

Tupper Lake Appliance Advantage – Qualifying Measures Worksheet

The Village of Tupper Lake has evaluated and qualified the following energy saving measures listed on this page. For the appliance to be eligible it must meet the minimum qualifying standards. For potential rebates up to \$2,500 pre-approval is not required. Potential Rebates greater than \$2,500 require pre-approval. If you have any questions or need any assistance, please feel contact the IEEP at (315) 463-7208.

Please ensure that the product has the Energy Star Label. To find out more about ENERGY STAR® appliances, or to inquire about qualifying products, visit the ENERGY STAR® website at: www.energystar.gov

Please ensure that the product has the Energy Star® label.

General Terms and Conditions:

The IEEP may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

Customers are responsible for any such tax implications associated with reimbursement. The Village of Tupper Lake and the IEEP are not responsible for any tax consequences associated with any payments. The Village of Tupper Lake and the IEEP assume no responsibility for performance of equipment and equipment warranty. The equipment must be purchased new and installed within the Village of Tupper Lake electric service territory within six months of receipt purchase date to be eligible to receive this incentive. The customer relieves the Village of Tupper Lake and the IEEP of any and all liability associated with this project. The Village of Tupper Lake and the IEEP reserve the right to terminate or modify this program at any time.

I agree to the terms and conditions of this document. I understand that I am fully liable for any tax consequence that may arise from this reimbursement.
