prepared to move on the Planning Board vacancy again this month. No comments from the Board.

TWC Merger With Charter Communications Finalized — Mayor Maroun advised that we received formal notice from Charter Communicati[illegible] and Time Warner [illegible]

Franklin County IDA Open House	Mayor Maroun advised that the Franklin County Industrial Development Agency will be hosting a meet and greet with the IDA Board Members and the Tupper Lake Community on Thursday, July 28, 2016 from 4:00 pm to 5:30 pm at the Aaron Maddox Hall. All are welcomed to attend.
Approve Minutes	Motion by Trustee LaScala, seconded by Trustee Maroun to approve the Board Minutes from June 15, 2016. (Carried 5-0)
Re-appoint Fred Schuller VTL Housing Authority Board	Motion by Trustee LaScala, seconded by Trustee Maroun to reappoint Mr. Fred Schuller as a Village of Tupper Lake Housing Authority Board of Commissioner with a term to expire 8/8/2021. (Carried 5-0)
Electric: NYPA Tri-Lakes Agreement Restated	Motion by Trustee LaScala, seconded by Trustee LeBlanc to ratify Mayor Maroun signature on the Revised Restated Tri-Lakes Agreement that shortens the term, lowers the interest rate and saves around $260,000 in interest payments to the community. (Carried 5-0)
Misc. Projects And NYS DOT Assistance	Electric Superintendent Marc Staves read his monthly report and advised of our assistance to NYS DOT during the recent inclement weather.
Electric Vehicle Charging Stations Discussion	Electric Superintendent Marc Staves advised that it would cost between $2,000-6,000 per charging station and we are working with NYPA to investigate new initiatives coming down the line for grant funding for our community.
Code: Accept June Report	Motion by Trustee LeBlanc, seconded by Trustee LaScala to approve the June 2016 Monthly Code Report. (Carried 5-0)
Discuss Assessment Review Board Letter	Trustee LaScala asked Mr. Edwards to discuss the letter received from the Town of Tupper Lake Assessment Review Board concerning the condition of a property we are working with the Village Justice in correcting. Code Enforcement Officer Peter Edwards advised that the property in questions is almost 95% compliant and he stated he feels the Town of Tupper Lake Assessment Review Board should have consulted the authority having jurisdiction over the property before reducing a resident's assessment on their property unnecessarily. Mayor Maroun advised he would like us to reply to the letter accordingly to state the facts and set the record straight.
Police: Accept June Report	Motion by Trustee LaScala, seconded by Trustee Maroun to approve the June 2016 Monthly Police Report for the Village and Town of Tupper Lake. (Carried 5-0)

Life Saving Award Presentation	Police Officers Michael Vaillancourt and Heather Kennedy were acknowledged and presented with a Life Saving Pin Award for their above and beyond performance in saving Mr. Randall Rolley's life back on December 6, 2015. Mr. Randall Rolley added and stressed that all residents need to learn CPR because you never know when you might need to use it.
V&T Proposed Changes – Set Hearing Date	Motion by Trustee Maroun, seconded by Trustee LeBlanc to set a Public Hearing for August 17, 2016 at 5:45 pm. (Carried 5-0)
Fire: Accept June Report	Motion by Trustee Maroun, seconded by Trustee LeBlanc to approve the June 2016 Monthly Fire Report. (Carried 5-0)
Rabies Clinic Set	Reminder that the annual Franklin County Rabies Vaccine Clinic will be held on Thursday, July 27, 2016 from 6:00 – 8:00 pm.
Saranac Lake's 125th Anniversary	Fire Chief Carl Steffen asked for authorization to take a vehicle over for the Saranac Lake Fire Department's 125th Anniversary Celebration to be held on August 13, 2016. It was so moved by Trustee Snyder, seconded by Trustee LeBlanc to authorize the attendance. (Carried 5-0)
Block Dance Follow-Up	Fire Chief Carl Steffen thanked all those who donated to the annual Block Dance; the kids and families that participated had a wonderful time.
Pump Testing To Be Completed	Fire Chief Carl Steffen advised that that annual inspections and pump maintenance will be performed next month for all vehicles.
Water/Wastewater NNYWW Conference	Motion by Trustee LaScala, seconded by Trustee Maroun to authorize four (4) members to attend the annual Northern New York Water Works Conference in Wanakena on August 10, 2016. (Carried 5-0)
Misc. Updates	Water/Wastewater Superintendent Mark Robillard advised that the clarifier Arm has been rebuilt and pump motor repairs have been completed in the Wastewater Treatment Plant. The Final PER has been submitted to DOH in Albany for review for our Ground Water Supply Project, once it is approved we will bid the project.
DPW: Men's League & Woodsmen Event	Trustee LaScala took a moment to put to rest the Facebook banter concerning the Woodsmen Association's use of the baseball field for their event. Trustee LaScala added that the event brings great value to our local economy and we need to find solutions so both can co-exist. Neilson Snye was present to add that the event has utilized the Municipal Park since 1951 and they have always been successful

2001 Harriman Trailer Sale	Motion by Trustee LeBlanc, seconded by Trustee Maroun to sell the 2001 Harriman Trailer on Auctions International since we have ordered a new one on NYS Contract and the trailer no longer will serve any use for the Village's needs. (Carried 5-0)
August 18, 2016 "Picnic in the Park" Fund Raising Event	It was noted that the Tupper Lake Lions Club will be hosting a "Picnic in the Park" to benefit the new Flanders' Park Band Shell for Thursday, August 18, 2016 from 6pm-9pm. Tickets are $40 per couple or $25 per person. They will need picnic tables, fire wood and fire pit in the event it goes later than expected from the DPW Department.
Treasurer: Approve Warrants	Motion by Trustee LeBlanc, seconded by Trustee Maroun to approve the July 20, 2016 warrant in the amount of $293,829.05 for payment of the bills and abstracts for the month of June, 2016. (Carried 5-0)
Review Cash Position	Review the monthly cash position for June 30, 2016.
Enter Executive Session	Motion by Trustee LeBlanc, seconded by Trustee LaScala to enter Executive Session at 7:15 pm for the purpose of discussing the medical, financial, credit or employment history of a particular person in our employment. (Carried 5-0)
Exit Executive Session	Motion by Trustee LeBlanc, seconded by Trustee LaScala to exit Executive Session at 7:25 pm. (Carried 5-0)
Raises Approved Part-Time Staff	Motion by Trustee Maroun, seconded by Trustee LaScala to authorize a 25 cent per hour raise to the Village Court Clerk, Village Cleaner and Part-time Clerk effective 7/17/16. (Carried 4-1, Trustee LeBlanc "Abstained")
Adjournment	Motion by Trustee LaScala, seconded by Trustee Maroun to adjourn at 7:30 PM. (Carried 5-0)

DEC REMARKS:

06/21/16: MM contacted Village CEO Pete Edwards. Village of Tupper Lake will arrange to pump out residual product from tank and remove tank which is located in interior garage bay. Extent of contamination to be assessed after tank removal.

07/19/16: MM on location, tank removed from subsurface, tank in poor condition with obvious holes/leakage. Soil in tank pit beneath former tank location contaminated, obvious staining and odors of old fuel oil. Excavation of soil from tank pit impractical due to building supports/access. MM advises investigation outside of structure to determine extent of off-site impact if any.

08/09/16: Soil borings installed down gradient and outside of building did not identify subsurface petroleum contamination. See Precision Environmental Services Report dated 08/04/16.

RFC: Contaminated soil excavation within building impractical. No off-site or environmental impacts noted. No further

Re: NYS Spill Number 1602833 Former Tupper Lake Fire Department
21 High Street, Village of Tupper Lake, Franklin County

Dear Mr. Edwards,

Enclosed for your reference is a copy of the closed NYSDEC Spill Report Form for the above referenced location. Spill Number 1602833 was issued on June 21, 2016 as a result of aged petroleum contamination being encountered near an underground tank toward the rear of a vehicle bay within the building itself. The 1000g tank has been removed and closed out. Contaminated soil was encountered in the building in the tank pit; interior soil excavation is not practical nor pursued by the Department. Investigation downgradient and outside of the building did not identify petroleum contamination.

If you have questions or concerns on this information, please contact me. I can be reached at (518) 897-1254.

Sincerely,

Michael P. McLean
Environmental Engineer 2

06/21/16: MM contacted Village CEO Pete Edwards. Village of Tupper Lake will arrange to pump out residual product from tank and remove tank which is located in interior garage bay. Extent of contamination to be assessed after tank removal.

07/19/16: MM on location, tank removed from subsurface, tank in poor condition with obvious holes/leakage. Soil in tank pit beneath former tank location contaminated, obvoius staining and odors of old fuel oil. Excavation of soil from tank pit impractical due to building supports/access. MM advises investigation outside of structure to determine extent of off-site impact if any.

RE: Subsurface Investigation Findings
Tupper Lake Fire Department
21 High Street, Tupper Lake, NY
NYSDEC Spill No.: 1602833

Dear Mr. Edwards;

Precision Environmental Services, Inc. (PES) is pleased to present our summary of findings documenting recent subsurface investigation work completed at the Tupper Lake Fire Department located at 21 High Street in the Village of Tupper Lake, Franklin County, New York (hereafter referred to as The Site). On July 26, 2016 PES mobilized personnel and equipment to The Site to install two (2) soil borings in the front of the fire house to assess soil and groundwater for presence of petroleum contamination. Recent investigative work by others reportedly documented the occurrence of petroleum contamination in soil and shallow groundwater immediately adjacent to a historic fuel oil tank located beneath the Fire Department building.

PES performed the subsurface investigative work on The Site by installing soil borings utilizing PES's limited access 540B Geoprobe direct push soil probe. Borings were advanced to a maximum depth of 9-feet below grade where practical refusal was met in very dense unconsolidated overburden or bedrock. Continuous, discrete, core sampling was conducted at four (4)-foot intervals during boring advancement. Upon collection, each sample was examined for lithologic classification and screened with a Photo Ionization Detector (PID) to qualitatively determine the presence and amount of volatile organic compounds (VOCs). Screening involved sealing representative portions of the acquired sample in clean plastic bags, allowing for equilibration and scanning the headspace with the PID. Decontamination procedures were performed on all soil sampling equipment prior to and between each sample acquisition. The location of the two soil borings has been depicted on the attached Figure 1 included in Attachment A.

Soils encountered at The Site predominantly consist of very dense silty fine sand and fine gravel mix. Moist to wet soils were encountered at approximately 6.5 to 7-ft depth. At soil boring SB-2 iron staining was also present at this depth. Saturated soils were not encountered, however it is believed that based on soil types and the presence of shallow bedrock (outcrops are visible at the

rear of the property) any groundwater encountered is likely perched and present on a seasonal basis dependent upon precipitation. Additional detail regarding soil types and presence of groundwater have been included on the Boring Logs included in Attachment B.

No petroleum contamination was encountered throughout the boring installation process. There were no visual, olfactory or PID responses documented to indicate the soils or groundwater present were impacted by petroleum. Laboratory samples were not collected.

All boreholes were filled with clean native material and bentonite clay. Surfaces were restored with concrete patch to match existing and adjacent surfaces. Photo documentation of the work has been included in Attachment C.

Should you have any questions or wish to discuss this correspondence or the work completed at the site please feel free to contact the undersigned at 518-885-4399.

Sincerely,
PRECISION ENVIRONMENTAL SERVICES, INC.

Stephen M. Phelps

Subject: Lake Placid to Tupper Lake Recreational Trail Core Stakeholders Meeting
To: Peter Edwards <tupperlakecodes@gmail.com>

Peter,

Thank you for agreeing to participate in the Lake Placid to Tupper Lake Recreational Trail Core Stakeholders Group representing the Village of Tupper Lake.

The first meeting of the group is scheduled for Thursday, September 1, at 1 pm, in the main conference room of the DEC Region 5 Headquarters in Ray Brook.

The purpose of the meeting is to identify and discuss:

· DEC's process for developing a work plan for designing, constructing, operating and maintaining the recreational trail;

· Various issues that need to be addressed in designing, constructing, operating and maintaining the recreational trail;

· Identifying other stakeholders who should be part of the process as a whole or for particular topics; and

· Scheduling future stakeholders meetings.

Please let me know if you or a representative will be attending the meeting.

Thanks again.

David Winchell

NYCOM

LEGISLATIVE UPDATE

August 2, 2016

NYCOM Analysis of Newly Enacted Zombie Property and Foreclosure Prevention Law

One of the most significant reforms passed during the 2016 New York State Legislative session was included in Chapter 73 of the Laws of 2016.[1] Signed into law on June 23, 2016, this omnibus legislation includes substantial changes to New York's Real Property Actions and Proceedings Law (RPAPL) that are intended to address zombie properties, a major cause of the distressed, vacant, and abandoned properties that blight New York's cities and villages. Zombie properties are mortgage-delinquent properties that have been abandoned by the owner but which languish for years in a state of disrepair and neglect until the mortgagee completes the foreclosure process.

The zombie property provisions were included as Part Q of Chapter 73. Although the zombie property legislation does not have an official title, it is commonly being referred to as New York's 2016 Zombie Property and Foreclosure Prevention Legislation (hereinafter referred to as "the Act").

The Act becomes effective December 20, 2016,[2] and has four main components:

1. It requires certain mortgagees to inspect properties that are 90 days mortgage-delinquent and to secure and maintain properties that are found to be vacant and abandoned;
2. It requires certain mortgagees to register vacant and abandoned properties with a State-maintained property registry;
3. It allows mortgagees to complete mortgage foreclosure via an expedited process when the property is vacant and abandoned; and
4. It enhances many of the consumer protections that were enacted to protect homeowners after the subprime mortgage market collapse in 2008.

Although amendments may need to be made to the Act to address vague or ambiguous provisions or gaps in the regulations, this law is a major step forward in the fight to combat blight. The following article provides a detailed explanation of the law's inspection and maintenance requirements as well as the state-administered abandoned property registry. A brief overview of the expedited foreclosure process and consumer protection provisions is also provided.

---

1 The legislation (A.10741(Farrell)/S.8159(Flanagan)) was introduced in the Assembly and the Senate on June 17, 2016 and, after a Message of Necessity was issued, passed the same day.

2 Part Q of Chapter 73 of the Laws of 2016 becomes effective 180 days after it is enacted. Because Chapter 73 was signed into law on June 23, 2016, the effective date is December 20, 2016.

Requirement for Mortgagees to Inspect, Secure, and Maintain Vacant and Abandoned Properties

Overview of RPAPL § 1308

The Act adds Section 1308 to the Real Property Actions and Proceedings Law (RPAPL). Section 1308 requires loan servicers to inspect, secure, and maintain mortgage-delinquent properties that have become vacant and abandoned.

Section 1308 only applies to vacant and abandoned one- to four-family residential real property. Additionally, the duty to inspect, secure, and maintain vacant and abandoned property under Section 1308 applies only to first lien mortgage holders. Although not defined in State law, the first lien mortgage holder generally refers to the individual or entity in the first or priority position to benefit from a mortgage foreclosure.

Additionally, small lenders are excluded from Section 1308's requirements. Specifically, for each calendar year, Section 1308 does not apply to state- or federally-chartered banks, savings banks, savings and loan associations, or credit unions that:

1. originate, own, service, *and* maintain their mortgages or a portion thereof; *and*
2. originate, own, service, or maintain less than 0.3 percent of the total loans in the state for the calendar year ending two years prior to the current calendar year.

For medium-sized lenders, Section 1308 only applies prospectively.[3] Medium-sized lenders are state- or federally-chartered banks, savings banks, savings and loan associations, or credit unions which originate, own, service, and maintain between 0.3 percent and 0.5 percent of the total loans in the State for the calendar year two years prior to the current calendar year.

It is anticipated that questions and determinations regarding whether specific lenders will be subject to Section 1308 will be handled by the State's Department of Financial Services.

Mortgagee's Duty to Inspect and Determine the Occupancy Status of Mortgage-Delinquent Properties

Within 90 days of a borrower's delinquency, servicers authorized to accept payment of a loan must inspect the subject property's exterior to determine its occupancy status. After this initial inspection and throughout a loan's delinquency, the servicer must conduct exterior inspections of the property every 25 to 35 days.[4]

If, after inspecting a mortgage-delinquent residential property, the servicer (a) has a reasonable basis to believe the property is vacant and abandoned, as defined in RPAPL § 1309, and (b) is not otherwise restricted from accessing the property, then the servicer must secure and maintain the property pursuant to RPAPL § 1308(3), (4), (5), (6), & (7).[5]

Within seven business days of determining that a property is vacant and abandoned, the servicer must (a) post a reasonably visible notice (containing the servicer's toll free number or similar contact information) on an easily accessible part of the property, (b) monitor the property for any change in occupancy or contact with

---

[3] Although not defined in the law, "prospectively" is believed to mean that the duty to inspect, secure, and maintain property will only apply to property that becomes mortgage delinquent after the law's effective date.

[4] RPAPL § 1308(1).

[5] RPAPL § 1308(2).

the borrower, property owner, or occupant, *and* (c) monitor the property to ensure that the notice remains posted so long as the duty to maintain the property applies.[6]

For the purposes of Section 1308, residential real property[7] is defined, pursuant to RPAPL § 1309(2)[8], as vacant and abandoned if:

1. After inspecting the property three times[9], at each inspection
   (a) There was no occupant present and no evidence of occupancy at the property as evidenced by
      (i) overgrown or dead vegetation;
      (ii) the accumulation of newspapers, circulars, flyers or mail;
      (iii) past due utility notices, disconnected utilities, or utilities not in use;
      (iv) the accumulation of trash, refuse, or other debris;
      (v) the absence of window coverings such as curtains, blinds, or shutters;
      (vi) one or more boarded, missing or broken windows;
      (vii) the property being open to casual entry or trespass; or
      (viii) the property having a building or structure that is or appears structurally unsound or has any other condition that presents a potential hazard or danger to the safety of persons; ***and***
   (b) The residential real property is not being maintained in a manner consistent with the standards set forth in New York Property Maintenance Code §§ 301, 302[10], 304.1, 304.3, 304.7, 304.10, 304.12, 304.13, 304.15, 304.16, 307.1 and 308.1;[11] ***or***
2. A court or other appropriate state or local governmental entity[12] has formally determined, following due notice to the borrower at the property address and any other known addresses, that the residential real property is vacant and abandoned; ***or***
3. The property owner and each borrower have separately issued sworn written statements expressing their intent to vacate and abandon the property and an inspection of the property shows no evidence of occupancy to indicate that any persons are residing there.

Residential real property *may not* be deemed vacant and abandoned if:

1. An unoccupied building on the property is diligently[13] being constructed, renovated, or rehabilitated to completion;
2. A building on the property is occupied on a seasonal basis and is secure;

---

6 RPAPL § 1308(3).

7 RPAPL § 1305(a) defines "residential real property" as "real property located in this state improved by any building or structure that is or may be used, in whole or in part, as the home or residence of one or more persons, and shall include any building or structure used for both residential and commercial purposes."

8 Note that RPAPL § 1309(2) requires plaintiffs in mortgage foreclosure proceedings seeking to take advantage of the expedited foreclosure process to prove, by a preponderance of the evidence, that the property is abandoned. A court order finding that the property is abandoned is not required to trigger the servicer's maintenance obligations.

9 Each inspection must be conducted 25 to 35 days apart and at different times of the day.

10 Excluding §§ 302.2, 302.6, 302.8.

11 The Property Maintenance Code can be accessed online at: http://codes.iccsafe.org/app/book/toc/2015/I-Codes/NY/2015_IPMC_HTML/index.html.

12 The law does not define what constitutes "other appropriate state or local governmental entity."

13 This term is not defined.

3. Any buildings on the property are secure *and* the property is the subject of a probate action, action to quiet title, or other ownership dispute of which the servicer has actual notice;
4. A natural disaster damaged a building on the property and one or more owners intend to repair and reoccupy the property; or
5. A building on the property is occupied by the mortgagor, a relative of the mortgagor, or a tenant lawfully in possession.[14]

Mortgagee's Duty to Secure Vacant and Abandoned Mortgage-Delinquent Properties

Pursuant to RPAPL § 1308(4), if no one responds to the posted notice within seven *calendar* days thereby indicating that the property is *not* vacant or abandoned, or if an emergent property condition arises which could reasonably damage, destroy or harm the property, the servicer must:

1. In cases where the property contains two or more points of ingress or egress, replace no more than one door lock to provide subsequent access to the property;
2. Secure, replace, or board up broken doors and windows;
3. Secure any part of the property that may be deemed an attractive nuisance including, but not limited to, a water feature that could create a drowning risk, refrigerator or freezer units, outbuildings, wells or septic tanks;
4. Take reasonable measures to ensure that pipes, ducts, conductors, fans and blowers do not discharge harmful gases, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate waste directly upon abutting or adjacent public or private property or that of another tenant;
5. Winterize the applicable plumbing and heating systems, if appropriate;
6. Provide basic utilities including, but not limited to, water, electricity, natural gas, propane and sewer service, as appropriate and when allowed by the local utility provider, that are needed for the operation of sump pumps or dehumidifiers, or when there are jointly-owned or shared utilities with adjoining properties or units, except for turning off water service to prevent flooding or water leaks in the property, or when other utility service could reasonably create a hazard to the property or an unauthorized occupant or person entering the property;
7. Remove and remediate any significant health and safety issues, including outstanding code violations;
8. Take reasonable measures to prevent the growth of harmful mold;
9. *Respond to government inquiries regarding property condition, subject to restrictions regarding financial privacy* [emphasis added]; and
10. Ensure that the notice required to be posted pursuant to RPAPL § 1308(3) remains posted on an easily accessible part of the property that would be reasonably visible to the borrower, property owner, or occupant so long as the duty to maintain applies.

Servicers may never remove personal property from the property unless:

1. The personal property poses a significant health and safety issue; or
2. There is an uncontested order to do so by a governmental entity.[15]

---

[14] RPAPL § 1309(2)(d).

[15] RPAPL § 1308(5).

Mortgagee's Duty to Maintain Vacant and Abandoned Mortgage-Delinquent Properties

Pursuant to RPAPL § 1308(6), a servicer who has determined that a property is vacant and abandoned must take reasonable and necessary actions to maintain the property until the earlier of the following events:

1. An occupant of the property asserts their right to occupy the property, or the servicer or its agents have received threats of violence;
2. The borrower files for bankruptcy;
3. A court orders the servicer to stop maintaining the property;
4. A homeowners' association or cooperative prevents the servicer from gaining access to or maintaining the property;
5. The property is sold or transferred to a new owner;
6. The servicer or investor releases the lien on the property; or
7. The mortgage note is assigned, transferred or sold to another servicer.

Reasonable and necessary actions to maintain the property include, but are not limited to:

1. Ensuring that the property remains secure as required by RPAPL § 1308(4); and
2. Maintaining property pursuant to the standards set forth in New York Property Maintenance Code §§ 301, 302,[16] 304.1, 11 304.3, 304.7, 304.10, 304.12, 304.13, 304.15, 304.16, 307.1, and 308.1, to the extent that the mortgage servicer or its agents are able to obtain necessary or required permits or approvals.[17]

The Property Maintenance Code can be accessed online from the New York State Department of State's Division of Code Enforcement and Administration website at http://codes.iccsafe.org/app/book/toc/2015/I-Codes/NY/2015_IPMC_HTML/index.html.

Enforcement of Mortgagee Property Maintenance Obligations

Violations of RPAPL § 1308's mandate to inspect, secure, and maintain mortgage-delinquent property may be heard before a hearing officer or a court of competent jurisdiction. If a hearing officer or court determines that, based on the preponderance of the evidence, a mortgagee or agent of a mortgagee has failed to inspect, secure, and maintain a mortgage-delinquent property as required by RPAPL § 1308, the hearing officer or the court may impose a civil penalty of up to $500 per property for each day the violation persists.

The State's Superintendent of Financial Services may enforce RPAPL § 1308, after giving seven days' notice to the lender, assignee, or mortgage loan servicer of the violation.

Additionally, any municipality may, after giving seven days' notice to the lender, assignee, or mortgage loan servicer, also seek to have RPAPL § 1308's requirements to inspect, secure, and maintain any residential property located within its jurisdiction enforced in any court of competent jurisdiction. Any civil penalty imposed as the result of an action brought by a municipality pursuant to RPAPL § 1308(8)(a) is retained by the municipality.[18]

---

16 Excluding §§ 302.2, 302.6 and 302.8.

17 RPAPL § 1308(7).

18 RPAPL § 1308(8)(c).

Local Government Authority to Abate Nuisance Conditions Preserved

Notwithstanding the authority to enforce the provisions of RPAPL § 1308, a municipality may enter onto and maintain any mortgage-delinquent residential property in order to address a threat to public health, safety, or welfare. Municipalities must notify any lender, assignee, or mortgage loan servicer of such action as soon as practicable. Any municipality which remediates a residential real property pursuant to RPAPL § 1308(8)(c) may maintain a cause of action in any court of competent jurisdiction against the lender, assignee, or mortgage loan servicer to recover costs the municipality incurs as a result of maintaining the property. The municipality must notify the Department of Financial Services in writing at least ten days prior to bringing such an action. A municipality's failure to notify the Department of Financial Services, however, may not be asserted as a defense by a lender, assignee, or mortgage loan servicer.

Department of Financial Services Rulemaking

The Department of Financial Services is authorized to adopt such rules and regulations to implement, administer, operate, and enforce RPAPL § 1308.

RPAPL § 1308's Effect on Agreements Between the Department of Financial Services and Exempt Mortgagees

Pursuant to RPAPL § 1308(11), any agreement between any state- or federally-chartered banks, savings banks, savings and loan associations, credit unions, or servicers for which RPAPL § 1308 provisions do *not* apply and the Department of Financial Services that is associated with the maintenance and repair of vacant and abandoned property remains in full force and effect for as long as the terms and conditions of the agreement remain in effect.

Preemption of Local Regulations

Pursuant to RPAPL § 1308(13), local governments may not (1) impose a duty to maintain vacant and abandoned properties in a manner inconsistent with the provisions of RPAPL § 1308, or (2) establish or impose a penalty or other monetary obligation *with respect to* a state- or federally-chartered bank, savings bank, savings and loan association or credit union that originates, owns, services or maintains a mortgage related to such property. However, this preemption does not affect the ability of local governments to abate nuisance or dangerous conditions or to recover the cost of doing so from lenders, assignees, or servicers.

Moreover, local governments may not require any state- or federally-chartered bank, savings bank, savings and loan association, or credit union that originates, owns, services, or maintains a mortgage that is not subject to RPAPL § 1308 to maintain a vacant or abandoned property.

NOTE: The preemption provisions found in RPAPL § 1308 do NOT preempt local governments from imposing property maintenance requirements and administering property maintenance programs in general against property owners or other individuals or entities in control of a property, including bank-owned properties (as opposed to properties in which banks have only a mortgage interest).

The State's Vacant and Abandoned Property Registry

Overview

The second major component of New York's 2016 Zombie Property and Foreclosure Prevention Legislation is a vacant property registry. Specifically, the Real Property Actions and Proceedings Law is amended to add Section 1310 which charges the State's Department of Financial Services with maintaining a statewide vacant and abandoned property electronic registry.

Although information provided to the Department of Financial Services for the registry is deemed and treated as confidential, the Superintendent of Financial Services may, at his/her discretion, release the information if it

is in the best interest of the public. Any such released information must continue to be treated confidentially by the parties receiving the information.

Additionally, the Department of Financial Services must provide any county, city, town, or village official, upon written request, access to registry information specific to property located in the official's jurisdiction.

Mortgagee Reporting Requirement

Within 21 days of learning[19] that a property is vacant and abandoned, a lender, assignee, or mortgage loan servicer must report to the Department of Financial Services the following information:

1. The current name, address, and contact information for the lender, assignee or mortgage loan servicer responsible for maintaining the vacant property;
2. Whether a foreclosure action has been filed for the property in question, and, if so, the date on which the foreclosure action was commenced; and
3. The last known address and contact information for the mortgagor(s) of record.

Additionally, the lender, assignee, or mortgage loan servicer must update the registry within 30 days of learning of a material change to any of the information contained in initial submission to the registry.

The Department of Financial Services may adopt rules and regulations necessary to administer and operate the registry, including but not limited to rules and regulations governing registry access and specifying the manner and frequency of registration and the information that must be provided.

The Vacant and Abandoned Property Toll-Free Hotline

The law requires the Department of Financial Services to establish and maintain a toll-free hotline to which people may report hazards, blight or other concerns related to vacant and abandoned property. On June 28, 2016, the Department of Financial Services announced its toll-free hotline number, 800-342-3736. In addition, reports may be made online at www.dfs.ny.gov.

Local Vacant and Abandoned Property Registry Preemption

Pursuant to RPAPL § 1310(5), local governments may not (1) impose a duty to register vacant and abandoned property, locally with the municipality in addition to the State registry, or (2) establish or impose a penalty or other monetary obligation related to registering vacant and abandoned properties *with respect to* a state- or federally-chartered bank, savings bank, savings and loan association or credit union that originates, owns, services or maintains a mortgage related to such property.

NOTE: The preemption provisions found in RPAPL § 1310 do NOT preempt local governments from imposing vacant property registry requirements on property owners, including bank-owned properties (as opposed to properties in which banks have only a mortgage interest).

The Expedited Mortgage Foreclosure Process for Vacant and Abandoned Properties

The third major component of the 2016 Zombie Property Legislation is the establishment of an expedited foreclosure procedure for property that is vacant and has been abandoned by the owner. Specifically, the law adds a new Section 1309 to the RPAPL, which authorizes plaintiffs in any foreclosure proceeding (e.g., a mortgagee) to apply, by notice of motion or order to show cause, for a judgment of foreclosure and sale on the grounds that the property is vacant and abandoned. The court must make a written finding as soon as

---

[19] Or within 21 days of when the lender, assignee or mortgage loan servicer should have learned.

practicable as to whether the plaintiff has proven that the property to be foreclosed upon is vacant and abandoned. If the court determines that the property is vacant and abandoned, it must set forth:

1. The evidence relied upon in finding the property vacant and abandoned;
2. The evidence showing that the plaintiff is the owner and holder of the subject mortgage and note, or has been delegated the authority to institute a mortgage foreclosure action by the owner of same; and
3. The sums due and owing upon the subject mortgage and note after a review of the detailed and itemized account of each fee, each cost, and a calculation of interest accrued.

The court may not enter a judgment pursuant to Section 1309 if

1. The mortgagor or any other defendant has filed an answer, appearance, other written objection that is not withdrawn, or has otherwise demonstrated an intention to contest the foreclosure action; or
2. The court does not find that the mortgaged property is vacant and abandoned.

In addition, the 2016 Zombie Property Legislation amends RPAPL § 1351 to require plaintiffs in mortgage foreclosure proceedings to sell the property within 90 days of the date of the judgment. Moreover, RPAPL § 1353 is amended to provide that if a plaintiff in a mortgage foreclosure proceeding purchases the property, then the plaintiff-purchaser must place the property on the market for sale or other occupancy within 180 days, or within 90 days of completing repairs, renovation, or rehabilitation of the property. A court may grant an extension for good cause.

Additional Protections for Homeowners Delinquent on Mortgage Payments and In Foreclosure

This legislation also provides additional protections for homeowners as part of the mandatory settlement conference in residential foreclosure actions, including the creation of a new "Consumer Bill of Rights" and supplemental notice requirements informing property owners of their rights, including their right to remain in their homes until the completion of the foreclosure process. Additional information regarding the 2016 Zombie Property and Foreclosure Prevention Legislation's expedited foreclosure process and the consumer protections for homeowner provisions may be found on the Empire Justice Center's website at www.empirejustice.org.

JOINT PLANNING BOARD SPECIAL MEETING MINUTES
JULY 28, 2016 AT 8:00 AM

Paul: We are here for a Special Meeting to conduct business from the previous night. We tabled action on item #8 which is the application for St. Joseph's Rehabilitation Center, Inc. We had a public hearing and nothing but positive comments in support of the project.

Paul opened the meeting with Roll Call: Jim Larkin, Doug Bencze, Shawn Stuart, Jim Merrihew present.

Item #3 on special meeting agenda is discussion and action on St. Joseph's Rehabilitation Center.

Chairman Larkin: Does anybody have any questions?

Shawn said he thinks it is a good idea.

Shawn Stuart made motion to approve the Special Use Permit, Doug Bencze seconded. All were in favor.

Paul: Next item on the Special Meeting Agenda is discussion and action on the Coffee House on Park Street. At the public hearing all positive comments in support of this project. Can we get a motion on the Coffee House

Jim Merrihew made motion to extend a Special Use Permit to the Coffee House and Doug Bencze seconded it. All were in favor.

Next meeting is August 24th.

Shawn made a motion to close the Special Meeting, Jim Merrihew seconded that.

MEETING MINUTES
JOINT PLANNING BOARD PUBLIC HEARING AND MEETING
JUNE 22, 2016 AT 7:00 PM

Bob Collier conducted the meeting in absence of Chairman, James Larkin.

Roll Call:

Doug Bencze	Michael Keniston
Jim Merrihew	Shawn Stuart

Others Present:

Russ Cronin, Pete Boushie, Dave O'Brien, John Kopp, Jennifer Walsh
Pete Edwards, Paul O'Leary and Dan McClelland (Free Press)

Open public hearing for application JPB003-2016 – Dave O'Brien and Peter Boushie asked to explain project.

Mr. Boushie: said they intend to build tiny house on property, to code, like in Saranac Lake for people in the North Country. Expend business to build storage buildings and anything else people need in the North Country.

Mr. Stuart: commented that that there has been discussion as to the building site location.

Mr. Boushie: said they intend to comply with that and they will build further back.

Mr. Merrihew: said this is an industrial manufacturing project in a commercial retail zone, which doesn't comply with code to do manufacturing Mr. Boushie said he doesn't see how it does not comply when the place in Saranac Lake is across from Red Fox Restaurant, Mr. Merrihew said that this is Tupper Lake, not Saranac Lake, you are in a Tupper Lake commercial retail zone doing industrial manufacturing of factory manufactured homes, as defined by the State. Jim said he thinks it's a great idea, Pete said he feels it's a commercial property.

Mr. Merrihew: said that it is a retail, commercial property, not for manufacturing of large scale factory manufactured homes, Pete said he begs to differ Mr. Merrihew said that that is our code and they should go to ZBA for a use variance not sure if it will fit the criteria.

Shawn Stuart: asked Pete if they intend to build on site Pete said that is the idea, to build one on site, and give people the opportunity to either build it on their own site or have them built at the location and then brought to the property wherever it is or where it needs to go. Pete said they do not know, but want to build them here to start out. We have overwhelming amount of people who think it is awesome, great and interested in having them done. Build one at a time ship it out then build another one.

Merrihew: Problem is the code. You have a permit but, there may be conditions.
Mr. Edwards: does not believe manufacturing is permitted, however they may apply for a ZBA application for variance, then come back for permit.

Paul: procedure is they apply to ZBA for a Use Variance; the ZBA refers the application to the PB for a recommendation and opinion. Planning Board gives its recommendation and opinion to the ZBA for them to make a determination.

This public hearing is for the display of the finished home. It is not about the manufacturing, that has already been determined that the manufacturing needs a Use Variance.

Boushie: Easy enough. We will go through that process.

Mr. Collier: I have a question, what makes the building of a tiny home manufacturing when building, beds chairs and other wooden things are not considered to be manufacturing.

Mr. Edwards: There are alternative types of manufacturing. The wood products are indoors, not an annoyance to neighbors; people would not hear skill saws, chainsaws and hammers, loud factory setting, like a wood processing going day and night, weekends. We would need to look at the clarity on that.

Bob Collier: I fail to see a large distinction. Seems like the sawing is done in the same place as for the furniture. No difference, you are not running a 24/7 outfit and asked Mr. Boushie what his hours were he said 9 – 5. Is it 5 days or 6 days?

Mr. Boushie: We don't build anything on weekends, open 5 days, and only one time not an assembly.

Mr. Collier: I fail to see how it classifies as industrial manufacturing.

Mr. Merrihew: We have to go back to the intent and you were on the board, Bob, when this code was last approved. There had to be intent for commercial and intent for industrial. We should get to the display and location of a finished tiny home.

Collier: This discussion is pertinent to sending the applicant to the ZBA.

Mr. Edwards: Their original permit that came to the Planning Board was for wood display of finished products and do woodworking indoors.

Paul did not have original file with him to confirm.

Merrihew: Small accessory, rustic furniture was on the original permit.

Mr. Boushie: We did not know that at the time we would have to reapply each time.

Merrihew: You need to go to ZBA.

Collier: Back to question directly associated with this hearing, any more comments.

Paul: Can we close the Public Hearing, proper procedure is to close Public Hearing then open regular meeting.

Collier: Move to close, Doug and Shawn 2nd. Everybody in favor.

Close public hearing and open regular meeting at about 19:12. Everybody here with the exception of Jim Larkin.

On to discussion about application: What did the site visit reveal?

Merrihew: we looked at the site to see what kind of space they had for their operation. Plenty of space on side and back. Discussion on finished home on exterior, siding and shingles or whatever roofing material it needs. Would be displayed towards the back, behind the line, which lines up with the back edge in back for the display of Tiny finished home.

Collier: Exterior finish.

Allowed for coming off of Washington Street for whatever devise will be used for transport of it to load up and head out.

Mr. Boushie: Regular trailer.

Collier: you Jim and who else was at the site?

Merrihew: Me, Jim, Paul, Doug, Pete, Dave and Boushie arrived later.

Collier: How do you guys feel about the conditions of this particular permit?

Mr. Boushie: We sat with them and we saw were they decided we should build it and we are comfortable with that. As far as the exterior being finished, roof being finished; it cannot be done, because, transporting it you can lose shingles. We will try to get the building up and going, and get it to a point where the inside is finished and get somebody to either become a buyer , if they don't become a buyer , then we will finish it no matter what on the outside and leave the roof unfinished, because we need to transport it.

Mr. Bencze: You can still transport it, because Adirondack Storage Sheds transport with the roofs on.
Collier: Until you finish the exterior and put on roof you are not in code. Move structure behind line and finish siding and roofing expeditiously.

MR. Boushie: We will not move the one there now because it could get damaged, but it will be gone by end of summer. We moved it so you can see the signs.

Merrihew: We are dealing with the one you started without a permit right now.

Boushie: When I started I was told I don't need a permit, and I put the building up.

Pete Edwards: We spoke on Sunday after you started manufacturing and you already framed the whole floor. I said I don't think that is permitted use and I will check your permit that was on Tuesday; and it did not include outdoor manufacturing and I gave you an application to the Planning Board. You continued working while you had your application in.

Collier: Applicant is not going to move it to the line, but it sounds like he is willing to do side and roof it.
Boushie: I will start the next one in the back where you said it should be.

Merrihew: As a display, not to manufacture, in the back, at some point if you can't build it there, you will need to build, it move it and display it there.

Merrihew: We are dealing with this one. Which should not be there. We need to fix that, moved sided to be finished. Finished on lot, for display.

Boushie: We need to finish the inside, that is what the people want. I will put any finish on they want.

Collier: Appreciate your issue getting the inside done. It is common knowledge in the tri-lake that large expensive structures have been demolished because of permit issues. But I think we get to say what you need to do to keep it there. Side it, don't care about roofing, put paint, brown primer on. But we need to give you a deadline or you will need to move it out of there.

Boushie: What is fair amount of time? Need 30 days to side it.

Collier: Vote on permit with conditions.

Paul: Condition of permit is that the exterior structure will be completely finished, shingles or some type of approved roofing material and approved siding, code compliant, 30 day time frame from today's date to have it completed.

Boushie: Will be moved by September 1, 2016.

Merrihew: Motion to issue a permit with conditions Paul read, seconded by Mr. Keniston, all in favor.
Paul: update on ACR, read letter from Robert L. Sweeney to Planning Board requesting extending approval for 90 days.

Mr. Lawson and Mr. Sweeney could not make meeting to update the Board; and will be happy to update via phone call.

Motion to pass resolution: Doug 1st and Jim 2nd.

Collier: Extend ACR Section 1, permit 90 days. "All in favor", aye.

Shawn: No, next time if no complete update for next extension – unanimous.

Collier: St. Joseph Rehabilitation, Special Use Permit.

Russ Cronin, Chief Financial Officer for St. Joseph's. Mr. Lawson did not sign application, because he is out of town, but will get signature to Paul. Use signage frame out front and showed copy sign used at their clinic, building is not up to ADA compliant as well as bathroom need to have wall moved 3 feet. Straight through view needed for hallway. Need walls for offices. Applied to NYS allowing respite to offer services at off site locations and would be using the state license of the Saranac Lake clinic to operation Tupper Lake. Follow Keeseville model, which has 1 counselor and 1 part-time administrative assistant.

When they get 40 clients we would have 2 ½ to 3 full-time positions. Largest clinic is in Malone. General working hours which would be 8:00 to 4:30. We will not be open on Monday. Open on Saturday. No lighting on sign. There is parking for 6 vehicles. Tuesday and Thursday group meetings to 7 or 7:30 PM closed by 8:00 PM. Outpatient services, like intensive outpatient which is 3 hours for 3 days or 9 Hours. Day Residential session 4 to 6 hours a need to feed we, do not.

Collier: Any questions? Next step is to schedule public hearing, next meeting - July 27, 2016.

Paul: I have a walk-in Special Review, Jon Kopp misunderstood the procedure and he is requesting if you would listen to his Special Review Permit for a project he has with Jennifer Walsh on Park Street. They would like to give a review and set a date for public hearing, if that is okay with you.

Jon Kopp apologized for not understand what is needed to get it on the agenda.

Jennifer Walsh: Open a business "The Connection" brings together all different aspects of the area from high school kids to older generation, to home processors, home crafters, and people who do homemade items. Bring all vender fares to one place and have them stay there instead of following the vendor fares around, which I used to do. High school kids to host the Mod 18 Non-Profit Organization to have their own area with pool, watch TV, have vending machine will be at 123 Park Street.

Jon Kopp said it will be a store with a retail outlet for home processors and home craft items, so if you are a local artisan or make bread or homemade jams they will be licensed through the Department of Agriculture as a home processor and they would be able to stock their wares in our store.

Shawn: how does that involve high school students?

Walsh said they will host them to come there to get them away from getting themselves in trouble.

We met with Evan Bujold through the Tupper Lake Community Engagement Coalition and he had a proposal or idea that he got a lot of support from the high School kids. For those that don't know, he is a library clerk at the high school and he is talking with the kids all the time and he and the kids developed the idea that they need a place they can go in the winter, bad weather and they are welcomed to be there. Evan is an artistic guy and he is hipster type of guy into music art and there are lots of kids in town that are into that sort of thing, but have no place to go to engage in those type of activities. The kids voted on the name to call it Mod 18. If we host them in the store, it will generate lots of foot traffic and help sell the goods and they want to host music events and an open mic, local artists as guest.

Shawn asked what the square footage is.

Jon Kopp: Not sure, 2400 square feet, room to expand to another room and it has a sizeable basement. No egress out of the basement, there is a bathroom.

Retail front, space in back for the kids to make it their own we will work with them. Evan is working on not-for-profit.

We met with the Dept. of Agriculture, & Marketing. They came and did a site visit, because we will have coffee and some goods but 51% of goods leave out the door so Health Dept. is not who would give permit.

Walsh: We will hire adults, myself and 2 other full time and one part-time. The person working will supervise the kids.

Store is profit, but we will host the non-profit. Hours will be Mon –Wednesday 8:00 to 8:00 and Thursday - Saturday 8AM to 10PM a Sunday 11AM – 6PM

.

Kopp: Also we considered the senior citizens to have a place to come. Have seniors come up with a name for themselves. A place for craft and artistic events met with Director at Don Smith's and they are supportive. Also, want to reach out to the Adult Center. Have seniors come up with a name for themselves. Also, spoke to vendors and farmers market about doing an educational demonstration. There is a woman who would come in and explain the difference between raw and processed honey.

Seniors are looking for hours to do community services and the school is willing to donate 3 computers and we will set them up with internet access so that kids that don't have internet service to do whatever they need to do and the school will put on all the restrictions.

Mr. Merrihew asked about sign lighting.

Kopp: Sign above door, no lighting.

Collier: Set up public hearing for July 27th. Don't forget 911 number.

Doug Bencze approved May 16th minutes. Mike Keniston seconded all in favor, aye.

Next meeting July 27th. 2 hearings

Shawn made motion to adjourn, Mike Keniston seconded.

MEETING MINUTES
JOINT PLANNING BOARD PUBLIC HEARING AND MEETING
July 27, 2016 AT 7:00 PM

At 7:00 PM Stand for Pledge of Allegiance

Roll Call:

Present:	Jim Merrihew	**Absent:**	Jim Larkin
	Doug Bencze		Bob Collier
	Shawn Stuart		Mike Keniston

Shawn Stuart presided over the meeting in absence of Chairman Larkin.

Shawn Stuart: Opened the public hearing for application: The applicant, St. Joseph's Rehabilitation Center, the property owner, Thomas Lawson is request a Special Use Permit for operation of a clinic providing substance abuse disorder services at 190 Main Street. Did not receive any comments regarding this Special Use Permit.

Shawn Stuart asked if there are any public comments at the public hearing

Dan McClelland feels it will be a wonderful addition to Tupper Lake. There is a lot of need here and it is such a fine facility.

Jon Kopp speaking on behalf of the Tupper Lake Engagement Coalition this is something that we would support for the community, it will be an asset.

Shawn: Any other comment?

Shawn made motion to close public hearing, Doug Bencze seconded. All in favor, aye.

Shawn: Open the public hearing for application: The applicant, Jennifer Walsh and property owner, Union Block Building, LLC request a Special Use Permit for operation of a Coffee House at 123 Park Street.

Shawn: Open public hearing, any comments on Special Use Permit for a coffee house?

Dan McClelland states that kids always need a place to go and this is a nice blend of senior citizens activities and vendors. There has always been a need here for folks who have crafts and maybe find a comfortable roost here; I am very encouraged by it.

Jennifer Walsh: I agree 100%.

Jim Merrihew asked Paul if he received anything on it and he replied he did not.

Shawn made a motion to close the public hearing on the Union Block Building, LLC request a Special Use Permit. Doug Bencze seconded, all in favor, aye.

Shawn opened regular meeting, we can have discussion, but can't act on the St. Joseph's Rehab Center. I personally think it is a great addition to the community and generous of the Lawson's to offer the facility and obviously they have some great people that will operate it.

Jim Merrihew said that there is a problem here and a need for this facility and this will be a tool for sure, that will help the community.

Shawn asked Mr. Croninto to tell us how he sees things moving forward.

Very little renovation required, added a wheelchair ramp, and turned a bathroom door around so that it is compliant for wheelchair access. Operation is ready to open as soon as the permit is issued. The program is targeted for August 1st.

Shawn asked if there is signage.

Mr. Cronin: Cedar posts are there for a sign. Signage is standard white background with the St. Joseph's light blue color, 70 inches long and 60 inches high. Like the sign in Saranac Lake clinic.

Shawn: Discussion on coffee house.

John Kopp: We are going to meet with the dept. of Agriculture & Markets inspector for Monday to review our kitchenette in back and issue us his permit, once we have the Planning permit. Put sign above door and that would be it.

Doug asked what the hours will be.

Walsh: hours will be 8 to 8 Monday – Wednesday, Thursday – Saturday 8 to 10 and Sunday 11 to 6.

Shawn asked Jon when they expect to open

Jon Kopp: Open up on Monday, it will be slow opening, we met with vendors they started coming in, more on Friday and Monday. Went to Festival in Sacketts Harbor and met 17 new vendors that will be bringing stuff in the next few weeks.

Shawn: ACR update, anything from ACR, do we have anyone here representing the ACR? Paul said no.

Anything else?

Paul had nothing to add. Meeting minutes not done yet, I will get them to you sometime next month.

Paul explained to the two applicants that a Quorum is required to give an action on your application and a quorum is 4 members and we only have 3 members and the next meeting is in a month, before we can act on your permit.

Kopp: Does that mean we can't open for another month?

Shawn: I think if it presents a problem can we have a special meeting? What's involved in doing that?

Paul: Notifying the press and getting a quorum of members and updating them on the public hearing. That was conducted tonight.

Merrihew: We should try to do that and Shawn agreed and asked what is the notification to the press. Paul asked Dan what he needs: Dan McClelland said technically 3 days but he is there and he is "so notified" as well as Adam St. Pierre from the Adirondack Daily Enterprise

Paul asked what everyone's preference is.

Shawn asked if the members are available tomorrow and Paul said he will try to get ahold of Chairman, Larkin. All agreed to meet 8:00 AM tomorrow morning.

Shawn tabled items 8 and 9 until tomorrow morning.

Next scheduled meeting is August 24th.

Merrihew: I have one thing; did you see the picture in Adirondack Enterprise of Family Dollar grand opening? It represents why Tupper Lake has to get away from approving steel buildings for businesses coming into town. Nice store, wood, stone, Adirondack style, which we should consider for people coming before us.

Shawn: Motion to adjourn by Jim Merrihew seconded by Doug Bencze.

VILLAGE OF TUPPER LAKE

53 PARK STREET
PO BOX 1290
TUPPER LAKE, NY 12986

Phone (518) 359-3341
Fax (518) 359-7802
NYS Relay 711
Email villtupplake@centralny.twcbc.com

This Contract is entered into by and between the Village of Tupper Lake, with offices located at 53 Main Street, Tupper Lake, New York 12986, a unit of General Local Goverment ("Village") and with S. Curtis Hayes, with office located at 20 Broadway, Saranac Lake, New York 12983, a New York State Certified Real Estate Appraiser (" Appraiser") with the term beginning on August 16, 2016 and shall continue through its termination date of August 16, 2018.

Per the Request for Proposal submitted via email on July 8, 2016, S. Curtis Hayes will complete the " As Renovated" Appraisal needed as one of the conditions for the New York State HOME Program, the Village of Tupper Lake is facilitating.

The Appraisal would include a personal inspection, measurements and photos along with the reports indicated market value on the General Purpose Residential Form that is part of the Win Total Appraisal Software.

The Development Authority who is administering the program on behalf of the Village will provide to S. Curtis Hayes the property owner contact information, property address as well as the planned work items to facilitate the appraisal process.

S. Curtis Hayes will prepare the "After Rehab Value Report" and send to the Development Authority & Village electronically within 14 business days from the Authority requesting the report.

S. Curtis Hayes will be paid by the Village of Tupper Lake $ 475 per single family appraisal completed in this 10 – 12 single family home program.

PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement made and entered into this _____ day of August , 2016 ("Contract"), is by and between the VILLAGE OF TUPPER LAKE, a unit of General Local Government with offices for purposes of this Contract at the Village of Tupper Lake Offices, 53 Park Street, Tupper Lake , New York 12986 (the "Village" or the "Owner"), and GYMO Architecture, Engineering & Land Surveying, PC., a partnership organized and existing under the law of the State of New York with offices for purposes of this Contract at 220 Sterling Street, Watertown, New York 13601 ("Contractor" or "GYMO"). The Village and Contractor are sometimes referred to in this Contract as a "Party" and collectively as the "Parties".

RECITALS:

WHEREAS, the Village issued a "Request for Proposals for "Environmental Site Visits (ESV's) , Lead Risk Assessments (LRAs) and Lead Clearances for Occupied Areas of Residential Structures" ("RFP"); and

WHEREAS, Contractor submitted a "Proposal for Environmental Site Visit of project site and Lead Risk Assessment and Lead Clearance/s for Occupied Areas of Residential Structures" dated July 12, 2016 ("Proposal); and

WHEREAS, the Village desires for the Contractor to provide certain services in connection with the RFP and the Proposal and the Contractor agrees to do so, all upon the terms and conditions set forth in this Contract.

NOW THEREFORE, in consideration of the mutual promises set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

SECTION I - PROJECT DESCRIPTION:

1.1 Contractor shall conduct environmental site visits (ESVs) , lead based risk assessments ("LRAs") along with Lead Clearances for occupied areas of 10-12 scattered site, single family homes (the "Properties") in the Village of Tupper Lake (the "Village") funded by the NYS Office of Community Renewal's HOME Grant Program ("HOME") to be administered and delivered by the Development Authority of the North Country ("Authority") as more fully described in the RFP, which is incorporated in this Contract by this reference as if fully set forth herein (the "Project").

1.2 The specific Properties shall be determined by the Village after the Authority conducts on-site reviews of homes that may be eligible under the Village's HOME Program. In consultation with the Authority, the Village selects the specific properties to be included in Contractor's Services. Once the Village approves a property and the Authority's proposed scope of work ("Scope of Work"), the property will be included as a "Property" under the Project. The Authority will provide a copy of its Scope of Work for each Property to Contractor, as the Scopes are completed for Contractor to provide its Services. The Authority shall also notify Contractor by email (brad@gymopc.com) to provide the Services (defined below) for one or more Properties ("Notice to Proceed"). Contractor's point of contact for the Services is Haywood B. Arthur

1.3 Contractor shall provide the following Services for the Project upon the terms and conditions of this Contract and those set forth in the following all of which are attached hereto and incorporated herein as if fully set forth in this Contract: (a) the RFP; (b) the Proposal; (c) Form 3 (Contractor Rules & Responsibilities), and Form 4 (Contractor Accident Reporting Form)("'Safety Requirements"); (d) the Authority's "Standard Terms and Conditions" ("T&Cs") (collectively, the documents set forth in paragraph 1.3 (a)-(d) are the "Contract Documents"). In addition to

complying with the Contract Documents, Contractor shall provide its Services in compliance with all applicable federal, state and local laws, rules and regulations, all instructions, orders, forms and directions of the Authority made in accordance with the Contract Documents, and in a good, substantial, workmanlike and approved manner. Within 24 hours of any accident involving a Property, customer, vendor or visitor, Contractor shall notify the Authority by completing and providing Form 4.

1.4 Contractor shall provide all the following services for the Project (collectively, the "Services"):

A. Inspection of all the Properties by Contractor's certified risk assessors;
B. XRF Testing as more fully described in the "Scope of Services in the Proposal;
C. Soil and dust samples, including collection and analysis;
D. Collection and analysis of paint chip tests from interior painted surfaces;
E. Preparation and submission to the Authority on behalf of the Village the ESV & LRAs that satisfy the requirements of the Contract Documents as well as all applicable federal, state and local laws, rules and regulation for each Property no later than one week of testing of each Property ("Outside Date").
F. So long as the Authority has given Notices to Proceed to Contractor for three or more Properties, Contractor shall use its best efforts to complete three Properties per day.
G. Contractor will give copies of the ESV & LRA to the homeowner's if requested by the Authority or required by federal, state or local laws, rules or regulations.
H. Lead Clearance Reports

1.5 Capitalized terms not otherwise defined in this Contract shall have the meanings set forth in the RFP and Standard T&Cs. If provisions of the Proposal are contrary to, or inconsistent with, the terms and conditions set forth in this Contract, the RFP, the and/or the T&Cs, any such contrary or inconsistent provisions in the Proposal shall not apply and this Contract, the RFP, and T&Cs shall govern the Project.

SECTION II - PAYMENT:

2.1 Contractor shall be paid according to the following formula:

A. Price for Environment Site Visit Letter & Lead Risk Assessment (per unit) $545.00 Price for additional units or work order $ 450.00 Price for additional units will apply for multi-unit properties of if multiple properties are ordered for inspection at the same time.
B. Price for Lead Clearance (per unit) $ 430.00. Price for additional units or work order $ 335.00. Price for additional units will apply for multi-unit properties of if multiple properties are ordered for inspection at the same time.
C. Contractor acknowledges that the Authority will receive funds through the Village from the HOME Program in accordance with their processes and procedures.
D. Notwithstanding paragraph 2.1.C, Contractor shall not be paid for any ESV's , LRAs or Lead Clearance/s that are not acceptable to Authority or the HOME Program or that fail to comply with the terms and conditions in the Contract Documents ("Satisfactory ESV, LRA or Lead Clearance/s").
E. Upon completion of all the Services for a Property, Contractor shall submit an invoice to the Village via the Authority, along with all receipts and documentation

required or requested by the Authority on behalf of the Village.

F. The Village shall pay Contractor all properly documented Invoices upon the later of thirty days from receipt of the Invoice or the receipt of the HOME funds from the State, and acceptance of the ESV & LRA and Clearances by the Authority.

G. Notwithstanding anything to the contrary, Contractor shall not be entitled to any fees, payments, expenses, reimbursements, travel, meals, lodging or other costs ("Additional Charges") unless otherwise agreed to in writing in advance and both Parties execute an amendment to this Contract for any such Additional Charges.

SECTION 3 - DEFAULT, TERMINATION:

3.1 The Contractor agrees to comply with all requirements of this Contract and with all provisions of law and implementing regulations. If the Contractor shall fail to comply with any of the terms, conditions, provisions, or stipulations of this Contract, the Village shall have all rights and remedies available to it at law or in equity, or as provided in this Contract and the Contract Documents incorporated herein. In addition, if Contractor fails to timely commence providing the Services following receipt of a Notice to Proceed, fails to diligently work on the Properties for the Project and/or fails to complete the Services on or before the Outside Date for any Property, the Village may terminate this Agreement, and Contractor shall be entitled only to payment for those Properties for which all the Services were completed prior to the date of the termination, reduced for any additional costs the Village incurs to complete all the Services for all the Properties.

3.2 Contractor represents and warrants to the Village as follows:

A. it has received all necessary permits, licenses, approvals, grants, and charters of whatsoever kind necessary to carry out the business required to provide the Services for the Project; and

B. it shall comply with all laws, regulations, orders, and statutes which may be applicable to it, whether local, State or Federal; and

C. From the date of this Contract and until its expiration or termination, it shall operate in accordance with and maintain current all certifications, permits, insurance, licenses, approvals, grants, charters, that are necessary or proper for it to conduct its business and provide the Services for the Project.

D. A breach by Contractor of any of its representations and warranties set forth in this Contract may be deemed a default hereunder, and shall allow the Village, in its discretion either to terminate this Contract or provide Contractor written notice and an opportunity to cure the default, provided that any such default shall be cured within ten days from the date of any such written notice from the Village.

SECTION 4 – INSURANCE-INDEMNFICATION:

4.1 Insurance. The provisions governing the Village's insurance requirements for Contractor are set forth in Section 39 of the Standard T&Cs and those provisions are incorporated in paragraph 4.1 of this Contract as if fully set forth herein.

4.2 Indemnification & Limitation of Liability. The provisions governing Indemnification and Limitation of Liability are set forth in Section 37 of the Standard T&Cs and those provisions are incorporated in paragraph 4.2 of this Contract as if fully set forth herein.

SECTION 5 - GENERAL PROVISIONS:

5.1 Choice of Law. This Contract shall be construed and enforced in accordance with the laws of the State of New York without regards to provisions governing conflicts of laws to the extent such principles would result in the application of the laws of any other jurisdiction..

5.2 Jurisdiction/Venue. **CONTRACTOR HEREBY AGREES TO THE FOLLOWING JURISDICTION AND VENUE FOR ANY CLAIMS, CAUSES, PROCEEDINGS AND LITIGATION ARISING FROM OR RELATED TO THIS CONTRACT OR THE SERVICES AND THE PROJECT:**

A. Contractor voluntarily and irrevocably submits itself to the jurisdiction and venue of any court of competent jurisdiction over the subject matter of this Contract located within the State of New York in which any litigation is brought based on or arising out of this Contract.
B. Any litigation brought by the Contractor based on or arising out of this Contract shall be brought only in the Supreme Court of the State of New York within the County in which the Village is located.
C. Any legal process or notice regarding any litigation or any matters arising from or related to this Contract may be served on the Contractor by United States registered mail, postage pre-paid, addressed to the Contractor at the address set forth in this opening paragraph of this Contract, and Contractor expressly agrees that notice or service in such manner shall constitute good and valid notice or service of process upon the Contractor.
D. Contractor hereby waives any defense that might be available to it in any litigation based on or alleging lack of jurisdiction or venue, or, if process is served in the manner provided in paragraph 3.2.C immediately above, invalid service of process, and that Contractor shall duly enter its appearance in any such action.
E. This Contract and all documents expressly incorporated herein may be presented in court as conclusive evidence of the promises, agreements and terns and conditions between the Parties relating to the subject matter of this Contract.
F. Contractor acknowledges receipt of the RFP, the Village's Standard T&Cs and Forms 3 & 4, all of which are incorporated into this Contract.

5.3 Assignment. Contractor may not assign this Contract, in whole or in part, without the prior written consent of the Village, which may withhold approval in its sole discretion, or may impose conditions on any such assignment as the Village deems appropriate.

5.4 Counterparts/Effective Date. This Contract may be executed in separate counterparts, each of which, when taken together, shall constitute one original. Contractor shall complete the third page of Form 3, sign it and give the original, executed From 3 to the Village simultaneous with Contractor's execution of this Contract. Contractor represents and warrants that the person signing on behalf of Contractor has full authority to sign this Contract and Form 3 and to bind Contractor. Signed copies of this Contract and Form 3 may be exchanged by facsimile to the numbers set forth under the signatures below. Facsimile copies shall be deemed the originals. This Contract Agreement is effective as of the date first set forth above, upon receipt by each Party of signed copies from the other Party.

[The remainder of this page intentionally left blank; signatures follow]

IN WITNESS WHEREOF, the Parties hereto have executed this Contract as of the day and year first written above.

Re: DWSRF Project No. 18061
New Wells and Distribution Upgrades
Village of Tupper Lake
Franklin County

Dear Mayor Maroun:

On behalf of Governor Andrew M. Cuomo, I am pleased to inform you that your community has been awarded a NYS Water Grant for the above referenced project.

Your NYS Water Grant has been awarded in an amount not to exceed $1,000,000, based on information provided in your application, including total estimated eligible project costs. The Environmental Facilities Corporation (EFC) will determine the actual amount of your grant when the project is complete and final project costs are calculated. Your grant may be reduced if total project costs are less than anticipated or if your project receives financial assistance from another source.

Please confirm your intent to proceed with this project and execute a project finance agreement with EFC by completing and signing the enclosed form and e-mailing it to nyswatergrants@efc.ny.gov by **September 2, 2016**. Without your confirmation, we may bypass your project and award these grant funds to another community.

Members of our EFC team will contact you shortly to guide you through the program requirements and financing process and to answer any of your questions.

Thank you again for your interest in the DWSRF. We look forward to working with you on your water quality improvement project.

Sincerely,

Sabrina M. Ty
President and CEO

Enclosure

cc.: C2AE – Mr. Feuka

ACKNOWLEDGEMENT AND ACCEPTANCE OF GRANT AWARD

Please confirm your community's acceptance of the grant and intent to proceed with DWSRF Project No. 18061 by acknowledging the award letter and providing the milestone information below. Please e-mail the completed form to nyswatergrants@efc.ny.gov before **September 2, 2016**.

ACKNOWLEDGED:
Village of Tupper Lake
DWSRF Project No. 18061

The Village intends to proceed with this project, based on the schedule below.

AUGUST 10, 2016 Albany, NY

Governor Cuomo Announces $29.7 Million in Grants for North Country Water Infrastructure Improvements

Grants Leverage $117.5 Million in Water Quality Investments, Providing $80.5 Million in Savings for Taxpayers

Governor Cuomo today announced $29.7 million in grants to support 18 critical municipal water infrastructure projects in the North Country. These grants are part of the second round of NYS Water Grants funded through the state's highly successful Water Infrastructure Improvement Act.

"Investing in water infrastructure improvements it key to fostering growth for local communities in the North Country and across New York," **Governor Cuomo said.** "These grants will make necessary upgrades to replace aging infrastructure while easing the burdens on local property tax levies and literally laying the groundwork for the future."

The 2016-17 New York State budget includes $100 million in grants for water infrastructure improvements. This additional funding allowed the Environmental Facilities Corporation to broaden eligibility for wastewater projects and provide a total of $175 million in grants for round two. In addition, the maximum grant amount for drinking water projects was increased from $2 million to $3 million, or 60 percent of eligible projects costs – whichever is less.

Senate Majority Leader John J. Flanagan said, "Communities throughout New York are faced with aging water infrastructure that hurts the economy, the environment, and our residents' quality of life. These funds will help municipalities support projects that address the issues

caused by weak or failing equipment so that our water is cleaner and our state is able to support increased economic growth that will create new jobs. I am proud of the Senate's role in creating and expanding this important program, and it will continue to be a priority of our chamber."

Assembly Speaker Carl E. Heastie said, "These grants represent our commitment to ensuring that New Yorkers have the highest quality water possible to protect not only public health, but the environment as well. This additional funding builds on the accomplishments we made in the budget to ensure that the costs of improving water infrastructure in our state do not place an overwhelming burden on taxpayers or municipalities."

The projects announced today primarily include the planning, design and construction or enhancement of treatment plants, pump stations, sewer systems and equipment, as well as upgrades and replacements for drinking water systems, filtration plants and water mains.

Grant awards were based on a scoring system that gave priority to projects that result in the greatest water quality improvement or reduction in risk to public health and are positioned to advance to construction, among other considerations.

In addition to grants, EFC provides interest-free and low-interest loans to communities to further reduce the cost of infrastructure projects. The grants announced today are expected to be supplemented with nearly $83.7 million in interest-free and low-interest loans, providing a more fiscally sustainable investment for these communities.

The North Country municipalities receiving grants are:

NYS Water Grant	Applicant Name	County	Estimated Project Cost	Estimated SRF Loan Amount	Estimated Grant Award
Drinking Water	Adams, Village of	Jefferson	$3,979,042	$1,591,617	$2,387,425

Drinking Water	Cape Vincent, Town of	Jefferson	$2,381,071	$1,758,931	$622,140

Clean Water	Gouverneur, Village of	St. Lawrence	$1,883,000	$1,412,250	$470,750

Drinking Water	Harrisville, Village of	Lewis	$200,000	$80,000	$120,000
Drinking Water	Hounsfield, Town of	Jefferson	$205,680	-------	$123,408
Clean Water	Lake Placid, Village of	Essex	$1,155,000	$866,250	$288,750
Clean Water	Lowville, Village of	Lewis	$19,907,000	$17,640,000	$2,267,000
Clean Water	Lowville, Village of	Lewis	$10,932,000	$8,199,000	$2,733,000
Drinking Water	Orleans, Town of	Jefferson	$13,251,488	$10,251,488	$3,000,000
Clean Water	Potsdam, Village of	St. Lawrence	$10,710,000	$8,032,500	$2,677,500
Drinking Water	Tupper Lake, Village of	Franklin	$6,221,808	$3,221,808	$1,000,000
Clean Water	Watertown, City of	Jefferson	$9,227,360	$6,920,520	$2,306,840

			$117,452,886	$83,692,639	$29,677,975

New York State Environmental Facilities Corporation President and CEO Sabrina Ty said, "Under Governor Cuomo's leadership, the State has made an unprecedented financial commitment to critical environmental projects. These significant investments in our water infrastructure not only safeguard our precious water resources, but spur economic growth as well.

New York State Department of Environmental Conservation Commissioner Basil Seggos said, "These funds are critical to ensuring that necessary upgrades are made to the state's clean water infrastructure. DEC is proud to work with EFC in advancing these important projects that are truly essential in protecting our environment and promoting continued economic growth."

New York State Health Commissioner Dr. Howard A. Zucker said, "Governor Cuomo's commitment to improving our statewide municipal water infrastructure will ensure that the state remains proactive in protecting our vast water supply for years to come. New York's Water Infrastructure Improvement Act (WIIA) helps local communities fund the water quality improvement projects that are essential to protecting public health and the environment."

Since 2011, New York has invested approximately $9 billion in both wastewater and drinking water grants, low and interest-free loans, as well as loan re-financings. New York leads the nation with the largest annual investment in water-quality infrastructure.

More information on how to apply for these loans is available at www.efc.ny.gov/CLEAN WATERSRF(for wastewater projects) and www.efc.ny.gov/DRINKING WATERSRF (for drinking water projects).

Subject: NYWG Round 2 - Northern Area awards

Hello All,

In case you didn't see, yesterday the Governor's Office announced the Northern Area awards for Round 2 of the New York Water Grants program (see attached). The grant numbers are correct, but some of the estimated loan amounts may be off due to co-funding.

Steve

NYWG Round 2 awards - Northern Area.pdf 676 KB

August 5, 2016

Paul Maroun, Major
53 Park Street
Tupper, NY 12986

Dear Mr. Maroun:

On behalf of Governor Hassan and the NBRC Board, we congratulate you and your organization upon your selection for an NBRC grant award.

Enclosed is an original **Grant Agreement and ACH form**. Please **sign, scan, and email** them to NBRC Program Director Christine Frost at admin@nbrc.gov before September 1, 2016.

It is very important that you read the agreement that is enclosed. The contract is newly developed and specific for your project. If there are any errors, inconsistencies, or omissions, you must bring them to the NBRC's attention prior to signing the contract.

Specifically, we refer you to the following:

- ✓ **Deadline for Returning Agreement to NBRC is September 1, 2016:** This is the deadline to return a signed contract along with the ACH form (SF-3881) in order to obligate your award within the Federal financial system. If this date is not met and we do not hear from you, the NBRC may award your funds to the next eligible applicant.

- ✓ **Notice to Proceed:** You will **NOT** be reimbursed for funds spent prior to receipt of a Notice to Proceed, unless expressly laid out in your contract. See Section VI in your Agreement. Most recipients will have a Notice to Proceed from the NBRC by October 1, 2016. If your project must begin before October 1, 2016, please contact Christine Frost (202) 590-0807 or by email at admin@nbrc.gov as soon as possible.

- ✓ **Proper Reference:** It is extremely important that every communication and all documentation be referenced with the NBRC Contract Number found at the top left of your contract. This will allow us to meet your needs faster and with more accuracy.

We look forward to working with you to successfully complete the project, and more importantly look forward to the outcomes that you presented in your application.

Sincerely,

Mark Scarano
Federal Co-Chair

cc: NBRC State Program Manager
Local Development District (if applicable)

Instructions for Completing SF 3881 Form

Make three copies of form after completing. Copy 1 is the Agency Copy; copy 2 is the Payee/Company Copy; and copy 3 is the Financial Institution Copy.

1. Agency Information Section - Federal agency prints or types the name and address of the Federal program agency originating the vendor/miscellaneous payment, agency identifier, agency location code, contact person name and telephone number of the agency. Also, the appropriate box for ACH format is checked.

2. Payee/Company Information Section - Payee prints or types the name of the payee/company and address that will receive ACH vendor/miscellaneous payments, social security or taxpayer ID number, and contact person name and telephone number of the payee/company. Payee also verifies depositor account number, account title, and type of account entered by your financial institution in the Financial Institution Information Section.

3. Financial Institution Information Section - Financial institution prints or types the name and address of the payee/company's financial institution who will receive the ACH payment, ACH coordinator name and telephone number, nine-digit routing transit number, depositor (payee/company) account title and account number. Also, the box for type of account is checked, and the signature, title, and telephone number of the appropriate financial institution official are included.

Burden Estimate Statement

The estimated average burden associated with this collection of information is 15 minutes per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Financial Management Service, Facilities Management Division, Property and Supply Branch, Room B-101, 3700 East West Highway, Hyattsville, MD 20782 and the Office of Management and Budget, Paperwork Reduction Project (1510-0056), Washington, DC 20503.

August 5, 2016

Paul Maroun, Major
53 Park Street
Tupper, NY 12986

Dear Mr. Maroun:

On behalf of Governor Hassan and the NBRC Board, we congratulate you and your organization upon your selection for an NBRC grant award.

Enclosed is an original **Grant Agreement and ACH form**. Please **sign, scan, and email** them to NBRC Program Director Christine Frost at admin@nbrc.gov before September 1, 2016.

It is very important that you read the agreement that is enclosed. The contract is newly developed and specific for your project. If there are any errors, inconsistencies, or omissions, you must bring them to the NBRC's attention prior to signing the contract.

Specifically, we refer you to the following:

- ✓ **Deadline for Returning Agreement to NBRC is September 1, 2016:** This is the deadline to return a signed contract along with the ACH form (SF-3881) in order to obligate your award within the Federal financial system. If this date is not met and we do not hear from you, the NBRC may award your funds to the next eligible applicant.

- ✓ **Notice to Proceed:** You will **NOT** be reimbursed for funds spent prior to receipt of a Notice to Proceed, unless expressly laid out in your contract. See Section VI in your Agreement. Most recipients will have a Notice to Proceed from the NBRC by October 1, 2016. If your project must begin before October 1, 2016, please contact Christine Frost (202) 590-0807 or by email at admin@nbrc.gov as soon as possible.

- ✓ **Proper Reference:** It is extremely important that every communication and all documentation be referenced with the NBRC Contract Number found at the top left of your contract. This will allow us to meet your needs faster and with more accuracy.

We look forward to working with you to successfully complete the project, and more importantly look forward to the outcomes that you presented in your application.

Sincerely,

Mark Scarano
Federal Co-Chair

cc: NBRC State Program Manager
Local Development District (if applicable)

Instructions for Completing SF 3881 Form

Make three copies of form after completing. Copy 1 is the Agency Copy; copy 2 is the Payee/Company Copy; and copy 3 is the Financial Institution Copy.

Grantee's EIN:	15-6001391
Date of Award:	August 1, 2016
Date of Amendments	N/A
Total Project Amount:	$1,500,000
Amount of Federal NBRC Funds Awarded:	$250,000
Total Other Funds:	$1,250,000

CFDA Number and Name:	#90.61 /Economic and Infrastructure Development Grant Program
Project Description:	The Tupper Lake region is on the cusp of undertaking a regionally transformative project, wit the Adirondack Club and Resort (ARC). This project will result in improvements to the Village's municipal public water system to provide the system upgrades needed to support the ACR and ancillary development
Infrastructure Award:	Yes
Approved Indirect Cost Rate:	N/A
Reimbursement Rate:	16.7%

I. *Grant Provisions Specific to This Award*

I. **Statement of Purpose** – Incorporation of Proposal: This agreement implements a grant made under the authorities of 40 USC Subtitle V, to provide funding to **the Town of Tupper Lake, New York**. This project shall be carried out in general accord with Grantee's proposal, received at Northern Border Regional Commission (NBRC) on June 17, 2016. Grantee's proposal is incorporated by reference. To the extent this agreement conflicts with the incorporated proposal, this Agreement shall control.

II. **Order of Precedence:** This grant agreement is subject to the provisions of 40 USC Subtitle V, this Grant Agreement, the NBRC Federal Grant Program Eligibility and any Clarification Notes, the General Federal Grant Provisions, and any incorporated Supplements. Any conflict among these provisions shall be resolved giving precedence to these authorities in the order in which they are listed above.

III. **Period of Performance:** The grant period of Performance shall be October 1, 2016, through September 31, 2018.

IV. **Contract Number:** The contract number that has been assigned to this project must be included in any and all communications regarding this award, this includes filing progress reports and reimbursement requests as well as incidental communication and inquiries.

V. **Obligation of Funds:** The following items are required to be filled with NBRC no later than September 1, 2016, to ensure that funds are obligated for this specific project in the current federal fiscal year.

- A signed copy of this Grant Agreement
- Completed SF3881 Automated Clearing House (ACH) Enrollment Form.

VI. **Notice to Proceed:** No work may begin prior to receiving a Notice-To-Proceed from NBRC. No documented match or invoices generated by the Recipient will be considered part of the project prior to the date on the Notice-To-Proceed issued by NBRC. The following items are required prior to receiving a Notice-To-Proceed:

- Signed Grant Agreement returned to NBRC
- SF3881 ACH form returned to NBRC
- NBRC Form 1002 listing committed match
- Demonstration of completion of at least 75% of any previously awarded NBRC project. (**N/A**)
- Signed Administration Contract with a Local Development District, or waiver approved by the Federal Co-Chair to self-administer.

VII. **Project Scope:**

1. As outlined in Question #20, Work Plan in the application for funding from NBRC.

VIII. **Reporting Requirements:**

A. **Progress Reports**: Using the Performance Progress Report (SF-PPR), each Recipient is required to provide quarterly progress reports beginning October 1, 2016. Reports are due as follows:

Reporting Period: October 1 - December 31 -	Report Due January 31
Reporting Period: January 1 - March 30 -	Report Due April 30
Reporting Period: April 1 - June 30 -	Report Due July 31
Reporting Period: July 1 - September 30 -	Report Due October 30

B. **Financial Reports:** The SF-425 Federal Financial Report is due on October 30 of each federal fiscal year (October 1 to September 30) and 45 days after the close of the project.

IX. **Budget:** Under the terms of the Award, the total approved/authorized budget is: **$1,500,000.** Costs will be determined in general accord with the budget outlined in the proposal or subsequently negotiated. Grantees must obtain prior written approval when any line item within the budget is changed by more than 10% of the line item. NBRC will reimburse **16.7%** of each reimbursement request received, with a maximum of $250,000 total funds.

Budget	
Administration	$50,000
Real Estate, Easements, etc	
Architectural and Engineering/ Other Contractual/Professional Services	$250,000
Construction	$1,200,000
Equipment	
Supplies	
Travel	
Personnel & Fringe	
Indirect Costs	
Sub-Awards	
Total	**$1,500,000.00**

X. **Matching Share of Project Costs:** Prior to receipt of Notice To Proceed and any initial disbursement of funds, the Total Project Costs must be identified. Form NBRC1002 must be submitted identifying all match that will be used in order to complete the project.

XI. **Program Income:** N/A

XII. **Architect/Engineer Agreement:** The agreement must provide for all services required by the Recipient for the design and engineering phases of the project. The recipient must select the architect/engineer in accordance with the procurement standards set forth in 12 C.F.R. 200.319. The "cost-plus-a-percentage-of-cost" and "percentage of construction cost" methods of contracting are specifically prohibited.

XIII. **Construction Management Agreement:** The award and compensation for Construction Management services are subject to the same rules as those for architect/ engineer services. The Construction Management Agreement must spell out who is responsible for construction inspection, approval of construction and supply contracts, change orders and other areas of possible conflicts (i.e., the division of responsibility and authority between the Recipient, the Architect/Engineer and the Construction Management).

XIV. **Contracts and SubAwards:**

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the Recipient entity under the Federal award must contain provisions covering the following, as applicable.

All Contracts:

- Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Contracts in excess of $10,000:

- All contracts in excess of $10,000 must address termination for cause and for convenience by the Recipient entity including the manner by which it will be effected and the basis for settlement.

Contracts in excess of $100,000:

- Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the Recipient in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Contract in excess of $150,000:

- Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the Recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- Contracts over $150,000, authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(J) See §200.322 Procurement of recovered materials.

[78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75888, Dec. 19, 2014]

XV. **Method of Payment:** Prior to the initial disbursement, Recipients must complete the SF-3881, "*ACH Vendor/Miscellaneous Payment Enrollment Form*" and submit it to the NBRC at admin@nbrc.gov. In order to receive payments, Recipients must submit an SF-270 "*Request of Reimbursement*" for the applicable period electronically to admin@nbrc.gov. NBRC will review and process the request. All payments will be on a reimbursable basis. NBRC will reimburse 16.7% of each reimbursement request received, with a maximum of $250,000 total funds.

XVI. **Sub-Awards:** N/A

XVII. **Procurement of Real or Other Property and/or Equipment:** N/A

XVIII. **Performance Measures:** Performances measures will be collected through a survey at project close out and three years after project close out.

A. **GPRA:** The recipient agrees to report on program performance measures and program outcomes in such form and at such intervals as may be prescribed by NBRC in compliance with the Government Performance and Results Act (GPRA) of 1993. Performance measures and reporting requirements that presently apply to program activities funded by this grant will be provided in a separate GPRA information collection document.

B. **Project Specific Performance Measures:**

1. **Increased capacity of potable water**

2. **Development that results**

XIX. **Project Close Out:** Every Recipient is required to provide a final report. Reports are due 45 days after the close of the project. The Performance Progress Report SF-PPR must be used for all reports. Additionally, a final financial report will be required 45 days after the close of the project. Five percent (5%) of the NBRC award will be held until a final reports are received from the grantee.

XX. **Receipt of Financial Award:** A signed copy of this contract must be returned to NBRC via mail or email at admin@nbrc.gov on or before September 1, 2016. If this deadline cannot for any reason be met you must contact Christine Frost at 202-590-0807 immediately. If arrangements have not been made and a signed contract has not been received by September 1, 2016, the Federal Co-Chair may assign these funds to other propriety projects within your state.

XXI. **Acknowledgements:** The Recipient is responsible for acknowledging NBRC support during news media interviews that discuss work supported by NBRC. A statement of acknowledgement of funding in marketing materials, feasibility study, business or marketing plans, preliminary cost estimates, training materials, website home page, etc. is required to the effect that: "*Funding for this (project) was made possible in part with a grant from Northern Border Regional Commission*" All materials published in whole or part with the proceeds of this grant shall contain notice and be identified by language to the following effect: "*This publication is the result of tax-supported funding from NBRC, and as such is not copyrightable. It may be reprinted with the customary crediting of the source.*" Additionally NBRC requests, where appropriate, the use of its logo, which can be obtained by requesting such logo at admin@nbrc.gov.

General Federal Grant Provisions

I. **Recipient's Duty to Refrain from Employing Certain Government Employees:** For the grant period of performance, the Recipient (s) agree that it will not employ, offer any office or employment to, or retain for professional services any person who:

(I) On the date the NBRC executed this award or with the one-year period ending on that date, served as an officer, attorney, agent, or employee of NBRC; and

(II) Occupied a position or engaged in activities that the Federal Co-Chair determines involved discretion with respect to the award of NBRC.

The associated restrictions referenced above also shall apply beginning on the date of the NBRC executes any cost amendment to this award that provides additional funds to the Recipient.

II. **Audit Requirements:** Applicable audit requirements are contained in 2 C.F.R 200.

III. **Goals for Women and Minorities in Construction:** Consistent with 2C.F.R 200.321 non-Federal entities my take necessary steps to assure that minority and women's business and labor surplus area firms are used when possible.Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

IV. **Freedom of Information Act and Record Retention:** NBRC is responsible for meeting its Freedom of Information Act (FOIA) (5 U.S.C. 522) responsibilities for its records. Consistent with 2 CFR 200.333, financial records, supporting documents, statistical records and all other non-Federal entity records pertinent to a Federal award must be retained fora period of three years from the date of submission of the final expenditure report.

V. **Transparency Act Reporting:** All Recipients of awards are required to comply with reporting requirements under the Federal Funding Accountability and Transparency Act of 2006 (Transparency Act).

VI. **Allowable Costs:** The following list provides some of the more prominent allowable and unallowable costs, this is not an exhaustive list. For a more complete list reference 2 C.F.R. 200.

Advertising and public relations. §200.421 Allowable

The only allowable advertising costs are those which are solely for:

(1) The recruitment of personnel required by the non-Federal entity for performance of a Federal award (See also §200.463 Recruiting costs);

(2) The procurement of goods and services for the performance of a Federal award;

(3) The disposal of scrap or surplus materials acquired in the performance of a Federal award except when non-Federal entities are reimbursed for disposal costs at a predetermined amount; or

(4) Program outreach and other specific purposes necessary to meet the requirements of the Federal award.

Alcoholic beverages. §200.423 Unallowable

Bad debts. §200.426 Unallowable

Bonding costs. §200.427 Allowable

(a) Bonding costs arise when the Federal awarding agency requires assurance against financial loss to itself or others by reason of the act or default of the non-Federal entity. They arise also in instances where the non-Federal entity requires similar assurance, including: bonds as bid, performance, payment, advance payment, infringement, and fidelity bonds for employees and officials.

(b) Costs of bonding required pursuant to the terms and conditions of the Federal award are allowable.

(c) Costs of bonding required by the non-Federal entity in the general conduct of its operations are allowable as an indirect cost to the extent that such bonding is in accordance with sound business practice and the rates and premiums are reasonable under the circumstances.

Compensation—fringe benefits. §200.431 Allowable

Fringe benefits are allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to, the costs of leave (vacation, family related, sick or military), employee insurance, pensions, and unemployment benefit plans. Except as provided elsewhere in these principles, the costs of fringe benefits are allowable provided that the benefits are reasonable and are required by law, non-Federal entity-employee agreement, or an established policy of the non-Federal entity.

Contributions and donations. §200.434 Unallowable

Entertainment costs. §200.438 Unallowable

Equipment and other capital expenditures. §200.439 Allowable
These need to be specific to the purpose of the award. See §§200.13 Capital expenditures, 200.33 Equipment, 200.89 Special purpose equipment, 200.48 General purpose equipment, 200.2 Acquisition cost, and 200.12 Capital assets.
Fines, penalties, damages and other settlements. §200.441 Unallowable
Fund raising and investment management costs. §200.442 Unallowable
Goods or services for personal use. §200.445 Unallowable
Costs of goods or services for personal use of the non-Federal entity's employees are unallowable regardless of whether the cost is reported as taxable income to the employees.
Interest. §200.449 Unallowable
Lobbying. §200.450 Unallowable
Losses on other awards or contracts. §200.451 Unallowable
Materials and supplies costs, including costs of computing devices. §200.453 Allowable
Pre-award costs. §200.458 Unallowable Unless specifically outlined in the grant agreement.
Professional service costs. §200.459 Allowable
Costs of professional and consultant services rendered by persons who are members of a particular profession or possess a special skill, and who are not officers or employees of the non-Federal entity, are allowable, subject to paragraphs (b) and (c) when reasonable in relation to the services rendered and when not contingent upon recovery of the costs from the Federal Government. In addition, legal and related services are limited under §200.435 Defense and prosecution of criminal and civil proceedings, claims, appeals and patent infringements.
Proposal costs. §200.460 Allowable
Proposal costs are the costs of preparing bids, proposals, or applications on potential Federal and non-Federal awards or projects, including the development of data necessary to support the non-Federal entity's bids or proposals. Proposal costs of the current accounting period of both successful and unsuccessful bids and proposals normally should be treated as indirect (F&A) costs and allocated currently to all activities of the non-Federal entity. No proposal costs of past accounting periods will be allocable to the current period.
Publication and printing costs. §200.461 Allowable
Publication costs for electronic and print media, including distribution, promotion, and general handling are allowable. If these costs are not identifiable with a particular cost objective, they should be allocated as indirect costs to all benefiting activities of the non-Federal entity.
Selling and marketing costs. §200.467 Unallowable
Costs of selling and marketing any products or services of the non-Federal entity (unless allowed under §200.421 Advertising and public relations) are unallowable, except as direct costs, with prior approval by the Federal awarding agency when necessary for the performance of the Federal award.
Training and education costs. §200.472 Allowable
The cost of training and education provided for employee development is allowable.
Transportation costs. §200.473 Allowable
See §200.473 for specifics.
Travel costs. §200.474 Allowable

VII. **Procurement**: Appendix II of 2 CFR 200 will guide the work of all Recipients and sub-recipients that are awarded funds through NBRC.

VIII. **Non-Relocation:** In signing this award of financial assistance, Recipient attests that NBRC finding is not intended by the Recipient to assist its efforts to induce the relocation, or the movement of existing jobs from one region to another region in competition with those jobs. In the event that NBRC determines that its assistance was used for such purposes, NBRC retains the right to pursue appropriate enforcement action, including suspension of disbursement of a debt requiring the Recipient to reimburse NBRC.

RE: Tupper Lake Water Pollution Control Plant
SPDES No. NY-0029939
Tupper Lake (T), Franklin (Co)

Dear Mayor Maroun:

This Department has reviewed your July 29, 2016 request to extend the deadline by which implementation of wastewater treatment improvements to comply with final effluent limits for total residual chlorine must occur; State Pollution Discharge Elimination System (SPDES) Permit No. NY-0029939 dictates that construction of these improvements shall be complete by January 1, 2018. Your request to extend this date to January 1, 2019 will be processed through a modification of SPDES Permit No. NY-0029939.

I look forward to reviewing the engineering report of findings described in your correspondence and to be submitted to this Department by August 15, 2016. If you have any questions regarding this matter or your obligations under SPDES, please contact me at (518) 897-1268.

Sincerely,

Kirk Bassarab, P.E.
Environmental Engineer

Good morning Marc,

As a follow-up to our conversation, the savings resulting from Tupper Lake refinancing the Tri-Lakes Agreement will amount to $269,343.92.

If there are any remaining questions, please don't hesitate to contact me.

Stay cool... but of course conserve energy. ;)

Best regards,
