Here's the response Monica.

Thought this a very thoughtful response. I'm certainly comfortable with a first time verbal warning and would be happy to know that is actually happening.

Certainly not the end all answer but . . . I do think the minimally intrusive but clear message pooper warnings with dispenser bags a step in the right direction. Also liked Rita's suggestion re. recycling plastic bags (assuming they would work in the dispensers.)

Mary,

I am in receipt of this complaint. Our officers are well aware of the local ordinance and speak to people when they are caught violating this. As with any enforcement in our small community, these problems are usually addressed with a verbal warning to first time offenders. While many people are very inconsiderate when it comes to cleaning up after their dog, many people are not aware or forget that we have a local ordinance about picking up after their dog, let alone that they are required to have items with them to clean up any mess. While this is an apparent problem and a nuisance to many, I feel a first time verbal warning is not out of the question just as if an officer decides whether or not to issue a traffic summons on a vehicle stop. I live on the main road and find dog feces on my lawn all the time. When I catch someone, I will go out and ask them to please pick it up and have even given a few people a grocery bag to pick it up. I am a dog owner and know what it is like. But these times are few and far between and most of the time I am picking this stuff up on my own as there is no one around to blame.

As for enforcement, it is correct that a person must be caught in the act for violating this ordinance. Per the New York State Criminal Procedure Law, a violation of this ordinance is considered a violation, and a person cannot be arrested by the police for a violation of any law when said violation did not occur in the officers presence. The only way, other than being caught by the officer, is if someone else observes the violation and is willing to give a supporting deposition to the police, in which case we can act on the deposition and arrest the person for the violation. If we acted on and arrested people based on our belief that a person may or may not have done something, or took someone's word that a person committed a violation and did not

8/21/2013

support this statement through a deposition, we would be falsely arresting people, thereby violating the NYS CPL and also violating a person's civil rights.

I will post a reminder memo for my patrol officers to initial and acknowledge regarding this local law and be aware of this problem while on patrol. Feel free to share this with whoever and if they have further questions on how we may address this problem further from a law enforcement standpoint, refer them to speak to me.

Chief Eric Proulx

Hi Mary,

Feel compelled to contact you with the hopes you will forward to appropriate folks.

On a recent walk. Stetson to Sunset, down Park, on to Wawbeek, etc I noted at least five areas in the middle of the sidewalks where dog poop had been left to greet walkers, children, etc.. Yuk! I repeatedly had to call out "watch your step."

It appears that enforcement of poop and scoop is (non-existent?) at an all time low. The village needs to consider effective signage. It's my thought that signage on those neat little dispensers with plastic bags for dog owners to use when their pet poops is a step in the right direction to remind owners and everyone else who have to put up with their thoughtlessness, that is not acceptable. It's offensive to all, and a health hazard especially so to small children.

Unfortunately, because of our many discussions regarding this and littering, and being told that the perpetrators have to be "caught in the act." I can only assume it's futile to speak about enforcement.

We can do better than this.

Thanks.
Ellen

as follows:

AMENDMENTS OF CHAPTER 13 DOGS

LOCAL LAW #2

2005

(SEE ATTACHED)

(If additional space is needed, attach pages the same size as this sheet, and number each.)

AMENDMENT OF CHAPTER 13 DOGS

LOCAL LAW # 2 of 2005

A local law relating to the amendment of subparagraphs 13-3, to include a requirement of dog owners to clean up excrement of their animal when they are not on property they own, 13-5 to include police and/or any law enforcement officer or peace officer for enforcement and 13-6 to amend penalties for offenses.

§ 13-3 is hereby repealed and replaced with the following:

§ 13-3 Prohibited Actions

A. It shall be unlawful for any owner of a dog to permit, or allow, or have anyone else who has custody and control of such dog to:

1. **Leash required.** Run at large.

2. **Disturbance to the Public.** Engage in habitual loud howling, barking, or whining or to conduct itself in such a manner as to habitually annoy any person other than the owner of the dog.

3. **Damage.** Cause damage or destruction to public or private property other than on property of the owner of the dog.

4. **Clean Up.** It shall be the responsibility of dog owners or persons who are in custody and control of a dog within the Village of Tupper Lake, to immediately remove from any street, sidewalk or other public or private property, other than the dog owner's property, any defecation made by such dog or dogs.

4.1 **Removal Item.** Every person walking a dog (also dogs) on property other than that owned by the dog owner, shall be required to carry a device commonly referred to as a pooper scooper or such other implements or materials capable of being utilized to remove the defecation of the dog or dogs.

4.2 **Disposal.** It shall be unlawful for any person to dispose of the dog defecation in any other place other than the owner's home. In no event shall any feces be disposed of in any sewer or drain, whether storm or sanitary.

4.3 **Exemptions.** The provisions of Article 13 subsection 4, 4.1, and 4.2, shall not apply to any person with a disability as defined in § 292 (21) of the Executive Law.

5. **Prohibited Actions.** It shall be unlawful for any dog owner or person having custody and control of such dog:

A. To allow the dog to bite, chase, jump upon or otherwise harass any person in such a manner as to cause intimidation or to put such person in reasonable fear of bodily injury.

B. To allow the dog to chase, leap on or otherwise interfere with pedestrian traffic of persons riding any means of transportation, whether or not such transportation is powered by muscular power or by any engine, whether electrical, diesel, or gas powered.

C. To allow the dog to kill or injure any dog, cat or household pet.

D. To fail to license the dog after age six months or older.

E. To fail to have a current and valid New York State Identification tag on its collar when the dog is at large or unrestrained by a leash.

F. If female dog, to be off the owner's premises when it is in heat.

And Chapter 13 is further amended by adding the following underlined language to subparagraph A of Chapter 13-5 and leaving the rest of the sub-chapter in force.

Chapter § 13-5 Appearance tickets, complaints, remedies, enforcement

A. Any dog control officer, police officer and/or any law enforcement officer or peace officer shall have authority to issue an appearance ticket, or in lieu thereof, a uniform appearance ticket and simplified information as provided by the Criminal Procedure Law and the Agricultural and Markets Law.

Chapter § 13-6 is hereby repealed and replaced with the following:

§ 13-6. Penalties for Offenses. Any violation of this article shall constitute a violation, punishable by a mandatory minimum fine of not less than \$100 for each occurrence or separate offense; a mandatory minimum fine of not less than \$200 for each subsequent occurrence or separate offense, and a mandatory minimum fine of \$300 for each subsequent occurrence or separate offense and/or by imprisonment for a period not exceeding ten days or by both such fine and imprisonment for each separate offense.

Fines are mandatorily doubled for violations occurring on school grounds, whether public or private and in public parks or recreation areas.

The Court is directed to UJCA § 2021 and PL § 420.10 for fines and imposition of such fines and under PL § 430.20 for imprisonment for the failure to pay fines.

This local law amendment shall take effect immediately upon filing with the Secretary of State, provided, however, that if such local law is subject to a permissive referendum, the village clerk shall forthwith proceed to notice such fact and conduct such referendum if required by petition. All other provisions of this Article that have not been repealed or amended by this local law will remain in full force and effect.

(Complete the certification in the paragraph that applies to the filing of this local law and strike out that which is not applicable.)

1. (Final adoption by local legislative body only.)

I hereby certify that the local law annexed hereto, designated as local law No. 2 of 2005 of the (County)(City)(Town)(Village) of TUPPER LAKE was duly passed by the BOARD OF TRUSTEES on JUNE 20 2005, in accordance with the applicable provisions of law.
(Name of Legislative Body)

2. (Passage by local legislative body with approval, no disapproval or repassage after disapproval by the Elective Chief Executive Officer*)

I hereby certify that the local law annexed hereto, designated as local law No. _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____, and was (approved)(not approved)(repassed after disapproval) by the _____ and was deemed duly adopted on _____ 20____, in accordance with the applicable provisions of law.
(Name of Legislative Body)
(Elective Chief Executive Officer*)

3. (Final adoption by referendum.)

I hereby certify that the local law annexed hereto, designated as local law No. _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____, and was (approved)(not approved)(repassed after disapproval) by the _____ on _____ 20____. Such local law was submitted to the people by reason of a (mandatory)(permissive) referendum, and received the affirmative vote of a majority of the qualified electors voting thereon at the (general)(special)(annual) election held on _____ 20____, in accordance with the applicable provisions of law.
(Name of Legislative Body)
(Elective Chief Executive Officer*)

4. (Subject to permissive referendum and final adoption because no valid petition was filed requesting referendum.)

I hereby certify that the local law annexed hereto, designated as local law No. _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____, and was (approved)(not approved)(repassed after disapproval) by the _____ on _____ 20____. Such local law was subject to permissive referendum and no valid petition requesting such referendum was filed as of _____ 20____, in accordance with the applicable provisions of law.
(Name of Legislative Body)
(Elective Chief Executive Officer*)

* Elective Chief Executive Officer means or includes the chief executive officer of a county elected on a county-wide basis or, if there be none, the chairperson of the county legislative body, the mayor of a city or village, or the supervisor of a town where such officer is vested with the power to approve or veto local laws or ordinances.

5. (City local law concerning Charter revision proposed by petition.)

I hereby certify that the local law annexed hereto, designated as local law No. _____ of 20____ of the City of _____ having been submitted to referendum pursuant to the provisions of section (36)(37) of the Municipal Home Rule Law, and having received the affirmative vote of a majority of the qualified electors of such city voting thereon at the (special)(general) election held on _____ 20____, became operative.

6. (County local law concerning adoption of Charter.)

I hereby certify that the local law annexed hereto, designated as local law No. _____ of 20____ of the County of _____ State of New York, having been submitted to the electors at the General Election of November _____ 20____, pursuant to subdivisions 5 and 7 of section 33 of the Municipal Home Rule Law, and having received the affirmative vote of a majority of the qualified electors of the cities of said county as a unit and a majority of the qualified electors of the towns of said county considered as a unit voting at said general election, became operative.

(If any other authorized form of final adoption has been followed, please provide an appropriate certification.)

I further certify that I have compared the preceding local law with the original on file in this office and that the same is a correct transcript therefrom and of the whole of such original local law, and was finally adopted in the manner indicated in paragraph _____, above.

Mary H. Casagrande
Clerk of the County legislative body, City, Town or Village Clerk
or officer designated by local legislative body

Re: Safety Seminars

Each year the Plattsburgh-North Country Chamber of Commerce applies for a grant from the NYS Hazard Abatement Board so that we can provide high quality safety training for you at a greatly reduced price.

Home of:

North Country
Small Business
Council

We have received a grant again and this year we have scheduled the seminars. We've chosen subjects suggested by you on the surveys from the seminars last year and worked with our trainers to develop programs that will help you to continue to improve your safety program.

Adirondack Coast
Visitors & Convention
Bureau

We're always working to make our programs better. Each person will receive a signed certificate for each seminar attended again this year. We have published a catalog of the seminars with detailed descriptions of the subjects that will be covered and information about the instructors who will teach the courses. We've even included a registration form so you can register for the seminars you want to attend. Seating for all of the seminars is limited. Make sure you have a seat by registering now with the convenient fax back form or by registering online at www.northcountrychamber.com.

North Country
Industrial Council

Québec-New York
Corridor Coalition

New York's
Tech Valley

S.C.O.R.E.

We have received funding to help you with your on-site training again this year. If you have a safety subject you need to train several of your employees on and want to do it in your own facility, let us know. We may be able to arrange to have a trainer come in to do the training at no cost to you. There is no paperwork for you to fill out. All you have to do is use a sign-in form that we provide for the employees that attend the training.

Essex County

Subject: Revitalization Update

Good morning.

I hope you are all doing well and that you enjoyed the beautiful summer weather this weekend!

I thought I would send a quick update before tonight's Board meeting:

Beach Feasibility Study:

- We have a tentative target date of October 24th for the public meeting to present the draft Feasibility Study and Park Master Plan. When Steven Tupu returns from vacation, we will work through a timeline for review of draft product components by DOS and the Village.
- Steven's staff is reaching out to the Town for input, and Jim Abdallah planned to speak with Village Staff while he was in Tupper Lake last week. This final outreach will conclude formal efforts to gather input.
- Jim Abdallah is advancing the water quality testing and site survey while Steven is on vacation.

BOA:

- I informed David MacLeod, our DOS rep, that the community had selected River Street and that the Village was ready to hire. He approved the selection, so I informed him we would ask River Street to draw up a scope of work and contract for review.
- I have asked River Street to draft the scope of work and contract. After we work out the details, we'll finalize the date for a second scoping meeting with David MacLeod. As of now, I'm hoping for our regular September meeting, Thursday, 9/26.

Park Construction:

- Jim Abdallah and I touched base went week, and he told me the precon meeting went well.
- He also mentioned that you were considering a groundbreaking event. That would be great--please take lots of pictures if I can't get there! Perhaps Michele Clement and some of the Revitalization Committee members might be willing to help. Also, maybe something could be coordinated with the Park WiFi coming on line (I believe it is now live and ready for use.)
- If it would be helpful for me to send out an email to the Rev Comm group to ask for help, please just let me know!

I am settling into grant writing, and am very pleased that Franklin County will hopefully be joining Clinton County in the regional grant application(s) this year, which means any funding would be accessible for Tupper!

Jim Abdallah is handling construction phase issues on the Playground and Gateway, but please just let me know if you have any questions or if there is anything you need me to take care of.

7/15/2013

Thank you.
Melissa

7/15/2013

Village of Tupper Lake
Board of Trustees
Minutes

Date: Monday, July 15, 2013
Location: Board Room
Meeting: Regular 6:00-7:00 PM

At the Regular Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Leon LeBlanc, Thomas Snyder, David Maroun and Village Clerk/Treasurer Mary A. Casagrain.

Trustee Richard Donah was absent from the Regular Meeting.

Also present were resident Ronald LaScala, Electric Department Superintendent John Bouck, Department of Public Works Superintendent Michael Sparks, Police Chief Eric Proulx, Code Enforcement Officer Peter Edwards and News Reporters Shaun Kittle, Daniel McClelland and Ted Morgan.

Call Regular Meeting
To Order Mayor Maroun called the Regular Meeting to order and established the agenda at 6:00 pm.

Pledge Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Collin Gillis.

Open Public
Period: There were no public comments.

Mayor's Announcements:

Adirondack Arc
Update Mayor Maroun announced that we received notice that the Adirondack Arc will be increasing its capacity at their 35 Park Street IRA from three residents to four residents.

Approve Minutes Motion by Trustee LeBlanc, seconded by Trustee Snyder to approve the Board Minutes from June 24, 2013 Regular Meeting and July 10, 2013 Public Hearings. (Carried 4-0)

Code Enforcement:

Accept June
Report Motion by Trustee LeBlanc, seconded by Trustee Snyder to approve the June 2013 Monthly Code Report. (Carried 4-0)

Code Enforcement Officer explained that he currently has several small projects before the Joint Planning Board this month, a court case that was pending has been resolved and farm animal violation pending with the court.

Departments Thank
You

Mayor Maroun took a moment to thank the Electric, DPW, Water/Wastewater and Police Departments for helping the Woodsmen's Event this past weekend.

He also acknowledged Electric Lineman Marc Staves for getting our camera working again for this evening's meeting.

Fire:

Accept June's
Report Motion by Trustee Snyder, seconded by Trustee Maroun to approve the June 2013 Monthly Report. (Carried 4-0)

Block Dance
July 20, 2013

Reminder that the Volunteer Fire Department will be hosting their Family Block Party on Saturday, July 20, 2013 on High Street.

July 27, 2013
VFD Annual Golf
Tournament

Reminder that the Volunteer Fire Department will be hosting their annual golf tournament July 27, 2013 at the Tupper Lake Country Club.

Vehicles Update

#164 Ladder Truck still needs a new hydraulic tube which is expected to arrive any day now from East Glenville.

#169 Pierce Pumper work has been completed.

Mini Pumper needs brakes and master cylinder replaced.

Surplus Equipment
Sale Pagers

Fire Chief Carl Steffen asked for permission to sell the old 50+ High Ban Apollo Pagers that are surplus, it was so moved by Trustee Snyder, seconded by Trustee Maroun. (Carried 4-0)

Hose Pressure
Tester

Fire Chief Carl Steffen asked for permission to sell the Hose Pressure Tester that we have since it has never been used, it is surplus and has a value of \$2,500.00. It was so moved by Trustee LeBlanc, seconded by Trustee Snyder to place it for sale. (Carried 4-0)

Ladder Truck
School

Trustee LeBlanc asked Fire Chief Steffen to schedule a school for cross training on the Ladder Truck once it is back in service immediately.

Fire Chief Carl Steffen advised that a plaque will be made to alert employees and volunteers that the hydraulic pins are being retracted to prevent a repeat incident.

Police:
Accept June
Report

Motion by Trustee Snyder, seconded by Trustee Maroun to approve the June 2013 Monthly Police Report. (Carried 4-0)

Donations Accepted

Motion by Trustee Snyder, seconded by Trustee Maroun to formally accept a \$150.00 donation from the Chamber of Commerce for the Police Department's assistance during the Tinman Triathlon Event. (Carried 4-0)

Water/Wastewater:
Northern NY Water
Works Meeting

Motion by Trustee Snyder, seconded by Trustee Maroun to authorize five members to attend the Northern New York Water Works Conference Summer 2013 Meeting in Wanakena, NY August 23, 2013. (Carried 4-0)

HydroSource Associates
Inc. Visit 7/23/13

As a courtesy reminder Mr. Claude Cormier with HydroSource Associates, Inc. will be here July 23, 2013 at 11:30 am to give us an update on the exploration for a new ground water source.

DPW:
Misc. Updates

Department of Public Works Superintendent Michael Sparks reported that the field is in good shape following the Woodsmen's Event.

This week he plans to spread the new clay that has arrived and then to get back on Pleasant Avenue.

Electric:
Electric Curtailment

There will be no reduction in firm hydro energy sales for the month of August 1-31, 2013.

Ball Park Lighting Project Update Electric Superintendent John Bouck advised that he has been in talks with our lighting supplier Wesco to make sure they are on schedule for the delivery of our new ball park lighting and also with Armour Tower for the installation.

Treasurer:
Approve Warrant Motion by Trustee Snyder, seconded by Trustee Maroun to approve the July 15, 2013 in the amount of \$235,617.00 for payment of the bills and abstracts for the month June 2013. (Carried 4-0)

Review Cash Position Review the monthly cash position for June 30, 2013.

Water & W/WW Budget Transfers Motion by Trustee Snyder, seconded by Trustee Maroun to approve budget transfers for Water Fund in the amount of \$7,316.58 and Water/Wastewater in the amount of \$54,296.49 for Fiscal Year End May 31, 2013. (Carried 4-0)

Small Cities:
Approve Applications For Grants 2013 Motion by Trustee Maroun, seconded by Trustee LeBlanc to authorize submission of a \$400,000 HOME and a \$400,000 AHC Grant for the Village of Tupper Lake for 2013 and to authorize Mayor Maroun to execute an agreement with Avalon Associates, Inc. The cost of the grant applications will be \$2,250 and \$1,750 respectively. (Carried 4-0)

Tupper Lake Multi-Use Connector Trail Update Mayor Maroun advised that our Multi-Use Connector Trail is being held up by NYS DOT concerning use of 1500' of rail bed from Cedar Street to Chemical Street. He advised he has a phone conference scheduled in the coming days with NYS DOT Representative Mr. Donald Mattimore to discuss alternatives to getting the trail back on schedule.

Call Ins: There were no calls.

Enter Executive Session Motion by Trustee LeBlanc, seconded by Trustee Snyder to enter Executive Session at 6:37 pm to discuss personnel for the electric and the office. (Carried 4-0)

Exit Executive Session Motion by Trustee LeBlanc, seconded by Trustee Maroun to Exit Executive Session at 6:55 pm. (Carried 4-0)

Approve Local Law #3-2013 Amendments To Chapter 48 Vehicles & Traffic Motion by Trustee LeBlanc, seconded by Trustee Maroun to formally approve Local Law #3-2013 Amendments to Chapter 48 Vehicles & Traffic in which the Public Hearing was held on July 10, 2013. The amendments modify sections §48-4 titled Through Streets; a stop sign will be placed at the entrance of Lafayette Street at Woulf Avenue & §48-9 Parking Prohibited; handicapped parking, time limit parking to prohibit parking on the south side of Washington Street along the Washington Street Municipal Park from Amoriell Avenue to Malerba Avenue and to also create a handicap parking place along Park Street in front of 82 Park Street. (Carried 4-0)

Adjournment

Motion by Trustee LeBlanc, seconded by Trustee Maroun to adjourn at 7:00 PM. (Carried 4-0)

Mary A. Casagrain, Village Clerk/Treasurer

Board of Trustees
Minutes

Date: Monday, July 22, 2013
Start: 5:00 PM
Location: Board Room
Meeting: Special Meeting 5:00 – 7:40 PM

At the Special Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Leon LeBlanc, David Maroun, Richard Donah, Thomas Snyder and Village Clerk/Treasurer Mary A. Casagrain.

Call to Order and
Agenda Established Mayor Maroun called the Special Meeting to order and established the agenda.

Executive Session Motion by Trustee LeBlanc, seconded by Trustee Snyder to enter into Executive Session at 5:00 pm to conduct interviews for the Deputy Village Clerk position.

Exit Executive
Session Motion by Trustee LeBlanc, seconded by Trustee Donah to exit Executive Session at 7:30 pm. (Carried 5-0)

Authorization to Bid
ESB Project Motion by Trustee LeBlanc, seconded by Trustee to advertise July 31, 2013 for the construction of the proposed Emergency Services Building Project with the bid opening to be Tuesday, August 20, 2013. (Carried 5-0)

Adjournment Motion by Trustee LeBlanc, seconded by Trustee Maroun to adjourn the Special Meeting at 7:40 pm. (Carried 5-0)

Mary A. Casagrain, Village Clerk/Treasurer

Village of Tupper Lake
Board of Trustees
Minutes

Date: Tuesday, July 23, 2013
Start: 11:30 AM
Location: Board Room
Meeting: Special Meeting 11:30 AM – 1:16 PM

At the Special Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Leon LeBlanc, David Maroun and Village Clerk/Treasurer Mary A. Casagrain.

Absent from the Special Meeting were Trustees Richard Donah and Thomas Snyder.

Also present were Water/Wastewater Superintendent Mark Robillard, NYS DOH Public Health Engineer Mr. Kevin Scheuer, HydroSource Associates, Inc. representative Mr. Claude Cormier and News Reporters Ted Morgan, Daniel McClelland and Shaun Kittle.

Call to Order and Agenda Established Mayor Maroun called the Special Meeting to order and established the agenda.

Claude Cormier Phase II Report Update Mr. Claude Cormier with HydroSource Associates, Inc. started by giving a broad background of what the survey results showed. He then explained in detail what the Phase II Well Geophysical Surveys findings were and what the next step would be to access the landowner's property to drill.

Kevin Scheuer NYS DOH Update Mr. Kevin Scheuer with the NYS DOH explained in detail what the Tupper Lake Filter Plant has for violations and that we draw 350-500,000 gallons a day and are looking to replace the source or upgrade the facility at an estimated cost of \$8 Million.

Negotiations With Property Owners Ideally we'd like to comply with a new source comparable with 800,000 gallons a day in the timetable schedule required; we need to show progress of a new source by July 2015.

Executive Session It was noted by Claude Cormier that the Village needs to stake out the areas of interest, map out roads, try to use existing roads if possible and schedule drillers to mobilize to the areas for testing.

Exit Executive Session Motion by Trustee LeBlanc, seconded by Trustee Maroun to enter into Executive Session at 12:35 pm to discuss negotiations with property owners and our legal counsel. (Carried 3-0)

Session Motion by Trustee Snyder, seconded by Trustee LeBlanc to exit Executive Session at 1:15 pm. (Carried 3-0)

Adjournment Motion by Trustee Snyder, seconded by Trustee LeBlanc to adjourn the Special Meeting at 1:16 pm. (Carried 3-0)

Mary A. Casagrain, Village Clerk/Treasurer

Agenda for the Wednesday, August 28, 2013 Tupper Lake Joint Planning Board Meeting

All rise for the Pledge of Allegiance

Roll Call: Jim Larkin, Planning Board Chairman
Bob Collier Ralph Russell Ralph Russell Jim Ellis
Ben Peets Shawn Stuart Jim Merrihew

1. Scheduled Public Hearings: At 7 PM, or as soon as possible thereafter, the Tupper Lake Joint Planning Board will open the scheduled Public Hearings.

The Tupper Lake Joint Planning Board will open the Public Hearing for applicant Michael and Ursula Vaillancourt request an amendment to Special Use Permit # 004-2012 to add four (4) additional apartments to the permit in place of the original request for two (2) apartments in a multifamily residential/commercial building. The total number of apartments will be six (6).

1.1 After all parties are heard regarding Michael and Ursula Vaillancourt's request for an amendment to Special Use Permit # 004-2012 to add four additional apartments. Board may, at its option, close the hearing, continue the hearing, or temporarily adjourn.

2. After the appropriate hearing motion is made the Chairman will open the Tupper Lake Joint Planning Board scheduled August 28th meeting.

2.1 Discussion and action as appropriate on Vaillancourt for four additional apartments. Amendment to Special Use Permit #JPB 004-2012.

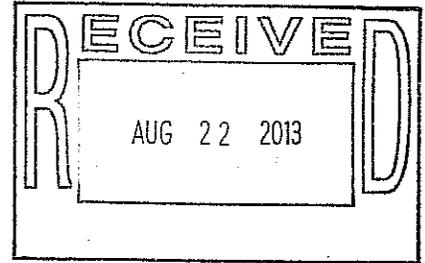

2.2 **Review Tabled Item:** Application #JPB 11-2013 Bruce Amell, requests for a Special-Review Use Permit for the care or keeping of animals. Discussion and action as appropriate.

2.3 Preliminary Review: Application # JPB 12-2013 Village of Tupper Lake, and the property owner, Tupper Lake Associates, LLC request a two (2) lot minor subdivision. To accommodate the construction of the proposed shared emergency services building (set public hearing).

2.4 Preliminary Review: Application # JPB 14-2013 Village of Tupper Lake, and the property owner, Tupper Lake Associates, LLC request a Special Use Permit, for construction of a 15,372 square foot shared emergency service building (set public hearing).

2.5 Preliminary Review: Application # JPB 13-2013 Thomas Sciacca, requests a minor two (2) lot subdivision located between Racquette River Drive and Byram Road. Discussion and action as appropriate (set public hearing).

3. **The Adirondack Club and Resort; (if required, Discussion/action as appropriate).**
4. **Approve Minutes for July 24, 2013 meeting.**
5. **Announcements/Discussion/Updates**
Paul O'Leary, Town Code Enforcement Officer
Pete Edwards, Village Code Enforcement Officer
6. **Public comment**
7. **Set the September 2013 Regular Meeting (fourth Wednesday is September 25).**
8. **Motion to adjourn.**

August 21, 2013

Honorable Paul Maroun
Village of Tupper Lake
53 Park Street, PO Box 1290
Tupper Lake, NY 12986

RE: A2013-0136, J2013-0461;
Date Jurisdictional Inquiry Received: July 24, 2013
Location of Project: Town of Tupper Lake, Franklin County
Tax Map No.: 490.35-2-2.1

Dear Mr. Maroun:

Thank you for submitting your jurisdictional inquiry form. Staff has reviewed the information you submitted and determined that an Agency permit is required for the two lot subdivision due to the involvement of wetlands. In a Hamlet land use area, a subdivision involving wetlands constitutes a Class A regional project requiring an Agency permit pursuant to §810(1)(a)(1) of the Adirondack Park Agency Act and a regulated activity requiring a wetlands permit pursuant to 9 NYCRR Sections 578.2 and 578.3(n)(3)(i).

If you decide to apply for a permit, please complete and return the enclosed permit application form with all required signatures and attachments. Once submitted, the information you provide with this permit application will supplement that which you have already provided and will commence our processing of your application. If you have any questions, please contact Agency Environmental Program Specialist Ariel Lynch who is assigned to your project.

Pursuant to Agency regulations, your project may not be undertaken¹ until the required permit has been obtained. In

¹"Undertaken" includes commencement of any part of the project including grading, clearing, excavation, or construction of a road, etc.

Honorable Paul Maroun
August 21, 2013
Page 2 of 2

addition, please note that there may be reasons for Agency jurisdiction over this project beyond that described above.

Thank you again for contacting the Agency about your development plans. We look forward to working with you should you decide to proceed with the permitting process.

Sincerely,

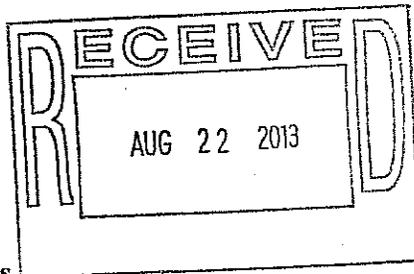

Colleen Parker
Environmental Program Specialist 3
Regulatory Programs

Enclosure: Minor Project Permit Application - JIF Supplement
Site Plan Guidance

cc: Town Code Enforcement Officer

CCP:DWM:slp

This form is to be used **ONLY** for the following proposals which are classified as “Minor Projects” **AND** which have been determined to need a permit as a result of the submittal of a JIF (Jurisdictional Inquiry Form):

- A Two-lot Subdivision
- Installation of a Mobile Home
- Construction of a Single Family Dwelling

PERMIT APPLICATION PROCESS:

Your JIF file has been transferred to the Agency’s Regulatory Programs Division. In order to commence processing of your application, you must submit the following application materials with all attachments in addition to those previously submitted with the JIF.

Within 15 days of receipt by the Agency of a filled-out and signed JIF Supplemental Form, you will be notified in writing whether your application is complete. The Agency may request additional information during the course of its review, based on the specific scope and extent of the proposed project and on the assessment of conditions found at the project site during a site visit conducted by Agency staff as part of the review.

If your permit application is determined to be incomplete, you will receive a “Notice of Incomplete Permit Application” by Certified US Mail. That notice will include a specific list of information and/or documents needed for a complete application.

Please remember that until a permit has been issued by the Agency, your proposed project may not be undertaken.

1. Site Plan Map or Subdivision Map

Attach as **ATTACHMENT A**, a site plan map or subdivision map clearly labeled with the map scale, north arrow, date of preparation and name of preparer.

If the project involves a subdivision and either of the two lots are vacant and are not deed-restricted for non-building uses, then suitable building envelopes must be shown on the map. The Agency must know in advance that the proposed lots are capable of being developed as building lots prior to approving a residential subdivision. (A future lot owner can apply to the Agency for a permit amendment if construction is preferred in a location that is different from the approved building location.)

Site plan map or subdivision map requirements:

The site plan map or subdivision map must usually be drawn to a scale of 1 inch = 50 feet to show the entire project site. However, for larger parcels, depict the entire project site at a smaller scale (e.g., 1" = 100' or 1" = 200') and also depict the area of development at 1" = 50'. Show and label, as applicable, the following:

- a. existing property boundary lines and proposed lot lines and lot numbers (i.e., Lot 1 and Lot 2), including dimensions and size of each lot (in acres or square feet), and any existing or proposed rights-of-way or easements;
- b. existing bodies of water, including the water body name and the mean high water mark for any pond, lake, navigable stream, river, or intermittent stream;
- c. wetland boundaries;
- d. existing and proposed structures (e.g., single-family dwellings, mobile homes, sheds, signs, fences, docks, decks, boathouses), including location, size, use and setbacks from all roads, water bodies, property lines and lot lines for each lot created as a building lot;
- e. existing and proposed roads, driveways and parking areas, including locations, dimensions, and construction materials;
- f. existing and proposed public utilities, denoting whether overhead or underground;
- g. existing on-site wastewater treatment systems and water supplies;
- h. existing vegetative cover types (e.g., fields, woodlands, shrub areas, lawns);
- i. existing areas of slopes greater than 15%;
- j. existing areas of bedrock at or near the surface;
- k. temporary and permanent erosion control and stormwater management facilities, including ditches, swales, culverts, catch basins and sediment basins;
- l. the proposed limits of planned vegetative clearing (complying with minimum shoreline cutting restrictions);
- m. land use area boundaries as shown on the Official Adirondack Park Land Use and Development Plan Map and acreage of site in each land use area;
- n. local town zoning designation boundaries and required town setbacks;
- o. proposed landscape plantings, including plant name and size;
- p. proposed individual on-site water supplies and individual wastewater treatment systems (the plan must show all components of each proposed on-site individual wastewater treatment system and a 100% replacement area); and
- q. proposed exterior lighting fixtures, including height, fixture type and wattage.

2. Structure Plans

Attach as **ATTACHMENT B**, scaled floor plans and elevations of each proposed structure, including garages, gazebos, storage buildings, etc. and label dimensions, materials and colors. Include all proposed decks, porches and walkways.

Maximum height of structure as measured from the lowest point of existing or proposed grade under the structure to its highest point? _____ feet

3. On-Site Individual Wastewater Treatment System

a. Will a new or replacement on-site wastewater treatment system be installed as part of the project?

No (go to Section 3.e.)

Yes

b. Provide the number of bedrooms for each dwelling:

Lot 1: _____ Lot 2: _____

c. Has a deep-hole test pit been dug on the project site for each proposed on-site wastewater treatment system? The deep-hole test pits should be within 50 feet of the absorption trench component of the wastewater treatment system.

No. This information must be known to properly evaluate site suitability for any new on-site wastewater treatment system prior to the Agency being able to determine a permit application as complete. The slope of the existing grade and depth to seasonal high groundwater table and bedrock (from a soil profile description) must be determined by examination of a deep-hole soils test pit at the location of each proposed on-site wastewater treatment absorption trench system. This can be performed by a soil site evaluator or, if requested, Agency staff can provide this service. You will be expected to provide a back-hoe and operator when Agency staff visits the site to examine the deep-hole soils test pit(s). Scheduling for the digging of deep-hole test pits must be arranged with staff well in advance. Please be aware that the Agency does not perform soil percolation tests. (Proceed to 3.e.)

Yes. Indicate date _____ and who examined the deep-hole soils test pit _____ . Provide a copy of the soil test pit examination report and proceed to 3.d.

d. How far below the existing grade are bedrock and the seasonal high groundwater table (based upon the soil profile description from the deep-hole test pit)?

Less than 48 inches to bedrock or less than 24 inches to seasonal high groundwater table. Please note that the site does not meet minimum guidelines contained in the *Agency's Guidelines for On-Site Sewage Disposal Systems*, dated March 25, 1991. The site may not support an on-site wastewater treatment system.

Greater than 48 inches, but less than 72 inches to bedrock or greater than 24 inches, but less than 48 inches to seasonal high groundwater table.

Attach as **ATTACHMENT C**, detailed plans prepared in accordance with the Agency's *Minimum Requirements for Engineering Plans for On-site Wastewater Treatment Systems* (dated March 2003), for the proposed shallow absorption trench or other acceptable wastewater treatment system(s). The plans must be prepared by a licensed design professional (e.g., New York State licensed professional engineer or architect) and show at a minimum:

- (1) deep-hole test pit location and soil profile description to include slope of existing grade, depth to bedrock, and depth to seasonal high groundwater table at proposed shallow absorption trench area;

- (2) soil percolation test hole location and results taken within the proposed absorption area(s)
- (3) details on design of the system (application rate and number of bedrooms, etc.);
- (4) size and type of septic tank;
- (5) pumping station (if necessary);
- (6) distribution box;
- (7) shallow absorption trench system design depicting cross-section (to include trench depth) and longitudinal view; and
- (8) 100% replacement area.

____ Greater than 72 inches to bedrock and greater than 48 inches to seasonal high groundwater table.

Attach as **ATTACHMENT D**, detailed plans for the proposed absorption field wastewater treatment system(s) that are prepared by a contractor experienced in installing such systems and show at a minimum:

- (1) deep-hole test pit location and soil profile description to include slope of existing grade, depth to bedrock, and depth to seasonal high groundwater table at proposed absorption field area;
- (2) soil percolation test hole locations and results for each lot taken within the proposed absorption area(s);
- (3) details on the design of the system (application rate and number of bedrooms);
- (4) size and type of septic tank;
- (5) pumping station (if necessary);
- (6) distribution box;
- (7) absorption field design depicting cross-section and longitudinal view; and
- (8) 100% replacement area.

- e. If continued use of an existing wastewater treatment system is proposed, indicate the type, material, capacity (size), age and functional condition of each component of the system (septic tank, distribution box, leach lines, etc.):

Please note that continued use of an existing system must be adequate in both size and condition to serve any new or expanded use and/or proposed development; otherwise, a new or upgraded system will be required.

4. Shoreline

- a. Does the project site contain any shoreline on a lake, pond or navigable river or stream?
 - ___ No **(go to Section 5.)**
 - ___ Yes. Name of water body: _____
 - Length of shoreline of the property (as it winds and turns): _____ feet
- b. Is any portion of the shoreline currently being used or proposed for use by others for deeded or contractual access to the water body?
 - ___ No.

Yes. Identify by tax map designation all lots currently having access and the date access was granted. Also, identify all lots proposed to be granted shoreline access as part of this project: _____

c. Will any vegetation be cut or removed within 35 feet of the water body or within 100 feet of a designated NYS Wild, Scenic or Recreational River?

No

Yes. Please describe type, amount and location of vegetation to be removed:

d. Except for docks and boathouses, what is the shortest horizontal distance from the existing closest structure greater than 100 square feet in size, including attached decks and porches, to the mean high water mark of the water body? _____ feet

e. Except for docks and boathouses, what is the shortest horizontal distance between any proposed new or expanded building greater than 100 square feet in size, including attached decks and porches, and the mean high water mark of the water body? _____ feet

f. If the project involves a subdivision, what is the width of the smallest proposed shoreline lot (as it winds and turns)? _____ feet

g. Is the project site subject to flooding or within a federally designated floodplain?

No

Yes

5. Wetlands

a. Are there any wetlands on the project site?

No **(go to Section 6.)**

Yes

Unknown

b. Will any of the activities listed below occur within the boundaries of a freshwater wetland?

No

Yes (check all that apply):

New land use and development, including dwelling, driveway, boathouse, dock, etc.

Subdivision of land involving wetlands.

Draining; dredging; excavation; removing soil, peat, muck, sand, shells or gravel.

Dumping or filling with soil, stone, sand, gravel, mud, rubbish or fill of any kind.

Erecting structures, building roads or driveways, driving pilings, or placing any other obstructions.

Clearcutting of more than three acres: provide number of acres _____.

c. Does the project involve any of the activities listed below whether or not within a wetland?

No

Yes (check any that apply):

Any form of pollution, including discharge of sewage effluent or other liquid waste into or so as to drain into a wetland (describe):

Any other activity which impacts the wetland, including diversion of surface or sub-surface drainage that adversely affects the natural hydrological regime, or substantially increases erosion or siltation or sedimentation into a wetland (describe):

d. Will the project involve the installation of on-site sewage or wastewater treatment system components (e.g., septic tanks, drainage fields, seepage pits, or sewer outfalls) inside of or within 100 feet of a wetland?

No

Yes

If the proposed project will alter or disturb wetlands, attach as **ATTACHMENT E**, an explanation of the steps taken to avoid the wetlands in your design of the project and to minimize the wetland impact, and a wetlands mitigation plan if required.

6. Historic Preservation Resources

If the project site or adjacent property has any buildings (e.g., houses, barns, commercial buildings) that are more than 50 years old, attach and label as **ATTACHMENT F**, a location map, project description, site plan map, and recent photographs keyed to the location map which the Agency will then submit to the New York State Office of Parks, Recreation and Historic Preservation (OPRHP) to initiate consultation that is required by the State Historic Preservation Act. You will be advised if additional information is required by the OPRHP to complete the required consultation. Please be advised that the Agency cannot deem an application as complete until a determination and/or recommendations for historic resource impact mitigation have been provided to the Agency by the OPRHP.

7. Deed Restrictions and Easements

Describe and provide as **ATTACHMENT G**, any existing deed restrictions, easements or rights-of-way associated with the project site.

Attach as **ATTACHMENT H**, proposed draft deed language that will restrict further subdivision or development on the project site or any other deed restrictions or easements proposed.

8. Deeds

Attach as **ATTACHMENT I**, complete copies of all deeds for the project site back through May 22, 1973. A copy of the title is NOT an acceptable substitute.

9. Other Governmental Reviews

a. Have town or village officials been contacted to determine whether the project requires any municipal approval?

___ No
___ Yes

Attach as **ATTACHMENT J**, a copy of the completed Local Government Notice Form.

If any municipal approval has been obtained for the proposed project, provide as **ATTACHMENT K**, documentation (e.g., permit, site plan approval or final approved subdivision plat) to the Agency which confirms that the project has been approved pursuant to all applicable village, town and/or county laws including any necessary approvals from the planning and zoning boards. Also, please provide a copy of the relevant minutes of all public meetings at which the project has been discussed. (This last request is continuous; the information should be provided to the Agency as it becomes available.)

b. Have you contacted any of the following New York State or federal agencies concerning this development proposal?

AGENCY	NO	YES	DATE	CONTACT PERSON & PHONE #, if known
NYS Department of Health				
NYS Department of Transportation				
NYS Department of Environmental Conservation				
NYS Office of Parks, Recreation & Historic Preservation				
U.S. Army Corps of Engineers				
Lake George Park Commission				
Other				

Attach as ATTACHMENT L, copies of all permits, approvals or determinations received from any of the agencies listed above.

10. Other Detailed Studies

The Agency is required to assess project impacts to the Adirondack Park's resources, which include open space, aesthetic, recreational and other critical resources. Please be advised that if a project involves potential visibility of proposed development from public roads, trails and water bodies, any statutorily-defined critical environmental area or potential adverse impacts to open space and recreational resources, detailed studies may be required to be submitted prior to the Agency determining the permit application complete. Such studies may include an alternatives analysis and/or a visual impact assessment. The need and requirements for these studies should be discussed with Agency staff at the earliest time practical to avoid or reduce delay.

Required Signatures

I HEREBY AUTHORIZE THE ADIRONDACK PARK AGENCY TO PROCESS MY JURISDICTIONAL INQUIRY AND JIF SUPPLEMENT FORM AS A MINOR PROJECT PERMIT APPLICATION.

I HAVE PERSONALLY EXAMINED AND AM FAMILIAR WITH THE INFORMATION SUBMITTED IN THIS APPLICATION, INCLUDING ALL ATTACHMENTS, AND I AFFIRM THIS INFORMATION TO BE TRUE, ACCURATE AND COMPLETE. IN ADDITION, IN THE CASE OF ANY PROJECT SPONSOR THAT IS A CORPORATION, LIMITED LIABILITY CORPORATION, PARTNERSHIP OR OTHER SIMILAR LEGAL ENTITY, I ALSO AFFIRM THAT I AM AUTHORIZED TO SIGN AND SUBMIT THIS APPLICATION ON BEHALF OF THAT ENTITY.

I HEREBY AUTHORIZE THE ADIRONDACK PARK AGENCY AND ITS STAFF TO ENTER ON THE PROPERTY DESCRIBED HEREIN FOR THE PURPOSES OF CONDUCTING SUCH INVESTIGATIONS, EXAMINATIONS, TESTS AND SITE EVALUATIONS AS IT DEEMS NECESSARY, AT REASONABLE TIMES AND WITH ADVANCE NOTICE WHERE POSSIBLE, TO VERIFY INFORMATION CONTAINED IN OR RELATED TO THIS APPLICATION FOR A PROJECT PERMIT.

**Signature of all Applicants (if not the landowners)
(Required for all applications):**

_____	_____	_____
_____	_____	_____
Signature	Print Name	Date

**Signature(s) of all Landowner(s) shown on current deed of record

Authorized Representative

___ I do not choose to have an Authorized Representative.

By filling in the name and address below and signing this application, the applicant is authorizing that person to act as his/her agent in all matters relating to this permit application before the Adirondack Park Agency. The applicant acknowledges that all contact regarding the application will be through his/her Authorized Representative. The applicant is, however, ultimately responsible for the accuracy of the information contained in this application and for compliance with all terms and conditions of any permit issued to him/her by the Agency.

Name: _____
Business: _____
Address: _____
Phone: _____

BLANK

LOCAL GOVERNMENT NOTICE FORM
for Project/Variance Application to the Adirondack Park Agency

The Adirondack Park Agency will not deem the application complete until the appropriate municipal official in the Town or Village where the project is located has completed and signed this form and it has been returned to the Agency.

If the town or village in which the project site is located has zoning or other regulations which apply to the proposal, the Adirondack Park Agency will be unable to issue a permit if: (a) the town or village has either refused to grant a necessary permit or variance, or (b) the proposal is a prohibited use in that jurisdiction.

To be completed by the applicant:

Applicant Name: _____

Landowner Name: _____

APA Project Number (if available): _____

Project site location: Town/Village: _____ Tax Map Number: _____

Project type/description: _____

If the project involves subdivision, please provide the appropriate local official a copy of the proposed plat as part of the project description with the plan title and date recorded in the space provided above.

To be completed by the Town/Village: Does the Town/Village have land use controls? Yes No

If Town/Village has zoning, provide Zoning District Name(s): _____

Is this "use" allowed in the zoning district(s)? Yes No

Is the project prohibited by any local law or ordinance? Yes No

Is a municipal permit, variance or other approval required for this project? Permit Variance
 Other (Specify: _____)

Has the municipality issued any decision on this project? Yes No

Provide explanation for any decisions on this project or inconsistencies the project may have with local laws or any comments you wish to provide to the Agency about the project: _____

Provide daytime telephone number if official signing this form wishes to discuss this project with Agency staff: (_____) _____

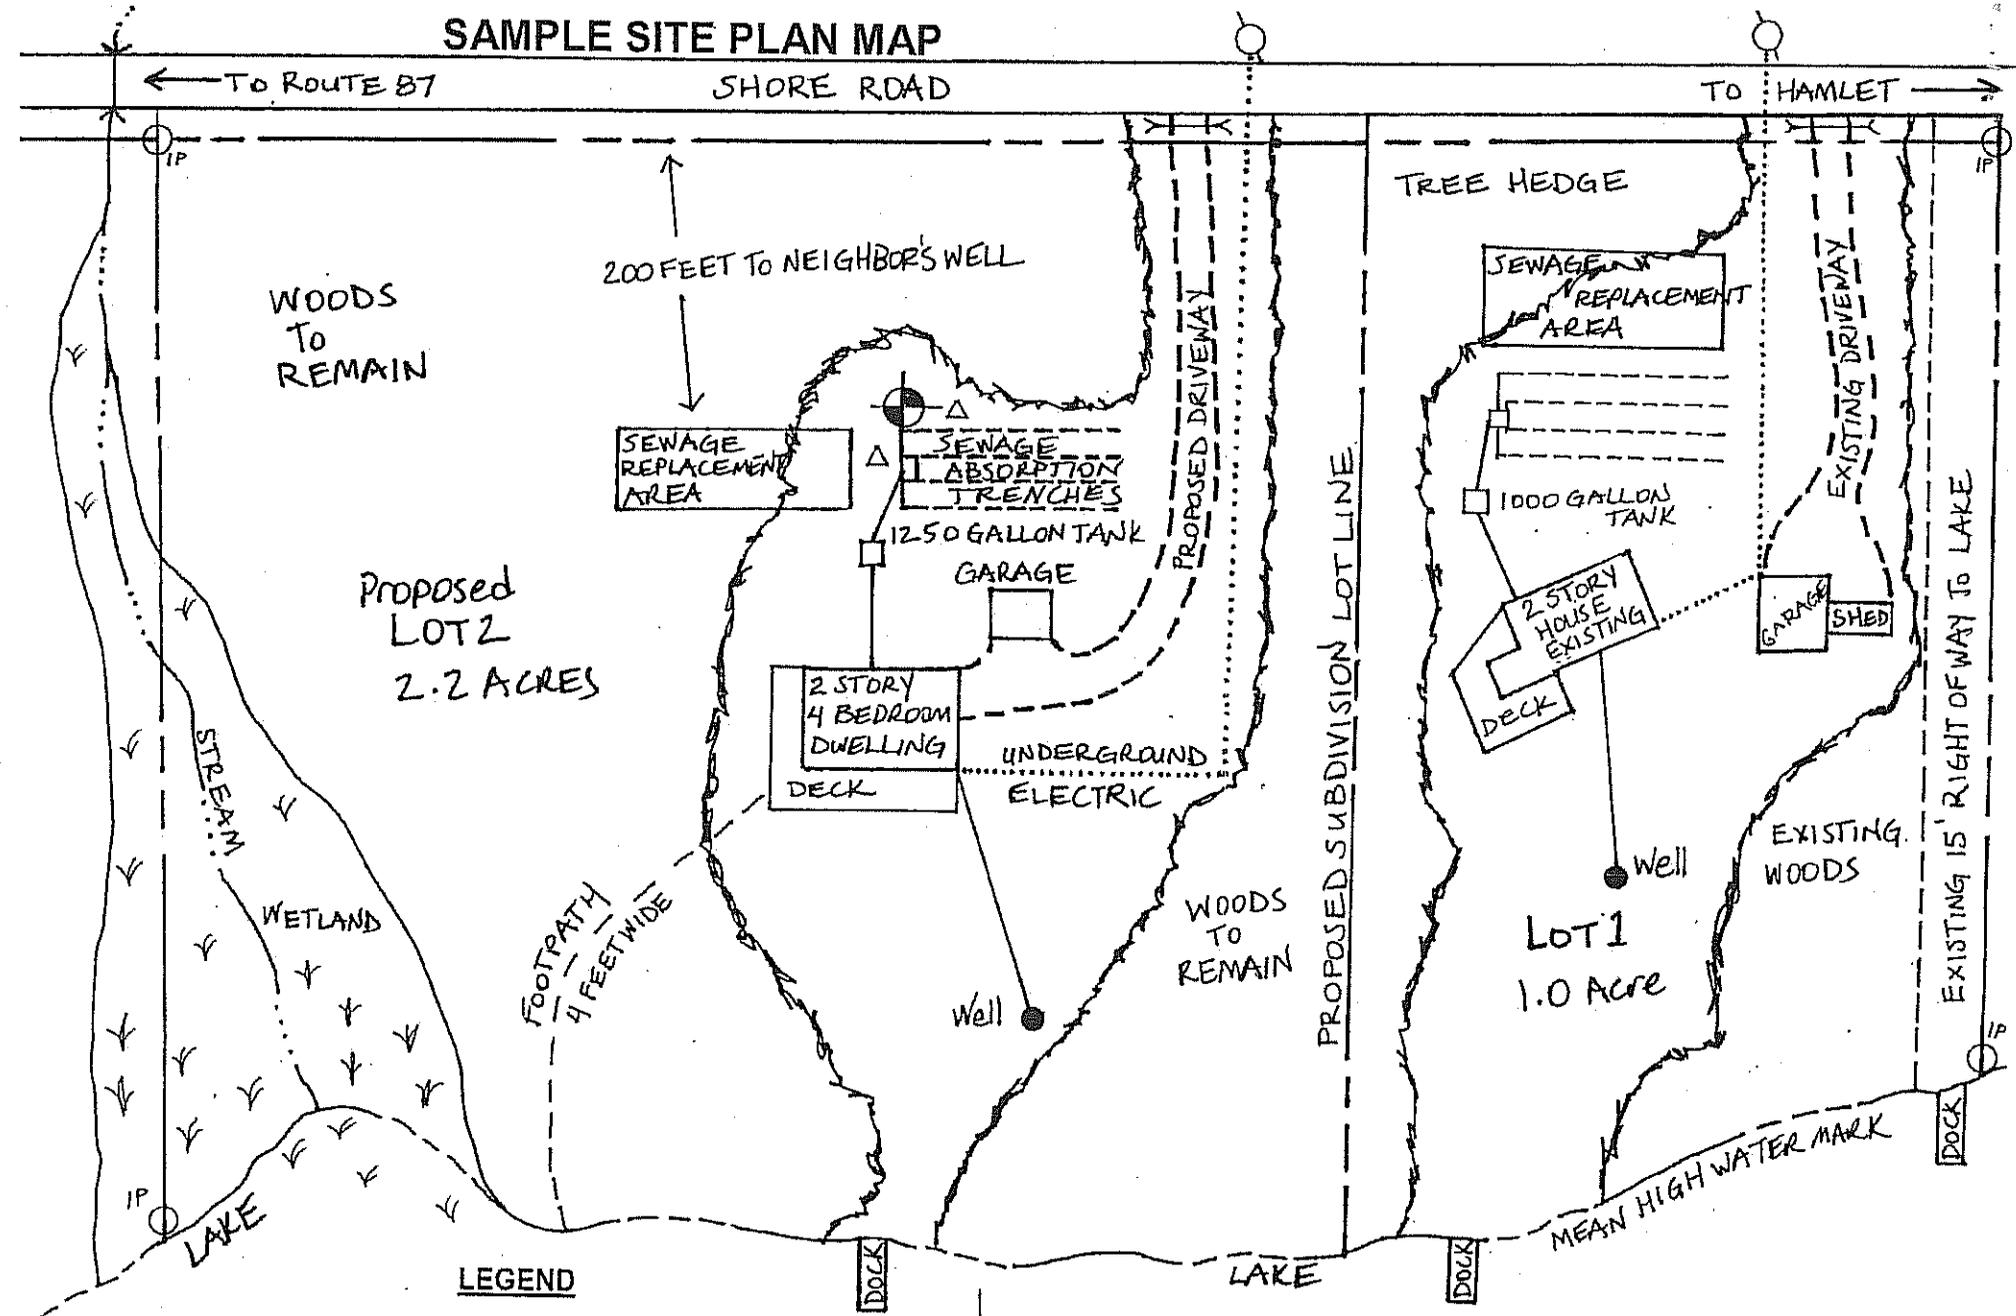

Signature of Zoning Official or Planning Board Chair (or Mayor/Supervisor if no such official exists)

Name and Title (Print)

Date

Return this form to the: Adirondack Park Agency, PO Box 99, Ray Brook, NY 12977
or fax: 518-891-3938

THIS NOTICE IS SENT TO YOU BECAUSE YOU ARE A PROPERTY OWNER IN THE VICINITY OF THE PARCEL DESCRIBED BELOW

LEGAL NOTICE
NOTICE OF A PUBLIC HEARING

AMENDMENT TO SPECIAL USE PERMIT #JPB 004-2012

Parcel ID # 491.-7-1.220
Formally parcel ID # 491.-7-1.100
(off Barry Ave. and Hosley Ave.)

Notice is hereby given the Tupper Lake Joint Planning Board, Franklin County; Tupper Lake, NY will hold a Public Hearing on Wednesday, August 28, 2012 at 7 pm, or as soon as possible thereafter, in the lower level of the Town Hall (in the Courtroom), 120 Demars Blvd., Tupper Lake, NY, at which time interested parties may present their views on the subject application.

The Applicant, Michael and Ursula Vaillancourt request an amendment to Special Use Permit # 004-2012 to add four (4) additional apartments to the permit in place of the original request for two (2) apartments in a multifamily residential/commercial building. The total number of apartments will be six (6).

The parcel is approximately 2.68 acres. The property is zoned as High Density Residential Special (HDRS). The Parcel ID # is 491.-7-1.220.

The above application and accompanying plans are on file in the Office of the Town Planner, 120 Demars Boulevard, Tupper Lake, New York (Phone: 518/359-3580), and may be inspected any weekday (M-F) prior to the hearing, between the hours of 9:00 am and 4:00 pm. (unless otherwise posted at the Planning Office). Please try to call ahead of time to arrange your visit.

Thank You.

July 19, 2013

Dear Mayor:

On July 12, 2013 Governor Cuomo signed into a law a bill that prohibits smoking at playgrounds. This takes effect in October 2013 and is intended to protect the health of children, who are more susceptible to the ill effects of second-hand smoke than adults. This step forward promotes a healthier lifestyle and cleaner environment for the families in our communities.

The Environmental Protection Agency estimates that approximately 300,000 U.S. children less than 18 months old suffer lower respiratory tract infections (like pneumonia and bronchitis), more severe asthma, and more ear infections because they are exposed to secondhand smoke. Additionally, the American Poison Control Centers reports that in 2012 more than 5,700 children were poisoned from eating cigarette butts.

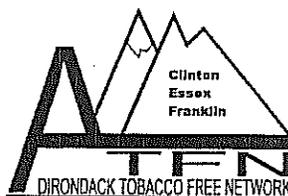

The Adirondack Tobacco Free Network (ATFN) is committed to reducing adolescent and adult use of tobacco products through cooperative programs in prevention, cessation, advocacy, policy initiatives and community education. Outdoor recreational areas should be places that people can breathe fresh air and exercise smoke free. Tobacco free policies reduce secondhand smoke exposure and eliminate cigarette butts so families can enjoy outdoor activities in a healthy environment. According to a survey conducted for ATFN by Sienna College in May of this year, 87% of the respondents were in favor of limiting tobacco use in playgrounds.

ATFN can provide you with free educational material, signage for your town playgrounds or assist in developing a stronger policy, if wanted. If you are interested or have questions, please feel free to contact us at 518-565-4993.

Sincerely,

Nanette Postlethwait
Tobacco Control Program Assistant

Laws of New York: Public Health

ARTICLE 13-E

REGULATION OF SMOKING IN CERTAIN PUBLIC AREAS

Section 1399-n.	Definitions.
1399-o.	Smoking restrictions.
1399-o-1.	Smoking restrictions; certain outdoor areas.
1399-p.	Posting of signs.
1399-q.	Smoking restrictions inapplicable.
1399-r.	General provisions.
1399-s.	Violations.
1399-t.	Enforcement.
1399-u.	Waiver.
1399-v.	Penalties.
1399-w.	Limitation of causes of action.
1399-x.	Rules and regulations.

* § 1399-o-1. Smoking restrictions; certain outdoor areas. 1. Smoking shall not be permitted and no person shall smoke during the hours between sunrise and sunset, when one or more persons under the age of twelve are present at any playground. For the purposes of this section, the term "playground" means an improved area designed, equipped, and set aside for play of six or more children which is not intended for use as an athletic playing field or athletic court, and shall include any play equipment, surfacing, fencing, signs, internal pathways, internal land-

forms, vegetation, and related structures. Playgrounds or playground equipment constructed upon one, two and three-family residential real property are exempt from the requirements of this section. This section shall not apply to any playground located within the city of New York.

2. No police officer, peace officer, regulatory officer or law enforcement official may arrest, ticket, stop or question any person based solely or in part on an alleged violation of subdivision one of this section, nor may an alleged violation of subdivision one of this section support probable cause to conduct any search or limited search of any person or his or her immediate surroundings.

* NB Effective October 10, 2013

§ 1399-p. Posting of signs. 1. "Smoking" or "No Smoking" signs, or the international "No Smoking" symbol, which consists of a pictorial representation of a burning cigarette enclosed in a circle with a bar across it, shall be prominently posted and properly maintained where smoking is regulated by this article, by the owner, operator, manager or other person having control of such area.

2. The owner, operator or manager of a hotel or motel that chooses to develop and implement a smoking policy for rooms rented to guests shall post a notice at the reception area of the establishment as to the availability, upon request, of rooms in which no smoking is allowed.

§ 1399-r. General provisions. 1. Nothing in this article shall be construed to deny the owner, operator or manager of a place covered by this article the right to designate the entire place, or any part thereof, as a nonsmoking area.

2. The provisions of this article shall apply to the legislative, executive and judicial branches of state government and any political subdivision of the state.

3. Smoking may not be permitted where prohibited by any other law, rule, or regulation of any state agency or any political subdivision of the state. Nothing herein shall be construed to restrict the power of any county, city, town, or village to adopt and enforce additional local law, ordinances, or regulations which comply with at least the minimum applicable standards set forth in this article.

Mr. Don Mattimore, P.E.
NYSDOT Region 7
Planning & Program Management
317 Washington St.
Watertown, NY 13601

Re: Tupper Lake Multi-Use Trail
PIN 7804.81

Subject: 1500' turn around realignment issue.

Dear Mr. Mattimore

As discussed in our teleconference on Monday, August 19, 2013, we have prepared this letter to present our position in regards to the location of the Tupper Lake Multi-Use Trail, in relation to the potential rail turnaround near the Tupper Lake rail depot. The focus of this issue involves approximately 1500 lf. of proposed trail and railbed, as measured from the rail switch between Pine and Cedar Streets, to approximately 1200' south of Cedar Street (ref: the attached plan). It has been suggested by the Department that the planned location of our trail, which follows the existing cleared railbed in this 1200 ft. long area, be shifted away from the railbed, to allow for the possibility of constructing an upgraded rail turnaround at some time in the future.

We request consideration of an alternative approach to this issue, which would be to maintain the planned alignment of the trail on the railbed. The preparation of a Memo of Understanding (MOU) between the NYSDOT and the Village, would outline the requirement for the Village at its own expense, to immediately move the trail off the railbed accordingly to the offset detail approved by NYSDOT. Our reasoning for this request is founded on several issues:

- Timing – we feel that this approach will take the least amount of time to come to agreement. Time is valuable in several respects:
 - Allows for more opportunity for construction – we have a limited construction season here in Tupper Lake, and getting to final design sooner will be a benefit.
 - Allows Village to continue Village planned construction related to the trail project, which has been placed on hold at the request of the Department. Existing construction on Pleasant Ave. must be completed before the winter months.
 - Pushing existing trail construction by Village forces to next year will delay our DPW from completing other work within the Village planned and funded for next year. Our Village Residents expect that we will fulfill our commitments for next year.

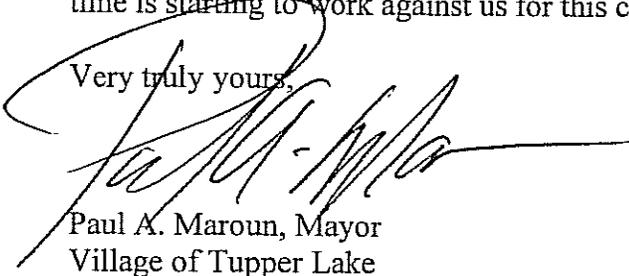

THE VILLAGE OF TUPPER LAKE IS AN EQUAL OPPORTUNITY EMPLOYER

- Environmental Concerns – The trail presently follows the railbed alignment, which is substantially clear of environmental issues in this area. Shifting the trail off the proposed alignment within and/or off the railbed corridor may introduce additional environmental concerns. The extent and cost of the offset alignment is not known at this time. The time and cost of performing these preliminary design tasks are currently a significant issue for the Village at this time. Additional involvement with permitting agencies (NYSDEC, USACE, APA) will require updating which is additional time and cost.
- This is not the only opportunity for rail turnaround on the Remsen – Lake Placid line. We have learned that trains could turn around at another nearby location.
- By shifting the trail off of the established railbed, there will be additional construction costs. Additional preliminary design activities would have to be completed to determine these costs. Any additional trail costs at this time would be an undue burden to the Village.
- Revisions to engineering work – offsetting the trail would require additional design work. Plans, reports, right of way, coordination with outside agencies et cetera would all involve time and money. These activities all delay the project which will add cost to the project.

Given that upgrade and use along the Remsen – Lake Placid railroad is still being debated, the requirement to offset the trail at this time, after many years of planning, surveys, and environmental investigations seems overly bureaucratic. Our approach allows the current project, which has been funded, to move ahead. If the railroad is upgraded and turnaround be needed at this precise location, the Village would then have the trail moved away from the railbed, per the requirements of the MOU. This seems to us like the most reasonable and cost effective approach to resolve this matter.

We understand that you will forward our request on to others as the Main Office rail group for a response. We are hopeful that a response could be returned to us within a matter of days, as time is starting to work against us for this construction season.

Very truly yours,

Paul A. Maroun, Mayor
Village of Tupper Lake

THE VILLAGE OF TUPPER LAKE IS AN EQUAL OPPORTUNITY EMPLOYER

TEMPORARY ACCESS AGREEMENT

THIS EASEMENT, made the 31st day of July, 2013, by **BETH JOSEPH SYNAGOGUE**, whose address is 57 Lake Street, Tupper Lake, New York 12986 ("**GRANTOR**"), and **THE VILLAGE OF TUPPER LAKE**, a municipal corporation whose address is 53 Park Street, Tupper Lake, New York 12986 ("**VILLAGE**"),

The **GRANTOR**, in consideration of One Dollar (\$1.00) and other valuable consideration paid by the **VILLAGE**, the receipt of which is acknowledged, hereby grants to the **VILLAGE**, its agents, successors and assigns, the temporary easement and right to enter a portion of the lands of the **GRANTOR** located at 57 Lake Street, Village of Tupper Lake, County of Franklin, State of New York, identified as part of tax parcel number(s) 490.59-3-11 for the purposes of vehicular and pedestrian access to and from the **VILLAGE'S** property adjacent thereto. General public access shall not be permitted.

The **ACCESS** authorized by this Agreement is at locations as more particularly depicted as "Area of Construction Access Easement" on **EXHIBIT A** attached hereto.

Upon completion of this Easement, the **VILLAGE** shall to the extent practicable, restore the property to its original condition. This Agreement shall terminate on November 30, 2013, unless extended in writing by the **GRANTOR**.

The **VILLAGE** hereby releases and will indemnify and save harmless the **GRANTOR** against all loss, damage, or injury to property or persons caused by negligence of the **VILLAGE**, its employees, agents, representatives, independent contractors, and invitees during their entry or presence upon **GRANTOR'S** property pursuant to this Agreement.

This grant shall be a covenant running with the land for the benefit of the **VILLAGE**, its successors and assigns, and shall be binding upon the successors and assigns of the **GRANTOR**.

IN WITNESS WHEREOF, the **GRANTOR** has executed this Agreement the day and year written above.

BETH JOSEPH SYNAGOGUE

**EMERGENCY GENERATOR SET PLANNED MAINTENANCE AGREEMENT PREPARED FOR:
 Village of Tupper Lake**

Penn Power Systems hereby agrees to perform regularly scheduled maintenance and inspections of the emergency power generation systems as listed:

SERVICES TO BE PERFORMED:

1. Check fuel system day tank operation, fuel lines, connections, vents, main and day tank fuel levels.
2. Change fuel filter and water separator elements during the full P.M. service annually.
3. Visually check fuel system injection pump, solenoid(s), check valves governor controls, linkages.
4. Check oil lube system inclusive of the engine and governor oil levels, oil heater, lines and connections.
5. Change the lube oil and filters during the full P.M. service annually.
6. Check the cooling system inclusive of the coolant level, antifreeze, freeze point, inhibitor level, louvers, radiator air flow and core condition. Block heater(s), hoses, connections, pressure test radiator cap, belt condition and tension, fan shrouds, guards and brackets.
7. Check for external fuel, lube oil, coolant and exhaust leaks.
8. Check and record lube oil pressure, fuel oil pressure and engine coolant temperature gauge readings.
9. Check exhaust system, flex connection, supports, insulation and rain cap. Drain condensation drip legs.
10. Check batteries, charging system, terminals and cables. Check electrolyte level and specific gravity.
11. Load test Batteries. Clean battery post and terminals apply corrosion inhibiting film.
12. Check electrical system wiring connections and condition. Inspect lamps and fuses.
13. Check engine and generator instruments and meters for proper operation.
14. Check and test alarm sending units, pre-alarms, and safety shutdowns.
15. Check remote annunciator operation.
16. Check air intake piping, hoses, clamps, louvers, bypass actuators and air box Dampers.
17. Visually check air filter elements, air box canisters, breathers and crankcase ventilation systems.
18. Check engine and generator mounting bolts and vibration isolators.
19. Visually check generator bearings.
20. Check exciter assembly, stator and field for cleanliness and integrity.
21. Visually check rotating rectifiers and surge suppressor.
22. Check and record residual, no-load voltage.
23. Check voltage regulator and adjust if necessary.
24. Visually inspect generator breaker and bus bar connections for cleanliness and signs of overheating.
25. Check transfer switch compartment and components for cleanliness, integrity, overheating and wear.
26. Evaluate time delay settings
27. Check transfer switch exercise functions.
28. Perform start and stop functions from transfer switch with no load condition.
29. All readings, temperatures, transfer and retransfer times, Hour meter readings, and discrepancies annotated and submitted with detailed report to the appropriate individual(s) following each round of service.

Adjustments, calibrations and repairs will be made at an additional charge upon customer approval and a firm Purchase Order is issued.

A Division of Penn Detroit Diesel Allison, LLC.

TERMS AND CONDITIONS

Penn Detroit Diesel Allison, LLC, is a Pennsylvania Limited Liability Company doing business under the name Penn Detroit-Diesel Allison, as well as through certain named divisions, including but not limited to Penn Power Systems and Carrier Transcold of Pennsylvania East and West, of North Jersey and of Upstate New York. All current and future dealings and/or transactions between Penn Detroit Diesel Allison, LLC, any of its divisions, related entities and/or successors in interest and the Applicant, or any entity related to said Applicant, shall be subject to the following terms and conditions unless modified, in writing, by Penn Detroit Diesel Allison, LLC, and said terms and conditions shall supersede any inconsistent terms and conditions submitted by the Applicant or any other individual or entity unless expressly accepted in writing by Penn Detroit Diesel Allison, LLC.

Penn Detroit Diesel Allison, LLC ("PennDDA") agrees to extend credit, provide goods and/or services, rent equipment, and transact other business, as is from time to time necessary in accordance with the following terms and conditions ("Terms and Conditions").

1. **Orders.** Orders are subject to acceptance by PennDDA, in writing, and shall not be subject to cancellation or change in specifications, shipping schedules or other conditions originally agreed upon without PennDDA's written consent, and then only upon agreement to compensate PennDDA for loss caused by such cancellation or change, including costs of purchased materials, engineering costs, and reasonable profit.

2. **Payment.** Subject to the establishment of satisfactory credit, terms of payment are as set forth on any invoice; however, in no case shall the terms exceed net thirty (30) days from the date of said invoice. Partial billing will be made for partial shipments and stored materials. No retainage will be allowed unless agreed to in writing by PennDDA. Any sum that Applicant owes under an invoice, but fails to pay when due, shall be subject to a finance charge computed by applying a monthly periodic rate of 1.5% (corresponding annual rate of 18%), or the highest rate permitted by applicable law, if less, to the adjusted balance of an account. All prices are F.O.B. point of manufacture unless specified otherwise by PennDDA. Quotations expire thirty (30) days from the date issued, and are subject to termination within that period. At its sole discretion, PennDDA may extend quotations.

Goods held beyond delivery date for convenience of Applicant will be invoiced on the date of completion and terms of payment in such case will apply from invoice date. Such goods will be subject to charges for warehousing and other expenses incident to such delays.

The Applicant shall immediately inform PennDDA of any change in its financial condition or in the structure of its business entity, including, but not limited to, changes to or additions of bank or brokerage accounts, mergers and/or acquisitions, asset purchases or sales, name changes, changes of officers, and any litigation to which the Applicant is a party, including pending and/or threatened suits, both civil and criminal.

If the financial condition or the business structure of Applicant at any time does not, in the sole judgment of PennDDA, justify the continued extension of credit or the continuance of the work performed or the goods to be supplied on the terms of payment as set forth above, PennDDA may require partial or full payment in advance, or shall be entitled to cancel any part of any order then outstanding, and shall be entitled to payment for reasonable cancellations charges.

In the event of bankruptcy or insolvency of Applicant, or in the event any proceeding is brought against Applicant, whether voluntary or involuntary, under the bankruptcy or any insolvency laws, PennDDA shall be entitled to cancel any credit account and/or any order or portion thereof then outstanding at any time during the period for filing claims against the estate, and shall be entitled to payment for reasonable cancellation charges.

3. **Descriptions.** All designs and specifications shown in PennDDA's catalogues are subject to change without notice. PennDDA shall not be obligated to furnish Applicant with such changes on equipment previously delivered.

4. **Force Majeure.** PennDDA shall not be liable for any loss, damage, failure, inability and/or delay in delivery or performance due to: the acts of any government, acts of civil or military authority, accidents, fires, wars, act of terrorism, insurrections, civil disorders, floods, strikes, or other labor disturbances or difficulties; shortages of fuel or power; breakdowns of machinery; acts of God; acts of Applicant; failures in source of supply, or any other cause beyond the control of PennDDA; and PennDDA shall then have the right to cancel any order or pending work, or extend any shipping or delivery date, if one or more such contingencies prevent or delay shipment or performance hereunder.

5. **Claims.** All material is carefully packed for shipment. Risk of loss shall pass to Applicant after delivery to the transportation carrier, and Applicant shall continue to be obligated to pay the purchase price for the goods in the event of any damage, loss or destruction after delivery at the F.O.B. point. PennDDA will provide Applicant with all reasonable assistance in securing satisfactory adjustment of claims.

6. **Equipment and Services Provided by Others.** PennDDA shall not be responsible for equipment and/or materials supplied by others, nor for the overall operation of any system comprised of both equipment and/or materials furnished by PennDDA and others. Accordingly, any comments from PennDDA regarding Applicant-furnished drawings are responsive only and PennDDA shall have no liability therefore. PennDDA offers no opinion of a professional nature, including, but not limited to, the preparation or approval of plans, opinions, reports, surveys, designs, specifications and/or supervisory, inspection, or engineering services provided by others.

7. **Installation and Start-Up.** If requested in writing, PennDDA will provide field service technicians and engineers, if available, to supervise installation and start-up of its equipment at then-current rates.

8. **Warranty.** PennDDA warrants each product of its manufacture to be free from defects in materials and workmanship at the time of delivery. This warranty is non-assignable and shall not inure to the benefit of any person or entity other than Applicant.

This warranty covers only malfunctions resulting from defects in materials or workmanship. The Applicant is responsible for proper equipment installation and the performance of regular maintenance services as specified in the written materials accompanying the equipment or elsewhere.

This warranty does not cover conditions arising from the misuse, negligence, alteration, accident or lack of performance of normal maintenance services; any equipment which shall have been repaired by other than a PennDDA-authorized service outlet so as in any way, in the sole judgment of PennDDA, to affect adversely its performance and/or reliability; the replacement of maintenance items made in connection with normal maintenance services; loss of time, convenience, anticipated profits, use of the equipment or any other incidental, indirect, punitive, special or consequential damages; or equipment removal or reinstallation costs incurred in connection with the repair or replacement of defective equipment.

If any equipment, parts and/or materials supplied by PennDDA are manufactured by someone other than PennDDA, and said manufacturer provides its own warranty, PennDDA's warranty shall be superseded with respect to such equipment, parts and/or materials. In that event, the manufacturer's warranty shall be the sole applicable warranty and PennDDA shall have no further liability or responsibility whatsoever, including any failure on the part of any other manufacturer to meet the conditions of its warranty. There is no warranty liability hereunder unless payment in full for the equipment supplied pursuant to any invoice has been received by PennDDA.

The repair or replacement, at PennDDA's option, of defective equipment under this warranty shall be performed by a PennDDA-authorized service outlet using new parts or, where applicable, remanufactured parts. Said repair or replacement shall take place within a reasonable time following the delivery, transportation prepaid, and in accordance with PennDDA's instructions, of the equipment to PennDDA, or its service outlet's place of business. If Applicant believes any equipment obtained from PennDDA is defective within the meaning of this warranty, Applicant shall notify PennDDA, in writing, within thirty (30) days of the discovery of such defect.

No equipment shall be returned to PennDDA or its service outlet without written authorization and shipping instructions first having been obtained from PennDDA. PennDDA must be in timely receipt of the warranty registration materials which accompanied the equipment, properly filled out, before any such warranty authorization will be issued.

THIS WARRANTY IS THE ONLY WARRANTY MADE BY PENNDDA, AND IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY EXPRESS OR IMPLIED WARRANTY OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, USE OR WORKMANLIKE PERFORMANCE. EXCEPT AS OTHERWISE SPECIFICALLY SET FORTH HEREIN, REPAIR OR REPLACEMENT, AT PENNDDA'S OPTION, OF DEFECTIVE EQUIPMENT, IN THE MANNER PROVIDED HEREIN, SHALL CONSTITUTE FULFILLMENT OF ALL LIABILITIES OF PENNDDA TO APPLICANT, WHETHER BASED ON CONTRACT, NEGLIGENCE OR OTHERWISE, WITH RESPECT TO EQUIPMENT PROVIDED PURSUANT TO THIS INVOICE, AND IN NO EVENT SHALL PENNDDA BE LIABLE FOR ANY INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, FOR LOSS OF USE, LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF DATA, FAILURE TO REALIZE EXPECTED SAVINGS, DELAY, DETENTION, AND/OR ANY OTHER COMMERCIAL OR ECONOMIC LOSS OF ANY KIND. IN NO EVENT SHALL PENNDDA'S AGGREGATE LIABILITY TO APPLICANT, IN DAMAGES OR OTHERWISE, EXCEED THE TOTAL OF ALL PAYMENTS, IF ANY, RECEIVED BY PENNDDA FOR THE EQUIPMENT AND SERVICES PROVIDED PURSUANT TO THE TERMS OF ANY INVOICE. THE REMEDIES OF APPLICANT SHALL BE LIMITED TO THOSE PROVIDED HEREIN. IN NO EVENT SHALL PENNDDA BE LIABLE FOR ANY PERSONAL INJURY, INCLUDING DEATH, OR FOR DAMAGE TO PROPERTY OF THIRD PARTIES, UNLESS THE SAME IS THE RESULT OF THE SOLE GROSS NEGLIGENCE OF PENNDDA OR ITS EMPLOYEES.

9. **Taxes.** Prices quoted and/or invoiced are exclusive of taxes unless specifically stated. The amount of any present or any future sales, occupation, use, tariff, excise or other similar taxes and/or duties for which PennDDA may be liable, either on its own behalf or on behalf of Applicant, with respect to any orders for equipment and/or services, shall be in addition to the billing prices set forth in any invoice, and shall be paid by Applicant.

10. **Remedies.** Upon the failure of Applicant to make any payment when due under any invoice, to accept delivery at times stated, or to comply with all provisions of any invoice, and these Terms and Conditions, PennDDA shall have the right to suspend or cancel delivery to Applicant, and Applicant shall not have any cause of action or be entitled to any offset, counterclaim or recoupment against PennDDA by reason of such action. In addition to any remedies set forth in these Terms and Conditions, PennDDA shall be entitled to any and all rights and remedies available to it under law, and all rights and remedies available to PennDDA shall be cumulative. PennDDA shall be entitled to and Applicant responsible for any attorney's fees and costs incurred in connection with Applicant's failure to make any payment when due under any invoice, to accept delivery at times stated, retrieve any vehicle or other equipment from PennDDA property upon 30 days written notice or to comply with all provisions of any invoice and/or these Terms and Conditions.

11. **Title.** Title to any equipment provided by PennDDA shall not pass to Applicant until the purchase price for any such equipment and for services related thereto are paid in full. In order to ensure payment in full, Applicant grants to PennDDA a security interest in the said equipment and authorizes PennDDA to file applicable Uniform Commercial Code financing statements with respect to said equipment, and Applicant shall, upon request, execute such financing statements and/or other instruments deemed necessary by PennDDA. PennDDA shall release such filings upon full payment. Where PennDDA installs parts and/or performs service on and/or stores any equipment or vehicles owned by Applicant or others on behalf of or at Applicant's request or direction, Applicant agrees that such installation and/or service and/or storage shall create a lien against such equipment and/or vehicles and PennDDA shall be entitled to hold said equipments and/or vehicles in its sole possession until payment in full has been received by PennDDA. If, after 30 days written notice to Applicant of Applicant's failure to pay and PennDDA's request for removal of said equipment and/or vehicle from PennDDA's property Applicant has not made payment in full and removed vehicle from PennDDA's property, Applicant shall be deemed to have abandoned said equipment and/or vehicle and PennDDA may dispose of said equipment and/or vehicle or sell said equipment and/or vehicle and retain all proceeds of said sale which are in excess of the balance owed by Applicant to PennDDA as liquidated damages. If said equipment and/or vehicle is titled or otherwise registered in a way which prohibits transfer without the title holder or registrant's acknowledgement, authorization and/or signature, Applicant shall acknowledge, authorize and/or execute any required document to facilitate any transfer contemplated hereunder and if Applicant fails to do so, this Application shall act as Applicant's acknowledgement and authorization for any Court to Order such transfer without judgment and/or any other process including advertisement and or public or sheriff sale otherwise required by law or regulation.

12. **Export Shipments.** All equipment shall be delivered packed in accordance with PennDDA's standard domestic packing methods, unless export packing is expressly ordered, in which case special packing requirements must be specified. PennDDA does not assume responsibility for obtaining any export or import license or certificate. Export shipment is subject to PennDDA's ability to ship under the laws and/or regulations of the United States and other governments. PennDDA reserves the right to cancel any order, whether or not previously acknowledged, without liability, if at the time of the sale or shipment said shipment is subject to restrictions or prohibitions by any governmental agency or department of the United States or of any foreign country claiming jurisdiction over the shipment's transit route or destination.

13. **Indemnification.** To the fullest extent permitted by law, Applicant agrees to indemnify and hold harmless PennDDA and all of its agents and employees from all claims, damages, losses, liabilities, actions, causes of action, costs, fines and expenses, including, but not limited to, interest, penalties, reasonable attorneys' fees and expenses, and all other amounts reasonably incurred in investigation, defense or settlement of any of the foregoing, arising out of, relating to, or resulting from, any act or failure to act pursuant to any invoice and these Terms and Conditions, except to the extent caused solely by the gross negligence of PennDDA or its employees.

14. **Miscellaneous.** All clerical errors are subject to correction. None of Applicant's rights under these Terms and Conditions shall be assigned or transferred by Applicant to any other person or entity, whether by operation of law or otherwise, without PennDDA's prior written approval. The failure of PennDDA to enforce any rights under these Terms and Conditions shall not constitute a waiver of any such rights, or any other rights, under these Terms and Conditions. This invoice and these Terms and Conditions, as set forth herein, or as changed or modified by written instrument executed by persons duly authorized by PennDDA and Applicant, shall constitute the entire agreement between PennDDA and Applicant. Any invoice and these Terms and Conditions shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, notwithstanding any conflict of law provision to the contrary, and all disputes arising under any invoice and/or these Terms and Conditions shall be resolved in the state courts of the Commonwealth of Pennsylvania, or in the United States District Court for the Eastern District of Pennsylvania. All of the provisions of these Terms and Conditions are separate and severable. If any of the provisions hereof are held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of any other provision hereof.

Subject: Firm Hydro Energy for September 1-30, 2013
August 8, 2013

Mr. John Bouck
Electric Superintendent
Village of Tupper Lake
53 Park Street
P.O. Box 1290
Tupper Lake, NY 12986-0290

Re: Firm Hydro Energy for September 1-30, 2013

Dear Mr. Bouck:

We are pleased to advise you that we anticipate there will be no reduction in firm hydro energy sales to our hydropower customers for the period of September 1 through 30, 2013. The forecasted September 2013 generation is projected to be sufficient to meet our firm hydropower customers' needs. However, if that generation is not sufficient, Substitute Energy will be purchased on your behalf for those customers with signed Substitute Energy agreements.

Since hydro shortfalls may still be anticipated in future months, we remain prepared to provide Substitute Energy to assure continuous flow of the lowest cost power to you. For those customers who have executed a Substitute Energy agreement, the Power Authority will automatically purchase the Substitute Energy on your behalf in months that a shortage occurs, pursuant to those agreements, unless otherwise notified. The monthly price for Substitute Energy is an average of all Substitute Energy provided to firm hydropower customers each month.

The Power Authority continues to be concerned about the river flows projected for 2013 - 2014. Current estimates are no shortage for October 2013 through March 2014. We will continue to analyze more current data monthly and provide this type of rolling 6-month forecast each month.

If you have any questions, please contact me at (914) 390-8117, michael.huvane@nypa.gov or Vanessa Perez at (914) 390-8147, vanessa.perez@nypa.gov.

Thank you for your understanding.

Sincerely,
Michael J. Huvane
Vice President, Marketing
Business & Muni Marketing

TRAINING OPPORTUNITY

Civil Service 101

Tuesday, August 27, 2013

Target Audience: Staff of Municipal Civil Service Agencies and Municipal Employers

The New York State Department of Civil Service will provide an overview of civil service administration to appointing authorities and local civil service personnel staff. Newly elected officials are encouraged to attend. The objective of the session is to increase awareness of the local government civil service system and to answer questions about civil service administration.

Time: 10:00 AM – 12:00 PM

How to register: Appointing authorities must register through their municipal civil service agency.* Reservations will be made on a first-come, first-served basis as received by the New York State Department of Civil Service through each municipal civil service agency. Please include your name, title, municipal employer, and an e-mail address when registering.

Deadline to register: August 23, 2013

Location: The Clinton County Emergency Services building is located at:
16 Emergency Services Drive, Plattsburgh, New York 12903.

**Open to staff of municipal civil service agencies and appointing authorities under the jurisdiction of the following civil service agencies:*

Clinton County
Franklin County
St. Lawrence County
Jefferson County
Lewis County
Hamilton County
Essex County
Ogdensburg
Watertown
