Mayor Paul Maroun
PO Box 1290
Tupper Lake NY 12986

Re: ***Bonjour, Adirondacks!***

Dear Mayor Maroun, Paul

We ask that you consider joining us in helping our region attract the 4 million Francophone tourists living within a two-hour drive of our communities.

The Adirondacks...and Malone...have much to offer Francophones...and we've only scratched the surface of their tourism potential...and now is the time for us to unite as a "region" and make us a comfortable and familiar "go-to" US destination for them.

The simplest way we can make these tourists feel welcomed is to make our municipal signage bi-lingual and use "international symbols."

It need not cost your town or village a dime more than normal...all we have to do is resolve to **replace** our municipal signage with those that are English and French....and go from there.

We will also lobby the New York State Department of Transportation (the "DOT") for bilingual signage in our region, just as it has done on I-87. We can also align with ROOST—our regional tourism marketing arm---and apply for any available grants; and we can stand shoulder-to-shoulder with the North Country Chamber of Commerce which has been in the business of incorporating Francophones into our economy for over 20 years.

To get started, you may wish for your village board to consider adopting a resolution similar to the one attached.

We are also proposing to meet as a group in early May and hear from a member of the Canadian Parliament hailing from St-Jean Quebec about the importance of making the Francophone feel welcomed and comfortable in order to stimulate their additional tourist visits.

We are so much stronger acting as one region and I appreciate your interest in making this effort happen. Please call upon me at anytime should you have any additional questions or comments on how to make ***"Bonjour, Adirondacks"*** a success for our communities.

Very Truly Yours,

Clyde Rabideau
Mayor, Village of Saranac Lake
cc: Trustee Haji Maroun and Trustee Rick Donah,
James McKenna, ROOST and Garry Douglas, North Country Chamber of Commerce

Bonjour, Adirondacks!

A Resolution to Promote Tourism in our Adirondack/North Country Region

Whereas, there are over 4 million francophones (those with the mother tongue of French) living within a 2 hour drive from our region, representing a tremendous tourism development and profit potential, and

Whereas, the Adirondacks and North Country Region were advised by the North Country Regional Chamber of Commerce, Regional Organization of Sustainable Tourism (ROOST) and the Franklin County Tourism Bureau that becoming more hospitable and welcoming to francophone visitors will increase our tourism, and

Whereas, one of the easiest ways to become more hospitable and welcoming to francophones is to make our street signs and print advertising bi-lingual, in English and French, then therefore, be it

Resolved, that _____ does hereby establish a "budget-friendly" francophone tourism development policy whereby it will:

1. Replace its damaged and obsolete community signage at normal replacement times with bilingual, English and French signage or with International symbols where practical, as long as the replacement cost is comparable with unilingual English-only signage.
2. Endeavor to add French translation to its news, brochures and advertising where practicable and cost-effective.
3. Encourage local business owners to adopt the same sensibilities and practices.
4. Join with other local municipal governments in advocating francophone-friendly practices in a coalition, which may be known as the Bonjour Adirondack Coalition (BAC.)
5. Encourage the New York State Department of Transportation (NYS DOT) to also utilize bilingual English-French signage where practical, just as it does on Interstate 87.

TO MR. & MRS. CAPOLONGO:

PLEASE TAKE NOTICE that the building inspector of the Village of Tupper Lake, Franklin County, has filed a written and oral report with the Village Board of Trustees of the Village of Tupper Lake, designated by the following address: 187 Park Street, Tupper Lake, New York 12986 bearing Franklin County Tax Map No. 490.60-10-15, deeming the same to be unsafe to the public in that the structure is in an unsafe and dangerous condition failing to comply with the New York State Property Maintenance Code Section 108.1.1.

The Village Board of Trustees of the Village of Tupper Lake, after considering said report, and pursuant to the provisions of said local law, by resolution duly adopted at its February 17, 2015 meeting, determined that in the opinion of the Village Board of Trustees that said structures or buildings are unsafe and dangerous and ordered that they be secured in the following manner, to wit: (1) all of the unsecured openings should be boarded up and made safe; you must temporarily support the damaged roof system and second floor so as to prevent collapse in the event that we get a heavy snow load or (2) in the alternative such structures which are incapable of being safely repaired shall be removed from the premises, all of which must be commenced within 30 days of the service upon you of this notice and be completed within 60 days thereafter unless for good cause shown such time shall be extended, and

PLEASE TAKE FURTHER NOTICE that the Village Board of Trustees of the Village of Tupper Lake will conduct a public hearing on the 23rd day of March, 2015 at 6:00 o'clock P.M. at the Village of Tupper Lake offices located at 53 Park Street, Tupper Lake, New York 12986 in relation to such dangerous or defective building(s), and

PLEASE TAKE FURTHER NOTICE that in the event of any neglect or refusal to comply with the order of said Village Board of Trustees as detailed in this notice, the Village Board of Trustees is authorized to provide for the demolition and removal of said structures and to assess all expenses thereof against the land on which they are located and to institute a special proceeding to collect the costs of demolition, including legal expenses.

Dear Chief Proulx:

On behalf of the Saranac Lake Police Department, I would like to thank you for providing manpower for the policing of the 2015 Saranac Lake Winter Carnival. Your officer was instrumental in ensuring a successful event with no serious incidents. He presented a very profession demeanor and represented your office well. Please convey my sincere thanks and appreciation to Officer Fee for his service.

Sincerely,

Charles A. Potthast Jr.

Chief Proulx, Office Dana, Office Nason, Office Griffin of the TLPD, and Chief Cole of the TLFD:

Just a quick THANK YOU to the both of your departments!
Thank you to you and your guys for their time and the tour you gave to my cub scouts. You all went above and beyond, things went even better than I could ask. The time, energy, professionalism, and compassion you showed to my cub scouts was inspiring for them to see. We are talking about citizenship and what a great example of that you showed to my cub scouts. I'm glad I brought them to see real citizenship in action. You all prove everyday just how great our public service is in Tupper Lake, an how fortunate we all are to have you. You all make me proud to be a Tupper Laker and I'm glade my scouts got to see that too!!!

Thanks again, Matt Arsenault

Mr. Paul Maroun
Village Mayor
Village of Tupper Lake
53 Park Street
P.O. Box 1290
Tupper Lake, NY 12986

Dear Village Mayor Maroun,

The Intrastate Mutual Aid Program ("IMAP") is resource-sharing mechanism created in § 29-h of the NY State Executive Law that allows local governments to share resources during a declared local state of emergency. The major benefit of the program is that it allows for mutual aid during a locally declared disaster without the need to enter into individual intergovernmental agreements or memoranda of understanding prior to, or during an event. Not only does the statute authorize you to share resources with other local governments, it also provides for reimbursement, and specifies which local government is responsible for liability and workers' compensation coverage when personnel are shared through this program. Enclosed with this letter is a packet of information that provides more detail on the program and explains the resource request process that must be followed in order to benefit from the statutory provisions. Additional information regarding IMAP can be found on the DHSES website at www.dhses.ny.gov/oem/imap.

The IMAP is an opt-out program. Every local government is a participant in the program unless you choose to opt-out. As a participant in the program, you are not obligated to respond to requests from other local governments or to provide requested resources. Therefore, there is no downside to remaining a participant in the program. Should you determine that you do not want to be a participant in the IMAP, you can opt-out of the program by having your local legislative body pass a resolution stating that you do not want to be a participant. You must send the resolution to the Division of Homeland Security and Emergency Services ("DHSES"), where your option will be noted and you will be removed from the participation list. You may opt back into the program at any time following the same procedure. Should you choose to opt out of the program, please send your opt-out resolution to: Intrastate Mutual Aid Program, ATTN: Operations, New York State Office of Emergency Management, 1220 Washington Ave, Building 22, Albany, NY 12226.

The Division of Homeland Security and Emergency Services is responsible for overseeing the program and managing the participant contact list. As a participant, you will be provided with an updated contact list annually. Pursuant to New York State Executive Law § 29-h (7), please provide DHSES with the name and contact information for your main point of contact, the individual who will be responsible for sending/receiving requests, and your designated authorized representative, the individual with the authority to approve the of sending/receiving assets (these terms are defined more fully in the enclosed documents).

For your convenience, we have established a website where you can input your contact information. The form can be found at www.dhses.ny.gov/oem/imap/register.

If you experience difficulty with the form on the website or do not have a computer with internet access, or if you have any general questions regarding the program, please contact the New York State Watch Center at 518-292-2200 for assistance.

Sincerely,

John P. Melville
Acting Commissioner

Dear EVERYONE at the Department:

Many thanks to everyone for having available personnel to assist all families and homes in our area that are dealing with the current water situation due to the extreme cold. I was amazed by the service I received last night due to this problem.

When I arrived home from being away for the weekend, I did not have water in my home on Lakeview Avenue. After a few tense minutes of trying to figure out who to call after 5 p.m. on a Sunday, I decided to call the 911 distracter. This person was very aware of the concerns and called me back in minutes to let me know help was on the way.

When Matt Merrihew and Jessie Kavanagh arrived at my home, they were wonderful. True professionals who knew their job. They got right to work assessing my situation and told me of possible solutions. They accepted my lack of knowledge and understanding. Both gentlemen were respectful of my home as they loaded the necessary equipment into my basement. I left them to work unencumbered and within a very short time, I heard water running in my kitchen sink. What a relief. Within minutes, they had picked up their equipment and were on to their next home.

I cannot thank Mr. Merrihew and Mr. Kavanagh enough for helping me out and I now have my water running a pencil width stream....until April!

Sincerely,

Carol Lamb

File: 871.007.321

Hon. Paul Maroun:

Barton & Loguidice, D.P.C. (B&L) is pleased to provide herewith our draft Consultant scope and fee for the construction phase services for the above referenced project. Included please find the associated attachments and exhibits as follows:

- A/E Consultant Agreement – Supplemental No. 4
- Attachment A - Project Description and Funding
- Attachment B - Task List and Technical Assumptions
- Attachment C - Staffing Rates, Hours, Reimbursables, and Fee

Our Construction Administration/Inspection Fee is based on a 12 -week contract duration, assuming a 40-hour work week plus 5 hrs/wk overtime for the Resident Engineer during the months of May-July. Additionally, we have established 4 hours per week for a Construction Manager to provide Office support to process payments, prepare change orders, approve shop drawings, complete As-built drawings, etc. (See staffing hour breakdown for a more detailed estimate manhour breakdown of staff).

We have also attached a copy of a Construction Management Plan that is the basis of the staffing estimated manhours for your review. We have forwarded a copy of this information to NYSDOT, (Attention: Charlie Roy) for concurrent review.

Please feel free to call me at (315) 457-5200 in this regard. We would like to thank the Village for this opportunity, and look forward to the start and successful completion of construction for this important project.

Very truly yours,

SCOPE OF SERVICES

CONSTRUCTION PHASE SERVICES

Tupper Lake Multi Use Trail Connector

PIN 7804.81

December 2014

Construction Phase Services

Section 8 - Construction Support

8.01 Construction Support

The **Consultant** will provide design response to unanticipated or changed field conditions, analyze and participate in proposed design changes, and interpret design plans.

Work under this section will always be in response to a specific assignment from the **County** under one of the tasks below:

- In response to unanticipated and/or varying field conditions or changes in construction procedures, the **Consultant** will conduct on-site field reconnaissance and, where required, prepare Field Change Sheets modifying pertinent contract plan sheets.
- The **Consultant** will analyze and make recommendations on the implementation of changes proposed by the **County** or the construction contractor. This includes the Traffic Control Plan.
- The **Consultant** will interpret and clarify design concepts, plans and specifications.
- The **Consultant** will review and approve structural shop drawings for construction.

Not reimbursable under this Section are:

- Corrections of design errors and omissions
- Straightforward interpretations of plans and designer intentions

Section 9 - Construction Inspection

9.01 Equipment

The **Contractor** will furnish office space and basic office furnishings for the **Consultant**, as part of the contract.

The **Consultant** will furnish all other office, field and field laboratory supplies and equipment required to properly perform the inspection services listed below.

9.02 Inspection

The **Consultant** must provide, to the satisfaction of the **Municipality**, contract administration and construction inspection services from such time as directed to proceed until the completion of the final agreement and issuance of final payment for the contract. The **Consultant** must assume responsibility, as appropriate, for the administration of the contract including maintaining complete project records, processing payments, performing detailed inspection work and on-site field tests of all materials and items of work incorporated into the contract consistent with federal policies and the specifications and plans applicable to the project.

9.03 Municipal Project Engineer

The **Municipality** will assign a Project Engineer to the contract covered by this agreement. This Project Engineer will be the **Municipal's** official representative on the contract and the **Consultant** must report to and be directly responsible to said Project Engineer.

9.04 Ethics

Prior to the start of work, the **Consultant** will submit to the **Municipality** a statement regarding conflicts of interest.

9.05 Health and Safety Requirements

The **Consultant** must provide all necessary health and safety related training, supervision, equipment and programs for their inspection staff assigned to the project.

9.06 Staff Qualifications and Training

The **Consultant** must provide sufficient trained personnel to adequately and competently perform the requirements of this agreement. The experience of all field staff shall be in accordance (equivalent) with the definitions of NICET Certification. The **Consultant** shall make available to all field personnel the necessary safety and performance equipment needed to complete the oversight of the construction inspection.

9.07 Scope of Services/Performance Requirements

- Quality

The Consultant will enforce the specifications and identify in a timely manner to the **Municipality** local conditions, methods of construction, errors on the plans or defects in the work or materials which would conflict with the quality of work, and conflict with the successful completion of the project.

- Record Keeping & Payments to the Contractor

All records must be kept in accordance with the NYSDOT Manual for Uniform Record Keeping as well as any requirements required by the **Municipality**. The **Consultant** must take all measurements and collect all other pertinent information necessary to prepare daily inspection reports, monthly and final estimates, survey notes, record plans showing all changes from contract plans, photographs of various phases of construction, and other pertinent data, records and reports for proper completion of records of the contract to ensure that the Contractor complies with the Contract Plans and Specifications.

Any record plans, engineering data, survey notes or other data provided by the **Municipality** should be returned to the **Municipality** at the completion of the contract. Original tracings of record plans, maps, engineering data, the final estimate and any other engineering data produced by the **Consultant** will bear the endorsement of the **Consultant**. Any documents that require an appropriate review and approval of a Professional Engineer (P.E.) licensed and registered to practice in New York State must be signed by the P.E.

Unless otherwise modified by this agreement, the **Consultant** will check, and when acceptable, approve all structural shop drawings.

The **Consultant** must submit the final estimate of the contract to the **Municipality** within four (4) weeks after the date of acceptance of the contract. All project records must be cataloged, indexed, packaged, and delivered to the **Municipality** within five (5) weeks after the date of the acceptance of the contract.

- Health & Safety/Maintenance and Protection of Traffic

1. The **Consultant** must ensure that all inspection staff assigned to the project are knowledgeable concerning the health and safety requirements of the contract per **Municipality** policy, procedures and specifications and adhere to all standards. Individual inspectors must be instructed relative to the safety concerns for construction operations they are assigned to inspect to protect their personal safety, and to ensure they are prepared to recognize and address any contractor oversight or disregard of project safety requirements.

2. The **Consultant** is responsible for monitoring the Contractor's and Subcontractor's efforts to maintain traffic and protect the public from damage to person and property within the limits of, and for the duration of the contract.

- Monitoring Equal Opportunity/Labor Requirements

The **Consultant** must assign to one individual the responsibility of monitoring the Contractor's adherence to Equal Opportunity and Labor requirements contained in the contract. The Consultant, when monitoring the Contractor's Equal Opportunity and Labor compliance, will utilize the guidance contained in the contract, standard specifications and the **Municipality's** policies.

Tupper Lake Bathroom Renovation Proposal 3.13.15.pdf 1.0 MB

To: Andy Labruzzo, DOS Project Manager

From: Paul Maroun, Mayor of Tupper Lake

Re: Request for Using C1000265 Construction Funds for Municipal Park Bathroom Renovation

Date: March 13, 2015

Project Summary:

Construction of Little Loggers Park was completed this summer and the response both in the community and from the traveling public has been very positive. Improving the bathroom building near the Little Loggers Park, including making both male and female restrooms fully accessible, would be another important step in improving the experience of using the park for both local residents and tourists.

The Village plans to renovate the existing brick building and to construct two ADA compliant bathrooms, one for women and one for men, along with a heated warming area for skaters. The bathrooms will be available for use all year, and the large waiting area will also serve as a warming area for skaters when the outdoor skating rink is flooded at the adjacent basketball court during the winter season.

The Village is requesting approval for use of remaining construction funds in the Village of Tupper Lake's C1000265 Local Waterfront Revitalization Program grant to purchase materials and contractual services required for the project. The Village will contribute in kind labor and equipment usage as match. Since the grant will require a budget amendment for closeout, these changes would be incorporated in the budget amendment request.

Construction began in November of 2011 and it is anticipated that it will be complete by July 1, 2015.

Work Plan:

Plans for the building renovations have been developed by the Village's Codes Enforcement Officer. Renovations are being undertaken by Village staff members, under the supervision of the Village's Codes Officer.

The building renovations include installation of:

- New toilets and lavatories
- R-54 insulation in the attic and R-22 insulation with a thermal break in the exterior walls to create a complete air sealed thermal envelope

- New thermal exact fit windows
- ADA accessible doors & ramp
- Interior walls with a raised 18" painted / sealed masonry wall base. Should the the area flood again, as it has in past 100 year floods, no wood, electrical or fiberglass insulation would be underwater, thus making this newly rehabbed building flood damage proof.

The Village also plans to improve the exterior appearance of the building, which is adjacent to Little Loggers Park. The Village has installed a new asphalt architectural shingle roof to match the new Little Loggers park roof systems, and the Village will also be installing decorative full length shutters along the entrance doors and at each window. The Village may also install decorative wrought iron plant hangers where feasible.

Remaining 2015 Plans for Park Improvements:

Improvements of the bathroom building, along with installation of The Wild Center interactives and displays, including the Wi-Fi Station, and bike and kayak lockers are all planned for completion this summer, further improving our park's appeal to both tourists and residents.

Attached please find the floor plan for renovations of the building and photos of previous conditions and work completed to date. Would you please let us know if you have any questions or if we may proceed with the understanding that this work can be funded by the grant?

Thank you.

Dear Sir:

The Tupper Lake Central School District is planning a Project for the Elementary School and High School. A list of included work is listed below:

- Roof Replacement

This proposed work will have no affect on the permanent entrances at the building.
There is no need for temporary entrances and exits to the public highway during the construction period and the work will have no affect on the existing storm drainage system.

You are welcome to review a set of documents at either the Tupper Lake Central School District or this office.

Please call if you have any questions.

Re: Firm Hydro Energy for **April 1 – 30, 2015**

Dear :

We are pleased to advise you that we anticipate there will be **no reduction in firm hydro energy sales to our hydropower customers for the period of April 1 through 30, 2015.** The forecasted April 2015 generation is projected to be sufficient to meet our firm hydropower customers' needs. However, if that generation is not sufficient, Substitute Energy will be purchased on your behalf for those customers with signed Substitute Energy agreements.

Since hydro shortfalls may still be anticipated in future months, we remain prepared to provide Substitute Energy to assure continuous flow of the lowest cost power to you. For those customers who have executed a Substitute Energy agreement, the Power Authority will automatically purchase the Substitute Energy on your behalf in months that a shortage occurs, pursuant to those agreements, unless otherwise notified. The monthly price for Substitute Energy is an average of all Substitute Energy provided to firm hydropower customers each month.

Current estimates are no shortage for May 2015 through October 2015. We will continue to analyze more current data monthly and provide this type of rolling 6-month forecast each month.

If you have any questions, please contact Jerry McLoughlin at (914) 390-8222 or by e-mail at Gerard.McLoughlin@nypa.gov.

Sincerely,

Keith T. Hayes
Vice President- Marketing

MEMO

TO: Municipal Members

FROM: Lorie Campbell

DATE: March 3, 2015

RE: ***Semi-Annual Meeting, Wednesday April 29 and, Thursday April 30, 2015***
Embassy Suites 6646 Old Collamer Rd., East Syracuse, New York, 13057

Attached you will find:

1. Official Notice of the Semi-Annual Meeting
2. Two Sample resolutions: One designating your delegate & one designating a proxy vote
3. Registration information and bottom form to return to MEUA

In accordance with the Constitution and Bylaws of the MEUA of NYS, the enclosed notice of the semi-annual meeting is being sent to each member at least thirty days before the time appointed for the meeting.

Every municipal member of the Association shall be entitled to vote at any regular or special meeting. Each member may send as many representatives as it desires, but only one accredited delegate shall have the right to cast the vote for the member. An accredited delegate is defined as a person authorized by a municipal member to represent, and vote for said municipality. Such authorization shall be in writing, properly executed, and filed with the Executive Secretary, prior to the meeting.

It is, therefore, requested that the governing board *execute the appropriate voting resolution and file a copy with MEUA of NYS* **no later than April 15, 2015**. Please fax the resolution, 315/453-7849 or scan and email info@meua.org

Please also return the registration form by April 17, 2015.

The Semi-Annual Meeting agenda is being finalized and will be sent out in about a week. The format for the meeting will be essentially the same as in the past. Wednesday morning will be devoted to the MEUA Business meeting and relevant presentations, followed by lunch. The afternoon will be devoted to our corporate exposition. A reception and dinner with speaker is planned for later in the evening. Thursday morning will feature a report of the various MEUA committees along with presentations by several speakers. A noon adjournment is planned.
