

Tupper Lake Zoning Update Public Presentation

Zoning controls how and where redevelopment and new development is allowed, how easy or difficult it is to start a new business or expand a growing one, and what types of housing development can occur in our community.

The Town and Village of Tupper Lake have been revising the existing zoning code, and are ready to release a draft code to the public **it's a great time to get involved** in shaping the future of the community.

Come and learn about the project, meet the project team and have a voice in the future of Tupper Lake.

Thursday May 16th, 6pm

**Tupper Lake Emergency Services Building
21 Santa Clara Ave, Tupper Lake**

**Department
of State**

This project was prepared with funding provided by the New York State Department of State under Title 11 of the Environmental Protection Fund.
