Village of Tupper Lake
Board of Trustees
Agenda

Date: Wednesday, November 16, 2016
Start: 6:00 pm
Location: Board Room
Meeting: Regular Monthly

1. Call Regular Monthly Meeting to order at 6:00 pm and establish the agenda.
2. Pledge of allegiance and moment of silence for the safe return of Colin Gillis.
3. Public Comment Period.
4. Commend Volunteer Fire Department Members and other mutual aid companies for a great job well done containing the recent Park Street structural fire. Thank municipal department for their assistance as well.
5. Consider our annual assistance to the Adirondack Park Local Government Review Board for another year with a $300.00 donation for their advocacy assistance to our community.
6. Approve the Board Minutes from October 19, 2016 and November 3, 2016.

Department Reports

Code Enforcement:

1. Approve the October 2016 Monthly Code Report.
2. We have a Free Renovation, Repair and Painting Training class scheduled for December 15, 2016 at the ESB Building for Lead-Safe Certification open to local contractors.

Police:

1. Approve the October 2016 Monthly Police Report.
2. Formally accept $100.00 donation from Dechene Enterprises for our K-9 Program.
3. Winter Parking Ban is in effect now until April 15, 2017.
4. Authorization for Officer Nason to attend a two-day law enforcement training seminar being sponsored by the Essex County Animal Cruelty Task Force in Lake Placid November 30 & December 1, there is no cost for this training.
5. Authorization to send Sergeant Dana to attend Supervisors school in Plattsburgh January 9-27, 217. He will be commuting daily.

Fire:

1. Approve the October 2016 Monthly Fire Report.
2. Success for Haunted House and special thanks.
3. The Volunteer Fire Department's Annual Children Christmas Party has been set for December 11, 2016.

Water/Wastewater:

1. Our application to NYS for a Sewer/WWTP Project has been designated on the 2017 Intended Use Plan as eligible for subsidy funding. Only time will tell if reachable for hardship. This topic may require a special meeting specifically for a board discussion with our consultants to map our plans for next year.
2. Discuss NYS Archives Grant Project to complete GIS Mapping.
3. Other Misc. Updates.

DPW:

1. Interpretive and interactive panels are installed along the board walk; we are installing the finishing touches on the WiFi Station near the outfield restrooms as well.
2. Other Misc. Updates.

Electric:

1. Authorization to permanently appoint Mr. Marc Staves to the position of Electric Utility Superintendent effective today.
2. Other Misc. Updates.

Treasurer:

1. Approve the November 16, 2016 warrant in the amount of $614,332.58 for payment of the bills and to also approve the abstracts for the month of October 2016.
2. Review the monthly cash position for October 31, 2016.
3. Formally approve an Insurance Buy-Out for 2017 for our full-time employees.
4. Formally set our annual Organizational Meeting for Thursday, December 1, 2016 at 6:00 pm.
5. We have mandatory Work Place Violence and Sexual Harassment Safety Training scheduled for Monday, December 5, 2016. All employees and Board Members are required to attend one of the two training sessions. There is one at 10:30 am and another at 1:00 pm.

Executive:

1. Enter Executive Session for matters relating to the medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal, or removal of a particular person or corporation.

October 26, 2016

Mayor Paul A. Maroun
Village of Tupper Lake
53 Park Street, PO Box 1290
Tupper Lake, NY 12986

Dear Paul:

Adirondack towns' and villages' funding of the Adirondack Park Local Government Review Board has been instrumental in helping Adirondack communities by providing strong, unified, effective representation on important Adirondack Park policy issues like state land tax payments, protection of property rights of pre-existing landowners, classification of state lands, and Adirondack Park Agency reform. The Review Board helps provide factual and legal research to legislators and policy makers and disseminates information through almost daily emails. Here are a few examples:

We worked this year with a coalition of towns, counties, the New York State Snowmobile Association, the New York State Conservation Council, the New York State Conservation Fund Advisory Board and the New York State Fish and Wildlife Board to create a group called Access Adirondacks to advocate for reasonable access to state lands including the newly acquired Boreas Ponds Tract and the MacIntyre East and West Tracts.

We funded the creation of a map detailing the proposal of the five towns most affected for the classification of the 20,000-acre Boreas Ponds Tract.

We worked with the legislature, environmental groups, towns and DEC on an amendment to the New York State Constitution to create a land bank for necessary municipal projects on Forest Preserve lands.

We worked with local governments, lake associations and environmental groups on an advisory committee assisting in the management of an Adirondack-wide invasive species prevention program.

We worked with Congresswoman Stefanik on a Bill she introduced in Congress to create a nation-wide semi-postal stamp with a portion of the proceeds of sale to be used to combat invasive species, and a Congressional Resolution declaring Congress' recognition of the serious nature of the invasive species problem and pledging support to work for solutions.

We researched issues relating to the registration and use of UTVs and ATVs and their use in the Forest Preserve and participated in meetings with Senators and Assembly Members on proposed legislation. We also supported the Outback Riders Club with their efforts to continue using ATV trails providing a critical link between Clinton and Franklin counties. We passed a resolution in support of the Club's position that there is a prescriptive easement over a trail, which now includes a section over Forest Preserve land.

Working closely with our state legislators, the Review Board is the critical information and advocacy resource for Adirondack counties – collecting and disseminating news media, state agency and advocacy group information immediately to local officials while providing state leaders and the news media with timely, accurate bulletins on the needs of Adirondack communities. We're in regular communication with the APA, DEC, the Cuomo Administration, legislative leaders and statewide news media organizations.

We are **in the best position** we have ever been in to capitalize on these recent gains, and are **at a critical time** – both in terms of policy making and in terms of budget.

We need your help. After all this work, and all of our effort, the state cut the Review Board's budget – which wasn't much to begin with – by 53 percent in the last five years. We know that it is not a good time to be asking for financial help from local governments. But your assistance is crucial to our continued success this year and next.

The Review Board strives to keep expenses low while operating effectively on behalf of local governments. Because of these continued efforts, we are requesting that, if you have not already funded the Review Board in 2016, that you consider 2016 funding in the amount of $300 so we can continue our critical work on your behalf, and budget the same amount in your 2017 budget. All of our futures may depend on it.

If you require a contract, please sign and return the enclosed contract to me. I will return a signed copy to you. If you have any questions or concerns, or there is something the Local Government Review Board can do for you, please don't hesitate to call me at 518-796-2415

Sincerely,

Fred Monroe
Executive Director

AGREEMENT

THIS AGREEMENT made _____, 2016 between the **VILLAGE OF** _____, hereinafter referred to as the **VILLAGE**, and the **ADIRONDACK PARK LOCAL GOVERNMENT REVIEW BOARD**, a Board duly organized and existing pursuant to the provisions of §803-a of the Executive Law of the State of New York, acting by and through its duly appointed members, hereinafter referred to as the **REVIEW BOARD**.

WHEREAS, the **REVIEW BOARD** was created by the Legislature of the State of New York and is composed of representatives appointed by the county legislatures of the counties lying in whole or in part within the Adirondack Park; and

WHEREAS, the Legislature of the State of New York has provided only partial funding for the **REVIEW BOARD** to perform its statutory functions as outlined in Executive Law §803-a, and recently reduced that funding by 53%, and

WHEREAS, the **VILLAGE** has authorized an appropriation in the sum of _____Dollars ($ _____) in support of the work of the **REVIEW BOARD** in representing the interests of the local governments of the Adirondacks; and

NOW, THEREFORE, it is agreed as follows:

1. The **VILLAGE** agrees to pay to the **REVIEW BOARD** the sum of _____Dollars ($ _____) for the services of the **REVIEW BOARD** in representing the **VILLAGE** in matters relating to the Adirondack Park.

2. The **REVIEW BOARD** agrees to provide to the **VILLAGE** the benefit of its services, including but not limited to, attendance at meetings of the Adirondack Park Agency, attendance and participation at public hearings conducted by the Adirondack Park Agency on projects under review by said Agency, periodic reports on the activities of the Adirondack Park Agency to the Mayor of the **VILLAGE**, especially as such activities affect the residents of the **VILLAGE,** and generally to report on the administration and enforcement of the Land Use and Development Plan set forth in the Executive Law of the State of New York.

Village of Tupper Lake
Board of Trustees
Minutes

Date:	Wednesday, October 19, 2016	
Location:	Board Room	
Meeting:	Regular	6:00-7:21 PM

At the Regular Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Ronald LaScala, David Maroun and Village Clerk/Treasurer Mary A. Casagrain.

Absent from the Regular Meeting were Trustees Thomas Snyder and Trustee Leon LeBlanc.

Also present were Code Enforcement Officer Peter Edwards, Water/Wastewater Superintendent Mark Robillard, Department of Public Works Superintendent Robert Degrace, Police Officer Jordan Nason, Fire Chief Carl Steffen, Volunteer Fire Department Members Nick Rolley, Paul Cormier, Michael Russell, Royce Cole, Jenifer Bradley, Jonathan Mandigo, Nicholas Degrace, Joshua Clement, Matthew Welch, Joseph Arsenault, Nichols McLear, Joshua Cassell, Mark Arsenault residents Jan Yaworski, David McMahon, Clint Hollingsworth, and News Reporters Dan McClelland and Carrie Gentile.

Call Regular Meeting To Order — Mayor Maroun called the Regular Meeting to order at 6:00 pm.

Pledge — Pledge of allegiance to the flag and a moment of silence and prayer for the safe return of missing teen Colin Gillis.

Public Comment:
Fire Chief Carl Steffen
VFD Mark Arsenault
VFD Royce Cole
VFD Nick Rolley — Several members of the Volunteer Fire Department expressed their unhappiness with comments made to the newspaper following last months monthly meeting by Trustee Ronald LaScala. Each expressed the sadness and hurt they were feeling and how it has affected the moral of the department and their families personally. Each felt they deserved a personal apology by the Trustee LaScala and the Village Board.

Village of Tupper Lake Housing Authority Board Appointment Mary Jo Wells Effective 11/1/2016 — Motion by Trustee LaScala, seconded by Trustee Maroun to authorize the replacement of Ms. Phyllis Crate to the Village of Tupper Lake Housing Authority Board and appoint Ms. Mary Jo Wells effective November 1, 2016. (Carried 3-0)

Older Adults Economic Security Forum November 3, 2016 at Paul Smiths College — Mayor Maroun announced that there will be an Economic Security Forum for older adults at Paul Smith's College, November 3, 2016

$75,000 Zombie Home Planning Grant Award Announced	Mayor Maroun announced that we received word from Russ Kinyon with Franklin County that our Joint Application with Franklin County and the Village of Saranac Lake for Zombie Homes was awarded a shared $75,000 to provide staff and technology to create a database of vacant, abandoned and underutilized properties to further our efforts to develop those properties.
21 High Street Bid Award	Motion by Trustee LaScala, seconded by Trustee Maroun to award the sale of the 21 High Street property to Hollingsworth Property Holdings LLC in the amount of $64,000. It was noted that this was the forth time the Village tried to sell the property and that we previously deemed the property surplus and accept the $64,000 as fair and equitable compensation for the property. (Carried 3-0)
53 Park Street Lobby Entrance Bids Rejected	Motion by Trustee Maroun, seconded by Trustee LaScala to formally reject the sole bid we received for the refurbishment of the Village Lobby Entrance as it was too high. (Carried 3-0)
No Parking Wawbeek Avenue & Stetson Road	Motion by Trustee LaScala, seconded by Trustee Maroun to deem the portion of State Route 3&30 in front of the new AMC Health Center as "No Parking" from Stetson Road to the Wawbeek Avenue entrance to the AMC Health Center along Wawbeek Avenue because of the obstruction it creates. (Carried 3-0)
Planning Board Resignation Michael Keniston	Motion by Trustee LaScala, seconded by Trustee Maroun to formally ratify the acceptance of the resignation of Mr. Michael Keniston from the Village/Town Joint Planning Board effective September 18, 2016. (Carried 3-0)
Approve Minutes	Motion by Trustee LaScala, seconded by Trustee Maroun to approve the Board Minutes from September 21st and October 3rd, 2016. (Carried 3-0)
Code: Accept September Report	Motion by Trustee LaScala, seconded by Trustee Maroun to approve the September 2016 Monthly Code Report. (Carried 3-0)
10 Front Street Code Violation/Unsafe & Dangerous Home	Code Enforcement Officer Peter Edwards reported that the home at 10 Front Street is violation of our code and is "Unsafe and Dangerous" due to the condition of the foundation and the extensive mold and water damage in the home. Trustee LaScala motioned that we proceed with the Unsafe and Dangerous Ordinance for the home, motion was seconded by Trustee Maroun. (Carried 3-0) Code Enforcement Officer Peter Edwards advised he would follow-up with legal counsel to proceed with the demolition proceedings.

Rail-Trail Update	Code Enforcement Officer Peter Edwards advised that the Rail-Trail Committee will be hosting a public release in December of their plans for the removal of the rails between Tupper Lake and Lake Placid. More information will be provides as it is available.
15 Church Street Elevator Update	Code Enforcement Officer Peter Edwards advised that the elevator in the 15 Church Street Don Smith Apartments Building is up and operational. The building manager is working with a new contractor and are working on an action plan to replace the
Police: Accept September Report	Motion by Trustee Maroun, seconded by Trustee LaScala to approve the September 2016 Monthly Police Report for the Village and Town of Tupper Lake. (Carried 3-0)
Bulletproof Vest Award	Motion by Trustee Maroun, seconded by Trustee LaScala to formally accept a grant form the Bureau of Justice Assistance for a Fiscal Year 2016 Bulletproof Vest Partnership award in the amount of $740.00. (Carried 3-0)
Fire: Accept September Report	Motion by Trustee Maroun, seconded by Trustee LaScala to approve the September 2016 Monthly Fire Report. (Carried 3-0)
Vehicle Update #161 & 169	Fire Chief Carl Steffen advised the board that #161-GE vehicle is out of service due to a major water leak. Fire Chief is recommending that we either give the vehicle to the DPW for other use of consider a private sale.
#169 Update	Fire Chief Carl Steffen advised the board that #169 all pump tests were approved. He advised that the springs are bad and he will talk to Brad about finding some parts to repair them.
Haunted House 10/29/16	Fire Chief Carl Steffen advised the board that the Volunteer Fire Department will be hosting a "Haunted House on Saturday, October 29, 2016 from 7-10:pm in conjunction with the Tupper Lake Central School Drama Club. A donation of $1 or a canned good would be accepted and donated to the Tupper Lake Food Pantry. It was formally approved by Trustee Maroun, seconded by Trustee LaScala. (Carried 3-0) It was noted that Pray's Farm has generously offered to donate all the cider, corn stocks and pumpkins for the event.
Water/Wastewater: ZBA & Planning	Water/Wastewater Superintendent Mark Robillard advised that there will be several hearings scheduled for October 26, 2016 by the Town of TL ZBA and Village/Town Joint Planning Board for our well project, one at 4:00 pm and two at 7:00 pm respectively to advance our ground water supply project.
Reminder W/S Bills are Due	Water/Wastewater Superintendent Mark Robillard reminded that Water & Sewer bills are due by October 31, 2016 for residents outside the Village of Tupper Lake or they will be levied to the Town of Tupper Lake and Franklin County 2017 Tax Bills.
Water Loss Investigation	Water/Wastewater Superintendent Mark Robillard advised that

DPW: Misc. Updates	Department of Public Works Superintendent Robert Degrace advised that his crews have been busy completing winter preparations. 500' of sidewalk has been replaced along Main Street and repairing road surfaces from summer miscellaneous maintenance repairs. In addition the curbing has been installed at the Little Logger's Park as promised by Kubricky Construction.
Electric: NYS DEC Zero-Emission Vehicle Grant	Motion by Trustee LaScala, seconded by Trustee Maroun to authorize the Village to proceed with applying for a grant rebate through NYS DEC for the installation of several Zero-Emission Vehicle charging stations and to utilize Amy Ferguson's assistance if needed to submit on the grant gateway program. (Carried 3-0)
Treasurer: Approve Warrants	Motion by Trustee Maroun, seconded by Trustee LaScala to approve the October 19, 2016 warrant in the amount of $171,052.09 for payment of the bills and abstracts for the month of September, 2016. (Carried 3-0)
Review Cash Position	Review the monthly cash position for September 30, 2016.
Budget Transfers Water Fund	Motion by Trustee LaScala, seconded by Trustee Maroun to formally approve a budget transfer for the Water Fund in the amount of $3,500. (Carried 3-0)
Tax Reminder 10/31/16	As a courtesy reminder village taxes are due by the end of October. Any unpaid taxes will be placed on the 2017 Town of Tupper Lake and Franklin County Tax Bills with additional penalties if not paid by October 31, 2016.
Enter Executive Session	Motion by Trustee LaScala, seconded by Trustee Maroun to enter Executive Session at 6:45 pm for the purpose of discussing proposed, pending or current litigation. (Carried 3-0)
Exit Executive Session	Motion by Trustee Maroun, seconded by Trustee LaScala to exit Executive Session at 7:20 pm. (Carried 3-0)
Adjournment	Motion by Trustee Maroun, seconded by Trustee LaScala to adjourn at 7:21 PM. (Carried 3-0)

_____

Mary A. Casagrain, Village Clerk/Treasurer

Village of Tupper Lake
Board of Trustees
Minutes

Date:	Thursday, November 3, 2016	
Start:	4:00 PM	
Location:	Board Room	
Meeting:	Special Meeting	4:00– 4:10 PM

At the Special Meeting of the Board of Trustees held this date, the following were present: Mayor Paul A. Maroun, Trustees Leon LeBlanc, David Maroun and Village Clerk/Treasurer Mary A. Casagrain.

Absent from the Special Meeting was Trustee Thomas Snyder and Ronald LaScala.

Call to Order and Agenda Established

Mayor Maroun called the Special Meeting to order and established the agenda.

Adopt the Tax Re-levy

Motion by Trustee Maroun, seconded by Trustee LeBlanc to adopt the 2016 Tax Levy in the amount of $201,179.33 with 9% Interest of $18,106.14 for a total amount of $219,285.47 to be re-levied to the 2017 Town of Tupper Lake and Franklin County Tax Bills. (Carried 3-0)

W/S Re-levy to Tax

Motion by Trustee Maroun, seconded by Trustee LeBlanc to adopt the 2016 Water Tax Levy in the amount of $12,480.85 and the Sewer in the amount of $12,985.86 for a total re-levy of $25,466.71 to be re-levied to the 2017 Town of Tupper Lake and Franklin County Tax Bills. (Carried 3-0)

Adjournment

Motion by Trustee LeBlanc, seconded by Trustee Maroun to adjourn the Special Meeting at 4:10 pm. (Carried 3-0)

_____

Mary A. Casagrain, Village Clerk/Treasurer

Village of Tupper Lake
C1000656
Leveraging the Tourism Economy Along Central Adirondack Blueways

Component #1 – Municipal Park Master Plan Advancement

Design Consultant Selection and Procurement

The Village of Tupper Lake has chosen to continue its ongoing professional relationship with Terrain Landscape Architecture, PC for consultant design services for this project.

As the firm that prepared the Municipal Park Master Plan, Terrain brings unique knowledge and skills to the work program tasks. Terrain is also a NYS Certified Minority Owned Business Enterprise (MBE), which will assist the Village of Tupper Lake in meeting MBE goals, a challenge in the North Country.

Terrain will provide overall project coordination and develop site designs for the Flanders Performance Park. Terrain will partner with Andrew Chary, Architect, PLLC, who will provide architectural construction detail for band shell structure, and Kurt Bedore, PE and NYS Certified Service-Disabled Veteran-Owned Business, who will provide construction plan detail, permit acquisition and SWPP inspection services.

All the consultants have extensive knowledge of the Tupper Lake community and its municipal park, which will be essential to successfully coordinate the volunteer, in kind, and donated contractor services required for construction within the project budget. All have already donated site analysis and schematic design level services to assist the Village in advancing the project.

Pursuant to the Village of Tupper Lake's Procurement Policy and General Municipal Law Section 104-B (2) (F), in the discretion of the Village Board of Trustees:

- design and construction management of the Flanders Performance Park project will require special skills, expertise and knowledge of the site and community, which only Terrain and team possess, and

- due to the nature of the professional services required to successfully complete this project within budget and on time, it is in the best interest of the municipality to contract with Terrain and partners.

The Village of Tupper Lake has examined Terrain and partners' proposed fee schedules for services against industry standards and found the fee structure to be within typical ranges for this type of work.

Subject: Meeting Notes and Next Steps
From: Melissa McManus <melissamcmanusllc@gmail.com>
Date: 10/22/2016 2:53 PM
To: Andrew Chary <ac@chary.com>, Andy Labruzzo <Andrew.Labruzzo@dos.ny.gov>, Kurt Bedore <kbedore@nycap.rr.com>, Mary Casagrain <villtupplake@centralny.twcbc.com>, Meaghan Lynch <meaghan@terrain-nyc.net>, Peter Edwards <tupperlakecodes@gmail.com>, Ron LaScala <adkappliancerepair@hotmail.com>, Steven Tupu <steven@terrain-nyc.net>, Tupper Lake Free Press <tlfreepress@roadrunner.com>, Sally Hart <adksally@gmail.com>, Mayor Paul Maroun <Wawbeek@aol.com>, Cali Brooks <cali@adkfoundation.org>

Hello,

Thank you all for another productive meeting, with a special thank you to the committee members who are so generously donating their time and professional expertise.

Attached are draft meeting notes, with next steps in red. (I was unable to identify a lead for a few of the next steps--volunteers would be appreciated;)

Would you please read and send back any additions/corrections?

Also attached is an Excel doc with my attempt to pull together a concept level budget and potential funding sources based upon info presented and our discussion. (Sheets 1 and 2)

As we refine costs, we will be able to add detail and to continue to divide the costs between materials, which we expect to use grant and donated funds to purchase, and installation/construction, which we will try to complete with donated services whenever possible.)

Please feel free to refine and return the spreadsheet, and I will update.

Have a great weekend!

Thank you again,
Melissa

Flanders Park Stage

10.20.16

Progress Meeting Notes

Attending:

Paul Maroun, Mayor
Dan McClelland, Lions Club
Mary Casagrain, Village Clerk
Pete Edwards, Code Enforcement Officer
Melissa McManus, Director of Community Development
Andrew Chary, Architect

Attending by Phone:

Steven Tupu, terrain landscape architecture
Meaghan Lynch, terrain landscape architecture

Please note: Next Steps are indicated in red below.

1) **Group reviewed progressed design concept**

   - All reviewed and expressed appreciation for inclusion of "Tupper Lake" finished elements and for the work Andrew has donated.
   - All agreed to proceed to advance construction of the progressed concept option.
   - Meaghan and Andrew to review the recently completed brand study, available at tupperlake.com/brand, and The Wild Center brand and consider any additional "Tupper Lake" specific elements for inclusion.

2) **Review of Conceptual Level Cost Estimates for Construction**

- Andrew presented conceptual level material cost quotes and estimates.
- Dan stated that Lions Club members are committed to building the structure above the concrete pier structures. Tom and Chip Lamere are on board.
- Melissa to provide DOS logo and attribution to all, request inclusion on all docs and then forwarding of all docs presented at the meeting to Melissa for review with DOS and email distribution to all.
- Melissa to review documents with DOS.
- Terrain to refine and detail anticipated site element construction costs, divided between materials and installation.
- Terrain to confirm availability of CAD drawings and current base mapping prepared by AEDA. (Could terrain also please request that AEDA transmit original version of these documents to the Village and DOS to complete Park Master Plan project files?)
- ? to obtain estimate on geotechnical investigations required.
- ? to obtain estimate for concrete installation.
- ? to contact concrete and site/landscaping contractors re: donating services.

3) **Review of Proposal for Professional Services**

- Steven provided a summary of anticipated professional services division of labor and costs. (Please see Concept Level Budget spreadsheet.)
    - Terrain - landscape architecture concepts for site and overall project coordination.
    - Kurt Bedore - construction plan details for site, permit acquisition and SWPP inspection services.
    - Andrew Chary – architectural construction detail for band shell structure
- Following approval from DOS and the Village of single source procurement plan, team members will be to be asked to submit proposals for services. *Note: Total Schematic Design Donated fees to date: $21,000.00*

4) **Fundraising and Outreach**

- Crowdfunding Campaign and Outreach
    - Final investigations being done on Red Basket crowdfunding process:
        - Tax deductibility?
        - Fees?
        - Will the site accept amounts over $25, with understanding only first $25 of donation is matched?
    - Dan, Michelle and Mary to review results next week and plan fundraising approach and outreach campaign
    - ROOST to draft materials for outreach campaign, featuring "one stop" web page explaining donation options
    - Target date for launch of outreach – November 2
    - Meaghan will assist in outreach to Little Wolf; Village will handle any direct mail outreach deemed necessary

- Strategy
    - After reviewing anticipated project cost, the group agreed that:
        - Presenting the band shell as a component of a Flanders Performance Park would likely leverage larger donations and provide more opportunity for naming rights (i.e. stone seating, memorial rain garden, extension of walkway, gateway structures)
        - However, crowd funding campaign should be limited to achievable amount for band shell construction ($100,000 or less)
        - Terrain will therefore develop cost estimates for all Performance Park elements using Park Master Plan.

- Grant Funding
    - Melissa reviewed the 2015 grant application, which proposed construction of a performance stage and completion of Phase I site design addressing overall drainage and resiliency. Melissa noted however that the draft grant contract offers flexibility in use of $282,000 in design and construction funds in the park.
    - The group also discussed the Village's goal of constructing improvements along Demars as soon as possible. The importance of the gateway on Demars and the beach were highlighted as key improvements.
    - Melissa noted that if the 2016 Regional Waterfront grant is awarded, regional Key Project funds will be available and the Village could submit a proposal for funding to advance these elements.

- Operations and Promotion
    - Michelle brought the importance of good planning for operation and promotion of the site to the group's attention.
    - Michelle will take the lead in offering points to consider and successful models for operation and promotion for discussion later in the process, after design for construction is underway.

Next Meeting: Thursday, November 3 - 3:00 pm

On the Agenda:

- Refined cost estimates
- Additional discussion of funding sources and strategy
- Process and timeline for advancing design and permitting

Flanders Park Performance Stage
Concept Level Estimates

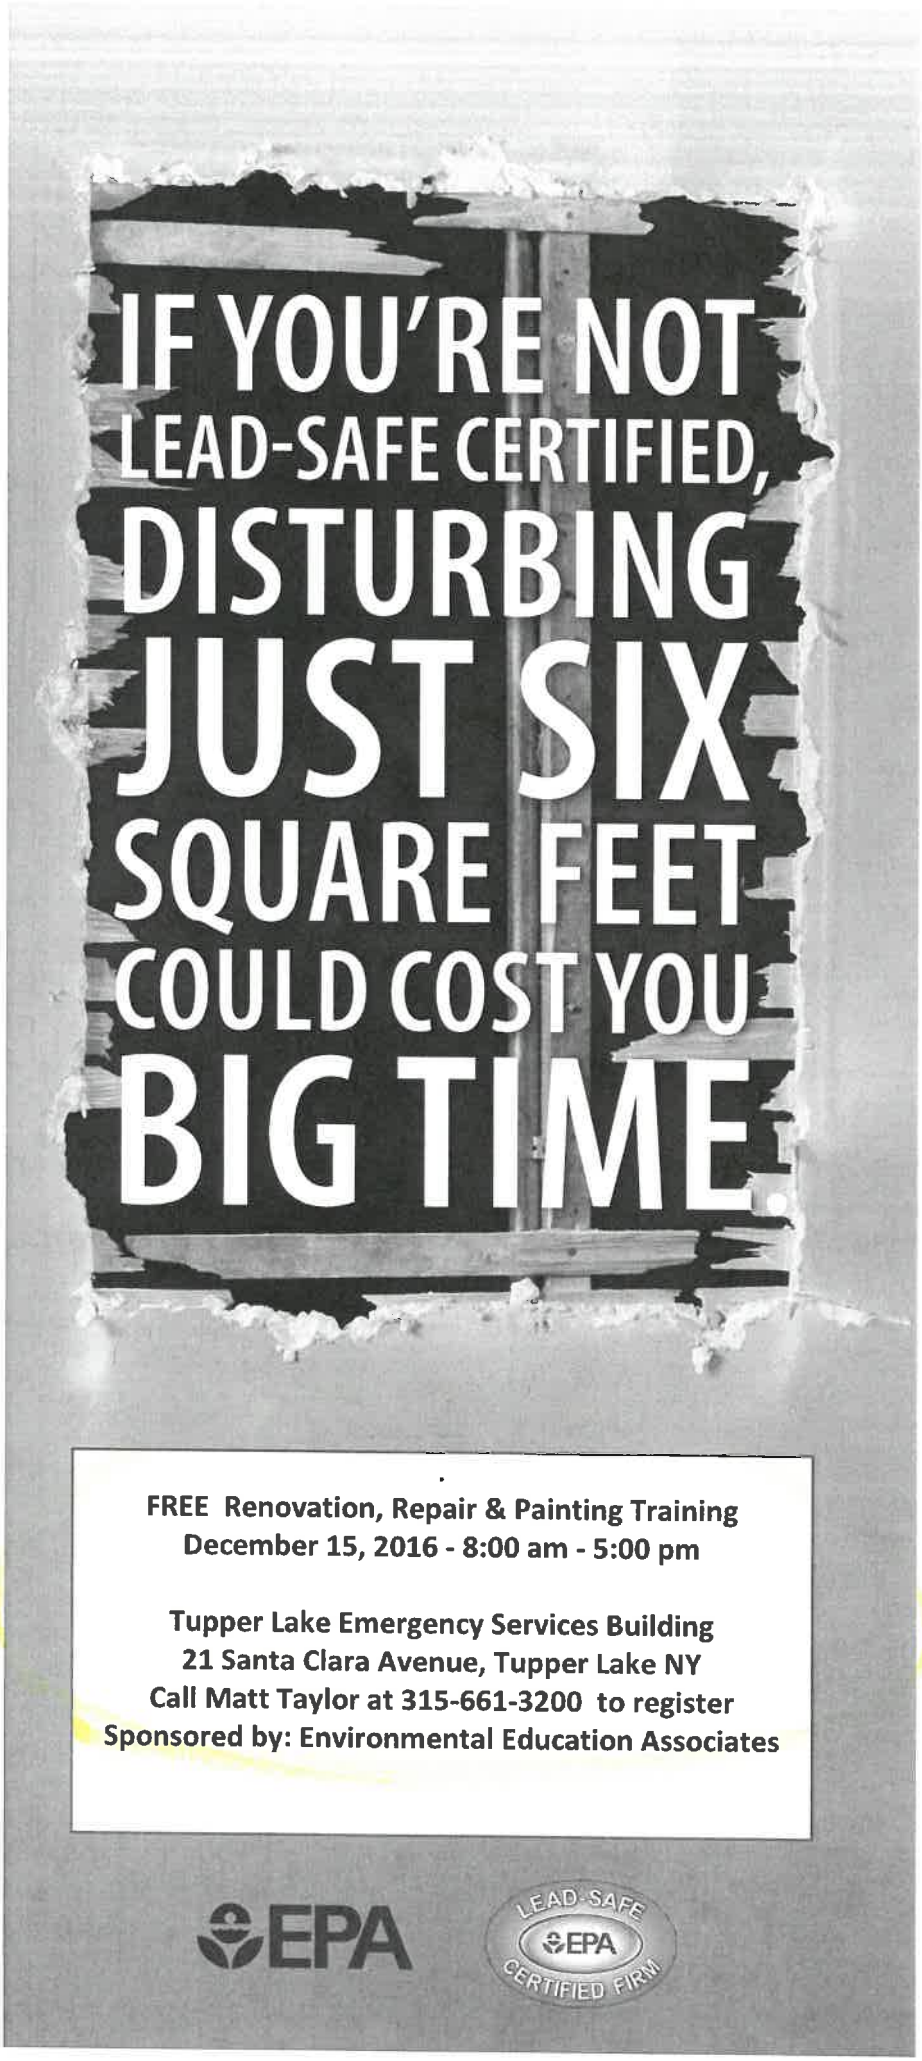
Comments: 10 Front St update ! I am still waiting for our attorney to provide us with The notice that must be posted on the building.

Sincerely,

Peter P. Edwards



If you're working on homes, schools or day care centers built pre-1978, you now must be EPA Lead-Safe Certified.

WHAT

The Lead-Based Paint Renovation, Repair and Painting (RRP) rule is a federal regulatory program affecting anyone who disturbs painted surfaces where lead may be present.

- Submit an application to certify your firm for five years.
- A one-day class will certify your renovators for five years.
- Learn the required steps to contain the work area, minimize dust and thoroughly clean up every day.

WHO

- Any contractor, including renovators, electricians, HVAC specialists, plumbers, painters and maintenance staff, who disrupts more than six square feet of lead paint in pre-1978 homes, schools, day care centers and other places where children spend time.

WHY

1. Avoid risk of government fines and civil liability:
   - Without certification and by not following approved practices, you and your company can face tens of thousands of dollars in fines and put yourself and your company at risk of potential lawsuits.
2. Protect your workers, yourself and your customers from a health risk:
   - Dust from renovation, repairs and painting can contaminate an entire home and, if inhaled or ingested, can cause irreversible damage to children and adults.
3. Gain competitive advantage:
   - Certification makes you stand out from others and positions you as a professional contractor consumers can trust. Using your company's certification in your marketing materials may help attract business.
   - Consumers will look for the certification before hiring contractors and may be more accepting of additional costs and time associated with doing the job safely.
   - Upon certification of your firm, your company will be listed as a Lead-Safe Certified Contractor on the EPA website, giving your firm the potential for new customers.

JOINT PLANNING BOARD PUBLIC HEARING AND MEETING
October 26, 2016 AT 7:00 PM

ROLL CALL: Jim Larkin, Doug Bencze, Bill Breton, Bob Collier, Shawn Stuart, Jim Merrihew

OPEN THE PUBLIC HEARING FOR APPLICATIONS:

1. Debbie Jones: JPB 011-2016 - Special Review Use
2. Village of Tupper Lake Water System: Pitchfork Pond Rd Well House - Special Review Use – JPB015-2016
3. Village of Tupper Lake Water System Santa Clara Ave Pump Station - Special Review Use – JPB012-2016
4. Amell subdivision: JPB 014-2016 – two lot minor subdivision.

OPEN REGULAR MEETING

1. Debbie Jones: JPB 011-2016 - Special Review Use - Discussion /Action
2. V of TL Water System: Pitchfork Pond Rd Well House - Special Review Use - Discussion /Action
3. V of TL Water System Santa Clara Ave Pump Station - Special Review Use Discussion /Action
4. Amell subdivision: JPB 014-2016 - Discussion /Action
5. Tupper Lake Volunteer Ambulance & Emergency Squad – Special Review Use – TLVAES is relocating to 169 Main Street (former Bartel Motors Auto Sales)
6. Hollingsworth Contracting – Special Review Use – new use for High Street Fire Station
5. Anything Else
   a. Paul O'Leary – Town Code Enforcement Officer
   b. Pete Edwards – Village Code Enforcement Officer
6. Approve September 28, 2016 meeting minutes.
7. Meeting Reminder: The next scheduled meeting is for November 23, 2016.
8. Public Comment
9. Motion to Adjourn

MEETING MINUTES

JOINT PLANNING BOARD PUBLIC HEARING AND MEETING

August 24, 2016 AT 7:00 PM

At 7:00 PM Stand for Pledge of Allegiance

Roll Call:

Jim Larkin	Jim Merrihew	**Absent:** Shawn Stuart
Doug Bencze	Bob Collier	
Bill Breton	Mike Keniston	

Bill Breton Introduced himself and is looking forward to being a part of the Planning Board.

O'Leary: 1st item on the agenda is the Duhaime, Maegan – 2 lot minor subdivision.

Larkin: Over the years we have run into this situation with farms that they subdivide and they do a piecemeal which is not a good way to do it. Convince your grandfather to sit with Paul and get a basic subdivision plan though some of this has been decided. If someone has a subdivision plan it would simplify it.

Merrihew said that that is something that is not in the code and we cannot deny them because that is not required.

Keniston asked if anything has changed with the lot because of wetlands, Meagan said it was APA jurisdictional and that they made a change to the back line setback to more than 200 feet of the away from wet line.

Chase Kavanaugh: That is why Popcorn does not want a subdivision because he wants to work with the lines. Only wants 2 lots right now. No future plans for the future subdivisions.

Paul: We need to set a public hearing

Larkin: At next meeting September 28.

Paul next is Stewart's Shops Representative here explain or answer any questions regarding their amendment to site plan.

Copies of Site Plan passed around.

Chuck Marshall, Realtor representative Stewart's – Stewarts has under contract it is not purchased yet, from the Village (points to lot). This is a lot that we previously subdivided and sold to the Village and are now attempting to buy it back. The components of the project are where the current underground fuel storage is we will remove and place where existing fuel pumps are and take the same number of fuel pumps and put them in a parallel display and move them here (pointed to plan) on satisfactory site plan approval, we will then close with the village. One of the concerns that came up through this process was the passage way that extends from Vachereau St to Park, That is an un-deed passage way, no one has ownership or rights to it. What we are proposing is we will grant an easement to the house Mr. Maroun has inherited, that was not previously the case. That will be done with the swap at the closing and then

we will realign the parking moving in further to the left. On your drawing the existing conditions are in red and the proposed conditions are in black.

Merrihew: Passage way, who is the owner?

Chuck Marshall: Nobody. That is one of the issues.

Merrihew: So you are trying to own this lot again (points to lot) become owner of that and the passage way.

We are saying that because nobody owns it and we own essentially the rest of it, we own it, we own the passage way. What we are saying, is because it was not previously un-deeded we will deed an easement through the processes.

Merrihew: unclear, everyone talking at the same time.

Marshall: Theoretically it cannot be used, it's allowed, and we do not want to stop that practice. We do want to make sure going forward it is continued. If Stewarts doesn't own it someone can say the practice has to stop.

Keniston: What was the original factor, what created this?

Marshall: The pump configuration here, with the two pumps in series is actually the worst gas pumping practice allowed or practice going forward. What we are trying to do in almost all our stores is to spread the pumps. We are doing a lot more moving around on our existing lots than we are doing new market locations and things like that.

You can't go far enough this way and obviously you can't turn where they are, because you need the parking in front of the store.

Conceivably we are doing it on the property we currently own without buying but because we are going to impede the village's lot we thought it best to own it.

Keniston: if you look at the Stewart shops in the surrounding area it's a moving business is going well.

Marshall: The family comes from a dairy business. They had three different kinds of stores that evolved into what you see today. They started as a bread and butter shop and then ice cream shops and then it morphed into Stewart's Shops.

Collier: Is there plenty room for cars and pick-ups coming in from the easterly entrance to get by cars that are fueling?

There is from the centerline of the pump approximately 25 feet before the edge of curving, that is adequate and the parking space is approximately nine feet.

Bob Collier: If you give the easement or passage way is that going to remain easement forever? If Mrs. Maroun decides to sell the home she inherited, the next person that wants to buy it might be skittish.

Marshall: It will be an irrevocable easement. That is the benefit of doing the easement it runs with the land. Before we finalized the plans I met with Mr. Maroun.

Hope Frenette: Discussed her concerns regarding room for vehicles to maneuver and location.

Mr. Marshall: I slightly disagree with you. It's a perspective issue. Biggest problem we have is when people are backing out. By putting the pumps here they have more room. If you have someone with a trailer they take up 2 fueling positions. Moving the pumps it will give vehicles more room. I can Routing program and would bring the illustration on Sept 28th.

Ellen Maroun: How many parking spaces will you have? Mr. Marshall replied that it looks like 14. Plus at the pumps. Concerned about cars backed-up behind parked cars and the other side as well. There are tractor trailers in our driveway unloading product or coming through. Traffic pattern will increase and people moving to Vachereau Street. You need more parking in front of store.

Unfortunately, it is a Village enforcement issue regarding use of Vacherie Street. Moving the pumps will make a huge improvement to these issues.

Larkin: Moving the pumps will change the dynamics

Hope: One more question. Special Use Permit for Little Italy was to use Village parking. Now it will be Stewarts parking, it will tie them into it, or they will need to find a solution for it.

Larkin: It has to be addressed, we will look at permit and what we will do and this may hold up the sale of the property if it ties them into or they will have to find a solution to it. We can change the permit.

Marshall: Large interior upgrade to our store, painted outside. We want to come in with stone and parting board for sod.

Collier: Is it totally unreasonable to closing off westerly Park Street entrance?

Marshall: We have not been asked that, it is not something we would self-impose unless required.

Collier: Can you guess if it would have any improvement to the parking lot?

Marshall: My only comment is that it provides an alternative. It would lower the service level for high Street. People follow the path of least resistance. This will improve the internal flow.
We have 277/278 locations with gas and we will never build one of these again.

Hope: That is a good spot for an entrance and not an exit.

Marshall: That I will look at, then we would change the radius.

Ellen: I ask the board to consider the flow of traffic and the implication to the rest of the community. My alternate issue is our property, which is seriously impacted and this would accelerate that. People have no accommodations for parking.

Larkin: Can I get a motion?

Paul: Table this to next month.

Larkin: We want to set a public hearing

Paul: This is a site plan adjustment and it does not require a Public Hearing, so we can table this decision until we have further information.

Larkin: Vote – everyone replied - aye.

Boushie, Peter/Action/Discussion: Use Variance Referral from the Village Zoning Board of Appeals

Breton: As the Chairman of the ZBA, I already had an open forum with Mr. Boushie and I will excuse myself from anything that goes on with Mr. Boushie on behalf of the ZBA, because things were brought up at the meeting which should not be brought up here, at least not by me.

Larkin: Okay. He came and talked to me about the location of his building. After I looked at it he thought it would be great if he lined up the porch of his new building in front of the building that's there. I think this is fair; we don't have to push him in the back yard. Just between us, I don't think legally we can push him in the backyard; we would need to go to court.

Merrihew: Wait a minute. Are we right now forming a recommendation for him to go to ZBA which we should have done before we had a public hearing, which we didn't. We would have to make an amendment to this... Right now we need to make a recommendation to the ZBA.

Paul: That is the item on the Agenda Mr. Chairman, the ZBA is requesting an opinion and recommendation on a Use Variance that Mr. Boushie applied to, that's what is on the Agenda.

Larkin: Okay, my understanding of the deal from talking to him, Mr. Boushie feels that if he aligns his new building up with the front of his building that's there, it makes it an operation that can work. If you go up the road to Leroy's he is in the retail business, same as Mr. Boushie is, and cars are lined up right along the road. I think for us to deny him the right to line up with his building is not right. To push this man in back of his property, I just don't think we can do this.

Merrihew: When I was down there, Pete was there, and we drew the white line, which came out from the back edge of his building.

Mr. Boushie: What I'm proposing.

Merrihew Let me finish here Pete, we drew the line we didn't say literally go behind the building, but behind the line which is out from the building. That space between the end of the building, but aligned with the back edge of the building. Where there is no guard rail where you can move a house in and out In that spot not behind the building where it can't be seen, but there in the open space, but aligned with the back, which you agreed to at the site visit.

Boushie: What I'm proposing now, when I built that building there that was supposed to have a 12' X 30' porch put on it , but because I was told I was to close to the road, I could not put the porch on. What I'm proposing now, where the green building is, the pump station, and the building that is there now, what I want to do is go kiddy corner to that, put the existing building back now at least another 8 feet. You will still be able to see all the signs and everything and it's still going to be back 8 ft. and that is where I want to start the porch on the next building. Start the porch there and then the building that is going to be built behind the porch will be back behind the building. All you are going to see when you drive by is a porch. And that is what I am asking just to put the porch there.

Merrihew: I need to go to the site again.

Larkin: This guy is a business man and you got to

Merrihew: He doesn't have a variance yet.

Larkin: He shouldn't have to have a variance

To do an industrial manufacturing operation in a commercial retail zone. A Use Variance... *interrupted.* He doesn't meet the 4 circumstances and we didn't make the circumstances up us as a board or the town. They have to strictly meet those 4 circumstances and I don't think he meets them. That's the discussion.

Larkin: If somebody was to build an addition on their building, he is doing no different. As a planning board we are here to facilitate the growth of Tupper Lake in the right direction.

Merrihew: I agree, in the right place.

Larkin: That is his lot, the right place you can't start

Merrihew: We can agree to disagree but we need to come up with a recommendation to the ZBA

Larkin: That's the answer, the thing of it is, as long as I have been on the Planning Board, and my belief has been that the Planning Board is to facilitate the growth of Tupper Lakethe best way they can. Not to hinder people, not to nick pick 2 ft. , 5 ft., 8 ft., one bridge, 3 bridges we are here to look at the situation and to make it work and we've done this for years, even Robert been there.

Merrihew: Then we don't need the code book,

Larkin: You know the land use code is a bunch of lawyers make this land use code back in the 60's and they brought into Tupper Lake they PROBABLY come from Chicago and said this is what you need boys, it's not perfect but it will do and there's flaws and we run into flaws a long time since I've been on the board. So what the planning board tries to do Jimmy is to make it work, in this case we have a small businessman trying to make a living and somebody went to him and said why don't you just make furniture and never mind the building. Well, we cannot run his business he knows how much he can make on his furniture; he knows how much he can make making that building can make for him.

Merrihew the other part of the Planning Code is to protect the community, the neighborhood, street, and the neighbors, in all situations.

Larkin: It was a gas station that had a diesel pump behind it that stunk.

Merrihew: That is not the point, Jim

Larkin: Yes it is. Its better than it was, much better.

Boushie: I did go in-front of the ZBA Board and they said they approve it. The ZBA said they would come here and they said they visited everyone in the area and nobody had problems with it. The only problem that I thought was wrong is I built it too close to the sign. So I push it back 8 feet and it looks like a round building when it's done, that is all that it's going to look like and the porch will be finished and that is all you will see and the building will be behind it. It will be 2 sections,

Larkin: What we need to do is get a recommendation to the ZBA, because we can do this all night and we won't get an answer. So do you have an idea what you would like to do?

Pete Edwards: I have a few questions as the Zoning administrator for that area. The original Planning Board Permit Pete Boushie came in for was the situating of the existing home now. Did we at that time develop for manufacturing of future homes behind that site line or was it just a recommendation?

Paul: The original permit was for the display of the finished home on the exterior.

Pete Edwards: The ZBA we closed the hearing and they approved it. Each member of the ZBA felt that they had enough information, but legally we had to come to the Planning Board before they make their final dissension.

There were issues brought up because you want to build tiny homes and storage buildings how many storage buildings is enough 3, 4, 10, 15 storage buildings

Collier: we decided this is an industrial use, how many acres of industrial land we have in TL. We have unoccupied industrial use land in the village.

Keniston: I think what Paul is saying is that that does meet industrial, in a zoning that wasn't classified as that. We talked about it last time saying a finished product, everyone agree where it was and Pete was going to have siding and roof done to get to more of a finished product so that people would not say anything. If I'm building next door to you and I'm putting an addition on, you can see an end in sight. With this it's industrial and what he is talking about is repetitively doing it. I don't know if that's the neighborhood or if that is what the people want.

Boushie: I don't think it's going to be repetitive, my main thing is to do it on-site where people are going to hire me to go on site, and I rather do it on site. All I want to do is put one building there.

Merrihew: You have permission to do that. Right now we want to go over where it will be finally located. We gave you permission that it had to be shingles, siding, which was supposed to be done a month ago.

Boushie: I had two prior buyers that were interested in it.

Merrihew: Now we can dicker over where the house is going to be finally situated. I would like to go down and look at what you are talking about. The main issue is Use Variance, which is real hard to meet the criteria, which is not set by the town or the town board or our board. To get a Use Variance to build more homes on-site. That is what I think we are supposed to be looking at to make the recommendation to the ZBA. I don't have a problem with the display; we can come to agreement on that. If it is completely finished and I have some concerns about that. Right now we need to decide if you meet the circumstances and criteria for a use variance, which is pretty strict.

Boushie: I want to use the building and porch and use it as a display for the furniture, so you can go inside the building and actually see the furniture and stuff displayed inside.

Merrihew: We can go down and see it; we can make a site visit, and a finished product.

Boushie: That has to go by the 1st. The building it's going.

Merrihew: You already missed one finished by September 1st.

Boushie: I had one gentleman very interested in it, but he wanted log siding on it, he wanted a different color shingle on it, he wasn't committed, I could not take a chance. I finally started putting siding on and ordered the metal, its coming.

Larkin: Do you want to make a recommendation to the Zoning Board of Appeals?

Paul: We have three options. To recommend that the ZBA approve the variance, recommend that the ZBA deny the variance, or recommend that the ZBA approve the variance with conditions.

Merrihew: I recommend that the ZBA not approve the Use Variance for building tiny homes on the lot, which is my recommendation.

Mike: Paul can you read us the conditions that he has to meet?

Paul: Reads what a use variance …is. (Found in the Code book) All those conditions have to be met according to the code.

Larkin: I recommend that it should be approved with conditions. The conditions should be the time he can work. Outside all of this, before he went in there was nothing there. It was an empty lot, there was a gas station years before that had diesel fuel, anyways, being a small businessman, and I understand how hard it is. Hard for professional people to understand how hard this is, they tell me that they do but they don't. There is a big difference between that and a guy trying to make a living. I don't see where he is screwing up the neighborhood, hurting anything, us arguing about putting 5 feet back, 6 feet front is worth what we are doing to a small businessman in our town.

Mike: Who recommended to the Zoning Board … industrial use in that spot?

Larkin: Is there a difference between this and Graymont?

Mike: Graymont was unpleasant

Paul: I need to correct you Mike we are not changing the zoning. We are changing for a Use Variance. We are not changing the zoning to Industrial. We are not doing that and the ZBA is not doing that. This is a Use Variance and the Use Variance runs with the land; it's for the manufacturing of tiny homes.

Pete Edwards: If you move this home are you building one more, Storage buildings should have sizes. Is there enough room to store?

Paul: There is a motion on table by Merrihew to deny Variance. Is there a second?

Mike: I don't feel he meets the conditions. Somebody needs to come up with some very specific conditions.

Nobody seconded

Merrihew: If we look at the 4 circumstances Pete has to meet, if somebody challenges the ZBA's decision to allow it and he hasn't met those circumstances it's not going to hold up in court, that is my unprofessional opinion. The way I read them and how it is stated in the code that everybody in the State has to meet for a Use Variance. Jim you have the motion.
Collier: I will stick my neck out and make a motion the ZBA to allow this business to continue with strict regulations and business hours to be 9 to 5 and limit of buildings – one in process and one finished display building in the current location and the one in process behind. That is my motion.

Larkin: Can we get a second?

Bencze secind's the motionI'll go with that.

VOTE
Collier: aye,
Bencze: aye
Breton: abstains

Merrihew: Opposed
Keniston: Opposed

Larkin: Vote in favor of the motion

Paul: Condition will be business hours 9 to 5, Monday through Friday, limit 2 Structures – one finished display building current and the one in process in rear. We need to a site visit and amend the other permit for the location of it.

Bob Sweeney: I'm here for the Adirondack Club & Resort for our status report and update as to where we are, as we are working on it every single day. Last time I was here I told you we are on the 95 yard line. Just a quick comment - We spent 10 years trying to get an APA Permit and we fought off and won 5 law suites. (*Showed prop).*

We have been through the town process and have preliminary approval for the whole site and what we are here talking about is getting started on the eastside of the site where the large lot, great camps are and there is a 5 mile road that needs to wind between those things. We have attorney general approval, which was a huge effort. All we have left are the DEC storm-water for the road. We meet the manual criteria we get the permit. The Army Corp of Engineers is not a permit we have to have them come to the site and survey it and move the flags here or there. We have a check list of things that we need to fix, nothing major. What this does is gives determination by the Corp show us the wetlands so we don't build houses there. Then we will come here so we get final approval for this section 1before we start selling lots.

Village along with the town and the Joint Development Committee are making great progress on the sewer and water in the village, which will facilitate us getting services on the mountain.

We have 18 lots for sale, 5 under contract and the plan is to sell those lots in the spring.

Paul: We will see you next month for the 90 day extension. Item #5 Rail Explorer, they are not here and not forthcoming. No discussion and no action on it. We have an application.

Paul: Approve minutes June 22, July 27 & 28.

Mike Keniston: I approve minutes for 22nd

Merrihew: I was at the July 27 and 28th meeting and I approve them.

Paul: All in favor – everyone in favor – Aye. Next meeting September 28th.

Collier: Spruce and Hemlock store does not have handicap access.

Pete: said he will follow up with them.

Motion to Close: Collier Second: Bencze unanimous Aye

PLANNING BOARD

LEGAL NOTICE

NOTICE OF PUBLIC HEARING OF A TOWN OF TUPPER LAKE JOINT PLANNING BOARD

Number JPB 017-2016

Notice is hereby given that the Tupper Lake Joint Town and Village Planning Board, located in Tupper Lake, Franklin County, New York will hold a Public Hearing on Wednesday, November 16, 2016 at 7:00 pm or as soon as possible thereafter, in the lower level of the Town Hall (in the Courtroom), 120 Demars Blvd., Tupper Lake, New York at which time interested parties may present their views on the subject application.

The applicant and property owner, Hollingsworth Property Holdings LLC request a Special Use Permit for establishing a headquarters for Hollingsworth Carpentry & Renovations in a V/C zone; parcel number is 490.67-4-35. Application # JPB 017-2016.

The above application is on file in the office of the Town Planner; 120 Demars Boulevard; Tupper Lake, NY (Phone: 518-359-3580), and may be inspected any weekday (M-F) prior to the hearing between the hours of 9:00 am and 3:30 pm. Please try to call ahead of time to arrange your visit. Thank you.

The EFC has issued its Final 2017 Intended Use Plan. Congrats, your project scored above the subsidy funding line, which means you would be eligible for 1.49% financing (1/2 the market rate). That's helpful, but it doesn't appear you were offered hardship (0%) financing like your water project. This might be somewhat related to their concern on infiltration/inflow, so I'm sure we'll learn more when we meet with them on F 11/4 at 2 pm. But I've asked Jason Denno of EFC if he can find out why in the meantime. I'll let you know when I hear back.

Good afternoon all:
Please find attached a letter that went out to all residents of Water District #3 (Tamarac/Country Club Village) offering an invitation to attend an information meeting at the Town Meeting Room on Monday November 21st at 6PM.
Kindly let me know if you are available to attend.
Thank you very much.
Patti

November 9, 2016

Dear Residents of Water District #3:

The Town of Tupper Lake has been working in conjunction with the Village of Tupper Lake, c2ae Architectural and Engineering Company as well at DANC (Development Authority of the North Country) to improve water service.

We have been awarded an economic development grant which could be an asset regarding the water system to Water District #3. All parties have been meeting and exploring options regarding this grant and we are now at a point where we would like to share the information we have gathered with you the residents and water users of District #3.

We would like to invite you to an informal project discussion to fill you in and get your feedback so we can jointly make some decisions regarding this project.

We have set a date for **Monday, November 21st at 6PM in the lower level of the Town Hall**, 120 Demars Boulevard.

There we will make a presentation as to what is happening with this to date and open it up for discussion, questions and comments and considerations.

We hope you can make it and look forward to seeing you there.

Sincerely,

Patricia S. Littlefield
Town Supervisor

Subject: V/Tupper Lake NYS Archives Grant Project to Complete GIS Mapping
From: Carrie Tuttle <ctuttle@danc.org>
Date: 11/15/2016 4:56 PM
To: Paul Maroun <wawbeek@aol.com>
CC: Mary Casagrain <villtupplake@centralny.twcbc.com>, "Star R. Carter" <scarter@danc.org>

Hi Paul –

As follow up to the voice message I just left you, I am attaching a document that explains in more detail the NYS Archive Project grant opportunity to get the Village's water and sewer system mapped in GIS. Some highlights of the program are:

- There is no local share required from the Village. The grant pays 100% of the project costs.
- DANC will complete a Needs Assessment and the grant application on behalf of the Village. If the project doesn't get funded, you receive the Needs Assessment at no cost.

Star Carter, our GIS Supervisor, or I would be happy to attend a board meeting to explain and answer questions. There is a very tight timeline for this program and we'd need the resolution attached to the packet approved in November if possible.

Please don't hesitate to call or email me if you would like to discuss.

Thanks,
Carrie

The following is information about the New York State Archives' Local Government Records Management Improvement Fund (LGRMIF) for regional Geographic Information Systems (GIS) implementation:

Over the past six years, the Authority has helped facilitate ten similar projects for communities in St. Lawrence, Jefferson, Lewis, and Oswego counties and has obtained over $500,000 of grant funding to develop GIS in the North Country.

The project we are proposing would involve mapping of municipal infrastructure for interested communities in Franklin County and surrounding areas. The LGRMIF does not have a co-share; there is no cost to the participating communities. This project's objective is to convert hardcopy infrastructure records to electronic format and make them available in a secure, internet-based GIS application. The application would be hosted by a consultant and similar in design to one used by Development Authority and 64 other municipalities in the North County region; you can view this application by clicking the link on our website at www.danc.org. Communities we have worked with have found significant value in developing a GIS with assistance from the Archives' LGRMIF. Uses include: improved access to mapping for clerks, DPW, Board members, assessors, and engineers; ability to overlay infrastructure lines with county property data and aerial imagery; line/valve/shutoff locating; creating and printing maps; etc.

The due date for the LGRMIF application is January 17, 2017 and several items need to be completed in advance. Once the lead agency has been identified, letters will be sent to other communities to solicit their interest in a partnership for the project. Thereafter, hardcopy records at each participating community will be inventoried for a GIS Needs Assessment, and a competitive RFP solicitation (facilitated by the lead agency) must be completed to select a vendor to perform the record conversion to GIS. Finally, the grant application needs to be prepared and submitted. The Authority will assist the lead agency with records inventory, GIS Needs Assessment, and grant application preparation at no cost. The lead agency will be requested to review and sign grant forms and select the GIS consultant. The Authority will assist the lead agency by providing an RFP template used for other successful LGRMIF projects.

A lead agency needs to be identified no later than November 25, 2016, with a formal resolution from their board; a sample resolution is enclosed. Please note that if you elect to be lead agent for this grant application, your community will be unable to apply for another LGRMIF grant for the 2017-2018 grant cycle. All grant funds go to the lead agent, who will oversee project work in each of the partnering communities and manage the consultant. If funding is awarded, project work is anticipated to begin in late 2017, after funding notification, and conclude by June 30, 2018.

Resolution No.

APPROVING SPONSORSHIP OF SHARED SERVICES
NYS ARCHIVES LGRMIF APPLICATION

Whereas, the Village is desirous of submitting a grant application to the NYS Archives Local Government Records Management Improvement Fund (LGRMIF) for implementation of a Geographic Information System (GIS) for municipal infrastructure records, and

Whereas, other communities in the surrounding areas have expressed interest in partnering with the Village for a shared services application for municipal infrastructure records implementation using GIS, and

Whereas, the Village has the necessary resources to assist partnering communities by sponsoring a shared services LGRMIF application and act a lead applicant and fiscal agent for project implementation if grant funding is awarded, and

Whereas, pursuant to LGRMIF guidelines, it is necessary that the lead agency: formally appoint a Records Management Officer (RMO), and formally adopt the appropriate records retention and disposition schedule.

Now, Therefore, Be it Resolved, that the Village of Tupper Lake does herby authorize and direct its Mayor to appoint _____as its RMO, adopt the MU-1 Records Retention and Disposition schedule for municipal government, and execute all LGRMIF paperwork required of a lead agency applicant.

Add §3-0321, En Con L

Establishes the consolidated local infrastructure program for the purpose of making payments toward the replacement and rehabilitation of existing local municipally-owned and funded drinking water, storm water and sanitary sewer systems; applies to any county, city, town or village drinking water system, storm water system or sanitary sewer system within the state that is not under the maintenance and/or operational jurisdiction of the state nor any private entity.

A09611 Actions:

BILL NO A09611

03/22/2016 referred to environmental conservation

A09611 Memo:

NEW YORK STATE ASSEMBLY
MEMORANDUM IN SUPPORT OF LEGISLATION
submitted in accordance with Assembly Rule III, Sec 1(f)

BILL NUMBER: A9611

SPONSOR: Steck

TITLE OF BILL: An act to amend the environmental conservation law, in relation to establishing the consolidated local infrastructure program for the purpose of making payments toward the replacement and rehabilitation of existing local municipally-owned and funded drinking water, storm water and sanitary sewer systems

PURPOSE OR GENERAL IDEA OF BILL:

This legislation seeks to create a water, sewer and storm water local infrastructure funding program similar in scope-to CHIPS.

SUMMARY OF SPECIFIC PROVISIONS:

Section 1. The environmental conservation law is amended by adding a new section 3-0321 to read as follows:

3 § 3-0321. Consolidated local infrastructure program (CLIPs)

1. Establishes a program to make payments towards the replacement and reconstruction of existing local village, town, city or county municipally-owned and funded drinking water, storm water and sanitary sewer systems in New York State; and directs the commissioner to promulgate all rules and regulation under this title.

2. Establishes the dates of payments

3. Establishes a distribution formula based upon the total length and size of all pipelines and mains owned and operated by the municipality.

4. Establishes the use of a competitive bidding process for use of the funds

5. Monies may be used to match any other state or federal funds for the same purpose; and the remainder may be used for any existing drinking water, storm water and sanitary sewer systems purchase and/or the acquisition of materials for the repair and/or rehabilitation.

6. Establishes that these funds may be used to towards the consolidation of municipal infrastructure.

7. Establishes the amount appropriated under this title as equal to that of CHIPS.

Section 2. Effective Date.

JUSTIFICATION:

According to the federal government, 80% of all New York State water infrastructure, specifically drinking water, storm water and sanitary sewer, is in dire need of repair, replacement or rehabilitation. These costs are ever increasing, while local municipalities struggle with less federal and state funding, as well as their tax cap being tied to the Consumer Price Index rendering their revenue generation static.

Economic growth is completely dependent upon updated and sound infrastructure that can handle added capacity. New York State will simply not be competitive unless we invest in our infrastructure to ensure it has the capacity for increased commercial growth and residential populations, much less handle its current capacity. New businesses will not invest in our state if they cannot depend on the infrastructure to serve them.

This legislation seeks to give local municipalities the funding stream they require to keep up with repairs and rehabilitation of their current local infrastructure.

The formula for calculating the amount due to each municipality is based on the length and size of the pipe. It should be noted that municipalities that have greater total pipe length and size of pipe will correspond to older municipalities, particularly cities.

EFFECTIVE DATE:
This act shall take effect immediately.

A09611 Text:

STATE OF NEW YORK

9611

IN ASSEMBLY

March 22, 2016

Introduced by M. of A. STECK -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to establishing the consolidated local infrastructure program for the purpose of making payments toward the replacement and rehabilitation of existing local municipally-owned and funded drinking water, storm water and sanitary sewer systems

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 3-0321 to read as follows:

§ 3-0321. Consolidated local infrastructure program (CLIPs).

1. Notwithstanding any other provisions of this chapter or any other law and subject to an appropriation made therefor and in accordance with the provisions of this section and with the rules and regulations promulgated by the commissioner in connection therewith, on and after the first day of April, two thousand seventeen, a consolidated local infrastructure program is hereby established for the purpose of making payments toward the replacement and rehabilitation of existing local municipally-owned and funded drinking water, storm water and sanitary sewer systems. For purposes of this section, such program shall apply to any county, city, town or village drinking water system, storm water system or sanitary sewer system within the state that is not under the maintenance and/or operational jurisdiction of the state nor any private entity. The commissioner shall promulgate all necessary rules and regulations to carry out the program so that an equitable distribution of aid shall be made for the general operation and/or general maintenance of any existing county, city, town and village drinking water system, storm water system or sanitary sewer system.

2. On or before the twenty-fifth day of April, June, September and November of each state fiscal year commencing with the state fiscal year beginning on April first, two thousand seventeen, there shall be distributed and paid to counties, cities, towns and villages an amount equal to the moneys appropriated for the purposes of this section

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD14609-01-6

divided by the number of payment dates in that state fiscal year. Such amounts shall be distributed and paid pursuant to subdivision three of this section.

3. Amounts shall be distributed for local drinking water, storm water and sanitary sewer systems based upon the total length and age of all pipelines and mains owned and operated by the municipality.

4. Funds allocated for the replacement and rehabilitation of existing local infrastructure under this subdivision shall be used to undertake work on a project either with the municipality's own forces or by contract, provided however, that whenever the estimate for the construction contract work exceeds one hundred thousand dollars but does not exceed two hundred fifty thousand dollars such work must be performed either with the municipality's own forces or by contract let by competitive bid in accordance with the provisions of section one hundred three of the general municipal law and provided further, however, that whenever the estimate for the construction contract work exceeds two hundred fifty thousand dollars such work must be performed by contract let by competitive bid in accordance with the provisions of section one hundred three of the general municipal law.

5. Monies made available may be used to match other state and federal funds made available for such projects. The reminder of the apportionment may be used for any existing drinking water, storm water or sewer system purchases, including but not limited to, the acquisition of materials for the replacement and rehabilitation.

6. For any city, town, or village which proposes infrastructure consolidation under this section or merges with another municipality, the funds appropriated under this section may fund costs associated with such consolidation.

7. For each fiscal year, starting in two thousand seventeen, the funds to be made available to the local infrastructure assistance account of the general fund, and distributed from that account, in an amount that is at least equal to those appropriated and made available in the Consolidated Local Street and Highway Improvement Program (CHIPS).

§ 2. This act shall take effect immediately.

Re: Health Insurance Open Enrollment & Informational Meeting
Thursday, December 8, 2016 at 3:00 pm, Village Court Room

3:00 pm Tish and Heidi will be here from Burnham Benefits to discuss with all those participating or looking to participate in our insurance for the 2017 plan year. They will review the changes we might expect for the coming year as well.

Thank you in advance for your cooperation!
